#### SEWING PROJECT TO HELP FOSTER KIDS IN RI

Organizers of The Sewing Project to Help Foster Kids are looking for volunteers to sew kid-friendly pillowcase bags for foster children. When a child is taken from a home that has been deemed unsafe by DCYF (Dept. of Children, Youth & Families), the child may take only a small amount of toys, clothes, and personal belongings. Many times, DCYF workers just don't have enough suitcases to use, so when a child arrives at a Crisis Center, Group Home or Foster Home, many times they arrive with literally 1 or 2 large black trash bags full of personal items. Let's change that! This is an ongoing project. Work at your own pace. For more information, contact Hollie at 385-9876 or holliegal@verizon.net

# 11 Critical Home Inspection Traps to be Aware of Weeks Before Listing Your Home for Sale

Home Owners - According to industry experts, there are over 33 physical problems that will come under scrutiny during a home inspection when your home is for sale. A new report has been prepared which identifies the eleven most common of these problems, and what you should know about them before you list your home for sale.

Whether you own an old home or a brand new one, there are a number of things that can fall short of requirements during a home inspection. If not identified and dealt with, any of these 11 items could cost you dearly in terms of repair. That's why it's critical that you read this report before you list your home. If you wait until the building inspector flags these issues for you, you will almost certainly experience costly delays in the close of your home sale or, worse, turn

prospective buyers away altogether. In most cases, you can make a reasonable pre-inspection yourself if you know what you're looking for, and knowing what you're looking for can help you prevent little problems from growing into costly and unmanageable ones.

To help home sellers deal with this issue before their homes are listed, a free report entitled "11 Things You Need to Know to Pass Your Home Inspection" has been compiled which explains the issues involved.

To hear a brief recorded message about how to order your FREE copy of this report, call toll-free 1-800-238-4613 and enter 1003. You can call any time, 24 hours a day, 7 days a week.

Get your free special report NOW to learn how to ensure a home inspection doesn't cost you the sale of your home.

**Pointers For Parents**  
Helping Families Have Happier Holidays

(NAPSA)—The holidays are a wonderful time of year, but with lots to do and very little time, it can quickly become overwhelming for parents. To help, here are some quick tips to keep you less frazzled this holiday season:

• **Shop Smart:** To save time, trouble and money, organize your shopping list before you get to the store. If you group items by location, you will spend less time searching and cut down on redundancy.

• **Let Santa Help:** With the hustle and bustle of the holiday season, kids sometimes have a tough time behaving themselves. This holiday season, get some assistance from Santa—or at least from one of his helpers. *The Elf on the Shelf: A Christmas Tradition* is a popular children's book complete with an elf from the North Pole. The elf is on special assignment from Santa and watches kids closely every day. At night, the elf flies back to the North Pole to give the Jolly Old Elf a report. Adults and children alike will be on their best behavior when they know Santa is watching!

• **Establish Bedtime:** With all the excitement surrounding the holiday, kids can get overstimulated and might have a hard time going to sleep. You might try reading to them before bed to set a calming tone, or let them choose a cuddly toy like *A Light in the Night* to sleep with. Complete with a board book, *A Light in the Night* assures children they are safe in the dark while the adorable plush creature that accompanies it has a built-in night-light and casts a soft reassuring glow.

• **Find Time for Fun:** Don't get caught up in your to-do list.

*The Elf on the Shelf: A Christmas Tradition* is the beloved story of a magical scout elf that reports to Santa!

Instead, be sure to make spending time as a family a priority. You can play board games, watch old Christmas movies together or visit fun new Internet sites that embrace the spirit of the season while keeping your group entertained. For example, children can keep track of Santa with help from the U.S. Air Force at [www.noradsanta.org](http://www.noradsanta.org), or you can find fun recipes and online games by visiting the North Pole at [www.elfontheshelf.com](http://www.elfontheshelf.com). Other websites for family-friendly fun are [www.familyfun.go.com](http://www.familyfun.go.com) and [www.alightinthenight.com](http://www.alightinthenight.com).

**Santa's Holiday Helper**  
Parents can begin a new tradition with *The Elf on the Shelf*. Gift sets come with a magical scout elf and book. Or alleviate bedtime stresses with *A Light in the Night* book and plush doll with a night-light in its tummy. Published by CCA and B, they can be found at gift stores and at [www.ccaandb.com](http://www.ccaandb.com) or (877) 919-4105.

**JOB MARKET/DAY CARE AD FORM**

**DIRECTIONS:** Print one word in each box (Phone No. = 1 Word. Price = 1 Word.) Use Punctuation as needed. Please print clearly. 10 words: \$8.00 - 25¢ for each additional word. **DEADLINE: MONDAY AT 12 NOON.** (Except when there is a Monday holiday, deadline is Friday at 12 noon.)

**Glazed Ham**

This is an easy and delicious ham to serve at Christmastime. For variety, brush the orange glaze on a roast turkey!

- 1 12-pound fully cooked smoked whole ham
- 2 tablespoons whole cloves
- 2 (10-ounce) jars orange marmalade
- 1 cup orange juice
- 2 tablespoons prepared mustard
- 1/2 teaspoon ground cloves
- 1/2 teaspoon ground ginger
- 1/2 cup dark seedless raisins
- 1 (15 1/4-ounce) can pineapple rings for garnish
- Maraschino cherries and parsley sprigs for garnish

1. With sharp knife, remove skin and trim all but about 1/4-inch fat from ham. Stud ham with whole cloves. Place ham, fat-side up, on rack in large roasting pan. Insert meat thermometer into thickest part of ham, being careful that pointed end of thermometer does not touch bone. Bake ham in 325 F oven 2 1/2 hours. If ham browns too quickly, cover with a tent of foil.

2. After ham has baked 2 1/2 hours, prepare glaze: In 2-quart saucepan over medium-high heat, heat marmalade, orange juice, mustard, ground cloves and ground ginger to boiling. Reduce heat to low; simmer 5 minutes. Brush some of the glaze over ham; bake 30 minutes or longer until meat thermometer reaches 140 F (about 15 minutes per pound). Add raisins to remaining marmalade mixture; heat through and keep warm.

3. To serve, place ham on large, warm platter; garnish with drained pineapple rings, maraschino cherries and parsley sprigs. Serve with remaining marmalade mixture. Makes 18 servings.

**Salome's Stars**

**ARIES** (March 21 to April 19) With the new year's opportunities almost within reach, the Arian's courageous aspects are raring to go. And don't be surprised if a lot of people follow the zodiac's most trusted leader.

**TAURUS** (April 20 to May 20) Change lies ahead for the brave Bovine who is ready to shuck off the tried and true to try something new. But appearances can be deceptive. Check it all out before you charge into anything.

**GEMINI** (May 21 to June 20) This week promises a peek into what the new year holds for the Gemini Twins, both in love and careers. Family matters continue to be a factor in decisions you're going to be facing.

**CANCER** (June 21 to July 22) As you move into the new year, your travel aspects grow stronger, and you might find yourself making decisions about a destination and a traveling companion sooner than you'd expected.

**LEO** (July 23 to August 22) The new year holds both glitter and gold. This means Leos and Leonas should begin getting the facts they'll need to separate the real thing from the sham in order to make important decisions next year.

**VIRGO** (August 23 to September 22) A good way to start the new year might be to arrange for a visit to someone you haven't seen in a long time. You also might want to pick up that project you put off a while back.

**LIBRA** (September 23 to October 22) As you contemplate the new year's potential, you might want to talk things over with people who are or have been where you want to go. Their experience and advice can be helpful.

**SCORPIO** (October 23 to November 21) Someone close to you might feel like you have no more room for him or her in your life. This calls for immediate reassurance of your love so you can start the new year on a high note.

**SAGITTARIUS** (November 22 to December 21) The coming year will bring more people into your life. Some situations might not work out as well as others. But overall, everyone earns something, and that's always a good thing.

**CAPRICORN** (December 22 to January 19) The new year could find you indulging in one or more of the hobbies you've always wanted to take up. And don't be surprised if they ultimately direct you toward a new career.

**AQUARIUS** (January 20 to February 18) The artistic Aquarian should find more opportunities in the new year. You might even make some potentially helpful contacts as you gather to ring in the year 2012.

**PISCES** (February 19 to March 20) The new year offers challenges for Pisceans who want to make better use of the skills they now have and learn new ones. Personal relationships show stronger positive aspects.

**BORN THIS WEEK:** Although at times you tend to be a bit judgmental, you are generous and caring and very much beloved.

The coconut is the national tree of the Maldives.

**Frankincense**

Frankincense was part of the perfume of the sanctuary (Exodus 30:34), and accompanied the meal-offering (Leviticus 2:1, 2:16, 6:15, 24:7). A specially "pure" kind was presented with the show-bread (Leviticus 24:7). When burnt it emitted a fragrant odour and symbolized the Divine name (Malachi 1:11; Song of Solomon 1:3) and prayer (Psalm 141:2; Luke 1:10; Revelation 5:8, 8:3). It was often associated with myrrh (Song of Solomon 3:6, 4:6) and with it was given to the infant Jesus (Matthew 2:11). — Brenda Weaver

**Snappy Magazines**

**Q.** While going through a family storage area, I found about two dozen issues of Snappy Magazine from 1930 and 1931. Since they were tied up with string and labeled "smut," I was naturally interested. What can you tell me about them?  
 — Steve, Metairie, Louisiana

**A.** Your magazines were part of GlemArt, which also included Gay Parisienne and Paris Nights. Not exactly smut by today's standards (or lack thereof), the issues often included pinup illustrations, occasional nude art images and suggestive stories. Look for contributions by Octavus Ray Cohen, Achmed Abdullah (Michael Romanoff), and Jack Woodford, since they are especially collectible.

According to "Vintage Magazines Price Guide," by Richard Russell and Elaine Gross Russell and published by Krause Books, most issues of Snappy magazine are valued in the \$30-\$85 range, but there are exceptions. Due to content, May 1931 and May 1933 issues are worth about \$125 each; April 1933, \$100; and June 1934, \$150. According to these prices, your stack of Snappy publications — if in good condition and complete — could easily be worth several thousand dollars.

**Q.** I have an old 78-rpm recording of "Long Ago and Far Away" by Dick Haymes and Helen

**Forrest.** I believe it is from World War II. What is it worth? — Billy, Rio Rancho, New Mexico

**A.** Your recording — Decca 23317 — was issued in April 1944 and spent 18 weeks on the nation's best-sellers chart. At one point, it was the No. 1 recording in sales in the country. It was introduced in the film, "Cover Girl," featuring Betty Grable. Hubba Hubba. Your disc is worth about \$5 in excellent condition.

**Q.** I inherited a small bowl, which my late grandma told me was hobnail glass. What exactly is hobnail glass?  
 — Martha, Portsmouth, Virginia

**A.** Hobnail glass is a pattern on pressed glass that has raised bumps as part of its distinctive design. Dozens of hobnail patterns and variants have been made in a wide variety of colors. This type of glass was perfected in 1886 by William Leighton Jr. and William F. Russell of Hobbs, Brockunier & Company. Incidentally, one of the earliest names for this glass pattern was dew-drop.

• On Dec. 30, 1903, a fire in the Iroquois Theater in Chicago kills more than 600 people. The fire inspector had declared the theater "fireproof beyond all doubt," even though it had no fire alarm and no sprinkler system over the stage. An asbestos curtain turned out to be made of paper, and the exits were locked.

• On Dec. 27, 1932, at the height of the Great Depression, thousands turn out for the opening of Radio City Music Hall, an Art Deco theater in a formerly derelict neighborhood in Manhattan. Since its opening, more than 300 million people have attended events at Radio City.

• On Dec. 29, 1940, London suffers its most devastating air raid when German planes firebomb the city. The next day, a newspaper photo of St. Paul's Cathedral standing undamaged amid the smoke and flames seemed to symbolize the city's unconquerable spirit.

• On Jan. 1, 1959, a popular revolution led by Fidel Castro quickly takes over Cuba. After Castro nationalized American-owned property and allied himself with the Soviets, the U.S severed diplomatic and economic ties, and enacted a trade and travel embargo.

• On Dec. 26, 1966, the first day of the first Kwanzaa is celebrated in Los Angeles under the direction of Maulana Karenga, the chair of Black Studies at California State University at Long Beach. The seven-day holiday celebrates African-American family, community and culture.

• On Dec. 28, 1973, Aleksandr Solzhenitsyn's "literary investigation" of the police-state system in the Soviet Union, "The Gulag Archipelago, 1918-1956," is published in the original Russian in Paris. Soviet officials were livid, and Solzhenitsyn was arrested, stripped of his citizenship and deported.

• On Dec. 31, 1985, former teen idol Rick Nelson dies in plane crash in Texas. Nelson launched his pop career in 1957 by singing in an episode of "The Adventures of Ozzie And Harriet."

#### Red Cabbage and Apples

We've simplified Red Cabbage and Apples, a Christmas dinner staple, for a more delectable holiday recipe.

- 2 tablespoons margarine or butter
- 1 medium red onion, cut in half and thinly sliced
- 1 medium (about 1 3/4 pounds) head red cabbage, cored and thinly sliced
- 2 Granny Smith apples, peeled, cored and cut into 1/2-inch chunks
- 1/2 cup water
- 2 tablespoon brown sugar
- 2 tablespoon red wine vinegar
- 1/8 teaspoon ground cloves

1. In deep nonstick 12-inch skillet, melt margarine over medium heat. Add onion; cook 5 minutes or until softened, stirring occasionally.
2. Stir in cabbage, apples, water, sugar, vinegar, cloves and 1/2 teaspoon salt. Cover and cook 10 minutes or just until cabbage and apples are tender, stirring occasionally. Uncover; cook 5 minutes or until most of liquid evaporates.

• Each serving: 55 calories, 2g total fat, 130mg sodium, 10g carbohydrate, 2g dietary fiber, 1g protein.

To make an appointment, please call Lisa Neill, Child Outreach Coordinator for the Coventry Public Schools at 822-9400, Ext. 249.
