**'Twas the night before Christmas and all through the store,
The people were flocking cause we had sales galore.
Our stockings were hung by the chimney with such care,
In hopes that our pants & shirts soon would be there.
Our suits are the very best your money can buy,
but when you see our prices you'd think it was a lie.
You would look so dapper in our new hats & caps,
Now I must put on my pajamas for a long winters nap.**

Message From James Vacca
NYC Councilman 13th District

SOCIAL MEDIA PAGES
 Staying in touch and keeping my constituents up-to-speed with all of my efforts at City Hall and in my district is very important to me. One of the best ways to do this is through social media, so please "like" my official Facebook by searching for Council Member James Vacca or by visiting <https://www.facebook.com/CouncilMemberJamesVacca/>. You can also follow my Twitter account @JamesVacca13 or by visiting <https://twitter.com/JamesVacca13>.

NOTIFY NYC
 Notify NYC, run by the city's Office of Emergency Management, is an alert system that sends text messages, e-mails, and voicemails to New Yorkers about emergencies happening in the city. These alerts include hurricane and AMBER alerts, as well as non-emergency updates about mass transit disruptions, power outages, public health alerts, and even notices about parking rules and school closures. It can be a vital resource during emergencies. You can even customize which types of alerts you wish to receive. I encourage you to sign up by calling 311 or visiting www.nyc.gov/notifynyc.gov.

NEW YORK STATE UNCLAIMED FUNDS
 You might be owed money and not even know it! Banks, insurance companies, utilities, investment companies and many other businesses are required by law to surrender inactive accounts. These accounts are known as unclaimed funds. The Office of the State Comptroller serves as custodian of this money. If you can prove you are entitled to the money, they will return it to you once you submit a claim. Visit www.osc.state.ny.us/ouf to search your name and find out if you are owed money. If you are owed money, you can make your claim online. For any questions, call the unclaimed funds office at 1-800-221-9311.

WATER LEAK NOTIFICATION PROGRAM
 Instead of being surprised by a spike in your quarterly water bill as a result of an unknown leak, owners of single-family and two- or three-family homes who have an Automated Meter Reading device installed can now sign up to receive notifications of potential water leaks in their home by visiting <http://on.nyc.gov/1Rw5tGMn>. DEP will notify you when they detect a spike in your water use. If you have not had a known increase in water usage, such as having visitors or washing your car, you can take steps to investigate whether you might have a leak. For more information, call either 311 or DEP's Call Center at 718-595-7000. You can also email customerservice@dep.nyc.gov.

Snowman Hurricane Shade

D.I.Y

Clear glass hurricane shade
Window cleaner
Paper towel
Sea sponge
White acrylic enamel paint
Paper plate
Paintbrush
Powder blush

Bath towel
Orange acrylic paint
New pencil
Black acrylic paint
Black paint pen
Christmas fabric
Scissors
Measuring tape

1. Thoroughly clean the outside of the shade using window cleaner and a paper towel.
2. Wet a sea sponge and wring it out so that it's damp, but not dripping. Pour white acrylic enamel paint onto a paper plate. Place the hurricane shade over your arm. With the other hand, dip the sponge into the paint and dab it on the glass. Repeat until the entire outer surface of the shade has been painted. Carefully stand the shade on your work surface to dry.
3. Using a paintbrush and powder blush, paint two large cheeks on the center-front of the shade.
4. Lay the shade on a bath towel to prevent the shade from rolling. Dip a paintbrush in orange acrylic paint. Pointing it to one side, paint a 2-inch triangle with a 3/4-inch base between the cheeks for the carrot nose.
5. Dip the eraser end of a new pencil in black acrylic paint. Dot two eyes spaced 1/4 inch apart and 1/2 inch above the nose.
6. Draw a smile using a black paint pen. Allow the face paint to dry.
7. Rip a 2-inch wide by 36-inch long strip from Christmas fabric. Stand the shade right side up on your work surface. Wrap the fabric strip around the bottom of the shade. Bring the ends together and tie into a bow on the front of the snowman. Trim the ends of the strip as desired.
8. Light a tea candle in a glass votive holder. Place the snowman hurricane shade over the candle. The candlelight will shine through the snowman head.
9. For a snowman hurricane shade that can be displayed throughout the winter months, substitute a winter novelty fabric for the Christmas fabric.
