## Meet Max

This week at the City of Tullahoma Animal Shelter we have a loving Heeler mix named Max available for adoption. He entered our shelter as a stray and is approximately 5 years old. Max is UTD on all shots and will be micro chipped. Max will receive a free neuter with a \$35 adoption fee. He is good with children and other pets. He would love a forever home. We feel that he would make an excellent pet! Banjo the Heeler mix from last week is still waiting for a great home.

Support your local shelter - adopt, donate or volunteer.

The Tullahoma Animal Shelter always has a great variety of dogs to choose from for adoption. Pictures of other dogs available may be seen at www.tullahomatan.gov

## Propane Prices Got You Down?

# Yank the Tank!

## Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
  - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent \$1200 for fuel alone.
  - Using natural gas, your fuel cost for the same amount of energy would have been approximately \$519 on our heat only rate or only \$445 for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!
