A new study, published in the International Journal of Epidemiology, has found that prenatal exposure to selective serotonin reuptake inhibitors (SSRIs) has a significant associations with lower birth weight and gestational length. This was found to be in cases where mothers had taken the drug for two or more trimesters.

An estimated one in 25,000 people is born with neurofibromatosis (NF2), a hereditary tumor syndrome in which virtually everyone progresses to deafness because of vestibular schwannomas-tumors growing on the nerves responsible for hearing. The tumors arise from the Schwann cells that support and insulate nerves. These tumors also cause balance problems and brain stem compression. Bevacizumab is a drug mostly used to treat colorectal and lung cancers, as well as certain eye diseases, like age-related macular degeneration and diabetic retinopathy. In a small clinical study with this anticancer drug, which halts blood vessel growth, 14 patients- four males and 10 females-ages 14 to 79 with NF2 and progressive hearing loss. Each had restoration of hearing.

Researchers at the University of Cincinnati (UC) College of Medicine have found that adding increasing doses of an approved Type 2 diabetes drug, metformin, to a chemotherapy and radiation treatment regimen in head and neck cancer patients is not will tolerated if escalated too quickly, but allowing slower escalation could be beneficial. These findings were presented at the 2016 American Society of Clinical Oncology (ASCO) Annual Meeting.

## Free Bible Reading Schedule

This time of year many of us will be making those "New Year's Resolutions." Wouldn't it be great to determine to consistently and regularly read God's Word, the Bible? The Bible reveals the nature of God: "Be still, and know that I am God" (Psalm 46:10). The Bible contains many precious promises: "Just as a father has compassion on his children, So the LORD has compassion on those who fear Him" (Psalm 103:13).

We have a 5-days-per-week reading schedule which will enable you to read through the entire Bible in one year. That is a resolution you will never regret! We will mail or email you this schedule for free: email [leon.mauldin@gmail.com](mailto:leon.mauldin@gmail.com) or phone/tex 256-339-0755.

## Joseph Scott "Scotty" Laney

June 25, 1979 ~ September 7, 2005

*We've asked an angel in heaven in a special Christmas prayer to protect you as you're sleeping and tend you with great care.*

*For we felt such pain and heartache when you left us far behind and throughout the celebrations you'll be very much in mind.*

*And although our tears are falling, peace and solace will be found when we find a pure white feather that has drifted to the ground*

*Because then we'll know for certain by this sign from up above that an angel's wings surround you with everlasting love.*

*Merry Christmas In Heaven*

*Love, Mama, Roy, Dad, Grandma*

A denominational church: a religious grouping within a faith that has its own system of organization. Nondenominational church: simplest answer is any church which is not part of a larger denomination. There are some 250 so called Christian churches in Cullman and most claim to teach Christ's commandments, yet are separated by their doctrines. History proves most are splinters of others, yet keep the same name. A divided system of organization does not prove Christ, so obviously many are simply false teachers, wolves in sheep's clothing (Mt 7:15), by (2Cor 11:13-15). Be not deceived by those who only want to read the Holy Bible, you must be doers as well (Jam 1:22) for the blessings (Rev 22:14)! So Be It! Ron & Jeri
