SPEAK OUT

Dear Speak Out,

After living in Mount Morris for some time and learning so much of its history, I have come to the conclusion that the Town and Village of Mount Morris are the most patriotic Town and Village in the United States of America.

Mount Morris has a rich patriotic history, which is why I am perplexed as to why the Mount Morris School District has as its sports name "the little blue devils!" Where did that come from? Why not have a more patriotic mascot like the Mount Morris Patriots? OK, perhaps Bills fans would not like that one. What about the Mount Morris Eagles? After all, the American eagle is a symbol of our great country. I am certain someone could come up with a more appropriate name for our sports teams. Perhaps the school district could run a contest and let the students come up with a patriotic name.

I do not have school age children who are students in the Mount Morris School District. If I did, and they played sports, I would have great difficulty cheering on the team yelling "Go devils!" As a Christian I do not want to have anything to do with any type of "devil." And what about separation of church and state? Unfortunately, Satanism is recognized as a religion dedicated to worshipping and following Satan. And there is nothing good about Satan. The Bible tells us, he comes only to steal, kill, and destroy . . .

So why is the Mount Morris Central School promoting Satan through its athletic teams? School Board, teachers, students, it is time to get rid of the "little blue devil."

Go Eagles!!!

6th Annual Christmas Card Stamp Camp

Did you hear? It happened again. On December 10th, 2016, Celebrate Family Church hosted its sixth annual Christmas Card Stamp Camp in Leicester.

Instructors Kim Leach of Leicester, Caroline Ford of Geneseo, Ann Driscoll of Avon, and Kathleen Gerace of Leicester coordinated the event which welcomed twenty-one participants.

As always, participants arrived 'hyped' for stamp camp. In fact, by early November, a good number of the attendees had already signed up and were eagerly awaiting stamp camp.

Attendees found their gift bags filled with supplies on the serving counter as they entered the cafe. Reindeer themed gift bags were created by Caroline Ford.

Holiday excitement flowed at every table equipped with pencils, markers, stamps, and materials needed to make the cards along with instructions and a sample of each card.

Several stations were set up to accommodate each decorative need. For example, a cuttlebug station allowed for dry embossing, while another was set up for the heat embossing.

Stamp Camp ran on Saturday from 10 AM-4 PM with a half hour break for lunch. Talking and laughter ensued throughout the day as the cardmakers busily worked like Santa's elves preparing for Christmas.

Notepads and pen holders were given away as door prizes and each participant took their choice of wrapped Christmas gifts from under our cleverly designed Christmas tree.

Stamp camp has become an extremely popular annual event at the church and we eagerly look forward to next year's event! We hope you can join us!

The recent election has caused many reactions. Some people may feel satisfied, even excited, while others may be filled with shock, uncertainty and fear. Many questions remain.

One certainty is that RESTORE Sexual Assault Services will continue to offer services for all who are impacted by sexual violence throughout Monroe, Livingston, Genesee, Orleans and Wyoming county. Domestic violence services are also offered in Wyoming county.

A proud program of Planned Parenthood of Central and Western New York, RESTORE is an example of the graceful strength that comes with a long-enduring struggle.

RESTORE has been in existence for nearly 50 years. This year, Planned Parenthood celebrated 100 years of care. Our nation's history shows us that with support, care and encouragement, we will endure. These doors stay open, no matter what.

There is great energy to join the movement and support social justice causes. Volunteers are needed now more than ever.

RESTORE would not be able to maintain the vital 24-hour availability of services without the dedication of committed volunteers. There is an urgent need in Monroe, Genesee, Livingston, Orleans and Wyoming counties.

Those interested in volunteering for RESTORE must be at least 20 years of age and be comfortable working with victims in a crisis situation. RESTORE is seeking volunteers who can take phone calls from their home, as well as volunteers who are able to accompany victims to the hospital or police station, which will require access to transportation. The time commitment is flexible, and at the volunteer's discretion. All applicants will be screened and must complete 32 hours of training before taking calls.

For more information about volunteering with RESTORE, email volunteer@ppcwny.org or call (585) 658-2370.

#####

RESTORE, a program of Planned Parenthood of Central and Western New York, leads the community response to sexual violence through advocacy and education by providing the safety, support and validation that changes the lives of all those affected by sexual assault.

Trained counselors are available 24-hours a day, seven days a week to provide information and support, enabling clients to make informed choices concerning medical, legal and counseling needs, while offering advocacy and information about their rights. Counselors also offer short-term counseling sessions and legal and medical accompaniment. Services are free and confidential.

ECONOMIC GARDENING TO HELP COMPANIES GROW

Livingston County is pleased to announce that the Economic Gardening program will again be available in 2017. The program is designed to facilitate the expansion of second stage companies – that is companies beyond start-up that are ready for steady growth.

“The majority of our economic growth stems from our existing businesses” states Bill Bacon, Director of Economic Development for Livingston County. “We need to nurture them and help them grow.”

The Economic Gardening program provides free access to in-depth sales and marketing research via a strategic research team which can help a company to:

- Identify more qualified sales leads and tap into new and growing markets
- Leverage social media to connect with customers
- Improve online marketing efforts with search engine optimization (SEO) and website analysis
- Analyze employee temperament to build strong management teams

To date, five Livingston County companies have participated in the Economic Gardening program. Judy Hart, Owner and President of Seating Inc. shared “Leading a small business can be tough! Economic Gardening provides entrepreneurs with professional resources that can help them put the vast amount of information available in today’s changing environment to work for them. Be prepared to invest your time and effort to get the maximum benefit.”

The Economic Gardening program is managed by Greater Rochester Enterprise and made available to Livingston County companies through generous financial support from Senator Gaillivan.

For more information please visit:
