## Notes from the NUNDA VILLAGE BOARD

### REMINDER

The right of way encompasses all parts of the property from the top of the sidewalk to the street. It is the responsibility of the property owner to care for this area. Sidewalks must be kept clear of all obstructions - at all times. This includes shoveling sidewalks and keeping them free of ice. While the Village DPW plows sidewalks when able, it is everyone's responsibility to make sure the sidewalks are clear of snow and ice. We are all pedestrians and benefit from having a safe, clear, and continuous path to travel.

### To My Fellow Citizens:

I will not be a candidate for re-election to a second term as Mayor of the Village of Mount Morris in the spring 2017 Village election.

I have been blessed and honored by your support for the last 18 years to serve you and our community in many capacities since Erica and I made Mount Morris our home in 1994: Town Board, Planning Board, Republican Committee, Village Board, Deputy Mayor, and, for the last 4 years, as your Mayor. I believed that I could balance Mayor, a career, and my family responsibilities as a husband and father. Our Village has a lot of moving parts, requires supervision, and that requires a full time commitment as Mayor.

My professional and family responsibilities require all of my efforts at this time, and to attempt to continue on as your Mayor will not do the position, our organization, or our citizens and taxpayers justice.

I have been fortunate and am grateful to have had the privilege to serve you and to work with many elected and appointed members of our great community over the last 18 years, and while not always agreeing on all topics, we all have been enriched and benefited by their wisdom and mutual commitment to what benefits us most.

No matter who we choose as our elected representatives, please give them your support. We need to encourage, not discourage people to get involved and do the work of the people. We all are, at the end of the day, still one family.

Respectfully,  
Joel Mike  
Mayor

The Family of Linda Macaluso would like to thank everyone who sent cards, food, flowers, or gave words of support at the time of her illness and recent passing. All gestures of kindness were greatly appreciated during this difficult time. A special thank you to the Livingston County Hospice nurses and aide who were so caring and helpful, to Scott and Derek of Rector-Hicks Funeral Home for the care and respect shown to the family, to Bob Wiggins for the beautiful eulogy delivered, and to the Livingston County Sheriff's Department for the way in which they honored our loved one for the years she so proudly served as Deputy.

## EXCELLENCE IN SURGICAL CARE

Our friendly office personnel will make you feel comfortable and help to make your visit as positive as possible.

We expect our own doctors to provide us with comforts, a friendly and attentive staff, and a high level of professionalism, and it wouldn't make sense if we didn't do the same for you.

We work with several insurances. Please call to learn more.

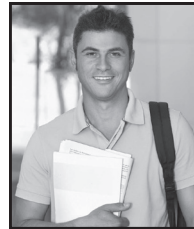

### Thinking about dental implants?

Did you know that dental implants are frequently the best treatment option for replacing missing teeth? Rather than resting on the gum line like removable dentures, or using adjacent teeth as anchors like fixed bridges, dental implants are long-term replacements.

### Home from College? Need your wisdom teeth out?

Wisdom Teeth Extractions, Gum Treatment or Surgery  
Dr. Andrew M. Steinhilber is both a board certified Oral & Maxillofacial Surgeon and a Periodontist (gum surgeon). He is licensed and certified in the delivery of general and IV anesthesia, making your surgical experience as comfortable as possible. His team has the skills required to provide the quality surgical care you deserve. They also provide IV anesthesia for patients who are anxious about routine dental treatment by their dentist.

### Anxious About Having Surgery? Go No Further!

Dr. Andrew M. Steinhilber is a board certified Oral & Maxillofacial Surgeon with 6 years of surgical residency training and over 20 years of surgical practice.
