Trojan Hill Farms

The Jim Linquist family of Greentop, Missouri have used Trojan Hill Angus bulls for over 20 years. Jim's family sold feeder cattle the first week of October 2016 at the Bloomfield Livestock Market. Jim reported their feeder cattle brought over \$20 to \$40 per hundred weight premium. Some of the cattle was purchased by a feedlot that bought their cattle last year. The feedlot stated their cattle from last year gained from the first day to the finished day to the packer was 3.82. These were some of the best cattle they ever fed. By purchasing quality bulls from Trojan Hill Farms, that quality doesn't cost....it pays. Come and see what our bulls can do for you.
Call Phil Archer at 641-680-6769 to make appointment to see the bulls
