www.BillsMcGaugh.com

Bills-McGaugh Funeral Home & Crematory is there with your loved one every step of the way. By having a crematorium on-site, we can control the entire cremation process. We are not dependent on anyone else's schedule or facilities, and our licensed funeral directors and embalmers oversee every step of the cremation. Your family can be assured that the process is handled professionally and with respect and reverence for your loved one.

- We are the only funeral home in Lewisburg that does not use an out-of-town crematory.
- The entire cremation process is completed on-site at our crematory by our professional and licensed staff.
- Since our crematory is located on our premises, we both welcome and encourage families to be present prior to the cremation.
- For those who have chosen cremation but have pre-planned their final arrangements at another funeral home, it is a very simple process to transfer that pre-arranged plan to our funeral home and crematory. Our staff can handle all of the details.

Whatever your choice, Bills-McGaugh Funeral Home & Crematory can provide the best option at an affordable price. At Bills-McGaugh Funeral Home & Crematory, there really is a difference.
