I've had issues with back pain ever since I can remember. I've tried to ignore the pain in my back. I wanted natural treatment rather than be put on harsh medications. I tried other things, but it didn't correct the cause of the pain. Since seeing Dr. Kanan I've regained feeling in my hands, my legs don't go numb, I've returned to yoga and my strength and flexibility are improving!

-Shalene S.

When I came to Dr. Kanan, I could barely walk. The pain was so severe it made me sick to my stomach! Dr. Kanan and his staff are true professionals. Dr. Kanan told me what was wrong with my back and the preventative measures I needed to take to fix it. Dr. Kanan and his staff took me from hardly walking to running and exercising again. My quality of life is much better!

-Health L.

I had trouble moving comfortably and breathing normally for about a year! Ever since my adjustments I feel like new! I now have full movement without pain and more energy throughout the day. I finally feel relaxed and calm again! I definitely recommend Dr. Kanan he helped me tremendously!

-Justin R.

I had lower back pain, a bulging disc and pinched nerves. One afternoon my back locked up and I couldn't bend at the waist. Since starting chiropractic care my back is doing much better and I am on my way to a complete recovery. I am extremely satisfied with the adjustments, laser therapy and spinal decompression. I feel better than I have felt in years! Dr. Kanan is very knowledgeable and has great concern for his patients. Everyone here makes you feel like family!

-Charlie G.

Propane Prices Got You Down? Yank the Tank! Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
 - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent \$1200 for fuel alone.
 - Using natural gas, your fuel cost for the same amount of energy would have been approximately \$519 on our heat only rate or only \$445 for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!

Tullahoma ANIMAL SHELTER

Meet Buddy

This week at the City of Tullahoma Animal Shelter we have an American Bulldog named Buddy available for adoption. He entered our shelter as an owner turn-in and is approximately 5 years old. Buddy is up-to-date on his vaccinations and is microchipped. He is currently undergoing heartworm treatment paid for with donations made to the shelter. He is good with children and other pets. Buddy will receive a free neuter with a \$35 adoption fee. Buddy would love a forever home. We feel that he would make an excellent pet! Princess the shy Basset Hound mix from last week and Simba the Hound mix are both still waiting for great homes.

Support your local shelter - adopt, donate or volunteer.

"I put an ad in the Exchange one time, a year later this guy calls and I go to do an estimate for him. I always ask how people found out about me. He said he found my number in the Exchange, cut it out and kept my number for over a year until he needed it. He's been a good customer of mine for about 10 years now. So, one of my best jobs came from the Exchange. At a time when I couldn't afford a lot of advertising, the Exchange really came through for me." Larry's Lawn Care.
