**Helps reduce tossing and turning**  
**ComfortRight™ Layers**  
This advanced system of foams and fluffy fibers is designed to provide instant comfort. This helps reduce the pressure points that can cause tossing and turning so you can sleep more comfortably through the night.

**Minimize impact from partner movement**  
**TrueSense® Design**  
Serta's exclusive design helps minimize the impact of partner movements, working to isolate motion at its source so you can enjoy a peaceful night's sleep with fewer disruptions.

**Encourages proper back support & alignment**  
**Custom Support® System**  
Every Perfect Sleeper features a system of durable, yet flexible carbon steel coils that work to promote proper support and alignment across the entire body.

**Resists sagging & edge roll-off**  
**ComfortLast® Construction**  
Designed to enhance durability of the mattress and is thoroughly tested beyond industry standards to make sure it can resist sagging and edge roll-off. This enhanced durability can help extend the comfort life of your mattress.

**Promotes a balanced sleep temperature**  
**CoolBalance® Technology**  
A unique combination of high-performance heat and moisture-regulating fabric and an overall mattress design that helps promote airflow. Together, these help provide a comfortable, balanced sleep temperature.

**5 reasons  
to never count  
sleep again.**

Responsibly**  
Please Don't Drink and Drive

## Take action, SAVE MONEY!

### Easy ways for businesses to save energy.

- CHANGE YOUR BULBS**  
Replace your incandescent bulbs with LEDs. In large rooms, replace T12 fluorescent bulbs with T8s. For even more energy savings, upgrade fixtures and bulbs to high-efficiency T5s.
- SMART STRIPS ARE SMART**  
Some office devices consume up to 40 watts of electricity in standby mode. Reduce wasted energy with a "smart power strip," which monitors electronic devices and turns them off when not in use.
- LIGHTS ON, LIGHTS OFF**  
Occupancy sensors keep your lights off when rooms are unoccupied or when day light is detected. Sensors are most effective in bathrooms and storage areas.

## NATIONAL FFA WEEK - ITHACA FEB. 18-25, 2017

### We Support our Local FFA Chapters

7440 North Alger Rd. • Alma  
 989-463-2161  
[www.almachevybuickgmc.com](http://www.almachevybuickgmc.com)

I believe in the future of agriculture, with a faith born not of words but of deeds-- achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturalists to serve our own public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so-- for others as well as myself; in less need of charity and more of it when needed; in being happy myself and playing square with those whose happiness depends on me.

I believe that rural America can and will hold true to the best traditions of our national life and that I can exert and influence in my home and community which will stand solid for my part in that inspiring task.
