Seventeen Iowa Lakes Community College students and three local residents combined with nearly 700 other handbell ringers to set a *Guinness Book of World Records* record for the largest performing handbell ensemble, November 19th, at the Mall of America. Seen below the spectators in the balcony are: Herbert Winter, Armstrong; Laura Haburn, Estherville; Brandon Conway, Lansing; Maura Soukup, Emmetsburg; Colten Christensen, Ringsted; Katherine Harrison, Ledyard; director Carol Ayres Stueven and Doug Stueven, Spirit Lake; along with Martin Eckard, Victoria, British Columbia, Canada; Kayla Jensen Smith, Estherville; and Evan Mattioda, Cherokee.

ILCC makes 'Big Ring' history

Seventeen members of *The Iowa Lakes Community College Handbell Choir* made musical history with their November participation as a part of the world's largest performing handbell ensemble. The event was organized by the *Handbell Musicians of America* partnering with the *Salvation Army* and the *Mall of America*.

Organizers said 700 musicians were registered for the November 19th event. The total included 17 *Iowa Lakes Handbell Choir* members and three community members who were enthused to participate in the unique event.

Special arrangements of *Silver Bells* and *Carol of the Bells* were designed so that participants did not need music stands or tables. Everyone carried their bells in-hand and memorized their parts. The performance took place in the Rotunda of the *Mall of America* and was live-streamed on the *Salvation Army North's* facebook page.

As Iowa Lakes' handbell director Carol Ayres Stueven explained, "As the *Overtures* magazine cover photo shows, everyone involved had fun. Our handbell choir members were really excited to be part of history. We had a wonderful experience ringing in a 700 person ensemble!"

Overtures is the official magazine of the *Handbell Musicians of America*. Participating, but not in the cover photograph were: Kaycee Arrowood, Milford; Kevin Davis, Ossain; Lauren Hein, Andover, Minnesota; Nelly Kerr, Graettinger; Lincoln Larsen, Sioux City, Travis Meyer, Estherville; Morgan Schomaker, Greenville, and Tim Soper, Estherville.

The Okoboji High School Jazz Band did well in last week's 45th annual *Morningside College Jazz Festival*, earning first place in Class 2A. Hanna Roberts was named Overall Outstanding Soloist. And Okoboji also came home with the Class 1A/2A Traveling Trophy...

And, the Jazz Choirs from Okoboji, Spirit Lake, and Spencer high schools all earned top, Division I (Superior) ratings in last week's Iowa High School Music Association State Jazz Choir Festival, at the SAMI Bedell Center for the Performing Arts in Spirit Lake.

The Jazz Choirs were evaluated on ensemble characteristics of tone quality, blend, rhythmic feel, interpretation, precision, musicianship, solo creativity, and balance.

One highlight of this week's entertainment schedule is the screening of Royal Opera's *Il Trovatore*, being presented Thursday night, at the Pearson Lakes Art Center. One of the great operas of the Romantic Period, *Il Trovatore* is a story of passion against the backdrop of war. The viewing begins at 6:30...

Wednesday night will see *Daybreak* performing for dancing and listening at Table 316 in Arnolds Park, from 6 - 8:00...

And, *The Scott Larsen Band* will be returning to the Little Swan Lake Winery, Sunday afternoon, from 4 - 6:00...

Today being Valentine's Day, research director RD is all about a little mood music, with hearts and flowers — and maybe a glass of wine with a piece of dark chocolate.

While lyricist Lorenz Hart (*not Heart*) always celebrated a November birthday, RD put him at the top of her list to celebrate February 14th. Hart was born in Harlem, New York, and was half of the Rodgers & Hart song-writing duo that produced hundreds of great romantic tunes, including, *Isn't It Romantic*, from the 1932 motion picture *Love Me Tonight*. The song was popularized by Ella Fitzgerald, and rerecorded many times over by the likes of Mel Tormé, Chet Baker, and Peggy Lee with George Shearing on their 1959 album *Beauty and the Beat*.

Composer Irving Gordon was born in Brooklyn, New York, on this day in 1915, and was responsible for *Unforgettable*, one of Nat 'King' Cole's biggest hits. Gordon also wrote *Prelude to a Kiss*, with an assist from Duke Ellington and his partner Irving Mills.

RD also listed several other suitable songs for the day, including *My Funny Valentine*, *My Romance*, and *My Heart Stood Still*. Most of the tunes can be found at YouTube or similar sites...

Harold Arlen was born Hyman Arluck in Buffalo, New York, on February 15, 1915. One of the earliest of his 500-plus songs was *Let's Fall in Love*, which was co-written with Ted Koehler.

Thursday is "Almond Day," perhaps noting the 1946 introduction of the Peter Paul candy bar, *Almond Joy* — about a quarter-century after its sister bar, *Mounds*, was first introduced with a darker chocolate, sans nuts — so sometimes you can feel like a nut, but not always.

What might surprise you to learn is that Leon Carr wrote the *Sometimes you feel like a nut*, jingle. The surprise is not inside the candy bar, but in the knowledge that Carr (no pun intended) was also responsible for so many of us seeing the U.S.A. in a Chevrolet about half a century ago. Pure genius. Or is it nuttiness?

'Enough of either or both for this week...

All the news that fits we print.

Please send your music-related announcements and comments to RAMBoling@mindspring.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Films for the Cinematically Disadvantaged

For more than twenty years Arts on Grand and Carey's Electronics have been presenting for your viewing pleasure "Films for the Cinematically Disadvantaged". Two seasons a year, foreign films are shown in the upstairs movie room of Carey's at 220 Grand Avenue in Spencer at 7:00pm on Mondays. Patrons pay a freewill offering to enjoy popcorn and a hot beverage and a trip to another time and culture.

This series for 2017 includes:

- Monday, February 20: *Internal Affairs (China, 2004)* – Veteran cop Chan Wing Yan goes undercover to expose the detective who's been leaking information to the criminal underworld. Unaware of each other's identity, the two men soon find themselves locked in a dangerous game of cat and mouse.
- Monday, February 27: *Tracks (Australia, 2014)* – Mia Wasikowska is affecting as adventurer Robyn Davidson, who crossed the Australian desert alone -- and on foot -- in 1977. Drawn from Davidson's memoir, this drama depicts her arduous journey and explores her reasons for undertaking it.
- Monday, March 13: *My Afternoon With Marguerite (France, 2010)* – An illiterate handyman named Germain (Gérard Depardieu) befriends Marguerite (Gisèle Casadesus), a highly educated 95-year-old woman. The two couldn't be more different, with the oafish Germain bewildered by the literature that gives Marguerite such pleasure. Slowly the two form an unusual and intense bond, leading them to a greater understanding of their place in the world, and in each other's lives.
- Monday, March 20: *The Conformist, (Italy, 1970)* – In this thought-provoking drama set in 1930's fascist Italy, the government orders Marcello to kill a political refugee who happens to be his college mentor. Marcello obeys and is hence "the Conformist," a man who'll do absolutely anything to belong.
- Monday, March 27 – *A Man Called Ove (Sweden, 2016)* Despite being deposed as president of his condo's resident association, 59-year-old misanthrope Ove continues to plague his neighbors with dictatorial demands. But when Ove's new neighbor runs over his mailbox, the old crank finds he's met his match. Based on the novel by Fredrik Backman, the story has been a big hit with book clubs in the area, so it will be fun to see the story on film.

Okoboji Made Movie Screening

The first public screening for the movie "Prudence Drive" will be held Saturday, February 25, 2017, at Rolling Oaks Barn in Okoboji. A social hour will be at 9:00pm, the screening will follow at 10:00pm. The movie is not rated at this time, but should be considered as an "R" movie and not appropriate for children. The screening is open to the public - must be twenty-one years of age or older.

The film was shot entirely in the Iowa Great Lakes area. The acting, music, and production showcases all local talent. A mix of humor and horror drives a plot line twisting through a small Midwestern resort town. Locals will recognize some landmark locations like The Ritz and Vick's Corner. West O Beer is also featured prominently. A trailer for the movie is available on www.facebook.com/prudencedrive.

This is the first feature-length film from Gary Heady, Jr. of Spirit Lake; and summer resident, Scott Jordan from Omaha, Nebraska.

District Free Throw Champions 2017: First Place winners included: (front) Ryonna Faulkender-Spencer, Ava Packebush-Milford, Lacey Duffy-Milford, Leah Sorenson-Spencer and Olivia Irmiter-Spencer; (back) Ethan Hansen-Spencer, Cael Bruning-Spencer, Ashten Ver Steeg-Spencer, Preston Bennett-Spencer, Brayden Robards-Milford and Jaden Heller-Milford.

Free Throw Competition Results

Eleven girls and boys ages 9 to 14 were named champions of the 2017 Knights of Columbus District Free Throw Championship and earned the right to compete at the regional level. The district battle took place February 5 at Spirit Lake High School and was sponsored and run by the Knights of Columbus Iowa Great Lakes Council 5043.

In the competition, the winner of the 9-year-old boys' division was Ethan Hansen and for the girls it was Ryonna Faulkender. Medaling for the males at age 10 was Cael Bruning and for the females, Ava Packebush. Ashten Ver Steeg was the 11-year-old boys' champion and Lacey Duffy championed the girls' division. Preston Bennett was the winner of the 12-year-old boys' division, while Leah Sorenson took home the medal for the girls. In the 13-year-olds' bracket, Brayden Robards was the boys' champion, and Olivia Irmiter was the girls' champion. Winning for the 14-year-old boys was Jaden Heller.

Paul Katzfey, Youth Director and Recorder of Council 5043, said the competition was once again fierce. "Any time you have the kids competing for a chance to go on to the regional level," Katzfey said, "the competition gets amped up. Plus, they were shooting 25 free throws, versus only 15 at the local council level."

Katzfey thanked the Spirit Lake Community School District for its support of events like the Free Throw Championship and the Knights of Columbus Spelling Bee, also held recently at Spirit Lake Middle School.

District winners are eligible to compete in the regional competition in Remsen, with an eye toward moving on to the state and international levels.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past years contributing more than \$18,000 to local community needs, including ECHO Plus, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, Lauren Schell's India Mission, Women of the Well Project, Honor Flight for Veterans, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee. They also run the Tootsie Roll Drive for Persons with Intellectual Disabilities Labor Day weekend, benefiting local organizations.

The Royal Opera's Il Trovatore at the PLAC

International superstars Dmitri Hvorostovsky, Anita Rachvelishvili, Lianna Haroutounian and Gregory Kunde lead a superb cast of world-class singers in this Verdi classic.

Il Trovatore is one of the great operas of the Romantic period, a story of passion and blood, love and vengeance, disaster and murder.

This atmospheric and poetic staging by director David Bösch puts the story of passion against the backdrop of war. Fire and snow in the landscape echo the cruelty and love of the story: soldiers and gypsies clash, a mother reveals a terrible secret and two men are engaged in a deadly fight for one woman. The famous Anvil Chorus is just one of the highlights of Verdi's exceptionally fine music, which captures

the shifting emotions of the drama through impassioned love duets, fiery solos and stirring choruses.

All are welcome Thursday, February 16, at 6:30pm at the Pearson Lakes Art Center to see the live recording of The Royal Opera's *Il Trovatore* on the Lauridsen Performing Arts Theatre stage. Tickets are available for purchase at \$15 each by calling our box office at 712-332-7013 or by visiting us on the web at www.lakesart.org.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for more than 50 years. For more information or to become a member, please contact the Art Center at 712-332-7013, by email info@lakesart.org, or visit the website at www.lakesart.org.

Adverse Childhood Experiences and What to Know Course at ILCC

Adverse Childhood Experiences (ACEs) are traumatic events that can dramatically upset a child's sense of safety and well-being. These experiences range from physical, emotional, or sexual abuse to parental divorce or incarceration of a parent or guardian. Other cases may include household dysfunction, such as witnessing domestic violence or growing up with family members who have substance use disorders. ACEs are strongly related to the development and prevalence of a wide range of health problems throughout a person's lifespan.

Iowa Lakes Community College is offering a course on ACEs training – Adult Health Risks in Iowa, on Monday, March 6 from 6:00pm to 8:00pm on the Spencer campus of Iowa Lakes, in room 108A. Please use course #70000 when registering for this course.

An additional course will be held on Monday, March 27, from 6:00pm to 8:00pm on the Emmetsburg campus of Iowa Lakes in room 17. Please use course #70001 when registering for this course.

This course will raise awareness of the life-long impact of childhood trauma, and support efforts to prevent and reduce the effects. The cost for the course is \$15.

To register for these courses, visit www.iowalakes.edu/ce or call 800-252-5664. For questions, please contact Teresa Ball, Career Pathway Navigator, at 712-580-8617.

REAL ESTATE ROUNDUP

Presented by **RE/MAX Lakes Realty**

Welcome to the middle of February folks. Football is over; winter games is over; can't catch walligators anymore; and new year's resolutions are gonzo! Well buck up, because Spring is almost here, and it's time to start getting this housing market revved up again. Go to www.sellboji.com and download our app and call or email our agents today. We are hungry for your listings and ready to help our buyers find their next home.

In the next 2 features, we are going to hit on a few things that frustrate agents. Today we discuss "buyers". Our industry as a whole is filled with talented, intelligent, caring, and compassionate professionals that work 7 days a week fully committed to exceeding the expectations of our buyers; good, honest agents. Undoubtedly, there are always a few bad apples that lack moral fiber and put the dollar in front of the client, but that happens in every industry and is NOT representative of the vast majority of real estate agents. Most agents are going to work their butt off for you, but they would appreciate a few things in return.

Buyers:

1. **Get Preapproved:** Buyers should meet with their lender and find out what is affordable. It is a waste of time to look unless you have straight up cash or have been preapproved.

2. **Be Loyal:** Your agent has been emailing, answering your calls at all hours, sending you listings, showing you homes, busting their butt to find you a property, and then in return for their hard work, you contact a DIFFERENT agent to show you a property and to add insult to injury, you make an offer with the "new" agent. This is the #1 frustration for agents who are working hard for you. Remember, this is their career. It's how they make a living. Simply tell the "new" agent that you are already working with an agent. Most of the time, this is unintentional by the buyer, but stings the agent, just as much.

3. **Communicate:** Your agent is trying to find you a property, but he/she NEEDS you to respond to calls and emails. If the agent is contacting you too much, tell them. But if you appreciate the updates, just a one sentence email helps tremendously when your agent asks questions.

4. **Contacting the Listing agent or Seller:** Agency and representation are very important aspects of the Real Estate process. Buyers should never "bypass" their agent and contact the seller or listing agent directly. It makes everyone uncomfortable, but worst of all, you are left unprotected, and your agent is there to protect you and your position.

5. **The Golden Rule:** It's simple. Treat your agent or anyone part of a transaction the way you wish to be treated. Big money decisions can be emotional decisions. Be objective and let your agent help.

The Powersports and Power Equipment Technology program at Iowa Lakes Community College — which focuses on repair of not just motorcycles, but also snowmobiles, personal watercraft, ATVs and lawn equipment - has been listed as the 15th best in the nation. The website Mechanics Schools, located at mechanics-schools.com, listed the powersports program at number 15, noting its inexpensive tuition, safe location and multiple options for its mechanic programs.

"We've got a lot of equipment in here, and we keep adding more and more stuff all the time," said Assistant Professor Matt Bohl of the facilities at Iowa Lakes.

At Iowa Lakes, students can earn a diploma or an Associate in Applied Science degree as part of the powersports program. They can also choose to focus on advanced business management or on advanced motorcycle and small engine repair.

Girl Scout Cookies For Sale

The Girl Scout Cookie program is once again offering direct sales for 2017. They're excited about this as it means the girls will have packages of cookies *on hand* to sell door to door. Look for them at various locations throughout the area. This weekend Girl Scouts will be at the Southpark Mall in Spencer from 10:00am to 6:00pm on Saturday, February 18, and again on Sunday, February 19, from 12:00 to 5:00pm. Cookies at booths are available on a cash and carry basis, with proceeds supporting local Girl Scouts.

EPS Builds Idea Home for Home and Garden Show

Energy Panel Structures (EPS), headquartered in Graettinger, was again selected to manufacture and build the Idea Home for this year's Minneapolis Home and Garden Show.

The Idea Home will feature "Water's Edge," an innovative and energy-efficient home that was designed by Robinson Residential Design. Affordability is achieved by reducing square footage, which is achieved in this design by the open spaces and minimization of hallways. Jack and Jill bathrooms, located between two bedrooms, reduce the need for bathroom doors off a central hallway.

The innovative, contemporary design is further enhanced by the brightness of the home. The major living spaces focus on a wall of full length windows which bring light into the interior. The large overhangs on the deck provide protection from both rain and the heat of direct sunlight. The wood beams exposed inside the home cantilever outward to support these overhangs.

The outside of the home uses a variety of finishing materials – engineered wood siding and trims, glass and stone to accentuate the exterior and provide a fresh contemporary composition.

The home will use 6-1/2" SIP walls with an R-value of 26 and 10-1/8" SIP roof panels with an R-value of 40 making them extremely energy efficient. EPS crews will start construction one week prior to the show. Because building with SIPs reduces labor, the structure will be complete in two days. Finishing work, decorating and landscaping will continue until the show opens Friday, February 24.

The Home and Garden Show will be held at the Convention Center in Minneapolis February 24 - 26 and March 3 - 5.

Commercial Savings Bank and First National Banks of Milford

The Commercial Savings Bank and First National Banks of Milford were located at the present Bird House Cafe. It was started by H.L. Goodrich and W.M. Smith with a capital stock of \$5,000. It later became known on bank advertisements, like the early one pictured above, that they were the owners. W.M. Smith and Marcus Snyder started the First Bank in Dickinson County at Spirit Lake in 1877. The Commercial Savings Bank became the First National Bank in 1914. This bank later became the Post Office. The United Community Bank is now at the location.

The Clark Museum displays the earliest photos and advertisements of "Old Town" and the present town of Milford.

Please thank The Lakes News Shopper for being the sponsors of these stories. I will write a new one each week featuring a former Milford business.

Estherville Lincoln Central Students Visit Iowa Lakes for Hands-On Learning

First-graders gathered around associate professor Brian Bristow, Tuesday, in the biology lab as he drew back the paper covering a tray containing a hands-on lesson in anatomy — a set of real lungs and other organs taken from a pig.

A few students made faces and others just stared, fascinated, but all the Estherville Lincoln Central kids watched as Bristow inflated the lungs to twice their size with an air hose. And they listened as the Iowa Lakes Community College instructor explained human lungs work exactly the same way, expanding as air enters and shrinking as it leaves. Some of the kids took deep breaths to see if it really worked.

“The hope of this endeavor is to encourage younger kids to start thinking about how their education ties into the world,” said event organizer Vivian Dye, a member of Volunteers in Service to America with the Estherville CAN. “This hands-on experience, we hope, leads to a structured future helping to guide them into career interests and fields of study.”

The lesson wasn't limited to anatomy. The students also learned how fingerprints can help identify who committed a crime, and how investigators can tell fingerprints apart. They had a chance to see the college's mock jail cell, a training feature in its criminal justice program, and met with the college's mascot, Captain Jack. Other students learned about how music uses layers of different instruments and voices to create songs.

The demonstrations were part of a cooperative effort by the Iowa College Student Aid Commission, Estherville Career Access Network, Buena Vista University, Iowa Lakes Estherville campus deans, Iowa Lakes Admissions, the Laker Ambassador Crew and the Iowa Lakes Student Senate.

To see additional photos of this event, visit the Iowa Lakes Community College Facebook page.

Dickinson SWCD Foundation Scholarship

The Dickinson Soil and Water Conservation District (SWCD) Foundation announces the availability of a \$500 scholarship that will be presented to a Dickinson County graduating high school senior. This scholarship is to be used for the first year of education on the college or vocational school level.

The district scholarship, in the amount of \$500, is offered for any field of conservation or agriculture and in addition, the winning application will be forwarded on to compete in the Conservation Districts of Iowa's (CDI) annual scholarships. CDI funds 6 regional awards of \$600 each and state level awards in the amount of \$4,000; \$3,000 and \$2,000. The applicant needs to submit two (2) typed copies of their application and must use the 2017 application form.

High school seniors must submit their applications to the Dickinson Soil & Water Conservation District no later than March 1, 2017.

Applications can be obtained from the high school counselors at Harris-Lake Park, Okoboji, Spirit Lake or Graettinger/Terrill High Schools, or by contacting the Dickinson Soil & Water Conservation District at the USDA Service Center in Spirit Lake at 3302 18th Street; by calling 712-336-3782, ext. 3; or e-mailing maxine.butler@ia.nacdn.net.

- Kidney and thyroid function, and more

Screenings are affordable, convenient and accessible for wheelchairs and those with trouble walking. Free parking is also available.

The Iowa Great Lakes Rotary Club annual car drop fund raiser is on ice. The freshly painted Rotary blue and gold car is sitting on Smith's Bay waiting for the ice to melt. \$1000 dollars will be awarded to the ticket holder with the minute recorded on the timer inside the Rotary car.

Funds raised from the event are used for community wide projects. Some of the recent projects have included funding for Upper Des Moines Opportunity winter wear program, transportation funding for Pearson Lakes Art Center preschool classes and the popular dictionary distribution to third grade students in all county schools.

The Rotary Club also has partnered with area groups including Lakes Regional Healthcare, Iowa Lakes Community College, Community School athletic programs, Bedell Family YMCA, Special Olympics and the Okoboji Summer Theatre. The club also maintains the Shelby Duis Park located in Elinor Bedell State Park on East Lake Okoboji.

Ten dollars buys two potential winning minutes, one AM and one PM. Only 720 tickets are available for the annual fund raising event. Tickets are currently available at the Dry Dock and The Hutt Sports Bar. Tickets can also be purchased from Rotary Club members. For anyone who wants to buy a chance and has not been contacted, you can call Deb at 712-320-0258.

Applications Being Accepted for Clay County Fair Queen Contest

The search is underway for candidates to compete for the title of 2017 Clay County Fair Queen. The winner, to be crowned Sunday, April 2, will reign over this year's Clay County Fair and will also compete for the State Fair Queen title.

Females between the ages of 16 and 21 by August 10, the first day of the 2017 Iowa State Fair, may apply. Candidates must never have been married, cannot be a professional model, cannot represent any other organization, and must reside in Clay County or an adjoining county if the majority of her activities are in Clay County. Applicants must be a member of at least one service organization such as 4-H, Girl Scouts or a church group. (Eligibility is not limited to 4-H or FFA membership.)

The Clay County Fair Queen will represent the Clay County Fair at the Flagfest Parade in June, the Iowa State Fair during the queen contest, selected celebrations during the summer, and the Clay County Fair in September. The Fair will be flexible with appearance dates if the queen has educational conflicts during her reign.

Contestants may pick up an application from their school counselor or online at www.claycountyfair.com. The application must be submitted to the Clay County Fair Queen Contest, PO Box 527, Spencer, Iowa 51301 or emailed to info@claycountyfair.com on or before March 13. A committee will then select the finalists who will compete for the title on Sunday, April 2 at the Spencer Community Theatre.

Finalists will be notified by March 20 and will receive more information regarding the next phase of the competition. Candidates will be judged on personality, attitude, awareness, leadership and citizenship, contribution to the community, overall appearance, charm poise and her three-minute or less self-expression portion. All judges' decisions will be final.

Please call the Clay County Fair (712-580-3000) or email info@claycountyfair.com with any questions.

A Resilient Future For The Iowa Lakes Regional Water District

Iowa Lakes Regional Water (ILRW) is teaming up with Trusted Energy to collaborate on the development of renewable assets for ILRW's regional facilities. Renewable energy is a great fit for a water and wastewater treatment plant to offset rising electrical costs and potentially become a net producer of clean energy by contributing excess production to the power grid.

There are currently 24 potential sites under review for renewables. Sites have been divided into five clusters, ranked, and prioritized in terms of needs.

ILRW Board of Directors voted on January 17, 2017 to explore the implementation of wind and solar throughout the water district's distribution system. Costs keep going up for the water district, and the district must pass those costs on to their 4,373 water customers and their 879 wastewater customers. Energy costs for their facilities recently took another electric rate increase. One utility announced a 7% rate increase and another is looking to increase a total of 10% over the next two years.

The electric utilities supplying service to the water district have been implementing renewable electricity generating assets for the same reason Iowa Lakes Regional Water is exploring the option. Renewable electricity will not have the fuel cost normally associated with a coal or natural gas power plant. ILRW will have a fixed expense for the electricity for the next 20 to 50 years of the renewable equipment's usable life.

During warmer temperatures, energy demands grow due to seasonal higher usage. Solar has an advantage during those peak times, as there is plenty of available sunshine. To meet energy demands during low-sun production days, the use of net-metering with both solar and wind will help ILRW balance out variable output between the solar production and the electricity usage.

Trusted Energy is a full-service renewable energy company based out of Spencer, Iowa. Trusted Energy provides engineering, design, installation, and maintenance of renewable energy projects for farms, businesses, homes, and municipalities.

DNR to hold Listening Session on fall hunting and trapping regulations February 22.

Des Moines - The Iowa Department of Natural Resources is hosting public meetings over the Iowa Communications Network on February 22 from 6 to 9 p.m., to listen to the public's thoughts on the hunting and trapping regulations for this fall.

These meetings are part of the process for making rules in state government.

"Any rule changes must be discussed with Iowa's citizens who might be impacted by the changes before the rule changes are proposed. The process helps ensure that rule changes serve the public's wishes and do not impact Iowa's economy," said Dr. Dale Garner, chief of the wildlife bureau.

At each meeting DNR staff will facilitate a discussion about what went well last fall, what didn't, and what changes hunters and trappers would like to see for this fall.

These discussions along with the data that the wildlife bureau collects on harvest and population numbers will be used to develop recommendations for any rule changes. Any changes must be approved by the Natural Resource Commission and then go back to the public for further comment before taking effect next fall.

In Northwest Iowa the ICN meetings will be held at Northwest Iowa Community College Room # 402 in Sheldon and at the Iowa Lakes Community College Fiber Optic Room # 118 in Spencer.

Meetings will be held in Ankeny, Boone, Calmar, Centerville, Clinton, Correctionville, Council Bluffs, Creston, Iowa City, Marshalltown, Mason City, Ottumwa, Peosta, Sac City, Tripoli and West Burlington.

ICN meeting locations are available online at www.iowadnr.gov/hunting

LETTERS TO THE EDITOR

To The Editor:
On behalf of the Lakes Area Senior Citizens, I would like to thank Alex and Chelsea with Dad's Belgian Waffles for the delicious waffles, sausage and toppings (including whipped cream); McDonalds for the juice and cups; and a hearty "Thank You" to the 288 who enjoyed the waffles and the many volunteers for all their hard work.

The Lakes Area Senior Citizens functions from the money generated from the fundraisers and also donations, memorials and from room rentals. Elderbridge makes it possible for us to serve a well-balanced noon meal Monday through Friday. Anyone is welcome to attend and enjoy the meals, especially the seniors. For more information, please call 712-336-5247.

Several fun things go on at the center daily. If you are interested, please stop in to see us. Once again, a big "Thank you" to the businesses; the volunteers and all who bought a ticket for our Dad's Waffles fundraiser.

Our next fundraiser will be a soup dinner (with your choice of chili, chicken noodle, vegetable beef, or potato) on Sunday, March 19, 2017. Tickets will go on sale March 1. Contact any board member or stop at the center for more ticket information. See you there!

Lake Friendly Lawn Care

"Bugs just freak people out."

Entomologist Emily Fontenot has seen this happen time and time again, people shuddering at the thought of insects, but that reaction is usually not warranted. And the way people deal with bugs is not always the best either.

Instead of a spray-first mentality, Fontenot will give alternative solutions during a presentation on natural pest management 6:00pm Wednesday, February 22, at the Dickinson County Nature Center in Okoboji, a part of the Lake Friendly Lawn Care series.

"Ask your burning bug questions," she said. From earwigs to ticks and fleas to fruit flies, bring any questions you have for this bug expert to answer. She will also help people see alternatives to dealing with bug problems that might not be the go-to reaction. For instance, she said people often start dealing with mosquitoes by burning citronella candles and lathering themselves in sprays and lotions when the best way to deal with them is often to get a fan. "They can't bite you if they can't land on you," she said.

She will also discuss different insecticides and what an "all-natural" label can really mean, because some products we think are healthy turn out to not be what we expect.

"There's always an alternative to synthetic insecticides and herbicides," Fontenot said.

Insect management often goes hand-in-hand with land management, and Fontenot will also discuss the importance of mowing practices and the relationship between plant life and insects.

The Lake Friendly Lawn Care series at the nature center was created to teach people the myriad of ways that we can all work together in our own yards to help keep our lakes clean. Workshops began in 2016 and continue throughout this year. A program on using native plants in your landscaping will be at 6:00pm Thursday, March 23; a workshop at the Lakes Area Farmers Market on July 26 in Spirit Lake; and a seed collecting day at 11:00am Saturday, October 21, at the Dickinson County Nature Center in Okoboji.

Whether you live right on the Iowa Great Lakes or not, the entire region's watershed affects our system of lakes. Come to the Dickinson County Nature Center February 22 to see how you can take small steps in making your yard a more lake-friendly environment.

For more information on the Lake Friendly Lawn Care program or other Dickinson County Nature Center offerings, call 712-336-6352 or visit www.dickinsoncountynaturecenter.com. You can also keep up with us on Facebook, Instagram and Twitter.

South Ridge HEIGHTS

New 'Independent Living' Option Opening Soon in Spencer

A new independent living experience, offering a combination of convenient amenities not found elsewhere in northwest Iowa, will open its doors to the public by March. South Ridge Heights, located at 1209 12th Street SE, is part of the St. Luke Homes & Services campus in Spencer, which has catered to the housing and healthcare needs of individuals since February of 1967.

"Moving to an independent living residence can open up an exciting new chapter in life, full of new experiences, new friendships, and new interests," said David West, St. Luke Homes & Services' CEO/administrator. "South Ridge Heights will provide all the benefits of being in your own home, without the worry of maintenance, chores or upkeep."

The three-story, secured building with elevator offers several types of apartment-style living. All of the studio, one-bedroom and two-bedroom apartments are designed for adults 55 years of age and older and are available on a month-to-month rental basis.

"We have the whole continuum of care available on our campus," West said. "It ranges from independent living at The Highlands and South Ridge Heights, and assisted living at Riverview Terrace, to skilled nursing care at St. Luke Lutheran Home."

A nutritious noon meal with others will be provided. Ample parking opportunities, housekeeping services, access to an on-site beauty/barber shop and an indoor aquatic center are additional optional services that will be offered to South Ridge Heights tenants.

Amenities such as furnished kitchen appliances, a fitness center and library, laundry facilities on each floor, individually-controlled heating and air conditioning units, and utilities - including electricity and expanded basic cable television, water, sewer and garbage - are provided.

In addition to the social and cultural activities at South Ridge Heights, a campus shuttle and apartment maintenance services will be offered to encourage camaraderie among individuals.

Mavis Leinen, who has managed The Highlands since November 2002, will also serve as manager at South Ridge Heights.

"We know that making the decision to move into something more manageable is not easy at first," Leinen said. "But, once you start to think about the possibilities of a new life, a change, you'll feel like a weight has been lifted. And, you'll feel freer than ever. That is our hope for you, and your family, at South Ridge Heights."

Take a step toward a new adventure. Plan to attend an open house, scheduled from 1:00 to 3:00pm on Sunday, February 19, at South Ridge Heights. Hors d'oeuvres and refreshments will be available for those interested in touring the independent living building and its apartments.

Mid-America Music Association Scholarship Awarded

A new music scholarship was recently established by the Mid-America Music Association (MAMA) to honor students enrolled in the music program at Iowa Lakes Community College. A fundraising dance was held last fall with scholarship money raised, making this an annual event. Carolyn and John Walz, MAMA board members, award the first Iowa Lakes recipient, Martin Eckard, with the newly established Mid-America Music Association Scholarship. An Arts and Science major, Eckard plays trombone in the Iowa Lakes jazz band and is also the pitcher for the Iowa Lakes baseball team.

Other members of the Northwest Iowa MAMA board include: Ron Lefever, Tom Golden, Connie Sievenbruner and Jackie Hein. The second annual MAMA scholarship fundraising dance will be held Saturday, October 21, at the Expo Center in Spirit Lake, from 7:00 to 11:00pm with the band The Expressions.

Carnegie Library Building Fundraiser

A local group announces its first annual Mardi Gras Ball to support the restoration and preservation of the historic Carnegie Library Building in downtown Spirit Lake. The Carnegie Library Building Project group is comprised of local citizens whose goal is to maintain the building for use by the community for generations to come. The Carnegie Library has been a fixture in Spirit Lake since 1912, and is on the National Registry for Historic Places.

The building is currently in the midst of a \$50,000 step restoration project for the main entrance. Group spokesman Dr. Steven L. Baskerville of Spirit Lake indicates one of their

goals is to make the building accessible to the public for their use. "Our group would like to see the Carnegie Library used by the public as it originally was intended", states Baskerville.

The Mardi Gras Ball will be held at the Spirit Lake Expo building on February 25, at 7:00pm. The Ball will feature music by local favorites Dave Rowley and Ryan Sather. Guests will also be able to sample New Orleans style food, and learn about the Festival of Mardi Gras.
