PRAYER TO THE BLESSED VIRGIN MARY:(Never known to fail.) Oh most beautiful flower of Mt. Carmel, fruitful vine, splendor of heaven, Blessed Mother of the Son of God. Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power, Oh Mary, conceived without sin. Pray for us who have recourse to thee (3 times). Holy Mother, I place this prayer into your hands (3 times). Say this prayer for 3 days & then you must publish it & it will be granted to you. His word became a nation's pledge!

WILDCAT ROAD UPDATE

Progress on this project has continued, with delivery and partial installation of the new timber deck. In order to complete the project properly, and cost-efficiently, including guiderail installation, concrete work and paving, it will be prudent and cost-efficient to leave the bridge closed, rather than open it temporarily then close it again. As remaining work is weather-dependent, we anticipate the opening will be approximately May 1st. We apologize for the extended inconvenience, and we look forward to a final product that will serve the public for many decades. My sincere thanks to Mt. Morris Highway Superintendent Sam Cipriano for his cooperation and efforts in keeping Wildcat Gully Road in good condition during this project.

Don Higgins, Livingston County Highway Superintendent

Thinking about dental implants?

"I've Honestly Never Wanted To Work Harder For A Team of Management."

"Simply put, I enjoy coming to work every day where I can be both challenged and motivated.

Making a living is one thing but to be able to do so among such a highly driven, motivated and loyal group of people is exceptional. The attitude of success and determination here is something you can feel in the air and hasn't been matched at any company I've worked for before. I'm proud to say I have worked here for the last six years and intend to continue for many more. I'm also compelled to speak to the amount of heart and caring our executive team has shown, over the last 8 months, especially. For this is also something I've never experienced elsewhere. I've honestly never wanted to work harder for a team of management." - Matt Harris

Save the Date for GCC's 36th Fashion Show**Theme "Elysium" Focuses on Interpretations of Greek Gods & Goddesses**

BATAVIA, NY (02/09/2017) (readMedia)-- Community members of all ages should save the date for Genesee Community College's 36th Annual Fashion Show scheduled for Saturday, April 29, 2017. This year's show entitled "Elysium" was introduced by fashion student Ciera Schwartz of Akron, Elysium can be defined as "an often imaginary place or state of utter perfection and happiness." Ms. Schwartz explained how the word is derived from the Greek mythological interpretation of heaven, and is often referred to as paradise or a land where all beauty lies. Hence, this year's Fashion Show theme focuses primarily on student's interpretations of different Greek gods and goddesses.

"Elysium" gives students the opportunity to not only express their creativity and originality, but to tell a story. By tying together elements from Greek mythology and drawing inspiration from the lives and personalities of Greek gods and goddesses, GCC students intend to show how today's fashion is much more than just a materialistic concept. The show will illustrate how GCC fashion students appreciate both art and history, and how aspects from different cultures are presented universally in the fashion world today.

To quote Homer from *Odyssey* in "Elysian Fields," Elysium can be described as a paradise: "to the Elysian plain... where life is easiest for men. No snow is there, nor heavy storm, nor ever rain, but ever does Ocean send up blasts of the shrill-blowing West Wind that they may give cooling to men."

Due to the overwhelming popularity of GCC's annual Fashion Show, the event features two complete shows scheduled on April 29, 2017 at 3 p.m. and 7 p.m. in the William W. Stuart Forum of GCC's Batavia Campus. Tickets for the show are available for \$5 in advance or \$7 at the door and can be purchased by calling 585-345-6830. Advance tickets are strongly recommended.

Sponsors for the production are currently being solicited and accepted. Business donations of \$10 or personal donations of \$5 are available. To extend appreciation, the business or personal name will be included in the souvenir program and on the Fashion Show website. If writing a check, please make it payable to GCCA. To schedule a time for pick up or to make special arrangements for your donation, please contact Cheryl Young, 585-345-6830.

To stay current on details and information about this year's show and to gain an inside look at the lives of the fashion students at GCC, follow @trendygcc_ on Instagram and @trendygcc on Twitter for updates!

Got Drugs?

Most abused prescription drugs come from family and friends. You could be a drug dealer and not even know it.

**TURN IN YOUR MEDS AT THE DRUG COLLECTION
BOXES LOCATED THROUGHOUT THE COUNTY!!**

Unused or expired prescription medications are a public safety issue, leading to accidental poisoning, overdose, and abuse.

- Pharmaceutical drugs can be just as dangerous as street drugs when taken without a prescription or a doctor's supervision.
- The non-medical use of prescription drugs ranks second only to marijuana as the most common form of drug abuse in America.
- The majority of teenagers abusing prescription drugs get them from family and friends – and the home medicine cabinet.
- Unused prescription drugs thrown in the trash can be retrieved and abused or illegally sold.

Let's Celebrate!

National Children's Dental Health Month

Tips to reduce your children's risk of tooth decay:

- **Sugary foods and drinks should be consumed with meals.** Saliva production increases during meals and helps neutralize acid production and rinse food particles from the mouth.
- **Limit between-meal snacks.** If kids crave a snack, offer them nutritious foods.
- **If your kids chew gum, make it sugarless.** Chewing sugarless gum after eating can increase saliva flow and help wash out food and decay-producing acid.
- **Monitor beverage consumption.** Instead of soft drinks all day, children should also choose water and low-fat milk.
- **Help your children develop good brushing and flossing habits.**
- **Schedule regular dental visits.**
