Road America preps for 2016

New paddock shop, return of Indy cars stir track excitement

Road America is gearing up for another great season of road racing at America's Park of Speed.

The 2016 racing schedule will celebrate the return of Indy Cars to Road America, with the Verizon Indy Car Series set for June 23-26 with its international lineup of drivers.

Fans will also get an opportunity to enjoy new facilities improvements at Road America, including the all-new Paddock Shop—Road America's official apparel and souvenir store.

Built on the site of the former store, the new 7,500 square foot shop stretches 100 feet along the midway with great central access to the paddock and the new winner's circle. Once inside the doors, visitors find an exciting mix of fan engagement features and retail items in a design that embraces the track's inspiring 60+ year history and its continuing commitment to road racing.

While fan engagement is a natural occurrence for spectators watching high-speed racing action in the track's park-like setting, the Paddock Shop focuses on key elements of track information and history in addition to multi-media coverage of Road America and industry events. Unique features include a 30' x 40' track outline suspended from the ceiling, an IndyCar cockpit, a historical timeline wall display, a media wall and an interactive fan info kiosk.

From a shopper perspective, the offerings are as diverse as the fan base. Road America branded apparel is a mix of casual and sportswear for men, women and children in a variety of styles. The expanded space has allowed for a larger selection of four-season fabrics and weather-related garments. A line of active wear addresses the needs of fitness-minded customers and a dedicated pro shop holds race gear essentials: helmets, suits, shoes and gloves. Pit crews in a pinch can also find a selection of standard automotive supplies.

Event-specific t-shirts and collectibles continue to be popular and, for those seeking memorabilia, the shop has several areas dedicated to past-event items. A huge wall display of over two dozen posters and photographs offers many rolled and framed pieces, plus custom framing and shipping options. A substantial inventory of stock décor items is enhanced by unique, one-of-a-kind pieces obtained from regional artists and others whose

works capture the essence of the automotive, motorcycle and motorsports community. The man-cave, dream-garage theme is embodied in the north end of the shop, where one can find chairs, tables, rugs, lamps, signs, wall-hangings and more. That spirit carries into small lines including wallets, handbags, jewelry, barware and home goods.

Special retail events will be held throughout the year including book signings, product demonstrations and holiday sales.

The shop is open year-round with hours dependent on the season and facility use.

Active racing schedule

"Road America is known for having the most active schedule of any road race circuit in the U.S., and we look forward to hosting the MotoAmerica Series, Verizon IndyCar Series, Pirelli World Challenge Series, NASCAR XFINITY Series, IMSA WeatherTech® SportsCar Championship and three separate vintage events in 2016," said George Bruggenthies, Road America President and General Manager.

"The 2015 season was incredible and included many new facility improvements

designed to enhance the overall fan experience. Make no mistake about it, 2016 is going to be a great season full of activities. We encourage all our fans to get their season tickets early, so they can enjoy another season of great racing and fond memories at Road America. Event tickets for the 2016 season are available and camping reservations are also available for those who wish to stay on site."

Road America's first race weekend will be May 13-15, when it hosts SVRA

Spring Vintage Weekend. Two-wheeled action takes over when the MotoAmerica SuperBike Doubleheader hits the track June 3-5. One week later, June 10-12, vintage motorcycle enthusiasts will be on track during the AHRMA Vintage Motorcycle Classic and the Rockerbox Motofest® will entertain fans and enthusiasts alike during the weekend with on-track action and vintage motorcycle show. The WeatherTech® Chicago

Racing

continued from page 1

Region SCCA June Sprints® returns to the 4-mile circuit from June 16-19 - Road America's longest running annual sports car event.

The Verizon IndyCar Series takes center stage June 23-26 as an international lineup of drivers will have their chance to battle it out for glory on one of the world's most majestic road courses. They will be joined by the Pirelli World Challenge featuring many of the world's top sports cars and drivers in an all out wheel-to-wheel battle consisting of six classes headlined by separate GT and GTS races along with the TC class. The Porsche GT Cup class will run alongside the GT and GT-A class cars over the course of the weekend. In all, a total 12 different races will fill the schedule during the jam-packed weekend.

A mid-summer classic, The WeatherTech® International Challenge with Brian Redman presented by HAWK, takes place July 14-17, and has quickly grown to become one of the largest vintage racing events in the country.

A Historic CAN-AM race with an impressive field of cars is also expected to gather in celebration of CAN-AM's 50th Anniversary, plus the Nationwide Insurance Concours D'elegance on Friday and Saturday night in downtown Elkhart Lake round out the festivities to make The WeatherTech® International Challenge with Brian Redman presented by HAWK a can't miss spectacle for any racing enthusiast.

August 4-7, the IMSA Continental Sports Car Challenge and WeatherTech® SportsCar Championship takes over Road America's 4-mile circuit for what will be one of the most incredible weekends of sports car racing in the world and the event is now appropriately named The Continental Tire Road Race Showcase. Fans will get to see the IMSA Continental Sports Car Challenge Series race on Saturday, Aug. 6, with the WeatherTech® SportsCar Championship race on Sunday, August 7.

The NASCAR XFINITY Series rolls into Road America August 25-27,

bringing intense door-to-door racing action to the nation's most intimidating road course. The NASCAR XFINITY Series schedule and the event could prove to be a pivotal race for drivers looking to improve their standing in the championship points. The event has also been known to draw an influx of NASCAR Sprint Cup Series stars and various sports car series veterans, eager for seat time and a chance to capture a win at one of the nations most storied circuits.

August 28, OPTIMA Batteries will hold one of its OPTIMA Ultimate Street Car Invitational qualifying events at Road America, affectionately known as the OPTIMA FACEOFF. The event includes autocross, road course, braking and acceleration challenges, plus a style and design competition and road rally.

September 16-18, the VSCDA Elkhart Lake Vintage Festival returns, featuring several impressive machines including many pre-war racers and CAN-AM

enthusiasts reliving history at America's National Park of Speed.

Road America season passes now available. To purchase season passes, tickets or learn more about upcoming events at Road America, visit roadamerica.com or call 800-365-RACE (7223).

Eating out?

Our article's question this month is not really that difficult to answer. However, it does require the answers to a few additional questions: What is your budget and how much do you want to spend? What are you hungry for? What's wrong with the leftovers from last night? And, maybe most important: What restaurant should you choose? Choices range in price and atmosphere from fast food delis to fairly nice supper clubs.

Assuming that you are not financially destitute, that you can't fry fish the way they do at the restaurant, and that you HATE leftovers, the crucial question remains: Where should you go?

You might like to start out by eliminating the definitely "no" category: Not the restaurant that over-cooked your fish the last time you went out for a fish fry and poured the tartar sauce on so heavily that you couldn't taste the fish. Also, with all the Friday fish fries available, you eliminate those costing more than \$15 each. There are plenty available in the under \$15 category—and, of course, eating at home is cheapest of all.

Other easy eliminations are those foods that neither you nor your dining partner are particularly fond of. Anything tinged with coconut is an immediate turn-off for me, and my husband just can't take anything spicy or with garlic. (That cuts down choices by quite a number, but drives the waitress crazy to check on what has a little garlic and

what doesn't!) Neither of us is particularly adventuresome as far as strange cuisine is concerned, so we can easily delete the frog legs and tastes of snake and octopus.

Now we're getting down to serious business. I am sometimes undecided between some kind of seafood or anything with lobster, while my spouse will often opt for a beef entree, even though I point out that fish is really a Friday night Wisconsin favorite. "So what?" he responds, "you know I don't like fish."

We often end up with a somewhat bland compromise, fried shrimp for me and a cheeseburger special for him.

Eating out may result in a kind of bland menu, as described above, but it really is so much more than the food one eats. The choices of menu, the relative relaxation enjoyed by being served, and the ambiance of clinking glasses and popping corks are part of the "eating out" experience. On the other hand (you knew this was coming, didn't you?), it faces a competitor in the loud background music of the restaurant, the need to transport yourselves back home, and the piled up dishes in the kitchen sink.

Dining at home may not have the luxury of a waitress served meal, but it does allow the casual attire of old clothes or (occasionally) your jammies.

Take a glance at next month's column before you decide on which dining experience is really your cup of tea.

'Hey Culligan Man' still rings out

Water quality firm specializes in giving customers great water

When you want great water quality solutions, all you have to do is call out "Hey Culligan Man."

Kaat's Culligan, an Elkhart Lake Chamber of Commerce member, serves the greater Sheboygan County area and much of Eastern Wisconsin from its Plymouth location.

"Our passion at Kaat's Culligan is protecting your family, health and home by providing the right water solution the first time and following through with local and reliable service," Kory Wendlandt, sales team leader.

Culligan is the most recognized name in water treatment, he added. Culligan was founded in 1936, and has been serving customers in Wisconsin since 1950.

Products and services offered by Culligan include bottled water delivery, water softeners, healthy drinking water and home water filtration.

"Our company's products and service value are backed up with a Consumer Best Buy rating and a limited lifetime warranty."

In addition, residential Culligan equipment is backed up with a 100% satisfaction guarantee. "If you are not completely satisfied with your Culligan equipment within 30 days from the date of purchase, Kaat's Culligan will refund the purchase price," Wendlandt said.

Kaat's Culligan also goes to great lengths to make its systems work for the customers optimum benefit. That includes water testing, plumbing inspections and a thorough question and answer session about a family's water needs. "We want to make sure that you are happy with your Culligan water from day one," he added.

Services offered

Kaat's Culligan offers a wide variety of water services for residential and commercial customers. Among those services are—

Home services

■ Reverse Osmosis Drinking Water – The best solution for great tasting water right at your kitchen sink in almost limitless supply.

■ Water Softeners and Conditioners – Some competitors try to make you think there's some sort of difference between "softened" and "conditioned" water but the 2 terms have been interchangeable in the water treatment industry for about 80 years.

■ Bottled Water Delivery – Fast, Dependable service from your Culligan Man.

■ Water Filters and Treatment – There's nothing worse than investing your time and money for a solution that doesn't work. Let us help you make sure you get the right water filter and water treatment the first time!

■ Salt Delivery – Tired of lugging around 40lb bags of salt or running out of soft water?

■ Water Testing – In most cases, before we can recommend the best treatment, testing your water is the first step. After all, how can we treat your water if we don't know what's in it?

For your business

■ Bottled Water Delivery – Fast, Dependable service from your Culligan Man.

■ Bottle-Free Coolers – An environmentally friendly, cost-effective way to get bottled water in your office without any bottles!

■ Salt Delivery – Tired of lugging around 40 lb. bags of salt or running out of soft water?

■ Commercial Softeners or Conditioners – Whether for a restaurant, car wash, hotel, or hospital, Culligan has the best water softeners to save you time and money each month on soap and cleaning

expenses.

■ Commercial Reverse Osmosis – Best in the industry Commercial and Industrial sized Reverse Osmosis systems engineered for your required flow rates, water quality, and budget.

Free water test

Homeowners can get a free, professional water test in your home. Culligan will test your water, inspect your plumbing, provide you with treatment options and make sure you're completely educated on your water needs.

If you're on city or well water in one of our local areas the in-home water analysis is FREE.

Wendlandt said, "The reality of the situation is that it's much cheaper for us to test your water and give you the proper equipment the first time compared to if we had to go back to correct it. The loss not only in our time and labor, but in goodwill, would far outweigh our costs involved with a FREE water test in your home.

"With the Do-It-Yourself mentality in most areas, if we started charging for a

water test, we fear that too many people would get caught going with an ineffective solution that doesn't fully take care of their needs. After all what good is water treatment if it isn't designed to handle YOUR water?"

Occasionally, a more thorough lab analysis is required.

When that occurs, there will be an additional charge to cover that service but Culligan's experts will explain all of your options up-front.

Test water will get sent off to Culligan's EPA certified water testing facility in Illinois where over 10,000 water samples are tested every year.

In addition to its services in Sheboygan County, Kaat's Culligan also provides water solutions for customers in Manitowoc, Calumet, Outagamie, Kewaunee counties.

Kaat's Culligan is located on County PP just off Highway 57 in Plymouth.

On the web, you can find them at culliganwi.com.

Osthoff earns AAA Four Diamond rating for 18th straight year

The Osthoff Resort in Elkhart Lake, Wis. has received the prestigious AAA Four Diamond Rating for the 18th straight year. General Manager, Lola Roeh, states, "We are honored to be among the elite group of all AAA-rated lodging and restaurant properties in the nation that receive the AAA Four Diamond Award. It is a testament to our mission to deliver the best resort experience in the Midwest to our guests."

It is also a fitting complement to other recent awards for the hotel, including being ranked one of the Top 500 Hotels and Resorts in the World for 2015 by the readers of Travel + Leisure magazine, a top 10 ranking from the prestigious Readers' Choice Awards by Condé Nast Traveler magazine and The Osthoff also came in at number three on the list of the Top 10 Resorts in the Midwest for 2015. For more on the resort, access the web site at www.Osthoff.com.

For 80 years, AAA has used professional inspectors to conduct in-person property inspections. Of the more than 28,000 AAA Approved and Diamond Rated hotels, just three-percent make the Four Diamond list.

The rating is evidence of The Osthoff Resort's extensive array of amenities and personalized guest services, as well as its elegant guest rooms and lovely lake setting.

The Osthoff Resort is located just one hour north of Milwaukee, less than two hours from Madison and approximately three hours from Chicago. It hugs the shoreline of pristine Elkhart Lake and features spacious all-suite accommodations, two restaurants, the acclaimed Aspira Spa, classic French cooking school, lakeside deck with dining and live music, year-round recreation and events, gift boutiques, and grand conference rooms. The most recent addition to the resort is the 10,000 square foot Grand Libelle Ballroom.

To be among the first to know of resort specials, sign up for the resort's e-newsletter at osthoff@osthoff.com. Spring and summer packages are posted on the resort's website and you can also follow them on social media on Facebook, Instagram, Twitter, Youtube, and Pinterest.

Blind Horse launches Run With Angels event

The Blind Horse Restaurant and Winery will launch its first Run With Angels 5k Run/Walk on June 18, as part of their Annual Art & Wine Festival. Proceeds from the run/walk as well as other events throughout the day will benefit the Sharon S. Richardson Hospice Community.

"We wanted to do something truly unique and special to enhance our support of Sharon S. Richardson Hospice," says General Manager, Thomas Nye. "In my opinion, this new run/walk is not only a perfect match for the hospice community, but an opportunity for all of us who have lost loved ones to come together in their honor and in their memory."

Run With Angels 5k Run/Walk was created and inspired by the loving memory of those who have passed, who continue to touch our souls as angels among us. This event is dedicated to their life and spirit. The event also honors life, by creating this opportunity for all those who

have lost someone to join together and unite for this moving experience.

Registration will begin at 8:30 a.m. and the 5k will begin at 9:30 a.m. on June 18 at The Blind Horse. Participants are asked to bring two printed photos of their loved one; one for the memory wall of dedication and one for participants to carry on their person for the race. Additionally, each participant will be given the option of uploading a photo of their loved one upon registration and The Blind Horse will use it to make a custom label for the bottle of wine they will receive.

Entry fee is \$50, which includes race T-shirt, custom labeled bottle of wine (for participants 21 and over) and a Blind Horse Wine glass. Full details and registration at www.runwithangels.org.

Run With Angels is the starting point for a day full of activities for the Art & Wine Festival. More details can be found at www.theblindhorse.com.

Enchanted Florals feted at Paine Art Center

A floral arrangement created by Enchanted Florals of Elkhart Lake co-owner Mary Forstner for the Paine Art Center's biennial floral show "Rooms of Blooms," inspired by the Joye Moon watercolor painting behind it.

The historic mansion at the renowned Paine Art Center and Gardens in Oshkosh was filled with exquisite floral creations by area florists for the biennial "Rooms of Blooms" floral show March 3-13.

Enchanted Florals of Elkhart Lake was among the florists selected for participation again this year, this time as a featured presenter with an entire room to decorate, "Mrs. Paine's Dressing Room." Enchanted Florals co-owner Mary Forster also created a large floral piece for the main gallery, inspired by a watercolor painting by Joye Moon, whose work was on exhibit through April 17. <http://www.thepaine.org/events/rooms-of-blooms/>

Floral designer Mary Forstner and husband Craig Forstner opened Enchanted Florals of Elkhart Lake in October 2012, and now offer complete floral design services, tuxedo rentals, and a variety of gifts and décor in their charming gift shop. Enchanted Florals has quickly earned a reputation for being a "wedding destination," specializing in stunning custom designs that reflect the unique personality of each couple.

Mary holds a bachelor's degree in art education with design emphasis from Marian University in Fond du Lac. Her long time passion for floral design led her to the Milwaukee School of Floral Design where she earned her certificate in floral design. She teaches art and is currently working to complete her master's in floral design with the Wisconsin Upper Michigan Florist's Association (www.wumfa.org). For Mary, art and floral design go hand in hand. "I believe that my art background helps me with designing floral arrangements because I use the elements and principles of art in every floral sculpture," she shares.

To learn more about Enchanted Florals of Elkhart Lake, visit www.EnchantedFloralsOfElkhartLake.com, find them on Facebook at www.Facebook.com/EnchantedFlorals, email EnchantedFloralsOfElkhartLake@gmail.com or call the shop at 920-781-5017. Spring shop hours are Tuesday through Friday, 11 a.m. - 5 p.m., Saturday, 10 a.m. - 3 p.m., Sunday through Monday and other times by appointment.

Mary and Craig Forstner own and operate Enchanted Florals of Elkhart Lake at 141 East Rhine Street. Mary Forstner created floral arrangements to decorate "Mrs. Paine's Dressing Room" during the Paine Art Center's floral show "Rooms of Blooms" in March.

Elkhart Lake Farmer's Market starts June 4!

See the legends of the Wild West demonstrate the skills that made them famous June 4-5. Experience an action-packed, 80-minute arena extravaganza each day, based on William F. Cody's original Wild West.

Buffalo Bill's Wild West Show returns to Old Wade House

On Saturday and Sunday, June 4 & 5, from 10 a.m. to 5 p.m., visitors to the Wade House historic site in Greenbush will have the opportunity to spend the day amidst the legends of the Wild West, including the likes of Buffalo Bill and Annie Oakley. Plan to join us for Buffalo Bill's Wild West Show, an iconic Wade House favorite. The 2 p.m. daily show will bring the thrill and excitement of fast horses, trick riding and fancy shooting.

William F. Cody originally brought Buffalo Bill's Wild West to Sheboygan County in 1896, and again in 1912, and 1915. His tribute to The Great American West blurred the lines between history and entertainment. But during its run that spanned four decades, Buffalo Bill's Wild West helped shape a global identity for an emerging nation. At a time when technology was transforming everything in its path, Buffalo Bill's Wild West ensured that the spirit of the West would live on in the hearts and minds of virtually every man, woman and child on the planet for generations to come.

Be sure to join us as Buffalo Bill's Best of The Wild West brings this iconic Wade House favorite back to life right before

your eyes. Catch all the action and adventure of this grand enterprise of sharp shooters and Congress of Rough Riders of the World...in what many consider to be the finest and most faithful portrayal of a true American original.

This event is definitely meant for kids of all ages. Tour the canvas boomtown camp and the entire Wade House grounds. Shop for period fashions, leatherwork and your own treasures from the Wild West. Pan for gold. Try your hand at rope twirling. Stop by Annie Oakley's rubber band shooting gallery. Be fascinated by Wild West memorabilia.

Visitors will begin the special experience at the new Wade House Visitor Center and Wesley W. Jung Carriage Museum, W7965 State Highway 23. Admission is as follows: adults \$13; students/seniors \$11; children (5-17 years) \$6; Children under 5 FREE; Family (2 adults & children through age 17) \$35. For more information, please call 920-526-3271.

Plow, Plant, & Play

Wade House visitors help to ring in the spring season

On Saturday and Sunday, May 14-15, from 10 a.m. to 5 p.m., visitors to the Wade House historic site in Greenbush will have the opportunity to help the site get ready for spring during the annual "Plowing, Planting and Play" event. Guests will help prepare the entire site including the 1850s stagecoach hotel for our 163rd summer season by engaging in multiple, hands-on spring activities.

In the fields, soil will be loosened up and readied for planting with horse-drawn plows. On the side lawns of Wade House, quilts will be aired out, and ticks (coarse cotton mattresses) will be filled with straw. Outdoor toys and games will be available for guests to play the pioneer way. Visitors will get to roll hoops, play graces and walk on stilts. In the garden, vegetables will be planted using heirloom seeds. While inside the 27-room hotel, the floors of all the rooms will be swept, and the delightful aroma of fried apples will waft out from the hotel's 19th-century kitchens enticing guests to these culinary spaces.

On Saturday only, Alan Pape will give a presentation about the history of log cabins.

On Sunday afternoon, guests will have a chance to take in the sights and sounds of historic baseball at 1:30 p.m. when the Wade House Red Jackets kick off their season with an 1860s-style pick-up game, which will include an opportunity for guests to play.

Visitors will begin the special experience at the new Wade House Visitor Center and Wesley W. Jung Carriage Museum, at W7965 State Highway 23. Admission is as follows: adults \$11; students/seniors \$9.25; children ages 17 and under are FREE. For more information, please call 920-526-3271.

Wade House is one of 12 Wisconsin Historical Society historic sites and museums. For more information visit wade-house.org.

Visit Wade House Historic Site for our 163rd opening weekend and watch horse-drawn plows ready our fields for planting. There will be plenty of outdoor toys and games for guests of all ages to try at Wade House's 163rd opening weekend. Come and see if you are up to the challenge of walking on stilts.

Moxie Strings

Musical artists offer workshops for EL-G classes

The Elkhart Lake-Glenbeulah Schools were thrilled to work with artists in residence, The Moxie Strings, on Friday, April 15.

Their workshops centered on creating music with whatever instrument you may have and opening yourself to think outside of the box. Besides their workshops they also offered an evening concert to the general public. The Moxie Strings' combination of creative energy and diverse genres of repertoire offered something for everyone in the audience.

Diana Ladio and Alison Lynn, joined by percussionist, Fritz McGirr, all hold bachelor of music degrees in music performance, which have given each the technical foundation to explore the limits of his/her instrument and helped the group build a reputation for musical excellence. Alison performs on a newly invented, electric cello, and Diana on a contemporary five-string violin, both played through a variety of audio effects pedals. Fritz performs on a mix of world percussionist instruments and drum kit.

To learn more about The Moxie Strings go to www.themoxiestrings.com.

Diana Ladio and Alison Lynn, joined by percussionist, Fritz McGirr as the Moxie Strings, worked with Elkhart Lake-Glenbeulah students recently as artists in residence.

Elkhart Lake Village Report

Voters select three trustees

Spring Election

The Spring election was held on April 5, 2016. Voter turnout was high, reaching 69% percent. The following Village Trustees were elected to a two-year terms. Steve Kapellen - 389 votes; Lynn Shovan - 408 votes; John Schott - 389 votes.

Thanks to all of our poll workers who spend the day at the polls making sure everything runs smoothly.

Planning Commission

The Planning Commission met on April 13. They approved a new sign for the Subway building. Subway is anticipating reopening in late May.

The Victory north housing development is waiting for completion of a wetland delineation in order to finish the plat. At our May or June Planning Commission meeting, we may discuss the final plat and start negotiating a development agreement.

Victory Auto Sales will also present final plans in May. They are still working on final engineering and design.

Wolf Motorsports is being built, as can be seen on Highway 67 and Badger Road. Bart Wolf reported that sales have been brisk. The Planning Commission made some changes to the agreement to help Wolf with design elements that have come up as sales have been made.

Beautification Committee

The Beautification Committee has been chaired by Trustee Pam Garton for the past six years. Pam has left the board and I would like to publicly thank her for her diligence in organizing and implementing a plan to keep the Village gardens looking great. She put together a dedicated group of Village and Town volunteers that have added to the beauty of our Village. Thank you Pam.

We will begin working throughout the downtown area planting and up keeping our gardens. Volunteers are residents of the Village and the Town of Rhine. Thanks for making our village look great. If you would like to volunteer to maintain gardens call Katie at 876-2122.

Memorial Day Event May 28

The Village of Elkhart Lake and the Elkhart Lake Lions Club annual Memorial Day Program will begin at 11 a.m. on Saturday, May 28 at Memorial Park, which is located on the corner of Highway 67 and Chicago Street. After the program the Lions Club will be sponsoring a brat fry, with proceeds to be used for maintenance of the Veteran's Memorial. In the event of inclement weather, the program will be held at the High School. The speaker this year will be SFC(R) Steward (Stu) Kuehl.

2015 Water Consumer Confidence Report Available

The Village is always testing its water for contaminants. In order to ensure that tap water is safe to drink, the EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. The Elkhart Lake Water Utility annually files a Consumer Confidence Report about the water qual-

ity in the Village. The 2015 Consumer Confidence Report can be found at <http://elkhartlakewi.gov/departments/water/>, or obtained at the Village Office at 40 Pine Street, Elkhart Lake, WI 53020, or can be requested by calling 920-876-2122.

Attention Dog Owners

Dog Owners – Dog Refuse Stations
Just a reminder to please pick up after your dogs. We have installed bag stations throughout the village for your convenience. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at: • S. End of Walkway; • N. End of Walkway; • Near Village Square Park; • S. Lake Street near Elm St.; • Osthoff Avenue; • Lions Park; • E. Rhine St. near Charlene's; • E. Rhine St. near Two Fish Gallery.

Village Ordinance 8.32 Animal Feces

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!

Yard Waste Dumpster

The Yard Waste Dumpster opened for the year on April 13. The dumpster is provided at the Village garage from the end of April through October. Current hours are Wednesday from 2 p.m. - 6 p.m. and Saturdays from 8:30 a.m. - 3 p.m. This dumpster is for yard waste only, not lake waste. A truck for large brush or trees can be obtained by calling the Village garage at 920-876-2231.

Garbage Pickup Moved to Thursday Memorial Day Week

A reminder that garbage collection will be one day later when we are celebrating a Monday holiday. For Memorial Day week garbage pickup will be on Thursday.

Boating Regulations

- A Coast Guard approved Personal Flotation Device (PFD) in serviceable condition is required to be in the boat and accessible for each person in the boat.
- A speed of "SLOW NO WAKE" is in effect all year long from 7:30 p.m. - 10 a.m. each day. "SLOW NO WAKE" is defined as the slowest possible speed at which a boat can operate while still maintaining steerage.
- Maintain a speed of "SLOW NO WAKE" at all times when operating a motor boat between the shoreline and the NO WAKE buoys and within 100 feet of any craft at anchor, adrift or not operating under engine power.
- No boat towing persons skiing, tubing or the like can come within 100 feet of swimmers, divers, rafts, other boats or restricted areas.
- All boats engaged in towing skiers, tubers or persons in similar activities must

have a competent person, other than the pilot, observing the towed person(s).

- NO SUNDAY operation of motor driven boats, beginning the second Sunday of June and ending the third Sunday of September. Note: Only electric trolling motors allowed.
- There is a radar-enforced speed limit of 35 MPH on the water.
- A counter-clockwise course should be maintained while water-skiing, jet skiing, etc., and during the times of high-volume boat activity.

A complete listing of Elkhart Lake and the State of Wisconsin Boating Rules Regulations and Statutes is available at the Village Office in Elkhart Lake.

Prescription Drug Drop Off Box

As you do your spring cleaning please make sure you safely dispose of your old prescription drugs. The collection box is located outside the police department. Make sure you blackout your personal information, leaving the name of the drug intact. This will preserve your identity and help in the disposal of the drug.

Drop off anytime Monday through Friday from 9 a.m. - 4:30 p.m.

For more information, contact the Elkhart Lake Police at 920-876-2244 or for information on the Sheboygan County Program contact Elizabeth Abler, Public Health Nurse at 920-459-3038.

Trains Traffic in the Village

Please be alert to the fact that some of our intersections do not have flashing railroad warning lights. The trains do sound their whistles at uncontrolled intersections but be aware that trains will be using the tracks.

Have a wonderful May!

Sargento welcomes Stanwood to post

Sargento Foods Inc. announces the recent addition of John Stanwood as Senior Marketing Manager of Alternate. Within his role as Senior Marketing Manager of Alternate Channels, John will collaborate with the marketing team to develop and execute strategies and new products. His work with new products will grow the Sargento brand in alternate retail channels, including Club, Convenience Stores, Value and E-commerce. He will report to Chris McCarthy, Director of Marketing, and work from Sargento headquarters in Plymouth.

brand management is impressive, and so is his history of effective collaboration to meet and exceed goals," Louie said. "We know he'll make a positive impact on the Sargento family."

Previously, John worked with top brands at ConAgra Foods and Kimberly-Clark Corporation. He has led strategic planning and execution, developed brand campaigns and consistently improved financial performance.

John earned his master's degree in business administration with a major in marketing from the University of Wisconsin-Madison in Madison, Wisconsin.

The Road to Wellness

By Dr. Nic Giebler D.C.
drnic@gieblerchiropractic.com

My Lyme Disease story

The month of May is Lyme Disease Awareness Month, and here in Wisconsin, we ALL need to become much more vigilant about this disease. It's on a dramatic rise, and it is not anything you want to take lightly. Having experienced Lyme Disease personally, and having seen it multiple times in the office in the last several years, I can attest that it is a terrible condition. You need to do all you can to protect yourself, your pets, and most especially your children.

In June of 2008, while I was working in Plymouth, I attended a nutrition seminar in Stevens Point. (Oddly enough, it was at this seminar that Dr. Mike Schleicher first asked me if I was interested in taking over the chiropractic office he owned in Kiel!) Being an avid trail runner, I stopped just outside of Waupaca to go running on a segment of the Ice Age Trail.

That trail was not very well kept and was very overgrown. For most of the run, I had to duck under tree branches and my legs were constantly brushing up against the long grass along the sides of the trail. The 'trail' was barely a trail.

After about a two-hour run, I was back at my car and continuing my drive to Stevens Point. Upon arrival at my friend's house, where I was staying, I took a shower. In the shower I found four wood ticks on me. By the end of the day, I had found three more. It was absolutely disgusting.

That night, I was sitting on my bed and texting Ellie about my day. While doing that, I noticed a little black bug crawling along my thumb. This one wasn't a wood tick. It was a deer tick, which is much smaller, but much more likely to carry Lyme Disease.

Needless to say, I didn't sleep well that night. I had a nonstop sensation of bugs crawling on me. Imagine that!

Fast forward three weeks, and I was feeling really run down. I remember finishing up a normal Friday at work and being exhausted. I had a headache that made my face hurt when I would move my head in any direction. Although I rarely get headaches, I just assumed it was no big deal, and went out for dinner that night. During dinner with my parents at an Irish restaurant, the headache subsided with a pint of Guinness.

Saturday morning I woke up with the same headache. And a low backache. I'm a chiropractor, and was only 27 years old at the time. I had never experienced low back pain until then! Unfortunately, things continued to go downhill, and my temperature continued to climb, all the way to 102 at one point. The worst part? Ellie was gone that weekend, so I didn't have anyone at home to complain to.

In bed Saturday night I alternated between sweating fevers in only my underwear and shivering chills in sweatpants and a sweatshirt. Three times during the night I woke up and changed clothes again.

Sunday morning, same old story. Headache. Stiff neck. Sore low back. No energy. Swollen and painful lymph node in my right armpit. Something's

not right. Then, it 'clicked.' It's probably Lyme Disease, but its hallmark symptom is erythema migrans, or a bulls-eye rash, which I didn't have. Nonetheless, I knew I needed blood work and scheduled an appointment with a doctor for Monday afternoon.

Sunday night I drenched the sheets in sweat. I was an absolute mess, and this was the sickest I have ever been in my life.

Monday morning I still felt like crap. Headache. Stiff back. Chills. But the icing on the cake was provided by a glance in the mirror as I dried myself off from the shower. There, right over my left shoulder blade, was a big old "Bullseye Rash."

The last part of the diagnosis was now present. By the afternoon the rash had become even more distinct, to the point that the doctor told me he could take a picture of it for a textbook.

Because I try to be healthy, my immune system reacted very strongly to the infection, and that allowed me to be able to identify that something was seriously wrong very quickly. That made treatment much more likely to work quickly. I was in early "Stage One" which is best described in all the symptoms I had for those three days. Stage Two is when it gets more serious and can start affecting one's heart, liver, and nervous system. I was very fortunate to be able to "tell" that something was wrong. Lyme Disease is known as the "Great Imitator" because the symptoms can mimic other illnesses and can vary in severity. That's why it's important to stay vigilant and aware!

As I mentioned, that was the sickest I've ever been. It was terrible. I'm thankful to be better and not have to manage the terrible symptoms of chronic Lymes. I want to do everything I can to make sure YOU or your kids don't have to deal with it either, so remember these common 'first symptoms':

- "Bulls-Eye" or erythema migrans (EM) rash. The rash may appear on any area of the body and does not always take on the typical bulls-eye form.

- Fever
- Chills
- Muscle and joint aches
- Tiredness
- Headache
- Swollen lymph nodes

Also, when it comes to my kids, after bath time, I perform a "full body scan." They're used to it. I check them over everywhere, and do it every bath time, but am especially vigilant if they've been out in the woods or if we've been camping, etc. I can tell you every birthmark they have as those little ticks can sometimes look a lot like a little mole.

As you probably know, I'm a very big proponent of getting outside. It's unhealthy to be inside constantly, and we can't live in fear. Just be aware—May is Lyme Disease Awareness Month—and be vigilant for the tick.

The opening of the Elkhart Lake Farmer's market is just a little over a month away. The first market opens June 4.

Farmer's market opens on June 4

There's something for everyone at this popular open-air Farmers and Artisans market held every Saturday, rain or shine, in downtown Elkhart Lake.

Beginning the first Saturday in June and continuing through mid-October, residents and visitors are treated to the appetizing sites and smells of a variety of fresh produce and baked goods. Included are vendors who carry certified organic produce and those who are WIC approved. Unique collectibles are also available for interested shoppers as well as creative pieces offered by area artisans.

This year's Farmer's Market officially opens Saturday, June 4, from 8:30 a.m. - 12:30 p.m.

The farmer's market is located in Downtown Elkhart Lake at the Corner of Rhine and Lake Streets on the grounds of the village square and former Elkhart Lake train depot.

Anyone interested in participating in the Farmers Market or wishing more information about the event should contact the Elkhart Lake Area Chamber of Commerce by calling 877-355-3554 or 920-876-2922; or email farmersmarket@elkhartlake.com

Bank merger

NEB & Trust and American Banks to join forces

NEB Corp. Chairman and CEO Peter Stone announced today that the two banks held under the NEB Corp. holding company, National Exchange Bank & Trust and American Bank, will be merging under the National Exchange Bank & Trust name in 2016.

A leadership team comprised of representatives from both financial institutions is coordinating a transition plan with the intent of preserving a quality customer experience. "While each bank has had its own individual identity, the similarities in management philosophy and product offerings will minimize employee impact while providing a positive customer experience," Stone commented. "Both institutions have a strong community banking philosophy and financial strength, and that is a commitment that will continue to take precedence as we move forward."

Mike Burch, current president and COO of National Exchange Bank & Trust, has announced his retirement later in

2016, after the completion of the merger. He said, "The two banks have many synergies that make a merger a natural move for efficiencies and succession planning. I look forward to transitioning these two highly performing banks into one institution."

The leadership of the combined entity will include Eric Stone as the vice chairman and CEO, and Jim Chatterton, current chief executive officer of American Bank, as president and COO. "This is an exciting opportunity and a logical next step. As the financial industry has become more highly regulated and margins compressed, this merger leverages the strengths of each bank and puts the combined entity in an even greater position for growth," Chatterton stated.

The transaction is scheduled to be completed in the second half of this year, pending regulatory approval.

National Exchange Bank has been a pillar of stability in the Fond du Lac community since it first opened its doors on

Dec. 20, 1933, in downtown Fond du Lac. With its 27 locations throughout Southeastern Wisconsin, its geographical reach covers Fond du Lac, Sheboygan, Dodge, Green Lake, Marquette, Columbia, Washington and Waushara counties. National Exchange Bank & Trust has more than \$1.37 billion in assets and close to 300 employees. More information may be found at www.nebat.com.

American Bank opened its doors in 1968. Its founders, seven local business people, envisioned the bank's role to reflect the characteristics of people helping people. Headquartered in Fond du Lac, it has five other Wisconsin offices located in Brownsville, Mayville, Omro, Princeton and Milwaukee. American Bank currently has more than \$485 million in assets and 80 employees. More information may be found at www.ambank.com.

After the merger, the combined banks will have more than \$1.85 billion in assets and 33 offices.

Veterans Memorial program set May 28

The Village's annual Veterans Memorial Tribute program, sponsored by the Village of Elkhart Lake and the Elkhart Lake Lions Club, will be held Saturday, May 28, at 11 a.m. I Memorial Park at the corner of Chicago Street and State 67.

SFC (R) Steward (Stu) Kuehl will be the featured speaker. Stu grew up in Glenbeulah and graduated from Elkhart Lake-Glenbeulah High School in 1979. He enlisted in the U.S. Army as a combat engineer in January of 1980.

In 1991 Stu's unit, the 2nd Armed Cavalry Unit was mobilized to Saudi Arabia in support of Desert Storm/Desert Shield. This unit was the lead element into Iraq for Gen. Schwatzkopf's End Around maneuver, which resulted in decisive victories against two of Saddam Hussein's Republican Guard Regiments.

In July of 2006, while executing a reconnaissance mission on a road project in Eastern Afghanistan, Stu was injured when the armored vehicle he was in was hit by two roadside bombs. Stu received extensive care for the next 18 months at Walter Reed Army Medical Center in Washington, D.C. and at the Minneapolis V.A. Hospital Traumatic Brain Injury Center.

For his actions in Afghanistan, Stu was awarded the Combat Action Badge, the Purple Heart, and the Bronze Star.

Stu now lives in the Kiel area, enjoying his favorite pastimes of hunting, fishing, and spending time with family and friends.

The program will feature Sara Schoenborn playing Taps, the Elkhart Lake-Glenbeulah chorus under the direction of Holly Hellmer singing the National Anthem, the EL-GHS band under the direction of Jodi Voss playing patriotic songs,

the Sheboygan County squadron of Civil Air Patrol cadets performing the raising of the flag ceremony, the American Legion Post 261 performing the ceremonial rifle volley and Rev. Deborah Tyler delivering the invocation and benediction.

The ceremony will be followed by a brat fry and refreshments by the Elkhart Lake Lions Club from 10 a.m. - 1:30 p.m. Proceeds will go toward upkeep of the memorial and park grounds.

The public is invited to attend and should bring lawn chairs or blankets. Parking is allowed along State 67 and additional parking will be provided by Kees Corp. and Plyco Inc. in their parking lots.

In case of inclement weather, the ceremony will be held in the Elkhart Lake-Glenbeulah High School.
