FREE SCREENING for Varicose Veins **SEPT 9 & 10**
Call 712.737.5317

Do you experience discomfort, swelling and varicose veins?

If so, you may be suffering from superficial venous reflux disease. The good news is that the VNUS® Closure® procedure offers a minimally invasive and more comfortable alternative for treating varicose veins ... conveniently in our medical clinic.

Don't take our word for it. Here's what our patients have to say ...

“Varicose veins in my right leg left me with pain, swelling, and a burning heaviness that hampered and discouraged me daily. My doctor referred me to Dr. Locker at Northwest Surgery who explained the benefits of the VNUS Closure procedure. I was awake during the procedure and able to walk out several hours later, returning to work the next day. I am so grateful and pleased!” –Connie, Newkirk

“I endured much discomfort of swelling of my legs until I was unable to wear normal clothing or shoes that would fit over the swelling. After the procedure, with minor recuperation, today I am free from swelling and pain and am again able to wear appropriate clothing. Many thanks to the dedicated staff who performed this procedure.” –Dean, Sheldon

Surgeons Steven Locker, MD, and Brent Nykamp, MD, have offered VNUS Closure procedures at Northwest Surgery, Orange City Area Health System, since 2006.

The VNUS Closure procedure is performed, conveniently, in the Orange City clinic setting.

Learn more or sign up for our free screenings on September 9 and 10.

If a doctor, lawyer, or dentist had 40 people in his office at one time, all of whom had different needs, and some of whom didn't want to be there and were causing trouble, and the doctor, lawyer, or dentist, without assistance, had to treat them all with professional excellence for nine months, then he might have some conception of the classroom teacher's job.

FAST TURNAROUNDS

The market for printing has been undergoing changes in recent years. A demand for **fast turnarounds** is one of the largest of those changes. There is little setup, no plating and no dry time.

DIRECT MARKETING

Need an edge? Digital printing creates a scenario where each piece printed can be different. The use of **variable data**, such as a customer data base, can be used to **personalize** each piece printed.

SHORT RUN - FULL COLOR

Small quantities at an affordable price. Difficult to believe, but true! With no set-up costs, there is no more overprinting. **How many you need is how many you get.** Need a reprint? Even easier and very affordable. **Convenience at its best.**

EXTREMELY EFFICIENT

The efficiency and convenience of Digital Printing **benefits any company whether large or small.** The capability of full color short runs, direct marketing and fast turnarounds is breaking down printer barriers.

Customer Testimonial
 We met with one other realtor before Mike & it was a night & day difference between the two. Mike came to walk through our house & get it ready for listing & from the time he walked through our door to the time we closed on our house, he was excited and willing to help in any way possible. It's great to see how excited he gets for both the buyer & seller & I think the selling comes so easily because he knows just about everyone. If he doesn't know you, he will take the time to do so & he is the most personable guy you will ever meet.
 We couldn't have asked for a better experience!
