Citizens of Orange City!

We, the senior social work majors at Northwestern College, would like to inform you that we are conducting a research project about housing in partnership with Community Health Partners. Pairs of students will be walking door to door administering a short 5-10 minute survey about perceptions of housing during late October and early November. Houses will be selected by a random stratified sample. The data collected from these surveys will allow us to identify housing needs of the community and advocate for change. In December, a public forum will be held to present and discuss our results with the community, date and time to be announced.

Your participation is very much appreciated!

"PUBLIC ROAD RIGHT-OF-WAY" ORDINANCE AND "SNOW ORDINANCE"

To: Property Owners, Tenants, and Residents of Sioux County.

Sioux County's "Public Road Right-of-Way Ordinance" and "Snow Ordinance" prohibits the obstruction of public road right-of-way which includes the road ditch and road shoulder.

Property owners, tenants, and residents in violation of this ordinance are asked to remove and refrain from placing the following items considered an obstruction in the public road right-of-way which includes the road ditch and road shoulder.

1. Fences of any kind placed within the right-of-way and road shoulder
2. Debris, trash, burn piles, garbage, etc. placed on road right-of-way which includes the road ditch and road shoulder.
3. Snow: From private driveways placed on the roadway which includes the road shoulder.

The placing of these items within and along the road right-of-way including the road ditch and road shoulder may hinder snow removal, create snow drifts, and increase snow removal cost along with causing danger for those traveling the roadway and liability for those in violation of Sioux County's Public Road Right-of-Way Ordinance.

The Ordinance does provide for a penalty which will be enforced against those who remain in violation of this "Public Road Right-of-Way Ordinance" and "Snow Ordinance". Those who are found guilty of violating these ordinances can receive a fine up to \$100.00 per violation.

Your time, efforts and cooperation in removing and refraining from placing obstructions in Sioux County right-of-way including road ditches and road shoulders will be greatly appreciated.

Road Edge Cutting

Property owners, tenants and residents are asked to cut or otherwise destroy excessive vegetation on the road shoulder adjacent to their property. The removal of excessive vegetation on road shoulders will help with snow removal, prevent the formation of snow drifts, and help reduce snow removal cost. Each property owner or tenant's time, efforts and cooperation will be greatly appreciated. Thank You.

TRACT II
LEGAL DESCRIPTION: That Part of the Northwest Quarter of the Northeast Quarter (NW 1/4, NE 1/4), Section Twenty-three (23), Floyd Township, T95N, R43West of the 5th PM, Sioux County, State of Iowa containing an improved 6 acres m/l.

GENERAL DESCRIPTION: In the offering is an extremely nice building site located just 2 1/2 miles from Hospers, Iowa and located back into the field approximately 200-300 yards. There is a two story home built in 1945 consisting of five bedrooms with a 3/4 bath on the main floor, 1/2 bath upstairs and 1/2 bath in the basement. The heat pump/central air was installed in May, 2006; shingles replaced approximately 5-6 years ago and almost all of the windows have been replaced over the years. The home is filled with oak trim, oak woodwork and solid oak wood flooring throughout the house along with a walk up attic for extra storage and a full basement with a fruit cellar.

OUTBUILDINGS: 4,500 bushel drying bin; 48' x 60' steel pole machine shed; concrete set up for shell corn on the sides and overhead bins; 36' x 40' Quonset machine shed; 3 car garage; 36' x 60' barn with hayloft and numerous other outbuildings. There is rural water supplied to the building site and the electricity is served by REC. Note: These outbuildings have been very well maintained structurally.

METHOD OF SALE: These two tracts will be sold separately and not combined. Both properties will be surveyed after the auction to establish the amount of acres in each tract. The land will be sold to the highest dollar bid at the auction multiplied by 154 acres and after the survey is completed the acres will be adjusted by the dollar amount bid, times the surveyed acres at closing.

REAL ESTATE TAXES: The seller will pay all of the real estate taxes up to December 31, 2015 and all prior taxes. The approximate taxes on the 6 acre building site is \$1,290.00 and the approximate taxes on the land is \$4,080.00

TERMS: The buyer(s) will be expected to pay ten percent (10%) of the purchase price down the day of the auction and sign a real estate contract agreeing to pay the balance on or before January 15, 2016 at which time the seller will deliver a Court Officer's Deed and an abstract showing good and merchantable title. There will be an interest charge on the unpaid balance if buyer(s) fail to perform on the scheduled date of settlement.

POSSESSION: Possession will be given on the date of settlement or sooner with the consent of the seller. This sale is subject to the existing lease which will expire on March 1, 2016 and this lease has been properly terminated.

AUCTIONEER'S NOTE: LAND - If this is not the highest, then it has to be the rarest of opportunities to purchase one of the top farms not only in Sioux County but surrounding counties and the state of Iowa. The present tenants have done an excellent job of preserving this farm's quality.

ACREAGE - If you have been looking for an acreage that has everything you want in a house, machine sheds and out buildings, this is one that you need to consider. The location is not the only emphasis but the possibilities are endless. You will not find an acreage with buildings like this acreage has to offer. If you want to set up an appointment to look at the acreage, contact Jim at one of the telephone numbers listed below.

DISCLAIMER: No warranty or guarantee is given to the accuracy of the information and figures provided. We encourage all prospective buyers to inspect the properties personally and secure other information if necessary. This property is sold with the seller's approval. The auction company and the auctioneers are representing the sellers in this transaction. Any announcement made the day of the auction will supersede any information printed here in. The auctioneer and sellers recommend that any all buyers have your finances arranged prior to the auction because any contingencies will not be accepted.

PUP HAVEN

Looking for homes ...

PUP HAVEN was established by compassionate people who do animal rescue on their own time and from their own home. We have been very successful in monitoring strays and rescuing and treating them for relocation.

Again at this time we have a young male and female cat that are siblings. And three young female cats along with an assortment of kittens. Some of these are tame enough for indoors and others are partially tamed for outdoors and will make excellent mousers.

(All rescued strays receive shots before relocation.)

If you are interested please call and set up a time to visit with us.
We can be contacted at 712.722.1908

Please be sure to take the time necessary to get your pets ready for the winter months!

HAVE YOU HEARD?

We have two audiology clinics in Northwest Iowa to serve your needs and fit your schedule.

At Korver Audiology we offer a medical team approach. At your initial consultation, we look at all options for solving your hearing problem, including medical and surgical intervention and/or amplification devices.

- If hearing aids are your best option, we encourage you to try different devices to see how well they perform - before you make any commitment.
- We don't have commission sales. Whether you choose the most expensive option or the least expensive one - or decide to wait - at Korver Audiology you will feel at ease with no pressure to purchase.
- We offer no-commitment trials to ensure your satisfaction with your decision
- Our hearing devices cost no more than those sold by hearing aid dealers.

Gail Bolton, Au.D., a Sioux Center resident and a member of our audiology and ENT clinic staff, now sees patients in both Sioux Center and Orange City. As a doctor of audiology, Gail has 13 years of experience working with a range of hearing loss causes, in people of all ages.
