keep it simple

orange city municipal utilities (712) 707-4885

Saving energy doesn't have to be complicated, even in the summer. Try these simple ideas for reducing your summer electric bills:

- Use ENERGY STAR® certified LED or CFL bulbs.
- Turn off lights, or add motion sensors.
- Turn off fans when you are not in the room. Fans cool people, not rooms.
- Set your thermostat to 78°F when you are home, and higher when you are away.
- Replace your air conditioner filter monthly.
- Keep your refrigerator door closed.
- Recycle the old refrigerator in your basement or garage.

We offer rebates on many energy-saving products. To learn more, call us at (712) 707-4885, or visit www.brightenergysolutions.com.
