# RMDs GETTING YOU DOWN?

**DELAY THEM!**

IF YOU'VE REACHED THAT MAGIC AGE OF 70½, you may be concerned about taking required minimum distributions (RMDs) from your retirement savings. Good news--there's a new regulation from the U.S. Treasury Department, allowing you to defer the distribution of a portion of your qualified assets up to age 85.

We're here to help!

Northwest Investments can help you calculate, plan, and manage your RMDs to keep your retirement savings working for you even after your required distributions begin.
