A special thank you to Pastor Paul Palmer for everything.

May the road rise up to meet you.

Vision for the future

Improve neighborhoods through fair and impartial zoning code/property maintenance enforcement.

Work with community groups and people like the newly created Letchworth Gateway Manager to make the village a tourist and shopping destination.

Work on creating safe and affordable senior housing.

These are just a few of the items I want to move forward. I hope you all feel the same way about promoting our village.

Thank you. I appreciate your support.
Frank M. Provo

My administration will be fiscally responsible and will not exceed the state 2% mandate. I have the experience, commitment and knowledge to be effective.

Running the village is managing a budget in excess of 2 million dollars.

I am committed, open-minded and willing to work toward the greater good of our community.

I recognize the challenges we face as a small Village without a growing tax base. I will work for you, the community, to maintain our infrastructure at the most efficient cost possible and share services when practical.

Annual Meeting

The Oakland Hill Cemetery Association will hold its meeting March 20, 2017 at 7:00 pm. The meeting will be held at Sandy Thompson's, 9605 Parker Rd., Town of Portage (Oakland).

We are in desperate need of people who would be interested in being a member of the Cemetery Association Board.

Our only means of income is through the sale of burial plots, burials and donations. The cost of burial services and lawn mowing have become a major expense.

We are regulated by the State as to what we can charge and how much we can use for general maintenance.

To stay solvent we need donations.

To make a donation or purchase a burial lot you can contact Hugh Thompson, President or Sandy Thompson, Secretary-Treasurer.

Thank You!

Good Ol' Boys Car Club

Fifteen members attended the first meeting. By the next meeting, the club had grown to thirty members. Not long after, as membership numbers soared to past 100, the Good Ol' Boys had evolved into more than just a car club.

Under the leadership of Jim DiSalvo, Good Ol' Boys became a family-oriented social organization, consisting of participation in an annual car show, dinners, movie nights, car cruises and more. Cars were exhibited at parades, festivals and car shows.

One of the club's projects is a partnership with CASA (Council on Alcohol & Substance Abuse). The purpose of the project is to choose high school students who will be escorted to their proms in style, driven to and from the event in classic cars. CASA sponsors an essay contest each year and chooses the winners. The Good Ol' Boys provide the cars and the drivers. This project creates intervention and fosters communication between parents and their children regarding making wise decisions about alcohol and drug use.

The Good Ol' Boys Car Club always welcomes new members. If you would like to have fun and be able to give back, consider joining. The club meets at 6 PM on the first Sunday of each month at the VFW Hall in Mount Morris. Contact Jim at (585) 351-7748 or Joe at (585) 507-8288. You don't have to own an old car to participate.

Vintage vehicles seem to capture the imagination of young and old. Blend admiration for the craftsmanship of antique cars, socializing, commitment to helping others and participating in summertime community events and you'll have Jim DiSalvo's Good Ol' Boys Car Club.

First established on August 4, 1996, Jim DiSalvo canvassed for those who wanted to join a car club that fostered an appreciation of cars from 1900 to the present.

The Good Ol' Boys also vote on several charities to support each year. Admission fees collected at their annual car show are donated to a worthwhile cause. Some of the charities have included Teresa House, Wounded Warriors, and assisting with Memorial Day grave decorating.

For several years, their cars were featured in Sunday in the Park parades and on several occasions, their cars have won nationwide first place prizes for being in prime condition.

World Tuberculosis (TB) Day

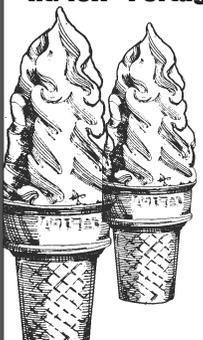

is March 24th, which is designed to build public awareness that tuberculosis remains wide-spread throughout the world. TB causes several million deaths each year, mostly in developing countries.

Tuberculosis or TB is a bacterial disease affecting the lungs, which is spread through the air when an infected person sneezes or coughs. TB can affect anyone of any age, but people with weakened immune systems are at a higher risk. The Livingston County Department of Health recommends that everyone be tested for Tuberculosis to help stop the spread in the United States.

For more information on Tuberculosis please contact the Livingston County Department of Health at 243-7299 or visit our website at www.livingstoncounty.us/doh.htm.

Vote for Pete Bishop for Mount Morris Village Trustee on Tuesday, March 21

- Fourth generation resident of Mount Morris
- Degree in Business Management from Cornell University
- 20 years-experience in financial services. Duties: cost control, employee performance management, and maintaining adherence to policies. My job requires me to collaborate every day to deliver service excellence to clients while maximizing profitability for a world class organization
- Civic-minded: Volunteer history with Mt. Morris Senior Nutrition Center, Mt. Morris Historical Society Ghost Walk, St. Luke's Eucharistic Ministry, Habitat for Humanity, St. Peter's Kitchen, and Intervol

WHY I HOPE TO EARN YOUR VOTE FOR TRUSTEE:

Our residents are our clients...my decision-making will be based on this simple premise.

Maximize cost control through effective collaboration between the Village Board, Department Heads (DHs), and our Town Board to provide resources to set our DHs up for success with their budgets and leading their respective teams toward their Department goals. Collaborate on identifying meaningful and achievable savings opportunities.

Increase revenue through effectively leveraging our relationships with School, Village, County, State, and National entities to attract new businesses and hard-working, tax-paying families. The role of Trustee requires the competence and confidence to build effective relationships and advocate skillfully on behalf of our Village. I advocate effectively across multiple units in various geographies every day in my current job.

Improve the resident experience. Based on feedback, which I will continue to actively obtain from our residents and fellow leaders, these are some of the topics I intend to proactively focus on with fair, swift, and decisive action:

- "Zombie House" remediation/Code and Zoning Enforcement maximization
- Public Safety/Effective Community Watch programs to deter crime from happening
- Enhanced youth mentorship, recreation, and volunteer opportunities so our community youth stay on the straight and narrow
- Senior Resident support programs (offering volunteer assistance with yard beautification as just one example)

EXCELLENCE IN SURGICAL CARE

Our friendly office personnel will make you feel comfortable and help to make your visit as positive as possible.

We expect our own doctors to provide us with comforts, a friendly and attentive staff, and a high level of professionalism, and it wouldn't make sense if we didn't do the same for you. We work with several insurances. Please call to learn more.

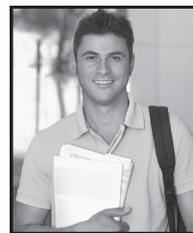

Thinking about dental implants?

Did you know that dental implants are frequently the best treatment option for replacing missing teeth? Rather than resting on the gum line like removable dentures, or using adjacent teeth as anchors like fixed bridges, dental implants are long-term replacements.

Home from College? Need your wisdom teeth out?

Wisdom Teeth Extractions, Gum Treatment or Surgery

Dr. Andrew M. Steinhilber is both a board certified Oral & Maxillofacial Surgeon and a Periodontist (gum surgeon). He is licensed and certified in the delivery of general and IV anesthesia, making your surgical experience as comfortable as possible. His team has the skills required to provide the quality surgical care you deserve. They also provide IV anesthesia for patients who are anxious about routine dental treatment by their dentist.

Anxious About Having Surgery? Go No Further!

Dr. Andrew M. Steinhilber is a board certified Oral & Maxillofacial Surgeon with 6 years of surgical residency training and over 20 years of surgical practice. He has extensive training in extractions of all types, including wisdom teeth and Dental Implants. He is a Professor at the University of Rochester Medical Center and is very active in teaching surgical residents. We are the place to seek treatment! We have extensive training in IV and General Anesthesia, providing patients with the most comfortable environment for surgery!

Oral & Maxillofacial Surgeons are the only specialists properly qualified and trained in Oral, IV and General Anesthesia. No weekend learner courses here! He will be very happy to educate you about your treatment and his staff is also nationally certified and will make you feel more than comfortable.

PROGRAMS

Manage Your Meds!!!

Help fight the Rx and Heroin epidemic in Livingston County by following three simple steps.

Monitor ~ Check your medication regularly: Many people who abuse prescriptions get them from family and friends.

Secure ~ Lock up any medication you do not want anyone to access: Reduce drug abuse, curb theft, and prevent overdose and accidental poisoning.

Dispose ~ Drop off any unwanted/unused and expired medication at your local medication drop box: Lima Village Pharmacy, Caledonia PD, Dansville PD, Livingston County Sheriff's Office (Geneseo)
