## COLORS OF THE YEAR

Each year paint experts select their "Color of the Year". These colors start showing up in fashion and can be spotted in magazines, catalogs and stores.

Pantone Greenery 15-0343 is symbolic of new beginnings, a fresh and zesty yellow-green shade that shows the first days of spring.

Benjamin Moore Shadow 2117-30 shadow ebbs and it flows with its surroundings and light brings it to life. Let shadow set the tone.

Glidden Byzantine Blue 50BB 32/117 this is truly a purple in disguise. It appears to be more gray when paired with dark neutrals, yet it appears more bluish-purple when partnered with whites.

Sherwin Williams Poised Taupe SW 6039. Poised Taupe creates a cozy lifestyle and brings a sense of sanctuary into our homes. It defuses the stresses of the day and creates a sense of coziness and warmth.

If you're thinking about painting, here are a few new colors for the year.
