The average family does 300 loads of laundry a year. That's right – almost six loads every week!

An ENERGY STAR® certified washer can save you about \$40 a year in electricity, plus it's more gentle on your clothes. ENERGY STAR dryers use about 20 percent less energy. Together, the pair is the right choice for energy efficiency.

We offer a \$50 rebate for ENERGY STAR washers and \$80 for ENERGY STAR electric dryers. To learn more, call us today at (712) 707-4885.
