## Lincoln County Schools Kindergarten Registration March 27 – April 7, 2017

Kindergarten registration for the Lincoln County School System will open on Monday, March 27. If your child will be 5 years old on or before August 15, 2017, he or she is eligible for kindergarten in the fall and needs to be registered between March 27th and April 7, 2017.

Lincoln County Schools will be using an online student registration program for all county schools beginning with the enrollment for the upcoming 2017-2018 school year. This service will replace all written registration documents at all schools.

The following records must be scanned or photographed and uploaded at the on-line registration link, or they can be delivered to your zoned school before August 1, 2017. Registration and enrollment is not complete until these items are received:

- Proof of residency
- Child's official birth certificate
- Current physical/health examination
- Current immunization record

Additional kindergarten registration information is available on the Lincoln County Schools website at <http://lcoecurriculum.weebly.com/kindergarten.html>. The link to register will be live on or after March 27th, and parents can register online from any computer, smartphone, or tablet. If you need access to a computer or assistance with the online registration process, please visit or call your zoned school or the Lincoln County Department of Education at 931-433-3565. If you are unsure of your zoned school, contact the Lincoln County Transportation Department at 931-433-5733.

We welcome all registering students and their families to the Lincoln County School System and look forward to the opportunity to work with each of you in providing excellent educational experiences for your kindergarten student.

We don't need more to be more thankful for, we just need to be more thankful.

"I put an ad in the Exchange one time. A year later this guy calls and I go do an estimate for him. I always ask how people found out about me. He said he found my number in the Exchange, cut it out and kept my number for over a year until he needed it. He's been a good customer of mine for about 10 years now. So, one of my best jobs came from the Exchange. At a time when I couldn't afford a lot of advertising, the Exchange really came through for me." Larry's Lawn Care.
