## OHS Students Participate in the All State Speech Festival

On Monday, March 27, three Okoboji High School students participated in the Iowa High School Speech Association All State Speech Festival held at the University of Northern Iowa, Cedar Falls. To earn this outstanding recognition, they each earned Division I ratings at the state contest held on March 11, at Sioux City East High School and received nominations from their judges to move on to the All-State Festival. Carson Miller performed an original oratory piece entitled "The Story of an Hour"; Liz Olson performed a prose piece entitled "Love, Old Lady Jackson"; and Laura Nielsen did storytelling entitled "Punctuation Takes a Vacation". Congratulations on this fine achievement.

These students and the individual speech team were coached by Mrs. JeanAnn Myhre and Mrs. Ann Williamsen.

## View From The Bench

by John Adams, Jr.

### End of an Era for Cyclones

The group of mainstay seniors for Iowa State, Monte Morris, Naz Mitrou-Long, Matt Thomas and Deonte Burton played their final game for Iowa State last weekend in a tough 80-76 loss to Purdue in the second round of the NCAA Tournament. This loss signaled an end to a golden era of Cyclone hoops, and also a bridge to the group that started that era (coach Fred Hoiberg, players Royce White, Melvin Ejim, Georges Niang, DeAndre Kane, Dustin Hogue, Korie Lucious, Chris Allen, etc). Instead of mourning that this group is gone, let's take a look back at all they have accomplished and celebrate their careers for Iowa State.

This group helped lead Iowa State to four of their record six straight NCAA Tournament appearances; reaching the Sweet 16 twice while losing in the first round only once, (no matter how hard I try, I can never quite forget that UAB loss when ISU was the 3 seed and looked like a Final 4 contender) while winning five NCAA Tournament games. Prior to the arrival of the group before these seniors, Iowa State had missed the NCAA Tournament six straight years. The Cyclones won 100 games in the last four seasons, the most in any four-year stretch in program history. ISU also won three of the past four Big 12 Tournament titles during this stretch in one of the best conferences in the nation. During the last four seasons, the Cyclones were ranked an amazing 64 of 77 Associated Press Top-25 Polls, including a record streak of 61-straight polls; not bad for a program that was lost in mediocrity in the mid 2000's. About the only thing that this group did not accomplish is to make an NCAA Final Four or wrestle away the regular season Big 12 championship from Kansas, who has won a miraculous 13 straight titles.

The individual accomplishments of this group are also amazing; led by Monte Morris who will no doubt have his jersey hanging from the Hilton Coliseum rafters very soon. Morris ranks first all-time in assists (768) and steals (225) topping former Cyclone great and NBA All-Star Jeff Hornacek in both categories, as well as career wins (100). Mitrou-Long ranks 2nd in all-time 3-pointers (260) and Thomas ranks 3rd (254). You can look up and down the ISU record books and find these seniors names popping up on nearly every page.

What I have to give this group the most credit for, and I never thought I would write this in December, is how they grew up on and off the court and the toughness and resiliency they showed. To see the transformation of Deonte Burton and his poor body language and decision making was amazing, along with the toughness that the rest of the group showed when most people (myself included) counted them out. The three day stretch in Kansas City when the Cyclones won the Big 12 Tournament was all about toughness and it was very fitting that ISU defeated West Virginia, a team many people feel is the "toughest" in the Big 12, in the championship game. The last game of the season was a typical game for this team, as they rallied from a 19 point second half deficit to actually take a late lead against the BIG champs. That was who this group was, a team that you could never count out, while also being a group that often left you scratching your head at why they were down 19!

I have no doubt that this won't be the end of Iowa State making the NCAA Tournament or winning Big 12 Tournament titles, as the future looks bright with some very talented young recruits coming in, but this article isn't about the future, it's about thanking this group of seniors for everything they gave us Cyclone fans. As a tearful Mitrou-Long said after the Purdue loss, "You can really look back and say we left our jerseys in a better place." There is no doubt that you definitely did that Naz, and that is the true definition of a successful career. From Cyclone fans everywhere, THANK YOU!!

The Lakes Regional Healthcare Auxiliary volunteers Janet Staver, Sondra Remer and Lisa Bailey presented a \$5000 check to Sonja Hamm, second from left, Executive Director of the Lakes Regional Healthcare Foundation, and Jason Harrington, LRH President/CEO. This year Lakes Regional Healthcare is focusing on an area that affects many in our community, breast cancer. It is the hospital's desire to incorporate a newer type of mammogram known as breast tomosynthesis or 3D mammography. Screening for breast cancer is one of the best ways to detect cancer early therefore achieving the most successful outcome. The equipment alone is a purchase close to \$500,000 with fundraising currently near \$70,000.

The Auxiliary would encourage everyone to also consider supporting this important 3D mammography project. If you are interested in contributing to this important cause, please contact Sonja Hamm at 712-336-8791 or email at [sonja.hamm@lakeshealth.org](mailto:sonja.hamm@lakeshealth.org).

The Auxiliary would also like to send out a personal invitation to *you*. Please consider joining the Auxiliary, make a difference, volunteer in an area of the hospital that interests *you*, on a schedule that works for *you*, all the while, *you* helping others. They'd love to have *you*. Contact Willy Moeller, Membership, at 712-332-5042.

Curlyleaf Pond Weed Informational Meeting

The Iowa Great Lakes Association will host an informational meeting open to the public on Tuesday, April 4, at 3:00pm, in the loft of Rolling Oaks Barn in Spirit Lake to discuss Curlyleaf Pond Weed in the Iowa Great Lakes.

Mild falls and winters have provided the opportune environment for this invasive species, introduced to our lakes in the middle of last century, to outcompete many of our beneficial native aquatic species. Due to its unusual growth cycle, the Curlyleaf Pond Weed can create dense mats on the lake surface up to 12 feet in depth.

While the weed is found throughout our chain of lakes, it has created some access and navigation problems on the north half of East Lake Okoboji through late June the past few years.

This year, the DNR has been working with the East Okoboji Lakes Improvement Corporation to develop a management plan to improve lake access in the most affected areas. Mechanical removal is the best option at this juncture, yet with over 600 acres of affected lake, it is not feasible to address the entire problem with mechanical removal alone.

In addition to the Iowa Department of Natural Resources, both Kuhlman Lake Service & Welding and Underwater Solutions will be on-hand to discuss what they can do on behalf of property owners to address the invasive species. Visit [www.iagreatlakes.org](http://www.iagreatlakes.org) to learn more about Curlyleaf Pond Weed, other environmental topics and for a concise calendar of events of what is taking place in the Iowa Great Lakes.

THANK YOU.

The family of Dean Mitchell and Jody would like to extend our many thanks to all of you who attended Dean's visitation and service, as well as those who made donations, sent cards, flowers and provided food. We cannot ever thank you enough for the way you honored Dean with your prayers, sympathy and the comforting words spoken to help us deal with his loss. Your friendship and generosity was humbling and overwhelming. We thank you from the bottom of our hearts.

Thank you also to the caregivers and staff from Kindred Hospice; and to anyone who spent time helping care for Dean and the support you gave us.

Dean touched so many lives in so many ways and we all have our own special memories of him. It's been said that if you make a difference in one life, then yours was as a good life; well Dean had a great life.

Spirit Lake Green Waste Site Will Open April 8, 2017

City of Spirit Lake and City of Orleans residents (those who live within the City limits and/or are residential water customers) will be able to use the green waste site commencing Saturday, April 8, 2017. The site will be open the following hours: Saturdays 9:00am – 5:00pm, Sundays 1:00pm – 5:00pm, Tuesdays 3:00pm – 7:00pm and Thursdays 3:00pm – 7:00pm. The green waste site will be closed Easter Sunday and July 4.

The site will be staffed by an attendant and residents will need to present their drivers' license to the attendant to verify identity and residence. A copy of the resident's water bill would be helpful as well, but subject to verification with drivers' license. The attendant will have a list of city residents and water customers of the cities of Orleans and Spirit Lake.

The City asks the cooperation of residents in not arriving before the gates open to avoid a line of vehicles on the county road for the safety of all concerned. The City has requested this several times in the past and this request seems to be ignored most of the time. Please demonstrate concern for the safety of other individuals using that road by not arriving until the site is actually open, or arrive a few minutes after it opens – there is always ample time for access.

Residents may bring their yard waste (leaves, grass clippings, twigs, brush). Tree trunks, limbs and branches over 6" in diameter will not be accepted, but may be taken to the Dickinson County Recycling Center.

Use of the green waste site is free of charge.

The City of Spirit Lake will continue to provide residential curbside pickup of yard waste on a weekly basis, every Friday commencing April 21, 2017.

# 35th Annual Walleye Weekend: Registration Open

Calling all fishermen and women: get ready to kick off the 2017 walleye season in the Iowa Great Lakes during the 35th Annual Walleye Weekend on May 6 and 7. This two-day fishing tournament attracts around 2,000 anglers hoping to catch one of the 10 specially tagged walleye and take home the \$35,000 grand prize.

The cost of the tournament is \$25 for entrants aged 16 and older, and \$15 for those aged 15 and younger. The Extended Contest is only an additional \$15 and allows you to continue to fish for one of the tagged walleye through September 1. The first walleye caught during the extended contest heads home with 20% of the proceeds generated from the tournament, the second receives 15%, and the third receives 10%.

Walleye Weekend officially begins at 12:00am on Saturday, May 6, and concludes at 12:00pm on Sunday, May 7. There will be an Awards Luncheon at the Dickinson County Expo Building in Spirit Lake beginning at noon on Sunday. The Luncheon is free to those who registered in the tournament, and it is just \$5 for the general public.

Great Lakes Marine Sales & Service is also hosting a Kick Off Dinner & Seminar on Friday, May 5th, so please give this Lakes Area marina a call at 712-336-3822 to get involved in another fun-filled aspect of the weekend!

In addition to the tagged walleye, there are also fantastic prizes for the heaviest stringer of 3 walleye, heaviest northern pike, heaviest stringer of 5 panfish, and heaviest stringer of 10 bullhead. Well over \$2,000 in prizes for the largest fish contests will be presented during the Awards Luncheon on Sunday at the Dickinson County Expo Building as well as cash prizes and merchandise from Chamber members.

Visit [www.okobojichamber.com](http://www.okobojichamber.com) to get signed up today. Registration forms will also be available at Fisherman's Factory Outlet, Kabele's Trading Post, Oh Shucks, Pioneer Beach, Stan's Bait & Tackle, and at the Iowa Great Lakes Area Chamber of Commerce office in Arnolds Park.

## Join The March!

**Seniors In Our Community Need Meals On Wheels. And We Need You!**

by Angela Kofort, Executive Director Voluntary Action Center  
This year, the Voluntary Action Center of the Iowa Great Lakes (VAC) is joining with the Meals on Wheels America's March for Meals project to reach out to our community to build support for our local Meals on Wheels (MOW) program. This program provides hot, nutritious meals to the elderly, disabled and homebound residents of Spirit Lake, Orleans, Okoboji, Arnolds Park, Wahpeton, and Milford.

Why is VAC joining this March for Meals campaign? First, we are seeing a large increase in the number of seniors in our community. Life expectancies are at an all-time high of 80 years on average. One-half of today's 60 year olds will live past 90, and seniors are our fastest growing population segment. While we can celebrate this increase in lifespans, it also comes at a price. 1 in 6 seniors across the nation struggles with hunger. Millions of seniors are forced to go into nursing facilities because they don't have the ability to shop for food or prepare meals - yet, it costs less to provide MOW for an entire year than it costs to spend one day in the hospital or six days in a nursing home. MOW saves us all billions of dollars in unnecessary Medicaid and Medicare expenses every year, because MOW supports independence and health as we age. For millions of Americans, MOW is literally the difference between remaining in their own homes and needing to relocate to a nursing facility.

But this program is not just about a nutritional meal that ensures an adequate diet. It goes well beyond that. It is a friendly visit. A reason to get up in the morning, something to look forward to. For many seniors, the trusted MOW volunteer that shows up six days a week with a hot meal and a warm smile is the only person they see or speak with all day. Also, along with the inevitable impacts of aging come the increased risks of medical emergencies, falls and other accidents. The safety check that accompanies each meal delivery ensures that, in the case of an emergency or problem, medics will be called, families will be notified and our seniors will not be forgotten.

VAC is doing a March for Meals mailing to many of the residents of the areas that we serve. If you do not receive this postcard, we ask that you please donate what you can to VAC, 800 21st Street, Spirit Lake, IA 51360. All donations will be used locally only. Or you can call 712-336-4444 to donate your time to deliver meals. We appreciate your attention to this vital community service.

## REAL ESTATE ROUNDUP

Presented by **RE/MAX Lakes Realty**

**Welcome back folks.** March Madness is upon us, and brackets are busted. What a fun time to spend with friends. While some of us are warm and comfortable watching hoops, I've witnessed the barges out already full steam ahead working in this cold rainy weather. Kudos and thank you to all those braving the nasty elements this spring to get those docks and hoists ready for the summer months.

**I wanted to provide a short market update and give you my analysis of the current market and discuss a few segments of that market.** Where are all the lake shore listings? I continue to tell my sellers to make sure you have your home on the market no later than March, because buyers are looking. Just because they aren't in Okoboji yet, doesn't mean they aren't a buyer. Remember, the internet has turned the real estate market upside down. Buyers are looking as soon as January, so don't hesitate...you might miss a buyer. Buyers of lake shore are not biting on higher prices even in low inventory times, so price your homes right.

**Lake sales** are slow now, but with increased inventory and fair pricing, it will pick up. **Arnolds Park and Okoboji continue to be hot markets for properties between \$75k and \$200k.** Most buyers want to be near the action, and many understand there are so many ways to access the lake now that being close is "good enough". These properties, if priced right, will continue to get gobbled up. **Milford sales** are a little soft and **Spirit Lake** has stayed fairly strong. **Bridges Bay** continues to knock it out of the park. Investors are driving cabin prices up because of strong returns, condo pricing is staying steady, and there are some real investor bargains in the hotel. **We have cabins, condos, and hotel units for sale, so don't miss out! ## N.W.I.A.S. Dance

Northwest Iowa Area Singles will have a dance on Saturday, April 1, at the Hap Ketelsen Center in Everly, from 7:30pm - 11:00pm. The band will be Buck Hollow. Our theme is: *Prom Night*. Singles, couples (married, too) are all welcome for a fun evening of dancing - there will also be mixers, prizes and snacks.

Darce Saxton, mother of bride Jennifer Poole, holds her head, as friend Cynthia Berkland tries to hide the jittery bride just before her wedding, as church lady Alaire Nielsen looks on. The scene is from the Emmetsburg Main Street Community Theatre production of *The Church Basement Ladies*, which continues this weekend at Bethany Lutheran Church in Emmetsburg.

## Ladies 'Closer to Heaven' in their church basement

Emmetsburg's Main Street Community Theatre is back on stage Friday and Saturday nights this week, and Sunday afternoon, with the sidesplitting musical comedy *Church Basement Ladies* — lead by longtime director Jackie VanOosbree.

You don't have to be Lutheran to appreciate the humor and the drama in the show that is set in the mid-1960s. Setting the "stage" in the basement of the Bethany Lutheran Church (703 Broadway, two blocks north of Highway 18) the cast is even offering a free-will Lutheran-style supper an hour before each show — which is the same time the "box office" opens.

Responding to our email asking for details on the supper, VanOosbree told us the menu includes a minced ham sandwich, lime Jell-O, bars, potato salad, Mac and Spam salad, and Watkins Nectar — Kool-Aid. (We had to ask about that, too!)

Thinking of food, you will also be glad to learn through the *Church Basement...* dialog that, "Every good Lutheran is still looking for the word 'coffee' in *The Bible*..."

Curtain time is 7:00, Friday and Saturday nights, with a Sunday matinee at 2:00.

**Something of a glutton for punishment**, VanOosbree is also auditioning students to help celebrate the 40th anniversary of *Annie*, which opened at New York's Alvin Theatre on April 21, 1977, with then-14-year-old Andrea McCauley in the starring role. The MSCT production of *Annie, Jr.* will take place the first two weekends in June, with rehearsals beginning in April. Interested students should be at the MSCT (2206 19th Street, in Emmetsburg) from 5 - 6:00 tonight or Wednesday night.

*Annie, Jr.* is a somewhat condensed version of the Broadway musical — and something of a history lesson for school kids who have probably never heard of *The Great Depression*...

**Sheldon's vocal jazz singers, Vocal Fusion**, will be looking for a three-peat in the Class 2A *Iowa Vocal Jazz Championships* in West Des Moines today. They'll be facing competition from not-so-far-away Okoboji, Emmetsburg and Sibley-Ocheyedan, while Spirit Lake will be part of the fray in Class 3A. We wish all the area schools the best — and we're betting that's what we will see from each of them.

**It will be Tuesday of next week** that we see the area high school jazz bands in the state championships in Des Moines. Central Lyon and South O'Brien will be competing in Class 1A; with Okoboji and Sibley-Ocheyedan in Class 2A; and Spencer in Class 3A; with a total of 15 bands in each class representing all corners of the state. The 4A schools represent the urban areas of Polk, Black Hawk, Linn, Johnson, Pottawattamie, Woodbury, and Dallas counties.

**This week on the campus of the UofO** we will see *John Senn & Friends* for the fifth week in a row at Table 316 in Arnolds Park, Wednesday night, from 6 - 8:00...

**The Little Swan Lake Winery** will have *The Scott Larsen Band* on stage in the barn, Sunday, from 4 - 6:00. And The South 71 Trio will take the same stage a week from Thursday night (April 6th), from 6 - 8:00...

**Thursday night will also see The Tattle Puddle Pickers** (Steve Samuelson, Shea Samuelson, Bryon Kittleson, and Maury Muhm) picking away at the Boji Bay Fun-house Pavilion in Milford, starting at 7:00.

We're told the acoustic Bluegrass sounds will be great for listening and dancing... **And coming up Saturday night will be Jackson's Rhythm of the River Spring FUNdraiser** at the Jackson Golf Club, starting at 7:00. The night will include the music of *Storm Rising*, some unusual appetizers, and a chance for a lucky supporter to win a week's stay in Mexico...

**Since today is "Black Forest Cake Day,"** research director RD not only looked up the recipe, but found a song to listen to while the cake is in the oven. (The recipe calls for several layers of chocolate sponge cake sandwiched with whipped cream and sour cherries.)

The song you should recall is German musician and composer Horst Jankowski's *Walk in the Black Forest*, which was successfully recorded later by Peter Nero and Herb Alpert, for whom RD put another candle on the cake, as Friday will mark Herb's 81st natal day!

Thinking back to last week's *RAMBO*ling, we have to wonder if Duncan Hines makes a mix for a Black Forest Cake!

**Composer Jacob Harold Levison, better known as Jay Livingston**, was born on this day in 1915, in McDonald, Pennsylvania. Along with partner Ray Evans, Livingston won three Academy Awards for the best original songs — in 1948, for *Buttons and Bows*, and *Mona Lisa*; and in 1950, for *Whatever Will Be, Will Be (Que Sera, Sera)*. The latter was from the 1956 Alfred Hitchcock motion picture, *The Man Who Knew Too Much*. Livingston and Evans were also inducted into *The Songwriters Hall of Fame*...

**Brazilian singer Astrud Gilberto**, the soft, sexy voice behind many Bossa Nova hits turns 77 on Wednesday. More or less known as "The Girl from Ipanema," Gilberto traded husband João Gilberto for their musical partner Stan Getz shortly after their first efforts earned the three a gold record...

**Singer Pearl Mae Bailey's 99th natal day** will be celebrated on Wednesday, as well. Pearl Mae made her Broadway debut in *St. Louis Woman*, which opened on March 30, 1946. She also had several big recordings, including *Takes Two to Tango*, in 1952...

**RD's list would not be complete** without mentioning "April Fool's Day," on Saturday. In addition to *The April Fools* being a 1969 romantic comedy starring Jack Lemmon and Catherine Deneuve, April Fool's Day is also Diane Benjamin's birthday. We're not sure how old Diane will be, or how she will be celebrating.

But it will no doubt be at a cozy winery just north of Superior...

**OHS Jazz Band To Perform At The Iowa Jazz Championships**

The Okoboji High School Jazz Band, under the direction of Toni LeFebvre, will be participating in class 2A at the 42nd Annual Iowa Jazz Championships on Tuesday, April 4, 2017, in Ames. This will be Okoboji's 24th consecutive appearance at the event. Last year they placed 3rd. Musco Lighting from Oskaloosa, Iowa, sponsors the event in cooperation with Iowa Jazz Championships, Inc., Jazz Educators of Iowa, and the Iowa Music Educators Association.

The Iowa Jazz Championships are considered to be a unique event nationally due to the format and caliber of performances. The annual state championship event invites the top 15 jazz ensembles for each class 1A-4A (60 bands total), bringing together many of Iowa's finest young jazz musicians to compete in one of the largest one day festivals in the nation. Jazz Bands qualify for the Iowa Jazz Championships through district and independent qualifying festivals. Each jazz ensemble performs a twenty-minute set before a panel of three judges during the morning and afternoon competition. The top two performing jazz bands from each class will then compete that evening in Stephens Auditorium for the Iowa Jazz Championship state titles.

The Okoboji High School Jazz Band will perform at 2:15pm in the Scheman Building on the campus of Iowa State University. The afternoon award ceremony will take place in Stephens Auditorium at 5:15pm and the Championship Concert will begin at 7:00pm. Admission to the daytime competition is \$10. Evening Finals Competition is \$10.

## Health Insurance Volunteer Counselors Needed

For many people, understanding Medicare and related health insurance can be confusing and overwhelming. Where do I start? What are my options? Am I making the right decision? What will it cost me? Is there help if I can't afford my insurance? I'm still working; do I have to sign up for Medicare?

**Lakes Regional Healthcare**

An Avera Partner

Trained Senior Health Insurance Information Program (SHIIP) volunteers can help. SHIIP is a free health insurance counseling service of the State of Iowa Insurance Division sponsored locally by Lakes Regional Healthcare. SHIIP is looking for individuals who might like to join their team in Dickinson County.

Over 360 trained volunteers assist thousands of Iowans each year to understand their Medicare benefits and options through individual counseling sessions, community education, special projects, and making connections in their communities. If you enjoy tackling new challenges, enjoy learning new information, gain satisfaction from helping people, have good computer skills, can work with diverse populations, and can be an objective and trusted source of information, SHIIP might be the volunteer experience for you. SHIIP provides excellent training and resources to assure SHIIP counselors are prepared and have the tools they need for the counseling and community education.

For more information about becoming a SHIIP volunteer counselor, please call 712-336-8799.

### Dixon 40 Years in Iowa Great Lakes, 45 years in Business

When Dr. Larry Dixon founded Dixon Family Chiropractic, he built something greater than a center for health and wellness. He constructed something more than a business that would become part of the fabric of the Spirit Lake community. Through distinctive chiropractic technique and a deep, genuine care for the well being of his patients, Dr. Dixon created an Iowa Great Lakes institution.

That institution turned 40 years old in late February. Before the car dealerships, before Walmart, before Winter Games, there was Dixon Family Chiropractic. The clinic has achieved a longevity few might have predicted, securing itself a uniquely reliable reputation in the community during a time period when the only constant seems to be change.

All those decades ago, Dr. Dixon took a risk coming to Spirit Lake.

"My former boss said to me, 'I think you're making a big mistake because I've never seen anyone succeed in a small resort area,'" Dr. Dixon said. "But at that point, I already had the building going up. There was no turning back."

It was out-of-town patrons who sustained the business during the off season in those early years. To this day, several of Dr. Dixon's patients travel for hours to obtain a level of treatment they can't find anywhere else.

Gary Vos, a long-time patient of Dr. Dixon's and a resident of the Lakes Area, doesn't have to travel far. Yet recently, even a handful of footsteps for him felt like an insurmountable task. Vos suffers from back problems that required surgery, but the surgery left him in what he described as "crippling" pain.

"I didn't think I was going to be able to walk again," Vos said. "A friend of mine said, 'Why don't you go up and see Larry again?' I did, and he pretty much fixed my problem."

When asked if he'd recommend Dixon Family Chiropractic to others seeking relief, Vos responded quickly.

"I already do," he said. "He's got a great relationship with his patients. He's real outgoing and when we're in there, we actually talk about other things. He's just a real laid back guy."

For Dr. Dixon, the philosophy to achieve quality care and lifelong relationships with patients who swear by his treatment has always been simple: Above all else comes the patient.

"I heard a doctor at a seminar say once that from the patient's perspective, it's not so much about how much you know, it's about how much you care," Dr. Dixon said.

After 45 years in the business, nearly all of them in the Iowa Great Lakes, Dr. Dixon remains a staple of chiropractic treatment, a staple of care and of caring. He is passing on the torch to his son Wade and daughter-in-law Adelee, who recently bought the clinic and intend on providing the same quality service for decades to come.

Happy 40th anniversary Dixon Family Chiropractic. A community thanks you.

Any cards can be sent to their current location at Dixon Family Chiropractic, C/O Dr. Larry Dixon, 2007 18th Street, Spirit Lake, Iowa 51360

The following are the CSA share choices:

- CSA Mini Share:** includes one monthly delivered box of locally grown produce starting in May - October which is a total of 6 times/boxes for the 2016 growing season. A CSA mini share is for a household of 1 to 2 adults/family.
- CSA Half Share:** includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA half share is for a household of 1 to 2 adults/family.
- CSA Full Share:** includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA full share is for a household of 3 to 4 adults/family.

We intend to deliver 20 weeks/times for your enjoyment of our boxed produce half or full share but wish to have an understanding that our growing season can be unpredictable and have included the 17 week minimum. During the 2016 growing season we delivered 20 times. Deadline to purchase a CSA share is May 1, 2017.

The following fruits and vegetables will be available sometime during the 2017 growing season in the CSA box share: apples, asparagus, beans-green, beets-red or golden, broccoli, brussels sprouts, cabbage-green or red, carrots, cauliflower, celery, chard, cucumbers-slicers-burpless-pickling, eggplant, \*garlic, kale, kohlrabi, lettuce-leaf green-red-romaine, onions-red, yellow, white, peas-sugar snap, peppers-sweet bell, hot, pie pumpkins, potatoes-red-white-Yukon, rhubarb, radishes, \*raspberries, rutabagas, scallions, shallots, summer squash-yellow, sweet corn, tomatoes, winter squash- 10 varieties, and zucchini.

Our business is offering our community members another choice/means of accessing good food. Good food does two simple things. Good food tastes better and good food nourishes our body. Nothing is better than the first taste of a vine ripened tomato or that first ear of fresh sweet corn or for that matter, anything grown in the garden after a long cold winter!

Just as important as these two simple things is the idea of knowing exactly where your CSA box share of food was grown.

Brandt Gardens & Greenhouse LLC is leading the way with this economic model, but are teaming up with other growers in the surrounding area to help supply these CSA share boxes of fresh produce. The majority of the produce in the boxes will be grown by Brandt Gardens & Greenhouse LLC, but some of the items such as apples, garlic, strawberries, or raspberries we do not grow and will rely on other growers of our area to supply. Produce quality in the boxes will be strictly monitored and high standards will be required for customer satisfaction.

The following will be our delivery schedule for the 2017 growing season: Windom on Tuesdays, Spirt Lake, Milford, and Spencer on Wednesdays, Jackson on Thursdays, and Worthington on Fridays. Farm pick-up is also an option.

# Spirit Lake Library News

There's been something fishy going on at the library recently (and we're not referring to our beautiful salt water tank). Kudos to local artist Crystal Cross who created a whimsical mural in the new children's area featuring a fish reminiscent of the beloved Dr. Seuss books as well as painting one of his quotes, "You can find magic wherever you look. Sit back and relax, all you need is a book." Crystal painted looking only to her original concept drawing while creating her beautiful work of art. Staff, observers and followers watching on Facebook Live were amazed by her talent in action.

The cheerful new mural and the beautiful daylight streaming through the new window have brightened these first days of spring here at the library. We encourage you to come in and admire the new artwork and check out the progress.

Progress so far includes installing a full wall of storage cabinets and a new staff desk from Dale Vortherms at A1 Woodworking and a large new picture window installed by 3D Builders, which has really brightened up the new children's area. Mueske Electric donated all the electrical work needed for the children's area, which will include new children's computers.

Additional progress has been made in other library collections. Audiobooks and dvds have been moved to their new locations. Both adult and young adult fiction have been moved to their new locations. We're waiting on furnishings for the new young adult area. Our next major job is relocating the nonfiction collection to the children's area and the children's collection to the nonfiction, the big flip.

We will also be adding a new circulation desk which will be more centrally located for easier access to patrons. The reading area and periodicals will be moved by the windows for more natural light and new comfy seating has been ordered.

Finding your next read could be a scavenger hunt these days but you might be surprised at what you find. We've tried to make good use of signage and library staff is always eager to help you find something. We thank you for your patience!

This has definitely been a community effort, with library staff getting help from the water department, street crew, and local residents. Friends and Library Board members have also been pressed into service. This has kept our project affordable and personal. Friends Membership Materials have recently been mailed out and are also available at the library. Donations may be earmarked for the remodeling project and are much appreciated.

We'd like to thank Mueske Electric for donating their work in the children's area. We'd also like to thank the great businesses that we're working with. They have a high level of professionalism and have made this project come together perfectly. We (Spirit Lake Library staff, board, and Friends) appreciate everyone who's helping to make this project happen. Thank you!

# Earth Day Celebration

While Brian Ellis chatted on the phone, he watched the prairie he had planted outside his home.

Grasses blew in the breeze, the soil radiated warmth from the sun and birds were nesting within view. He hopes that when people come to his one-man storytelling production about John James Audubon that they will want to go home and make a difference in the environment by planting a native plot of their own.

"I start with asking the audience if they love birds, and by the end of the show, they can't help but love birds, and if you love birds like I do, you'll provide a place for them, not only bird feeders but by planting native plants and trees," Ellis said.

Ellis' Audubon show is the center point of this year's Earth Day Celebration, put on by the Dickinson County Nature Center and the Pearson Lakes Art Center 6 p.m. Friday, April 21, at the art center in Okoboji.

Ellis' storytelling career began quite early, telling tall tales with his friends while playing. By age 17, he had turned it into a job, telling stories around the campfire while working as a staff naturalist at a summer camp.

"Storytelling is a great way to teach anything," he said.

After college, the Illinois State Museum contacted Ellis and asked him to portray Audubon to go along with an exhibit of Audubon's original prints that would be on display. That show grew when the U.S. Fish and Wildlife Service offered him a grant to do programs in 40 schools.

Audubon is the perfect environmentalist to expose the public to because he was a prolific writer, birder, artist and explorer.

"The most amazing thing is he was a total gonzo wildman," Ellis said. "He would head off into the wilderness for weeks on end with almost nothing --- his dog, his paints and his gun."

To prepare his program, Ellis studied Audubon's writings and has also led birding treks in many of the places Audubon traveled.

"When I talk about canoeing a certain river or hiking a certain mountain, I've actually canoed that river or hiked that mountain," Ellis said, and audiences have said they aren't sure where Audubon ends and Ellis begins.

Audubon also loved storytelling. He would travel in Europe, putting up temporary art exhibits in wealthy homes and would tell the wild tales of his travels, and it is this scene that Ellis recreates in his program, even wearing buckskins similar to what Audubon wore.

"Everyone is enchanted with this character. I've done this program for preschoolers and Ph.D. ornithologists, and there's something for everyone," Ellis said. "What I really love is when grandparents bring their grandkids and they both have something to talk about on the way home."

Celebrate Earth Day by learning about a grandfather of the early environmental movement, a conservationist accredited by greats such as Aldo Leopold, Rachel Carson and Theodore Roosevelt.

Come to the Pearson Lakes Art Center 6 p.m. April 21 for the free public program for all ages, co-sponsored by the Dickinson County Conservation Board. You can learn more about this program and other conservation board offerings at [www.dickinsoncounty-naturecenter.com](http://www.dickinsoncounty-naturecenter.com) or by calling 712-336-6352. THANK YOU

THANK YOU

*Thank You!*

Please accept my heartfelt thank you, with hugs, for remembering me on my 90th birthday. I enjoyed reading every card and note from such a wide variety of people: close friends, neighbors from today and long ago, PEO sisters, my church family, my children's teachers from years past, nieces, nephews, my children, grandchildren and great-grandchildren. I even received a card addressed to Betty "White" - how about that? I loved her in the *Golden Girls* and she is still going strong at 95! I received cards most days for 6 weeks. Cards came from many states and even Germany. What a joy - thank you!

GRAND FALLS CASINO & GOLF RESORT

Comedy Weekend Returns in October

Legendary duo, Williams & Ree, will kick off Comedy Weekend on Friday, October 20, 2017 at 8:00pm at Grand Falls Casino and Golf Resort. Let the good times roll with Cheech & Chong on Saturday, October 21, 2017 at 8:00pm.

Williams & Ree, the self-proclaimed 'Indian and White Guy,' have been entertaining audiences around the world for over three decades with their unique and irreverent comedy/musical style. 2017 marks the fifth consecutive year that Bruce Williams and Terry Ree have been entertaining fans at Grand Falls, returning each and every year with a fresh new act guaranteed to make you laugh out loud! Tickets are just \$20.

The hilariously irreverent, satirical, counter-culture, no-holds-barred duo Cheech & Chong defined their own era of comedy. At their peak in the 1970's, Cheech & Chong championed the stoner community that became the team's most ardent supporters. From stand-up comedy, to music, to film and everything in between, the Grammy award-winning pair has been making us laugh for decades. Tickets are just \$50 and \$45.

Be the first to get your tickets to see these iconic duos LIVE on the Grand Falls Event Center Stage! Tickets for both shows go on sale on Friday, March 31, 2017 at 10 a.m. Tickets can be purchased online at [www.grandfallscasinoresort.com/events](http://www.grandfallscasinoresort.com/events), by phone at 712-777-7803, or in person at the Grand Falls Gift Shop.

*Grand Falls Casino & Golf Resort (GrandFallsCasinoResort.com), located just minutes east of Sioux Falls, South Dakota, in Larchwood, Iowa, combines a Vegas-inspired casino experience with the amenities of a 97 room hotel, full service Aveda spa, shopping, a variety of dining options, an 1,120 seat event center, and an 18-hole golf course.*

Milford Library News

**Therapy Dog Team Coming to the Milford Library**

The Milford Memorial Library is excited to announce that Caroline Perkins and her dog, Hank, will be available to listen to stories the second Saturday of each month starting Saturday, April 8, from 10:30am to 12:30pm! Caroline and Hank are a therapy dog team, licensed by the Pet Partners Therapy Animal Program. In the past they worked for 5 years in Cable, WI, as part of the Reading Education Assistance Dogs (R.E.A.D.) program. Prior to the R.E.A.D. program Caroline was a Special Education Teacher.

Caroline and Hank will be available at the Milford Memorial Library. Hank is a great listener and loves to listen to all kinds of stories. "This is a great opportunity for kids to read to an animal who is non-judgmental and Caroline is a fantastic listener and has a good connection with kids," said Beth Sorenson, director of the Milford Memorial Library. Children who are beginner readers or just want a chance to improve on reading aloud are encouraged to come read to Hank. Children can read to Hank on a first come, first serve basis. The amount of time a child will get to read to Hank is determined by the length of the book, child's reading level, and the number of children waiting to read to Hank.

Reading to a therapy animal can be very beneficial to improving the literacy skills of children. According to [www.therapyanimals.org/R.E.A.D.html](http://www.therapyanimals.org/R.E.A.D.html) "The Reading Education Assistance Dogs (R.E.A.D.) program improves children's reading and communication skills by employing a powerful method: reading to an animal." For more information on R.E.A.D. and research done on the topic of reading to animals you can go to [www.therapyanimals.org/R.E.A.D.html](http://www.therapyanimals.org/R.E.A.D.html).

## Book Talk & Book Signing

A book talk and book signing for *Cong Catchers* by Lee Halvorson will be held at Arts on Grand, 408 Grand Avenue in Spencer, from 10:00am to 12:00pm, on April 1, 2017.

Lee Halvorson grew up on a farm a few miles southeast of Sioux Rapids, Iowa. He graduated from Sioux Rapids Consolidated School and was confirmed at First Lutheran Church. The combination of learning a work ethic on the farm and a value system in church served him well not only in the military but also in life. He met Ginny, his wife of forty seven years at Iowa State University. They were married and then separated in their first year of marriage by the war in Vietnam. God appeared to Ginny and told her that Lee would safely come back home. Her faith and her prayers protected Lee while he was there. They wrote letters to each other every day. They were discussing the letters at a class reunion when Ginny Smith commented that they should write a book. So the letters became the source of material for Lee's "Memories" articles in the Spencer Daily Reporter.

He had experiences in Vietnam that made him decide that God had kept him alive to work with young people. When he got back to the states, he went to college and earned a degree in education. He began his work as a vocational agriculture instructor in Colo, Iowa. He went on to become education director for Mississippi Associated Builders and Contractors. Later, he was education director for ABC in Illinois. Eventually, he began Choice Construction Services and specialized in in-house apprenticeship training, safety training and leadership training. The profit side of his business is working directly with construction owners and their work forces. The missionary side of his business is to give basic construction training to prisoners and to alternative schools. Lee has no greater joy than to place an ex-prisoner into a job or to see a lowly employee of a company rise to the top. Lee and Ginny have raised two daughters: Missy and Ginger. They have two fine sons-in-law and five grandchildren.

He learned that sticking to his principles kept him alive and out of trouble; but also gained the respect of those he served with. His hope is that parents will recommend "Cong Catchers" to their children that are ready to go out into the world to show that they don't have to go along with the crowd. They will be happier and more highly respected if they stand by their principles.

## Headliner Announced, Logo Chosen For Spencer's RAGBRAI® Overnight Stay

The entertainment and publicity committees announced the headline band, 2017 logo and theme for Spencer's RAGBRAI® overnight stay.

The Johnny Holm Band will take the stage as the headline act when riders stay overnight on July 23. Johnny Holm is the most entertaining entertainer performing today. The show is dedicated to the fans, and they do most of the entertaining. Mostly impromptu, the show moves with the speed of lightning and changes direction as soon as "the pied piper" notices a lag. "Never a dull moment" was never a more true description. Surrounding himself with the finest musicians in the Midwest, the band rocks, picks, and thunders along for 3-4 hours, almost non-stop from the first song to the last laugh.

"The Johnny Holm Band is the ultimate entertainer in the Midwest," says Ryan Odor, Executive Committee Chair. "He performed here in 2007 and we knew we wanted him to be part of our event again this year."

The Spencer RAGBRAI® committee also released the theme and 2017 Spencer logo during this month's Chamber After Five event. The theme "Kick Your Wheels Up!" and the logo were inspired by the Centennial of the Clay County Fair, which will be held September 9-17 of this year.

"Most of our activities are held at the Fair, and the towers are an iconic part of Spencer," says Executive Committee Chair Kevin Brown. "We knew we wanted to work at least part of the Fair into our design, while still making sure we added RAGBRAI® elements. I think we've done a great job of that!"

Stay up to date with Spencer RAGBRAI® information on Facebook or on the website at [spencerragbrai.com](http://spencerragbrai.com).

## SPARC Presents Masters of Soul

*The Best of Motown and Soul on April 7, 2017*

The Spencer Performing Arts Coalition (SPARC) is proud to welcome *MASTERS OF SOUL* to Spencer on Friday, April 7, 2017 at 7:30pm. In the early '60s some of the most iconic names in the history of popular music were discovered in the Motor City of Detroit, Michigan, better known simply as *MOTOWN and SOUL*.

*MASTERS OF SOUL* is a celebration of these artists, their music and style. The show features stylishly costumed fully choreographed tributes to both male and female groups backed by a live band. Prepare for an evening filled with music from the Temptations, Gladys Knight and the Pips, Marvin Gaye and Tammi Terrell, Smokey Robinson and The Miracles, The Four Tops, Diana Ross and The Supremes, The Jackson 5, Martha Reeves and The Vandellas, Stevie Wonder, The Commodores and many more.

The event begins at 6:30pm on Friday, April 7, with a Social Hour and complimentary hors d'oeuvres and beverages. *MASTERS OF SOUL* will take the stage at 7:30pm.

Tickets are currently on sale at the SCT Playhouse, located at 518 1st Avenue East, in Spencer. The Box Office is open from 11:00am to 5:00pm, Tuesday through Friday, and one hour prior to the show on April 7. All seats are \$30, and may be purchased over the phone at 712-262-7336 or in person at SCT.
