The Holy Bible gives be not deceived (Lk 21:8, 1Cor 15:33, Gal 6:7)! Then history reveals man cast out the Biblical law and made a lawless religion for Christianity! Religion: beliefs and worship by peoples belief and opinions. Yet man's way is not Elohim's way neither is man's thoughts Elohim's thoughts (Isaiah 55:8-9). There is an abundance of churches and each one is mightier then the rest in their own sight yet each one thrives on your tithings. Most only testifies of The Holy Bible and some claim to keep the 10 commandments, but contort them for their religion, then teach they are not under law. It is a sin to take from the law only the desirable and discard the rest (Mt 5:19-a, Jam 2:10-12, 1Jn 3:4). By their religion they can pray to Jesus (who they do not obey) and be forgiven even for willful sins. The Holy Bible does not agree (Jn 5:14,8:11, Heb 6:4-6,10:26-31), even Moses could not sway Elohim (Deut 3:24-27), King David prayed 7 days, yet he was persecuted for his deeds (2Sam 12:1-14). The Messiah (Jn 1:14) did not change the law (Mt 5:17-19) for The Truth does not change (Jn 14:6, Heb 13:8). Man's religious lies strengthens the hand of the wicked by promising them eternal life (Ezek 13:22)! So Be It!

FREE ADMISSION
Cullman High School Auditorium

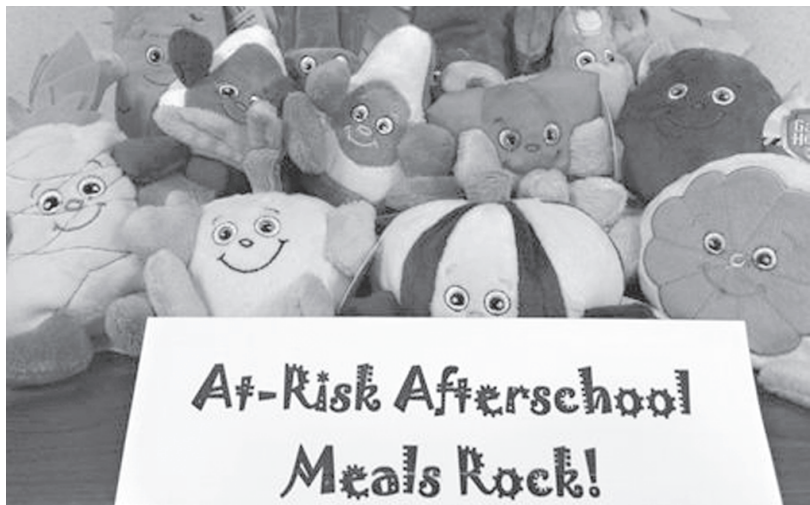

John was a defensive end for the University of Alabama's 1973 National Championship football team, playing for the legendary Coach Paul "Bear" Bryant. At 19, John felt he had been given a gift to work with young people. His dream was to have the best children's home in America. On the advice of Coach Bryant, John declined opportunities for professional football to pursue his dream of helping children in need. Since 1974, nearly 2,000 children have called Big Oak Ranch home.

A Grain of Mustard Seed

Jesus told a parable to illustrate the growth of the kingdom: "It is like a mustard seed, which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade" (Mark 4:31-32).

This kingdom was established in Jerusalem on the day of Pentecost, with Jews present from as far west as Rome, and as far east as the Parthian Empire. Indeed, the kingdom had a small beginning. It began with the apostles, plus about 120 other disciples (Acts 1:15ff.), but when Peter proclaimed the resurrected and exalted Christ, "there were added unto them in that day about three thousand souls" (2:41). The kingdom, or church, thus established, continued to grow, as the text goes on to state, "And the Lord added to the church daily such as should be saved" (4:7), spreading from Jerusalem, then to Judaea and Samaria, and unto the uttermost part of the earth (Acts 1:8).

Jesus taught in another parable, "The seed is the word of God" (Luke 8:11). We today can receive that same seed, obey the terms of pardon, and be citizens of His kingdom, members of His body, the church, just as is seen throughout the books of Acts.

We encourage you to submit to Christ today. *May we be of assistance to you?*

Greg Stricklin

April 16, 1947 - March 2, 2017

The family of Greg Stricklin would like to thank everyone who sent flowers, food, cards, called or just prayed for our family during this difficult time.

Greg was a very hard working man that loved his friends and family very much. This love was shown with all the wonderful people that attended the funeral and viewing.

Also, we want to thank the ladies and gentleman from Johnson's Grove, Addington Chapel and Good Hope Fire Department for the wonderful food they provided for us. Also, a grateful thank you to Bremen Fire Department, Cullman EMS crew and CRMC crew that worked very diligently during our unexpected time.

*We love you all,
Maxine, Leldon, Jerry, Chasidy,
Alexus and Brothers*

The smoking cessation medications varenicline and bupropion do not appear to increase the incidence of serious neuropsychiatric side effects compared to placebo, according to a study published in The Lancet. The study is the largest trial to date looking at the safety and efficacy of three first-line smoking cessation treatments-Varenicline, bupropion and nicotine patches-compared to placebo in smokers with and without psychiatric disorders, and finds that smokers who took varenicline achieved higher abstinence rates than smokers on bupropion, nicotine patches, or placebo. The study involved more than 8,000 people and was requested by the U.S. Food and Drug Administration (FDA) following concerns about the neuropsychiatric safety of varenicline and bupropion.

In a study of children with mild persistent asthma, scientists found that acetaminophen was tolerated without the worsening of asthma, when compared with ibuprofen use. The study, funded by the National Heart, Lung, and Blood Institute's asthma network (AsthmaNet), appears in the August 18, 2016, issue of the new England Journal of Medicine. While acetaminophen (e.g., Tylenol, Panadol) and ibuprofen (e.g., Advil, Motrin) are often used to treat pain or fevers in children, some prior reports suggested that use of acetaminophen in children with asthma was associated with the worsening of asthma. Consequently, some health care providers avoided the use of acetaminophen in children with the disease.

Lorcaserin (trade name Belviq), a weight-loss drug, dampened the response to food cues in regions of the brain associated with attention and emotion, leading to decreases in caloric intake, weight and body mass index (BMI), according to a study published in the journal Diabetes.

In Loving Memory Of

Johnny Lee Mead, Sr.

1933 ~ 2017

Our hearts are full of gratitude as we say thanks to family, friends and neighbors for all acts of kindness and sympathy: Food, flowers, bible donations, cards, visits, kind words and prayers in the recent passing of a wonderful husband, father, grandfather, great grandfather, great, great grandfather, Johnny Mead.

We want to express special appreciation to Bro. Jerry Hall and Bro. Stanley Kilgore for the wonderful service and to Todd Holcomb, Anthony Lindsey and Mark Graham for the beautiful music. Also to Cullman Heritage Funeral Home for their professional arrangements and caring attention as we said our final "goodbyes for now". A special thanks to Kindred Home Health for taking such great care of a special man.
