\*CONDITIONS FOR THE REFUND & DONE (the "Program") Program only available from participating Clayton Homes Family of Brands retailers ("Seller") for the purchase of a new home with the Energy Smart upgrade package with a sales agreement signed January 1, 2017 through April 30, 2017. Home must be purchased at the posted home only retail sales price to be eligible for the Program. Eligible buyers to receive an incentive of \$1,000 (the "Incentive") that will be applied by the Seller, at buyer's choice, to any combination of the following three forms: (i) a Lowe's gift card; (ii) Seller paid closing costs (excluding Seller paid discount points that are not required by lender); or (iii) a reduction in the total sales price of the home package, consisting of the home purchase price plus all other items included in the sale (collectively the "Incentive Options"). If the posted home only retail sales price of the home is reduced by the Seller other through negotiation with the buyer, or as a result of the underwriting requirements of the lender selected by the buyer, or if the Seller is required by the lender selected by the buyer to pay discount points or other fees and charges, the Incentive will be applied first to the amount of the negotiated or lender required reduction of the home sales price (Incentive Option (iii)) and then to the lender required Seller paid discount points, fees and charges. Any remaining Incentive will be applied at buyer's choice to one or more of the Incentive Options. Under no circumstances will any portion of the buyer Incentive be applied toward buyer's down payment if buyer obtains financing for the home purchase. Buyer is solely responsible for paying the entire amount of any down payment. If buyer selects the Lowe's gift card, buyer will be subject to all terms and conditions on the card and to any additional terms and conditions that may be provided with the card. Lowe's gift card will be issued in the name of the primary buyer.
