## PUP HAVEN

PUP HAVEN was established by people who do animal rescue on their own time and from their own homes. We have been very successful with monitoring strays in order to rescue and work with them along with making sure that they are ready for relocation.

At this time we have a male and a female cat that are siblings. They are very healthy and approximately six months old. They are nice looking because of their markings. We would like to relocate them to a good country home. They are not completely tamed and will make good mousers outdoors. (All rescued strays receive shots before relocation.) We are looking for people that will treat our rescues humanely by providing them with the necessities of shelter, food and water.

**If you are interested please set up a time to visit with us. We can be contacted at 722-1908.**

Within a week or two we will also have some kittens available for new homes.

**Please be sure to take some time now to get your pets ready for the winter months.**
