Believe in Mount Morris

Dear Citizens and taxpayers of Mount Morris:

This will be my final official communication to you for a while. Thank you for the privilege and honor to serve you in several capacities, including Town Board, Planning Board, Republican Committee, Village Board, Deputy Mayor and, for the last 4 years, as Mayor.

I'd like to congratulate and wish nothing but the very best to Mayor Frank Provo and Trustees Pete Bishop and Geoff Pagano on their success in the recent election. Joining Deputy Mayor Guy Brickwood, these gentlemen are our elected team, so please join me in supporting them and helping them in any and every way possible. They have a difficult job, and we owe it to them to help and contribute to their success and be part of the solutions to our challenges. Trust me, they aren't doing it for the compensation. They ran and got elected out of a commitment to you to make our Village a better place.

I've served with many individuals over the years and while not always agreeing on all topics, we always tried to do what benefited our community the most. And I am grateful for all them. Our community has benefited by everyone who has held the title of Board member. I would try and thank all of the individuals who have contributed in so many ways to our success and our team, but out of respect and fear of leaving someone out, suffice to say that the list is very long. You know who you are, and I am eternally grateful for all of you.

Finally, I would like to thank my wife Erica, my daughters Chloe and Emily, my family and my friends for their patience and tolerance with me over the years for the many hours spent away taking care of the Village's business, for time spent in my home office nights and weekends taking care of business, and for putting up with me and the responsibilities and stresses that come with the position. Without them, I would never have succeeded.

Believe in Mount Morris.

Sincerely,
Mayor Joel W. Mike

Thinking about dental implants?

Did you know that dental implants are frequently the best treatment option for replacing missing teeth? Rather than resting on the gum line like removable dentures, or using adjacent teeth as anchors like fixed bridges, dental implants are long-term replacements.

Home from College? Need your wisdom teeth out?

Wisdom Teeth Extractions, Gum Treatment or Surgery

Dr. Andrew M. Steinhilber is both a board certified Oral & Maxillofacial Surgeon and a Periodontist (gum surgeon). He is licensed and certified in the delivery of general and IV anesthesia, making your surgical experience as comfortable as possible.
