HAPPY 14TH BIRTHDAY, MY PRINCE! I hope this is your best year yet! I found this writing in a book or magazine. It made me think of you when I came to see you in kindergarten. It was so long ago and yet it feels like yesterday. Hope you like it: **THE BLISSFUL COUPLE**, they laugh together, read together, dance together, listen to music together, walk holding hands together. They love exchanging warm, wet, mushy kisses. He rushes to greet her, his arms outstretched, joyfully calling her name when he sees her arrive. Who, are you wondering, is this blissful couple? She is his grandma. He is almost five. I miss you more than you'll ever know. Have a wonderful, fun birthday, and remember what we used to say to each other. "I'll love you forever and ever no matter what." **Be Happy, my Love!** (931)625-1203.

First Commerce Bancorp, Inc. Holds Annual Shareholders Meeting

The annual shareholders meeting of First Commerce Bancorp, Inc. was held at the main office of the bank in Lewisburg, Tennessee on Tuesday, February 28, 2017.

Chairman of the Board and Chief Executive Officer Bill Marsh reported to the shareholders that First Commerce Bank had net earnings in 2016 of \$4,211,655. Chairman Marsh stated, "This was well beyond the bank's expectations." He thanked all of the shareholders for their business and the business they had sent to the bank.

He continued by saying that 2016 was a very good year for the bank and its shareholders. Total Assets were \$337,366,222, loans increased to \$244,000,000, and profits totaled \$4,211,655. He also reported to the group that delinquent loans 30 days or more remain minimal at .47 percent of outstanding loans as of December 31, 2016.

Chairman Marsh also discussed the bank's annual dividend to its shareholders by stating, "If any shareholder who invested in stock during the start-up period of the bank in 2002 received a 16.5% return on their investment in 2016." The dividend to the Common Shareholders was \$1.50 per share in 2016. He stated the outlook for 2017 looked favorable as well.

Chairman Marsh reviewed the FDIC's annual market share report as of June 30, 2016, and in Marshall County, First Commerce Bank presently holds a commanding advantage in deposit market share with 50% of all the county's deposits and 54 % share of the deposits in zip code 37091, more than all of the other banks combined.

Chairman Marsh was also pleased to report to the shareholders that the publication entitled "Tennessee Bank Performance Report" for the fourth quarter 2016 has First Commerce Bank ranked number 4 out of 156 banks in the state of Tennessee in overall bank performance. This report is independently conducted by the FMC Financial Management Consulting Group.

He acknowledged that the Fayetteville and Chapel Hill branches had also performed very well. Their combined net income to the overall bank earnings for 2016 totaled \$1,687,000 while the main office contributed the balance of \$2,524,655. "We are extremely proud of these operations and their management teams."

Chairman Marsh concluded by expressing his thanks to President Eddie Wiles, and the many other team members of First Commerce Bank. "First Commerce Bank is a family bank that cares deeply about its employees and their families."

"I put an ad in the Exchange one time. A year later this guy calls and I go do an estimate for him. I always ask how people found out about me. He said he found my number in the Exchange, cut it out and kept my number for over a year until he needed it. He's been a good customer of mine for about 10 years now. So, one of my best jobs came from the Exchange. At a time when I couldn't afford a lot of advertising, the Exchange really came through for me." Larry's Lawn Care.
