100 Gun Bash

Saturday, February 7th, 2015

Arrowwood Resort and Conference Center

1405 Highway 71- Okoboji, IA 51355

This is not your normal event! Iowa Great Lakes Ducks Unlimited has partnered with Dickinson County Pheasants Forever to kick off 2015 with a bang! Fully supported by Southern Archery of Spencer, Iowa, we are going to raffle off 100 guns.

YOU READ IT RIGHT - 100 GUNS WILL BE GIVEN AWAY!

So what is this event? Southern Archery of Spencer, Iowa has offered us 100 guns to raffle off the night of the event. The proceeds from the event will go entirely towards conservation, not Southern Archery – they are the gun sponsor. This is a Ducks Unlimited event in partnership with the Dickinson County Pheasants Forever chapter to fully support local conservation efforts!

Doors open at 5pm and by purchasing a ticket you will get in on the chili feed prepared by Kazarelli's from 5pm to 7:30pm plus the opportunity to purchase as many gun chances as you would like to win. We are only raffling guns! There are no silent or live auctions and this isn't your daddy's style banquet, this is a gun bash! Gun values will range from \$2,500 on down. We are raffling off new and preowned handguns, rifles and shotguns. There will be no single shot shotguns at this event.

Also rooms are available at discounted rates if you want to make a weekend of it!

Arrowwood is offering you a special room rate of \$75 per night; per room (all fees and taxes are included in this rate). You will need to tell them you are there for the Ducks Unlimited Event, to secure this rate. This offer is for event attendees only and you are responsible for payment separate from the Gun Bash. Offer is good for Friday, February 6th and/or Saturday, February 7th, 2015.

Please contact them direct at Arrowwood Resort and Conference Center 1405 Highway 71 Okoboji, IA 51355: Phone Reservations: (712) 332-2161 or Toll-Free: (800) 727-4561.

Hurry & Get Your Tickets Now For Only \$25

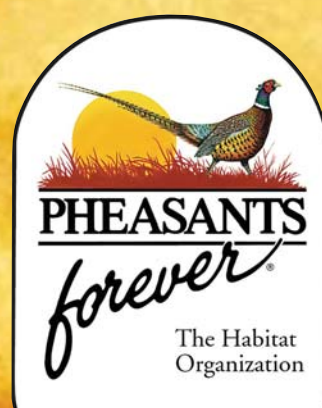

Early bird tickets are gone, but you still can get a ticket two different ways – online or at the door

- You can Purchase online! Go to www.ducks.org/events
- You can buy tickets at the door. Door tickets are \$25 per person and you will not be eligible for the “early bird gun drawing”.

FOR QUESTIONS, PLEASE CONTACT Matt Sewell (712)240-3626, Tony Petersen (712) 320-0275 or Josh Hall (641) 530-2905

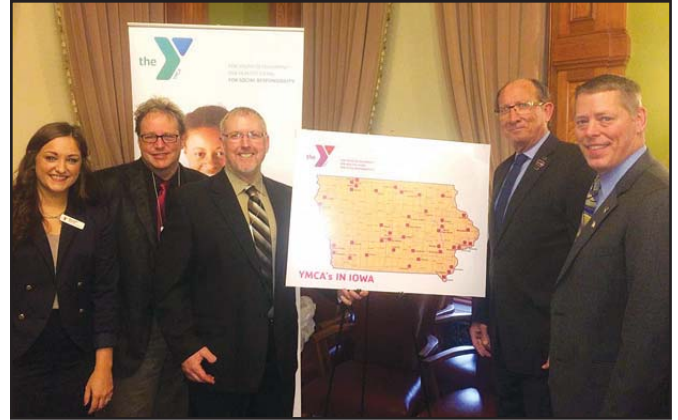

All major credit cards will be accepted the night of the bash

Please note back up date is March 7th, 2015 – in case of inclement weather.

Parks Marina Events Garner Over \$10,000 For Charities

Parks Marina in Okoboji is pleased to announce that several of their recent events, including two during the University of Okoboji Winter Games, will stand to benefit local and statewide charities.

Co-sponsored by Captain Morgan and the Barefoot Bar, the third annual Battle of the Bartenders held on the Thursday of Winter Games weekend garnered an impressive \$4,423.02 for the Make-A-Wish Foundation. Fifteen area restaurants and pubs participated in this year's event. Each created a unique cocktail and decorated a tip jar in hopes of drawing tips from the crowd of tasters. The participant raising the most money in tips would have the honor of giving all of the evening's donations to their charity of choice. This year's winner was Holli Hansen of Zippers in Milford, Iowa.

A new event launched by Parks Marina this Winter Games, "Human Dogsled Races", drew 10 teams, 40 participants and attracted hundreds of on-lookers. \$200 was raised and matched by the event co-sponsor, Budweiser. \$400 will go to the Okoboji and Arnolds Park Fire and Rescue.

And, an event in its 5th year, the annual Christmas toy drive, Boat Loads of Toys, brought in a boat load! An impressive \$3,300 in toys, cash and clothing donations was happily accepted by Upper Des Moines Opportunity of Dickinson County and distributed to local youth and families.

"We thank all of the businesses who participated in these events like the Battle of the Bartenders," says Debbie Parks, Marketing Director at Parks Marina. "It's the generous spirit of those who played and those who came to give that truly exemplify the core values of our community and the Winter Games. I can't wait to see what next year brings for these events!"

In addition, an on-line auction and money given by staff at Parks Marina's Christmas party acquired around \$2,700 for the victims of a recent apartment fire that left many Spirit Lake residents homeless right before the holidays.

Parks Marina continues to not only be dedicated to the service and care of its customers, but also to the Iowa Great Lakes Region and its surrounding communities.

The best time to make your move is now.

Public Invited to the State Jazz Choir Festival in Spirit Lake

Spirit Lake High School will be hosting fourteen high school jazz choirs in the Iowa High School Music Association State Jazz Choir Festival on Monday, February 9, from 3:00pm to 9:00pm at the Sami Bedell Center for the Performing Arts. Public is welcome to hear some great vocal jazz.

Dickinson County high school jazz choirs to perform are the Harris-Lake Park Jazz Choir at 3:00pm, directed by Kathy Greve; Okoboji Jazz Choir, directed by Erin Orness at 5:00pm; and the Spirit Lake Jazz Choir, directed by Duane Ites, will perform at 8:15pm. A detailed schedule is available at tinyurl.com/JazzChoirSchedule.

Other participating high school jazz choirs will be from Akron-Westfield, Alta-Aurelia, Central Lyon, Hartley-Melvin-Sanborn, Sheldon, Sibley-Ocheyedan, South O'Brien, Spencer and West Lyon.

The jazz choirs will be evaluated by a panel of three adjudicators on jazz choir ensemble characteristics of tone quality, blend, rhythmic feel, interpretation, precision, and musicianship. Following the judged performance, each choir will have a 20 minute clinic with a guest clinician. Each choir is rated according to Iowa High School Music Association guidelines receiving a rating of Division One-Superior, Division Two-Excellent, Division Three-Good, Division Four-Fair, Division Five-Poor, or choose to receive comments only.

Two On Tap at PLAC

It's a good thing dancers don't have heavy equipment to lug all over the country — or in the case of *Two on Tap*, all over the world. After what will probably be an all-too-brief show, Thursday night in Lauridsen Theatre, the singing and toe-tapping duo will be trekking to Chippewa Falls, Wisconsin for a like performance on Saturday night; then on to Dubuque, where they will spend two weeks in a Dubuque Arts Council residency; before heading to East Malaysia, Australia, and Fiji aboard the *Queen Mary 2*, and the *Queen Victoria*, for a two week 'working' tour.

Do we need to explain that our winter months are the summer months down under? What a way to go!

Native Floridian DeStefano's tenor tones have been heard all over the globe. New Yorker Giattino began her professional career at the tender age of 17, in the national tour of *A Chorus Line*. She made her Broadway debut in the 2001 revival of the tap-dancing spectacular *42nd Street*. Giattino also spent time in one of the most well-known kick-lines in history, as a Rockette at Radio City Music Hall.

Thursday night's show promises to be one of the best-ever at the PLAC. Curtain time is 7:30...

Stagerat Stan got both good and bad information a few weeks back before being evicted from the renovation scene at The Inn. You probably won't recognize the Lakeview Room where the carpeting has been torn up, along with coffee bar (Stan's former "home away from home") at stage right. It'll all be new again by Memorial Day — along with the first-floor lobby. ('Sorry we don't have room here for Stan's smartphone pictures.)

The misinformation dealt with Marilyn Maye's appearance, which will be Sunday, July 5, Tuesday, July 7, and Wednesday, July 8 — instead of July 3, 5 and 6. The 4th, by the way, is to see *The Cartwright Brothers* returning to the Lakefront for The Inn's 4th of July BBQ.

All of this is still penciled in. The contracts are "in the mail." Glenn Henriksen will open the season in the Lounge, on Friday night, May 22nd, the leadoff for Memorial Day weekend, and the official start of summer on the campus of the UofO. Glenn is also penciled in for a Lakeview Room show on August 19.

Debbie Ankeny (*Beyond Blue*), who is set to appear in the Lounge several times, will be doing a Lakeview Room show as *Debbie Ankeny and Friends*, on August 5.

We'll have more details on upcoming events at The Inn as they are finalized. Next week we'll have more information on Debbie's February 15 performance of *A Home Town Love Letter*, at the Red Rock Center, in Fairmont...

Saturday night will see the annual Small Town Sampler, fund-raiser for Jackson's annual *Rhythm of the River Music Festival*, which this year is set for July 10 and 11, in Ashley Park.

In addition to the announcement of the 2015 performers, the 7 p.m. party at the Jackson Golf Club will feature food, wine and beer tasting, along with the music of Jim Wuerffel, and both silent and live actions for gift baskets. Tickets are available at the Jackson Chamber of Commerce office, and at the door...

Congratulations are in order to the Spirit Lake and Harris - Lake Park High School jazz bands following their participation in the *Iowa High School Music Association State Jazz Band Festival* at the SAMI Center, on January 26. The SLHS band, directed by Jody Ingwersen, received a Division One, Superior rating. And the H-LP band, directed by Emily Gladfelder, received a Division Two, Excellent rating...

Spirit Lake High School will also be hosting the state high school Vocal Jazz Festival next Monday, February 9th. If you would be available as a volunteer to help make this festival another success — and hear some great vocalizing — leave a message for Rich Nicklay at 712-336-1370, x2190. Be sure to include your name, address, and phone with the time and duty you prefer...

The Okoboji High School Jazz Band will be heading to Sioux City, Thursday, to participate in the *Morningside College Jazz Festival*...

We will be celebrating Valentine's Day almost a week early, Sunday morning at *Class 105*. This is our annual "public service program" to make sure no one forgets the celebration. As time allows, we'll also be listening to seven or eight albums that are nominated for Sunday night's Grammy Awards. The class bell sounds at 8 a.m....

You are invited to join the *Old Professor for Ballads, Blues and Big Bands, too, at Class 105, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji. Class 105... airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM. All the news that fits, we print. Please send your music-related announcements or comments to: class105@connect.com or P. O. Save your local economy...
three stores at a time.

the 3/50 project

SAVING THE BRICK AND MORTARS OUR NATION IS BUILT ON

3 Think about which three independently owned businesses you'd miss most if they were gone. Stop in and say hello. Pick up a little something that will make someone smile. Your contribution is what keeps those businesses around.

50 If just half the employed U.S. population spent \$50 each month in independently owned businesses, their purchases would generate more than \$42.6 billion in revenue.* Imagine the positive impact if 3/4 of the employed population did that.

68 For every \$100 spent in independently owned stores, \$68 returns to the community through taxes, payroll, and other expenditures. If you spend that in a national chain, only \$43 stays here. Spend it online and *nothing comes home.*

1 The number of people it takes to start the trend...*you.*

Pick 3. Spend 50. Save your local economy.

Why Fund an IRA Early?

What a difference time makes.

Question: When can 15 months mean more money for retirement?
 Answer: When an IRA is fully funded early every year.
 Action: Contribute the maximum amount to your IRA right away.

IRAs: Traditional, Roth and Spousal
 • Contribution Limit - \$5,500 for 2014 and 2015
 • Catch-up Contribution (at age 50+) - Additional \$1,000 for 2014 and 2015
 • Tax Credits - Depending on income limits

If you wait until the tax deadline to fund your IRA each year, you miss out on 15 months of potential tax-deferred growth on your contribution. For example, many people will wait until April 15, 2016, to contribute to their IRAs for 2015, when they could fund them as early as Jan. 2, 2015.

Although 15 months may not seem like a significant amount of time, it may considerably impact your retirement savings. The following hypothetical example shows the difference between funding an IRA at the beginning of each year and at the tax deadline of the following year.

IRA Contributions Begin at Age	Total Years Investing	Money Accumulated for Retirement		The Benefit of Contributing Early	
		Early Contributions (Beginning of Each Year)	Late Contributions (Tax Deadline)	Individual	Both Spouses
35	30	\$608,006	\$557,321	\$50,685	\$101,370
40	25	\$412,936	\$378,549	\$34,387	\$68,774
45	20	\$275,333	\$252,442	\$22,891	\$45,782
50	15	\$178,267	\$163,486	\$14,781	\$29,562
55	10	\$97,347	\$89,326	\$8,021	\$16,042
60	5	\$40,266	\$37,014	\$3,252	\$6,504

Source: Edward Jones calculations

*Assumes a hypothetical 7% rate of return. This calculation assumes the maximum contribution allowed under the Internal Revenue Code during 2014 and 2015 will be made each year, including the additional maximum catch-up contribution beginning with the year the individual turns age 50 and every year thereafter. In 2014 and 2015, the contribution limit is \$5,500, and the catch-up limit is \$1,000. These limits are subject to potential cost of living adjustments over time and legislative change. Rate of return is calculated on an annual basis and is for illustrative purposes only; it does not represent any currently available investments. Edward Jones does not provide tax or legal advice. You should consult with a qualified tax or legal advisor regarding your situation.

Data assumes reinvestment of all income and does not account for taxes, transaction costs, fees or charges, which would reduce the final results.

Andera Appointed To Vice Chair

A Four-Year Leadership Training Program Produced by the U.S. Chamber of Commerce Foundation Institute for Organization Management, the professional development program of the U.S. Chamber of Commerce Foundation, has appointed Blain Andera IOM, Executive Director of the Spirit Lake Chamber of Commerce, to the Winter Board of Regents as Vice Chair. As a member of this Board, Andera will implement the policies created by Institute's National Board of Trustees.

"A strong Board of Regents is essential to Institute's success," said Raymond P. Towle, IOM, CAE, vice president of Institute for Organization Management at the U.S. Chamber of Commerce Foundation. "These volunteers drive site attendance, provide recommendations for program improvement, and serve as an on-site resource for Institute participants."

Since its commencement in 1921, the Institute program has educated tens of thousands of association, chamber, and other nonprofit leaders on how to build stronger organizations, better serve their members, and become strong business advocates. Institute's five Boards of Regents serve on behalf of the National Board of Trustees. Each Board of Regents is responsible for recruitment, retention, and marketing of the program nationwide. Each regent is an Institute graduate nominated by their peers. Institute for Organization Management is the professional development program of the U.S. Chamber of Commerce Foundation. It is the premier nonprofit professional development program for association and chamber professionals, fostering individual growth through interactive learning and networking opportunities.

The U.S. Chamber of Commerce Foundation (USCCF) is a 501 (c)(3) nonprofit affiliate of the U.S. Chamber of Commerce dedicated to strengthening America's long-term competitiveness by addressing developments that affect our nation, our economy, and the global business environment.

Bomgaars To Acquire Twelve Former ALCO Stores

Bomgaars Supply, Inc. a farm and ranch retail chain with headquarters in Sioux City, Iowa has acquired the leases and fixtures of twelve former ALCO stores in four states.

Of these twelve stores, eight will be new locations including Wyoming stores in Rawlins, Lander, Pinedale and Diamondville, along with two Idaho stores in Preston and Soda Springs, one in Chamberlain, South Dakota, and one in Imperial, Nebraska. The other four stores are in Nebraska where Bomgaars will relocate their existing Bomgaars store into a larger former ALCO building, they include the cities of West Point, Ainsworth, Ogallala and Gordon. Bomgaars will take possession in February and begin to set fixtures, hire personnel, change signage and stock merchandise over the course of the next three to four months. Grand Opening celebrations will be announced for a May/June time-frame.

ALCO, which was founded in 1901, declared bankruptcy in October 2014 and is in the process of liquidating its entire inventory.

"We are excited about the opportunity to open a retail store in these markets and to help fill the void in rural America left by the closing of these ALCO Stores," said Torrey Wingert, Bomgaars CFO. "We look forward to serving the homes, farms and families in our new locations for years to come by offering an expanded inventory of clothing, farm and ranch supplies, pet, tools, seasonal merchandise and more. We plan on hiring good local people and being active in these communities."

The corporate office and primary distribution center of Bomgaars is located in Sioux City, Iowa, where the company originated in 1952. A fourth generation company, Bomgaars is privately owned by Roger and Jane Bomgaars. Over the past 63 years, the Bomgaars family has reinvested in the company to construct new buildings, enlarge or renovate existing ones and add locations as opportunities present themselves. With 69 stores currently in Iowa, Nebraska, South Dakota, Minnesota, Colorado and Wyoming, the company currently has approximately 1800 employees.

Bomgaars has an excellent reputation for its high quality merchandise and first-rate service, along with competitive pricing on name brands chosen for reliability and value. Major departments at all stores include Lawn and Garden, Nursery, Work Clothing and Boots, Farm, Pet, Automotive, Tools, Electrical, Plumbing, Hardware, Paint, Housewares, and Toys. Some of the brand names that the company offers in clothing include Levi's, Lee, Wrangler, Under Armour, Ariat, Carhartt, Dickies and Key. Pet foods include Iams, Purina, Blue Buffalo, Country Vet and Science Diet. Tool suppliers include DeWalt, Irwin, Milwaukee, Porter-Cable and Stanley. Automotive accessories, fluids and lubricants are well represented, along with a broad selection of Dee Zee transfer tanks and toolboxes. In lawn and garden, items from Husqvarna, MTD, Honda, Scott's, Bonide and Ortho are featured. With over 50,000 items for Farm, Home, Ranch, Auto and Family, the Bomgaars mission is to provide what you need, when you need it.

High School Construction Progress Report

Several people recently asked how the high school remodeling/construction project is progressing. The notes below may be helpful.

The remodeling work in the media center, new classroom, middle school wrestling room, and athletic store rooms are substantially complete and are currently being used by students and staff. Good progress has also been made on the inside of the new alternative high school building, as most of the plumbing and electrical work is almost finished, walls and door frames are in place, the heating/air conditioning system has been installed and drywall has been hung.

Regarding the main entrance addition, the new section is almost enclosed and the concrete floor is scheduled to be poured later this week. Progress is also being made on the remodeled parts of the commons area behind the black plastic construction wall in the lunchroom. Electrical work is almost finished, the handicap ramp will be installed this week, drywall is being hung, etc. in that area. The new ceiling and light fixtures have also been installed in the lunchroom.

Exterior work is progressing very slowly, and that is what people see for determining how things seem to be progressing. Exterior materials are being installed now as weather conditions allow but the majority of this work will be completed in April. Overall, the project is running about two months behind schedule. Our goal (hope) is to have the project completed before the last day of school so we can have students and staff members help move furniture and supplies into the new areas.

Regarding fine-arts activities scheduled for this spring, people will be able to get into the auditorium through the high school cafeteria as done for the winter concerts.

Bird Haven Reflections

By Carole Lochmiller

18th Annual Great Backyard Bird Count

The 18th Annual Great Backyard Bird Count (GBBC) is being held February 13-16. Joint sponsors are the National Audubon Society and the Cornell Lab of Ornithology. This is a fun time to stand at your windows and count the birds that come in to eat the food you have provided and enjoy the habitat you have created.

You are able to count and enter your numbers each of the four days online at www.birdcount.org. Even for a novice computer person like me, there is a wealth of info to be found by visiting the GBBC website. All of the information will be available shortly after the count.

Just click on your state, then your town. When you want to be more specific you can enter the email address you used last year. I've done that for Bird Haven before, but since our computer is not acting well. I am not going to stray too far from this column. I do know we enter our count everyday.

You can visit the GBBC count sites anywhere you want to go. I've visited the website at locations where various friends live and that proves to be quite interesting. I have also visited the sites for all of the towns around here. Hopefully this year's participation will be better as we at Bird Haven know there are a lot of birding enthusiasts in this area.

We have pamphlets available at Bird Haven and for those of you who do not have a computer at home, you can either call Bird Haven (712-336-2473) with your numbers or come over and we will make sure your count list is entered online for your locale.

Last year 34.5 million participants turned in more than 144,000 checklists. That is up from as recently as 2011 when 92,000 checklists were reported.

I will tell you that of the top 10 birds counted on the 2014 GBBC, the cardinal was #1 with 61,045 and the dark-eyed juncos ranked #2 with 58,077.

You wonder why national organizations are interested in our numbers? This is a way where they can track the migration of certain species and the resurgence of species that were/are endangered.

All of us who live in this corner of the world are delighted when we hear of a new eagle nest or can actually see a nest or spot the eagles flying around searching for their meals.

Going back to the late 1980s is my first memory of eagles and I know how thrilled we were. We lived in Illinois about an hour from Keokuk, IA and visited the area for "Bald Eagle Days" in January. The Illinois side of the Mississippi River was lined with monster cottonwood trees where the eagles roosted at night. They spent the days hunting the open water below the dam at Keokuk. To this day, I still remember the thrill of seeing so many eagles, more than 200. Now eagle sightings are much more common place but still just as thrilling.

West Nile virus made its first appearance in this country in 1999. Crows were greatly affected by this disease and their numbers were reduced significantly. Gradually their numbers are increasing. That information is of great interest to the National Wildlife organizations.

Another bird of interest is the Eurasian collared-dove. It was first spotted in Florida in the 1980s. The first appearance in this area was in the last few years. Several of our customers are feeding a few this winter. In 2011 they were reported in northern Alaska. There are significant numbers in Canada. People always report seeing them.

Last year I was thinking they would never find my habitat, as I had seen them at Orleans Beach and heard they were on Pioneer Beach Road and other nearby locations.

One day there they were in my yard. Last year I did see one fly into one of my feeders. Their migration paths tend to follow rivers as there are more in Estherville and Spencer. My surprise at not having Cardinals immediately visit my feeders when I moved here in 2001 is calmer now. The national bird counts make other info available. Such as the Cardinals are moving NW and in about 30 years there should be significant numbers in northern Colorado.

Have a Great Backyard Bird Count and if you need any further information or help please call Bird Haven at 336-2473 (BIRD). You can also go online at www.birdcount.org during these days and watch what people are reporting. Enjoy all of the activity in your yards and remember to participate in the I will just go on enjoying what comes to my yard even if they're not red.

Frosty Has Seen His Shadow

by Wade R. Wagoner, Lake Park City Administrator
Sunrise 7:36am • Mayoral Proclamation 7:50am

Here ye, here ye. Legend has it that if our frosty sees his shadow on the 2nd day of February, six more weeks of winter weather are in store; if he doesn't see a shadow, spring is around the corner and we'll have to take frosty down soon so he doesn't melt.

Well, the sun's been up for about 15 minutes now and I see his shadow, we've got at least 6 more weeks of winter. I proclaim that frosty shall be left up at least an additional 6 weeks. Thank you all for coming.

Naturalist to Speak at the Iowa Lakes UU Fellowship

Charles Vigdal, of Spirit Lake is one of the two naturalists at the Dickinson County Nature Center will speak to the ILUUF on February 8, 2015, at the Arrowwood Conference Center in Okoboji, Iowa. The seventh principle of the belief system of Unitarian Universalist is respect for the interdependent web of all existence of which we are a part. Charles will share information about the conservation board system in Iowa and the role the naturalist plays in each county. He will talk about ongoing projects at the Nature Center: the Okoboji Osprey nest and camera, Okoboji Gold disc golf course and the butterfly/bee house and pollinator gardens. He will also give information on other public programs, activities and wild areas in the lakes region. In his message he will share the importance of good stewardship of our natural world. Coffee will be served at 10:30, UU service begins at 11:00, and an optional Minerva's buffet follows the service. Visitors are welcome. Check out the ILUUF website at uuokoboji.com

Commercial Ag Weed, Insect, Plant Disease Course

Dickinson County will offer the Commercial Ag Weed, Insect and Plant Disease Management Continuing Instructional Course (CIC) for commercial pesticide applicators Tuesday, February 10, 2015. The program will be shown at locations across Iowa through the Iowa State University Extension and Outreach Pesticide Safety Education (PSEP) program.

The local attendance site is Dickinson County Extension and Outreach. Registration begins at 8:30am, and the course will be held from 9:00 to 11:30am. The registration fee is \$35 on or before February 3 and \$45 after February 3. To register or to obtain additional information about the CIC, contact Janet Neppi at the ISU Extension and Outreach office in Dickinson County at 712-336-3488.

The course will provide continuing instructional credit for commercial pesticide applicators certified in categories IA, IB, IC, and 10. Some of the topics to be covered include equipment calibration and safe application techniques; pesticide drift reduction; pest management and pesticides; and phytotoxicity.

Certified Crop Advisor (CCA) Continuing Education Units (CEUs) in Pest Management will be offered at this program. Any interested participant should bring his or her CCA number for the CEU sign-in sheet.

Additional information and registration forms for this and other courses offered by the PSEP program can be accessed at www.extension.iastate.edu/PSEP/ComAp.html.

Measles Confirmed In Neighboring States

Dickinson County Public Health Urges Vaccinations

The Nebraska Department of Public Health announced an individual with measles who spent time while contagious in several public locations in Blair and Omaha, Nebraska between January 11 and January 15, 2015. The South Dakota Department of Public Health also recently reported 13 confirmed measles cases in the Mitchell, South Dakota area and one confirmed measles case in Sioux Falls (all cases in South Dakota were unvaccinated children). In the Twin Cities, a University of Minnesota student has also been diagnosed. Additionally, more than 50 people from six states are reported to have measles as part of an ongoing outbreak linked to an amusement park in California.

There is reasonable potential for measles to spread to Iowa. Dickinson County Public Health (DCPH) encourages everyone born after 1957 to check their immunization records and make sure they have received two doses of MMR vaccine. Those who need vaccine can contact their local family healthcare provider or Dickinson County Public Health. Individuals born before 1957 are considered to have natural immunity because the disease was so widespread then and do not need vaccination.

Measles is a very serious, highly contagious viral illness transmitted from one person to another by airborne and droplet spread. The symptoms of measles include fever, cough, red/pink watery eyes, and runny nose, followed by a rash that starts on the face and spreads to the rest of the body. Most cases occur in unimmunized preschoolers and young adults. Measles can be a serious illness, causing pneumonia, deafness, and brain inflammation. This serious illness causes permanent brain damage or death in 1-3 out of every 1,000 patients. There is no proven treatment for the illness besides supportive care, so prevention is critical.

The best protection against measles is the measles, mumps, and rubella (MMR) vaccine. MMR vaccine is very effective in preventing measles disease. MMR vaccine is required for all students entering daycare and school in Iowa with doses given at 12-15 months of age and again at 4-6 years of age. More than 95 percent of people who receive one dose of MMR will develop immunity. The second dose of MMR boosts immunity rates to 99 percent.

DCPH is committed to promoting and protecting the health of all residents and visitors in the Iowa Great Lakes region. Immunization clinics to protect against measles and other diseases are held at DCPH offices at Lakes Regional Healthcare's Community Health Center in Milford every Tuesday morning from 8:30 am until 12:00 pm and every Thursday afternoon from 2:00 until 5:30 pm. Additional clinics may be offered in the coming weeks, and alternate times may be available. Appointments can be made by calling 712-336-2682.

According to Dickinson County Board of Health Medical Director Zachary Borus, MD, MPH, those who suspect they may have measles should call their health care provider immediately. "This rapid spread of measles in neighboring communities is a significant public health threat, and has the potential to cause serious illness and possibly death. The MMR vaccine is safe and effective within days of receiving it. While people may choose not to vaccinate for a variety of reasons, the risk is greater now than it has been in decades; if you or your children (over 12 months of age) have not been vaccinated, I encourage you to attend a vaccination clinic or make an appointment with your physician to discuss your concerns. Vaccinating yourself also protects infants and others who are not eligible for the vaccine in our community."

Borus adds, "If you or your child develops symptoms of measles, call your physician or DCPH for instructions. Because this disease is so infectious, do not go to the doctor's office, ER, or a walk-in clinic until arrangements are made to be seen by your health care provider in a place and manner that will not potentially expose others to measles."

Those with questions can contact Dickinson County Public Health at 712-336-2682 or visit <http://www.cdc.gov/measles/about/index.html>.

Parker Historical Society Community Volunteer Meeting

The Parker Historical Society of Clay County will be holding a Community Volunteer Information meeting for their Celebrate Clay County Baseball exhibit and July 4th Weekend Celebration on Thursday, February 12 at 6:30pm in the Bob Keir Meeting Room at the Clay County Heritage Center at 7 Grand Avenue in Spencer.

The 4th of July Celebration Weekend includes a Friday night kickoff dinner at the Clay County Regional Event Center with guest speaker Major League Hall of Famer Rod Carew. Saturday will be highlighted by an Alumni Game at Andy McGaffin Field featuring past ballplayers from any Clay County high school and the Spencer Cardinals teams.

Volunteers are being sought to help plan and organize the details of the weekend. This could include helping plan the menu and decorations for Friday night's kickoff event, activities between the innings during Saturday's ball game, setting up the Kid's Zone, helping with sponsor banners/pennants, refreshments at the ball game and/or promotion of the exhibit and celebration weekend.

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

Doon, Iowa, Lyon County, early 1900. The History of Doon has a connection relating to the lakes area. An early 1870 business in Doon was operated by G.R. Badgerow of Sioux City, Iowa. G.A. Badgerow built a home on West Okoboji Lake in 1891 and named the area "Egralharve" from the names of their three sons, Egbert, Ralph, and Harve in 1912. They started the Egralharve

Bottling Plant and also the alligator Zoo. In 1890, ten men gave \$100 each to build a pleasure boat to ply the Rock River from Rock Valley to Doon. The boat held 40 to 50 people. In 1895, the little steamer was purchased by Skewis and Prichard and taken to Spirit Lake. Later it was taken to Wall Lake, Iowa. The boat was called the Rock Valley.

Parker Historical Society of Clay County

One of the most prolific hitters in the history of Major League Baseball is coming to Spencer! The Parker Historical Society of Clay County in Spencer will be celebrating the history of Clay County baseball with an exhibition of local memorabilia at the Clay County Heritage Center starting April 1st and running through October 31st. The highlight of this 7-month celebration will be a "Celebrate Clay County Baseball" weekend July 3rd and 4th. Special guest will be Hall of Famer Rod Carew who will be the featured speaker at the Friday evening celebration which will be held at the Clay County Regional Events Center.

Rod Carew started his career with the Minnesota Twins, where he was named Rookie of the year in 1967. Rod played 13 years with the Minnesota Twins and 7 with the California Angels finishing his 19 year major league career with a .328 lifetime batting average hitting over 300 for 15 straight seasons. Rod had a remarkable .344 average over the decade of the '70s. No wonder he was selected to the All-Star team 18 times and still holds the record for the most all-star votes garnering 33 million. Watching Rod Carew bat, was like watching a clinic on hitting each time he was at the plate.

Carew won 7 batting titles and could slap a single, wrap a hit for extra bases, lay down a bunt for a base hit or slam a home run. Rod not only stole bases, but his speed and intellect was used by Twins Manager Billy

Martin to steal home 7 times in 1969. In his career Carew stole home an amazing 15 times.

During his visit to Spencer, Carew will also meet with area Little League boys and girls as well as high school and college-level players the afternoon of July 3rd. An alumni game featuring former Spencer/Clay County High School players and Spencer Cardinal amateur ballplayers along with other activities is being planned for July 4th. More details in regards to the Celebrate Clay County Baseball Weekend will be made available as the date draws nearer.

For more information about Rod Carew's appearance, the Celebrate Clay County Baseball exhibit or July 4th weekend, please contact Cindy McGranahan, Parker Historical Society of Clay County Director at 712-262-3304 or parkermuseum@smunet.net. Or visit the website: claycountybaseball.org.

New Photography Studio Opens In Olde Town Spirit Lake

A brand new photography studio is now open for business in Spirit Lake! "The Studio," which celebrated with an open house during Winter Games weekend, is located at 1715 Hill Avenue in Olde Town Spirit Lake.

Local photographer Roxie Moriston is the owner and creative eye behind the lens at The Studio. She lives in Spirit Lake with her husband, and was previously employed for 25 years at Stylecraft in Milford. When the plant shut down, Roxie took the opportunity to go back to school. She graduated in the spring of 2014 with her two-year degree in Photography from Northwest Iowa Community College in Sheldon, Iowa.

"I've been interested in photography for a long time," said Roxie. She cited the births of her three grandkids as another good reason for her to get serious about her photography.

The Studio is set up for professional portrait photography — from weddings to seniors in High School, indoor or outdoor sessions, children/infants, families, and even pets! "There aren't many photography studios that offer pet portraits, but I do," she said. Roxie is also available for commercial and event photography. In addition to viewing examples of Roxie's portraiture, visitors to The Studio can browse and purchase prints of her art photography, which includes nature, landscapes, animals, and still-lives.

Another unique aspect to Roxie's photography is the option for creative digital editing, like border enhancements, background substitutions, adding text or other effects, and collages/montages.

Got Valentine's plans in the Lakes Area? Stop by The Studio with your significant other anytime between 9:00am – 5:00pm on Valentine's Day (no appointment needed, walk-ins welcome!) and for only \$20.00 Roxie will take your photograph, then email you the picture. You can either print it yourself, or order prints through The Studio for a great memento of the holiday. Roxie is planning on having a number of promotions throughout the year. Be sure to "Like" The Studio on Facebook to keep up-to-date on specials offered, view more examples of Roxie's work, and read reviews from other customers!

If you'd like to set up an appointment or have any questions, contact The Studio at 712-291-1094, or stop by the new location at 1715 Hill Avenue in Spirit Lake (on the east side of the road, just north of the Courthouse). Regular open hours are 9:00am – 5:00pm.
