## Ed Vos Named Interim Executive Director Of IGL Chamber Of Commerce

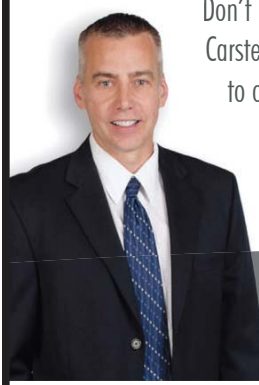

The Iowa Great Lakes Area Chamber of Commerce is pleased to announce the appointment of Ed Vos as Interim Executive Director. Vos is the program director for KUOO, Q-102, Y-100, KKOJ and KUXJ radio stations and is the morning show host on KUOO in Spirit Lake, Iowa. He replaces former Chamber President and CEO Jeff Thee and will oversee the organization until the Board of Directors names a successor.

"Ed brings leadership knowledge and expertise to the Chamber and we are fortunate to have him guiding the organization during this transition," said Board Chair Erin Davelaar. "His commitment to the entire Iowa Great Lakes region and experience in leading successful organizations makes him an ideal choice to head the Chamber at this time."

Vos currently serves as Commissioner of Veterans Affairs for Dickinson County and previously served as Executive Director of Veterans Affairs for Dallas County Iowa and as Judge Advocate for the National Association of County Veteran Service Officers. He retired as a Master Sergeant from the Iowa National Guard in 2008 and served in the United States Marines from 1986 to 1990.

The Iowa Great Lakes Area Chamber of Commerce has over 400 members and exists to promote the business, civic, tourism, and agricultural interests of its members and area residents, and to further the development and protection of all the area's natural resources. For more information regarding the Chamber and the President and CEO position, please visit the IGL Chamber's website at [www.okobojichamber.com](http://www.okobojichamber.com).

## The Okoboji Community School Foundation Brings the Iowa Opera to Okoboji Elementary

The Okoboji Community School Foundation was established in 1996 as a 501(c)3 non-profit entity to enhance the facilities, services and resources of the Okoboji Community School District and to provide broader educational opportunities to its students, staff and residents. After extensive cuts in educational spending at the state level, the Okoboji Community School Foundation Special Projects Committee recently began raising funds to broaden the Foundation's support to include K-12 field trips and other vital educational opportunities such as "maker spaces." Recently, the Iowa Opera presented *Jack and the Beanstalk* to the entire Okoboji Elementary School body. This exciting event was funded in full by generous donations received by the Okoboji Community School Foundation. Following is an article written by fourth grader Ava Evaro about her experience with this exciting event:

Today we got to go to an opera workshop and a performance. Here is what I enjoyed. I enjoyed going to the workshop because we got to watch them do an improv opera. At the performance I enjoyed their acting and expression and that it was very funny!

Here is what I learned. I learned that a singing conversation is called a recitative. I learned that an opera is like a puzzle, you got to get all the stuff before you can finish it. I also learned that the theme of the performance is to not bully and to forgive someone who did something to you even if they still did something bad to you, you still forgive them.

If you would like to hear more about the goals and mission of the Okoboji Community School Foundation or make a donation, you may reach the Foundation at P.O. Box 147, Milford, Iowa 51351 or by contacting the Okoboji Schools Administration office at 712-338-4757.

Thank you to the following generous donors for their support of our students (donations received November 1, 2016 through March 31, 2017): Joe and Julie Andres, Scott and Kala Berglund, Wade and Liz Daggett, Lance and Tracy Evans, Todd and Kristin Johnson, Blaine and LuAnne Kuchel, Richard and Donna C. Mau, Shane and Susan Neuharth, Dr. Randy and Amy Pas, Gary and Lisa Peters, Scott and Aaron Titterington.

## Okoboji Places Third at the Iowa Jazz Championships

On Tuesday, April 4, the Okoboji High School Jazz Band competed in the Iowa Jazz Championships. This year's competition was located in Ames on the campus of Iowa State University. This was Okoboji's 24th consecutive appearance at IJC, an "invitation-only" competition which brings together the top 15 Iowa jazz bands in each class. This year, Okoboji placed 3rd in the state of Iowa. Hannah Roberts, a senior tenor saxophonist, and Luke Thompson, a junior trumpet player, received outstanding soloist awards and Luke Thompson additionally received one of the four outstanding performer awards in Class 2A. The band put on their best performance of the year at IJC and their director, Toni LeFebvre, could not be more proud of their accomplishments this season. You can catch the Okoboji High School Jazz Band in their annual fundraiser concert on Saturday, May 6, at the Pearson Lakes Art Center beginning at 7:00pm.

## The shows must go on -- with cooperation...

Friday night's Masters of Soul concert at the Spencer Community Theatre almost didn't happen. Seems there was an equipment problem. We never got the full details. But as emcee Rolf Mosbo explained, without the cooperation of Dennie Storey at the Pearson Lakes Art Center, the show might not have taken place. First, we're very pleased that Dennie and the PLAC were able and willing to help. Thank you! Second, while there is a bit of competition to fill seats at both venues - and the many other area entertainment venues, even the Clay Country Fair! - there is also a need to work together.

Mosbo reminded us that SPAC, the Spencer consortium that brings the Spencer Community Theatre together with Arts on Grand, did work with the PLAC to bring Shattered Glass to the area a year ago. And, he explained that there is also a loose group of Iowa entertainment venues that is beginning to work together to bring acts to more than one venue in the region on a single tour, rather than having the acts put on hundreds or thousands of miles of windshield time between appearances.

That's great! Here's hoping the cooperation continues and involves the many other Lakes Area attractions as well. A congratulatory word is in order this week to the Okoboji High School Jazz Band - and especially Luke Thompson - for their placings in the Iowa Jazz Championships. The OHSJB earned the third place award in Class 2A, behind only perennial powerhouse Harlan, and Xavier High School in Cedar Rapids. Thompson was recognized as one of only four students - and the only trumpet player - to receive recognition as an Outstanding Performer in Class 2A, when the top 15 bands competed last week.

Elsewhere in this edition of The Lake News Shopper, you should also find a lot of details and perhaps a picture or two of the Spirit Lake students who took part in the recent state solo and ensemble competition. Congratulations to all! John Senn & Friends will be returning to Table 316 in Arnolds Park at least one more time this Wednesday night, from 6 - 8:00. Believe this is their 7th week in a row. But who's counting...

While the Little Swan Lake Winery will have no entertainment on Easter, Mark & Rowaida will be entertaining at The Winery, Thursday night - also from 6 - 8:00... And, though it's a bit of a drive - or maybe a flight or two - Marilyn Maye opened last night for a two-week stay at Michael Feinstein's 54 Below, in Manhattan... Research director RD reminds us this week that the fourth full moon of the year is the "Pink Moon," which should appear shortly after the bars close tonight - even though it probably won't appear to be pink! The "Pink Moon" is named for the pink flowers known as wild ground phlox which bloom in early spring and become widespread throughout North America this time of year. Now you know the rest of the story...

This week, RD is more about Eggs, Elmer Fudd, Easter, and Elephants... In addition to the full moon, today is "Barbershop Quartet Day" - a sneaky way of RD getting us to remind you that the Sweet Adelines' Spirit of Harmony Chorus will be involved in the Region 6 competition the last weekend of this month. And for a preview of that competition SoH is inviting you to "Friends and Family Night," Monday, April 17, starting at 7:30, at Immanuel Lutheran Church in Spirit Lake. Refreshments will be served following the performance. Wednesday is "Grilled Cheese Sandwich Day," which begs a mention of Elmer Fudd's Merrie Melodies cartoon Grilled Cheese Song. If you haven't heard the song, you might want to check it out on YouTube. Have you tried a Mac 'n' Cheese Burger - made with a Mac 'n' Cheese bun? Just asking...

An inveterate SCRABBLE player, RD says Thursday is "SCRABBLE Day," and she has come up with the Aretha Franklin hit, R-E-S-P-E-C-T as the best song to attach to the item. Why? Funny you should ask. The song, which was written and first recorded by Otis Redding two years before Aretha found it, could, with proper placement, rack up 78 points on the SCRABBLE board! It was April 14, 1960, that Bye Bye Birdie opened for 607 performances on Broadway. Put On A Happy Face was just one of the big songs from that show, and was a hit record for Tony Bennett. But it was Dick Van Dyke who sang the song in the motion picture the following year. Put On A Happy Face was also the title of an album that pianist Oscar Peterson recorded in 1962 at the London House, in Chicago...

Easter comes a day early, with the birth of Cadbury's Adrian Cadbury on April 15, 1929. The Cadbury television commercial this time of year often features the Cadbury bunny, which clucks like a chicken and lays chocolate eggs. That Cadbury bunny is no doubt related to the Jersey cows that produce chocolate milk... Sadly for Cadbury fans, the confectionaries made under that label and distributed in the U.S. haven't been made in Great Britain for the last two years - since Hershey acquired the rights to the label in this country... In addition to Sunday being Easter, it is also "Eggs Benedict Day." RD's favorite song to celebrate "EBD" is Ella Fitzgerald singing I'm Putting All My Eggs In One Basket, from the 1936 Fred Astaire, Ginger Rogers motion picture, Follow The Fleet. The song was written by Irving Berlin, who also was the Jewish writer who also dreamt of... A White Christmas... And, with the Ringling Brothers, Barnum and Bailey Circus nearing its New York finale in May, RD also notes that Sunday is "Elephants Day." She best remembers Henry Mancini's Baby Elephant Walk for the occasion - also because it will also be Henry Mancini's birthday. ....Walk was a part of the Hatari motion picture, and won a Grammy Award for best instrumental arrangement. Happy Easter!

One of my favorite Bible teachers is Dr. Charles Stanley on the Sunday morning "In Touch with Dr. Charles Stanley" show. In his most recent message he stated, "The cross is about the most momentous event in human history. Jesus died (on the cross) for your sins. You either accept him as your personal savior or you accept the weight and the guilt of all of your sin before Holy God and be separated from Him for all eternity. Jesus is the only way. Having accepted Jesus, our assignment is to tell the whole world." What powerful truths and words to live by.

We continue to serve 7 residents at Discovery House including 4 men and 3 women. You may have seen them recently working out in the yard raking and cleaning up all of the branches and twigs after the snow melted. Since we were able to purchase a trailer to haul yard debris to the green waste site, clean-up will be much easier from now on. Thanks to a generous board member who purchased it for us and a neighbor who sold it to us. Little things like this make life so much easier!

As promised, here is the schedule for the upcoming Porch Parties:

- May 22 - Spirit Lake High School Music Students
- June 12 - Jessie James and the Outlaws
- July 10 - John Senn and Friends
- August 14 - Members of Spirit of Harmony
- September 8 - Glenn Henriksen

From 6:00 to 6:30pm brats and hot dogs will be served in the south yard at Discovery House. After that, from 6:30 to 8:30pm our incredible performers will share their talents on the west front porch of the house. Mark your calendars and join us for a relaxing, fun-filled evening. Don't forget to bring your own lawn chair, although we do have extras if you forget. A free will offering will be taken. All are welcome.

Easter blessings to your family and you!

## Pearson Lakes Art Center Upcoming Exhibition Announcements

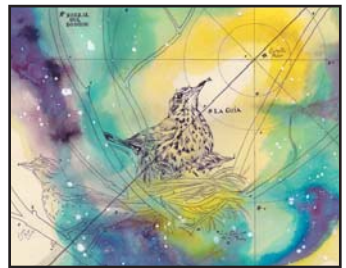

Jenie Gao: *The Pioneers* – April 27 through June 10, Weaver Lobby and McIlrath Landing Galleries. Meet the artist at the Opening Reception: Thursday, April 27, 5:00 – 7:00pm. Artist Talk at 6:00pm. Free to attend.

In a world that is constantly in flux, where people physically move more frequently between cities, states, and countries, and mentally and emotionally encounter more drastic points of view, Jenie Gao wants to recognize the stories of those who have the courage to venture forward, with the purpose of connecting and improving our communities. These are the stories of pioneers, mapmakers, navigators, and guides. These are the stories of families who have moved with no guarantee of common language or opportunity. These are the stories of boomtowns turned ghost towns turned tourist towns, of migrants and locals alike, who dare to do something different and to find common ground. These are stories of conservation, of our values and our communities, coupled with an embrace of change and versatility.

Gao is based in Madison, Wisconsin. In addition to her studio work, Gao serves on the Madison Arts Commission and has recently given a TEDx Talk in Madison, focusing on the integral role of creativity to our survival and wellbeing.

Learn more about Jenie's work at [www.jenie.org](http://www.jenie.org).

*Fabricated Facades: Dan Perry Sculptures* – April 27 through July 1, Goodenow Gallery. Meet the artist at the Opening Reception: Thursday, April 27, 5:00 – 7:00pm. Artist Talk at 6:00pm. Free to attend.

The imagery in Dan's work is a combination of cultural imagery and ideas constructed in the guise of whimsical architectural and mechanical forms presented in dynamic compositions. His sculptures are composed in ways that imply a narrative to which the viewer becomes a witness. He utilizes color to accentuate forms and complement the site. Shifts in scale and perspective challenge the viewer to question their physical relationship to the world around them and contemplate their surroundings.

Over the past 10 years, Dan Perry has exhibited his artwork across the United States in over 30 juried, solo, and group exhibitions. Venues include the Des Moines Art Center, the Waterloo Center for the Arts, and the Spartanburg Art Museum in Spartanburg, South Carolina. Dan is currently the Art Studio Technician and an Instructor at the University of Northern Iowa in Cedar Falls.

Learn more about Dan's work at [www.danperrysculpture.com](http://www.danperrysculpture.com).

Iowa Lakes Community College – April 27 through May 20, Wikert Art Walkway. Meet the artists at the Opening Reception: Thursday, April 27, 5:00 – 7:00pm. Free to attend.

The Pearson Lakes Art Center has no admission charge.  
Hours: 10:00am – 4:00pm, Tuesday – Saturday; 10:00am – 9:00pm Thursday for The Lakes News Shopper Open House Thursdays.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for more than 50 years. # Obituaries

**Wesley John Burgin**, 78, of Milford passed away on Thursday, April 6, 2017, at the Hawkeye Care Center in Milford. A private graveside service will be held on Saturday, April 15, 2017 in the Milford Cemetery. The Schuchert-Lentz Funeral Home in Spirit Lake is in charge of arrangements.

Wesley was born on September 12, 1938, in St. James, Minnesota, to Ralph and Muriel (Lofgren) Burgin. He graduated from Milford High School.

He worked for Spencer Foods and later went to work for Style Craft as an upholsterer. He enjoyed going down town in Milford to the coffee shops and harassing his friends. He was nicknamed "Trouble" by many of the people he teased. Wesley was a master recycler. He never threw anything away, he felt everything had a purpose or a use.

Wesley is survived by his two sons, Mitch Burgin of Milford and Dan (Carla) Burgin of Des Moines; brother Stan (Bernice) Burgin of Milford; and two grandchildren, Abbie Burgin and fiancée Jesse, and Cody Burgin.

In lieu of flowers, memorials may be made in Wesley's name.

# Environmental Education Coordinator

"We were messy little critters." Environmental education coordinator Bryanna Kuhlman's memories of her childhood spent outdoors in Menomonie, WI, have shaped her into who she is today.

"We had forts in trees; we would catch frogs in retention ponds," Kuhlman said. "I had my red bucket full of worms."

She and her sister would race horses bareback down the farm lane by their house, and they spent time in the family garden.

"The outdoors was very much the center of my childhood," Kuhlman said. "The only vacations we took as kids were camping vacations."

Those wonderful outdoor memories led her to a career in environmental education, and she began her new position as environmental education coordinator for the Dickinson County Conservation Board on March 20.

"I will be creating all of our environmental literacy programs for school districts as well as public programs in hopes of fostering interest and passion in conservation and the natural world," Kuhlman said.

She has had a variety of experiences that have led her to her new job at the Dickinson County Nature Center in Okoboji. After graduating from the University of Wisconsin - Stevens Point in 2011 with a bachelor's degree in wildlife ecology with an emphasis in environmental education, she worked on fire lines for The Nature Conservancy as well as the Bureau of Land Management. She then took on the position of natural conservation areas stewardship coordinator with Colorado Canyons Association in Grand Junction, Colorado.

The environmental education coordinator opening with the Dickinson County Conservation Board appealed to her desire to focus on education and to be a bit closer to her Wisconsin-based family, and she has quickly jumped into her new job.

Kuhlman has started to develop new programs for the nature center and has met with school administrators in the county to see how she can help them further students' education through environmental studies.

Her programs will focus on hands-on activities and movement. She also likes to create "my own chaos" by allowing student input and interests to help dictate where her programs take them, ensuring that youth find environmental studies interesting and fun as well as educational.

In her spare time, Kuhlman loves hiking, spending time with her dog, Scout, visiting with family and checking out local antique shops.

Stop by the Dickinson County Nature Center at 2279 170th Street in Okoboji to meet Kuhlman or e-mail [bkuhlman@co.dickinson.iowa.us](mailto:bkuhlman@co.dickinson.iowa.us) to set up your own environmental education program.

For more information on nature center staff and programs, visit [www.dickinsoncountynaturecenter.com](http://www.dickinsoncountynaturecenter.com) or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

## Greater Collaboration Will Help Address Ag Industry Issues To the Editor:

As Iowans, we live in an environment of agricultural abundance. Iowa is the largest exporter of soybeans and corn in the nation, and roughly 85 percent of our land is used for agriculture. However, in light of rapidly escalating global population and demand for food, Iowa's ag sector will need to focus on innovation and new technologies to ensure that our future food needs are met.

In the decades to come, the importance of a strong ag industry will only continue to grow. Meeting future demands will require a collaborative effort between farmers and ag businesses. Partnerships amongst ag product producers have the potential to improve cooperation between major innovators, including increased investment and research in developing the next round of technologies for modern farmers.

It's important that Iowa's ag industry is ready for the future. I look forward to watching our state and federal lawmakers, ag businesses, and farmers continue to work together in support of progress and innovation in the industry.

### LRH Receives \$400,000 Grant for Cutting-Edge Tomography

Patients at Lakes Regional Healthcare will soon benefit from access to the latest computed tomography (CT) diagnostic technology made possible through a grant from The Leona M. and Harry B. Helmsley Charitable Trust's Rural Healthcare Program.

Helmsley has awarded Lakes Regional Healthcare \$400,000 for a new 64-slice CT scanner. CT scanners provide essential diagnostic images of structures inside the body. A new CT scanner will allow for faster scans that produce high-quality images, allowing medical staff to quickly determine health status and course of treatment while giving patients access to up-to-date healthcare technology close to home.

"CT studies are essential for the appropriate diagnosis of various injuries and conditions, and clear and detailed images are imperative. This new scanner is faster, provides higher quality images, and improves patient safety due to decreased radiation exposure. This piece of equipment is used by thousands of patients each year in many areas - our Emergency Department, physician clinics, outpatient services, and inpatient care. We are grateful to the Helmsley Charitable Trust for selecting us as a recipient and helping us to enhance the quality of care provided to our patients," said Jason Harrington, President and CEO, Lakes Regional Healthcare.

Lakes Regional Healthcare is one of 41 grant recipients across the region to benefit from this round of funding to purchase CT scanners. Helmsley's Rural Healthcare Program has granted over \$30 million to support the purchase of new, 32-slice or higher CT scanners in a seven-state region.

"Our goal is to ensure that people who live in rural America have access to quality healthcare as close to home as possible," said Walter Panzire, a trustee of the Helmsley Charitable Trust. "To achieve this, rural hospitals need to be viable and they need to have up-to-date equipment, so patients can receive essential healthcare services locally. This initiative is one of many that aims to improve healthcare access and health outcomes across the upper Midwest."

The funding initiative was the result of a survey of Critical Access Hospitals in the Rural Healthcare Program's seven-state funding region. Capital equipment, particularly CT scanners, was identified as a top need by many hospitals. In addition, a new Medicare policy went into effect January 1, 2016, that reduced reimbursement for certain studies on CT scanners that do not meet specific radiation dose requirements. Since 2015, the Helmsley Charitable Trust has awarded 78 grants totaling over \$30 million to outfit hospitals with new, state-of-the-art CT scanners.

### It's So Easy To Eat Healthy

by Bill Brandt, owner and operator of Brandt Gardens & Greenhouse LLC

Brandt Gardens & Greenhouse LLC, Lakefield, Minnesota, has this healthy solution for you and your family - Community Supported Agriculture (CSA). Our business will deliver to your home or workplace, a weekly CSA share/box of locally grown produce for up to 20 weeks, starting in May and ending in October.

The following are the CSA share choices:

- CSA Mini Share: includes one monthly delivered box of locally grown produce starting in May - October which is a total of 6 times/boxes for the 2016 growing season. A CSA mini share is for a household of 1 to 2 adults/family.
- CSA Half Share: includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA half share is for a household of 1 to 2 adults/family.
- CSA Full Share: includes a weekly delivered box of locally grown produce starting in May - October for a minimum of 17 weeks to a maximum of 20 weeks. A CSA full share is for a household of 3 to 4 adults/family.

We intend to deliver 20 weeks/times for your enjoyment of our boxed produce half or full share but wish to have an understanding that our growing season can be unpredictable and have included the 17 week minimum. During the 2016 growing season we delivered 20 times. Deadline to purchase a CSA share is May 1, 2017.

The following fruits and vegetables will be available sometime during the 2017 growing season in the CSA box share: apples, asparagus, beans-green, beets-red or golden, broccoli, brussels sprouts, cabbage-green or red, carrots, cauliflower, celery, chard, cucumbers-slicers-burpless-pickling, eggplant, \*garlic, kale, kohlrabi, lettuce-leaf green-red-romaine, onions-red, yellow, white, peas-sugar snap, peppers-sweet bell, hot, pie pumpkins, potatoes-red-white-Yukon, rhubarb, radishes, \*raspberries, rutabagas, scallions, shallots, summer squash-yellow, sweet corn, tomatoes, winter squash- 10 varieties, and zucchini.

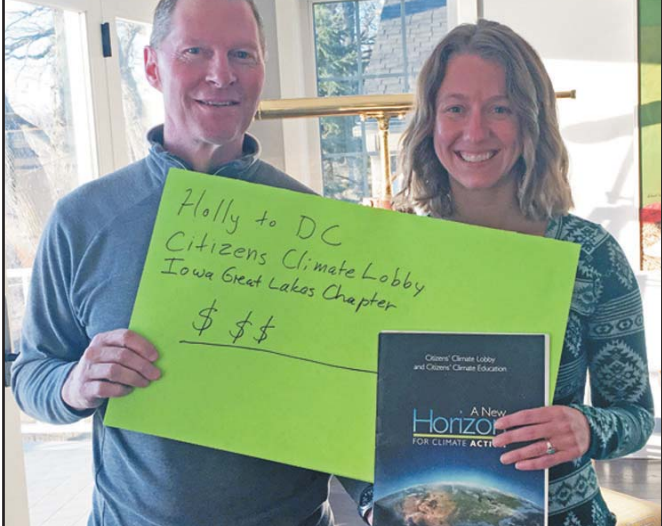

Our business is offering our community members another choice/ means of accessing good food. Good food does two simple things. Good food tastes better and good food nourishes our body. Nothing is better than the first taste of a vine ripened tomato or that first ear of fresh sweet corn or for that matter, anything grown in the garden after a long cold winter!

Just as important as these two simple things is the idea of knowing exactly where your CSA box share of food was grown.

Brandt Gardens & Greenhouse LLC is leading the way with this economic model, but are teaming up with other growers in the surrounding area to help supply these CSA share boxes of fresh produce. The majority of the produce in the boxes will be grown by Brandt Gardens & Greenhouse LLC, but some of the items such as apples, garlic, strawberries, or raspberries we do not grow and will rely on other growers of our area to supply. Produce quality in the boxes will be strictly monitored and high standards will be required for customer satisfaction.

The following will be our delivery schedule for the 2017 growing season: Windom on Tuesdays, Spirit Lake, Milford, and Spencer on Wednesdays, Jackson on Thursdays, and Worthington on Fridays. Farm pick-up is also an option.

For more information, call 507-662-5631 or email at [brandtgardens@gmail.com](mailto:brandtgardens@gmail.com) or check out our website at [www.brandtgardens.com](http://www.brandtgardens.com).

David Thoreson, explorer and photographer, delivers the first \$300.00 as a donation to produce new and effective legislative climate change policy to and Holly Mueller, statewide coordinator for Citizen's Climate Lobby.

### Okoboji Citizen's Climate Lobby

There is a new hustle and bustle in the Iowa Great Lakes. Our civic duty is shifting now and being focused in the critical area of addressing climate change. The foundation of Okoboji's own chapter of Citizen's Climate Lobby (CCL) is in the process of being established.

CCL is a worldwide non-profit and non-partisan organization committed to resolving climate change. With a fresh and fair perspective, its objective is to reduce greenhouse gas emissions, thereby sustaining our planet for generations to come. One of CCL's guiding principles is "politicians don't create political will; they respond to it." As universal citizens, people are more aware than ever now that we are impacting the global climate through the use of carbon-based fossil fuels. It is the people's will that has the power and influence over the political process in passing what CCL has termed a Carbon Fee and Dividend proposal.

Legislators are now faced with making ever more crucial decisions on how to respond to the effects of manmade pollution. The proposal is straightforward: firstly, place a minimal but rising fee on the use of fossil fuels to account for the cost of burning them. This immediately creates a fair price comparison in terms of paying for other renewable sources of energy. Secondly, return these fees back to private households each month. This feature, being a revenue-neutral stream of money, prohibits it from being allocated via strict methods. It will also insert billions of dollars into the economy and give people the flexibility to make independent choices in regard to their energy usage. Most importantly, it stimulates demand for low-carbon energy.

Citizen's Climate Lobby was founded in 2007, and hundreds of chapters now exist across the nation. With the help of citizens like David Thoreson and Holly Mueller, an exciting new chapter will reside right here, home to our one and only Lake Okoboji. A fund has been established to further its mission. This fund will be used to provide the chapter's inclusion into the 8th Annual CCL International Conference & Lobby Day taking place June 11th-12th this summer in Washington D.C. Climate advocates from all over the world will be in attendance to appeal to our lawmakers. Politicians and citizens alike realize the importance of pricing carbon and transitioning to renewable energy. It is no longer a matter of time. The time is now.

Learn more at [citizensclimatelobby.org](http://citizensclimatelobby.org) and help fund the trip to Washington D.C. Please make checks payable to Holly Mueller or Jane Shuttleworth and send to P.O. Box 522; Okoboji, IA 51355. Many thanks to David Thoreson and others who choose to contribute to the cause. Your donations are greatly appreciated and Mother Nature thanks you!

## Need Help with Heating Bills?

The 2016-2017 Low-income Home Energy Assistance Program (LIHEAP) was established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season.

This program is not designed to pay household's total energy costs. The program will provide supplemental assistance based on several factors. Those factors include total household income, household size, dwelling type and type of heating fuel, among others.

Applications will be taken now through April 30, 2017.

If you have already applied and have been approved this winter season, you can not re-apply. For guidelines and an appointment in Dickinson County, call Upper Des Moines Outreach office at 712-336-1112. The UDMO is located at 1575 18th Street, Spirit Lake.

LRH Offering 8-Week Summer Junior Volunteer Program

Last summer, over 20 high school and college students participated in Lakes Regional Healthcare's (LRH) Summer Junior Volunteer Program where they assisted physicians, nursing staff, and patients in the ER, Medical-Surgical Department, Imaging Center, and physician clinics.

According to LRH Vice President of Marketing and Retail Services, Jennifer Gustafson, students that apply to participate in the program are treated as if they're applying for a job. She said, "We think handling it this way helps prepare them for the 'real world' regarding organizational and interviewing skills."

Students must submit an application, signed parental consent form, and written reference from a guidance counselor/advisor or teacher/professor to apply. From there, they are interviewed and possibly selected for the volunteer position in which they applied.

"Most Junior Volunteers are interested in a career in health care and participating in the program gives them first-hand knowledge of whether or not they would like to pursue that path," said Gustafson. "And for those that do know that's the path they want to take, it's a great thing to add to a resume to show their dedication to the field."

Last year was LRH's first year to host the summer program. Students had the choice of four areas in which to volunteer. This year they have narrowed that down to two: the Emergency Department and Medical-Surgical (Inpatient) Department.

ER Junior Volunteer shifts are four hours long and around the clock. Some of the ER Junior Volunteer responsibilities include assisting physicians, paramedics, and nurses, disinfecting ER rooms after patient discharge, offering items to and transporting patients, and restocking supplies.

Five Inpatient Junior Volunteers will be accepted into the program, as there are five shifts per week - 8 am until 12 pm, Monday through Friday. These volunteers are located primarily in the Medical-Surgical Department, but may also be located in the Birth Center or Critical Care Unit depending on the needs at the moment.

The Summer Junior Volunteer Program will be held from June 12 through August 4. High school sophomores, juniors, or seniors or college students at least 15 years old by June 1 will be considered for the program.
