A new scientific statement from the American Heart Association warns that statins could interact with other heart disease medications. The types of cardiovascular medications the writing committee examined included antiarrhythmic drugs, used to treat abnormal heart rhythms; medications used in treating congestive heart failure; antiplatelet agents and anticoagulants that are used to thin the blood; immunosuppressive agents, for patients who have undergone a heart transplantation; non-statin cholesterol lowering agents; and calcium channel blockers, commonly used to treat high blood pressure.

\*\*\*

The statement identifies specific doses at which certain heart disease medications can be used safely with statins as well as the combinations of statins and certain cardiac medications that may be potentially harmful.

\*\*\*

Recently postmenopausal women who were highly symptomatic with hot flashes and night sweats had a significant improvement in frequency and intensity of hot flashes when using lower doses of either oral conjugated estrogen or transdermal estradiol, with sustained improvement over 4 years, according to a study published in the journal of The North American Menopause Society, Menopause.

\*\*\*

Impulsive behavior is a factor in leading to food addiction. A drug called Modafinil, usually used for narcolepsy, shift work disorder and excessive daytime sleepiness, can reduce impulsivity and thus food addiction, according to a study published in Personality and Individual Differences.

 In Good Hope. Quiet neighborhood, shaded lot, large porch. Deposit required. 256-338-6218/256-531-5950. Apr 19

Let the assumers, speculators, theorizers and days changers that deny Moses law (Jn 5:46-47) show proof that their worship is by The Holy Bible! Show by authorized documentation The Holy Christ, the Word of Elohim (Jn 1:1-14, 14:24), gave gentiles a different covenant than the Holy one given unto Israel (Mt 15:24-28)! Christ was sent to sinners to repent (Lk 5:32, Jn 3:3-7) and said sin no more (Jn 5:14, 8:11). Yet that is not believed by most who think to be saved without law. Psalm 119:89-96, Isaiah 40:8, 55:11, Mt 5:17-19, 24:35, Lk 1:37, Heb 4:8, 13:8 are just a few verses of why His Word does not change. Most so called Christian churches teach a new covenant for gentiles, they openly deny The Biblical Words of Christ. He who committeth sin is of the devil, whosoever sin transgresseth also the law: for sin is the transgression of the law ("1Jn 3:4-9"). The devil tempts not to keep the law and it started in the garden of Eden. So Be It!
