White Out For Joy

The Okoboji Basketball teams would like to encourage all community members to dress in white for the basketball game

vs Spirit Lake on January 17th in order to show support for Joy Walz, an Okoboji alumni and wife of John Walz, the assistant boys basketball coach at Spirit Lake High School. Joy is battling metastatic melanoma, a skin cancer that attacks the entire body. Both the Okoboji and Spirit Lake Basketball teams will be in Joy apparel T-shirts for the warm-ups prior to the game. There will also be Heart Suckers sold for a free will offering to be given to the Walz family to use towards their medical expenses. If you are unable to make the game and are interested in making a donation, contact John

Adams at john@lakesnewsshopper.com, or Ryan Paulsen at rpaulsen@okoboji.k12.ia.us. Come out for a great evening of basketball and showing The Walz family support from the entire Iowa Great Lakes Community!

The Barbary Coast Dixieland Show Band is tentatively booked to appear in September at the Clay County Fair, and at the Little Swan Lake Winery.

Barbary Coast band plans lakes area return

Seeking warmth in the midst of the recent winter chill, Stagerat Stan has come up with some interesting scoops - some edible, some printable beneath several area stages.

While it's still tentative, 'cause the contracts are literally "in the mail," Stan has heard that the Barbary Coast Dixieland Show Band will be booked into

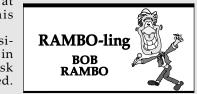

the Clay County Fair, again, after an absence of several years.

Stan also picked up vibrations under the stage at the Pearson Lakes Art Center, where Steve Lindeberg has been filling-in as interim executive director since Tom Tourville's departure last year. After checking on those vibes Stan tells us that Tim Hoheisel will be coming on board to officially fill the executive

slot beginning next Monday – after being at Thursday's PLAC board meeting later this week.

Hoheisel most recently held a similar position at the Stearn's County History Museum, in St. Cloud, Minnesota. He's a history buff. Ask him about how the St. Cloud area was settled.

It's an interesting story. PLAC board president Terry Yarns told Stan he thinks, "that with some two decades of not-for-profit experience, Tim will be a terrific fit for us.'

"I think Tim will have fun studying the history of the lakes area, too." One of the new director's first orders of business will be to work with the board in reexamining the role of the visual arts program at the art center, as part of the hiring of a director of visual arts to replace the departing Morgan

Aalgaard. There's also a proposal on the table to hire a marketing person to deal largely with social media. From the very minute he sets foot in the building, Hoheisel certainly won't be wanting for things to do...

It was a little more than two decades ago that then Cherokee County Economic Development Director R. J. Baker took a cue from the University of Okoboji Winter Games in starting the Cherokee Jazz & Blues Festival to warm up what has traditionally been one of the coldest weekends of the winter. While it looks like this coming weekend's events will come as a part of a brief "heat wave," the festival is still expected to bring a lot of music-loving traffic to Cherokee. The fun starts in the Cherokee Middle School, Friday,

with Jim Oatts and company providing an all-day student clinic. Other names you will recognize include public radio's Eddie Dunn, pianist Steve Smith, percussionist Joey Gulizia, and trumpet player Justin Kisor. Along with Dav-id Napier (think *The Velaires*), and guitarist Ray Guntren, the four will be featured at The Copper Cup, Friday night, from 6 - 9 p.m.

Former Spencer resident Chad Elliott will perform at The Gathering Place, from 9 - midnight, Friday. And, blue-eyed blonde Twin Cities blues singer Sena

Sena Ehrhardt

Ehrhardt, who appeared at the Pearson Lakes Art Center in July of 2013, will be heard at The Gathering Place, Saturday night, from 9 - midnight.

There's lots more, too. Check cherokeejazzbluesfestival.com for complete details. It's worth the drive...

Also Saturday night, The Itty Bitty Boji Band will be performing at the VFW in Spirit Lake, from 7 - 10 p.m. The IBBB can also be heard Friday, January 23rd, at the Family YMCA, in Spencer, from 7 - 10 p.m...

Between now and the weekend comes Victor & Penny, at the SCT Playhouse, Thursday night, at 7:30. This Roaring '20s antique pop music duo is part of the Spencer Performing Arts Coalition (SPARC) season...

And since we mentioned the upcoming *UofO Winter Games*, we should note Glenn Henriksen's Saturday night (January 24th) show at the SAMI Center. Glenn's performing at the Elton John red piano will begin about 8:00, shortly after the fireworks in Smith's Bay ...

You are invited to join the Old Professor for Ballads, Blues and Big Bands, too, at Class 105, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji. Pauline Alta (Schwarzenbach) Branstetter Pauline was born in Spirit Lake, Iowa on September 8, 1950. She was the fourth of five children born to Everett and

Alva (Puck) Schwarzenbach of Lake Park, Iowa. She was raised on a farm east of Lake Park in a small house that was filled with love. She spent all of her fun filled school years in Lake Park where she had many, many friends and was involved in every activity that she could. She graduated from Lake Park High School in 1968 and attended the University of Northern Iowa where she received a Degree in Education in 1972.

In the summer of 1972 she met her life long friend and companion, Keith A. "Skinny" Branstetter (Milford, Iowa). That year she accepted her first teaching job as a kindergarten teacher in Gila Bend, Arizona. In 1973 she accepted a teaching position at Dunbar school in Phoenix, Arizona and became not only the first white teacher but the first white person in the all black school, breaking a racial barrier that had existed for decades. In 1974 Pauline started one of the first "gifted programs" in the United States for Phoenix Elementary School District #1. The program was called Accelerated Learning Procedures (ALPS). She taught in the ALPS program for 18 wonderful years. Because of her warm and engaging personality she was loved and respected by all she came in contact with.

Troylene graduated from Spirit Lake High School in 1967, then attended Iowa Lakes Community College in Estherville and graduated with an Associates degree in 1969. She then again graduated from Iowa Lakes Community College in 2000 with an A.S. as a Geographic Information Systems Technician and a Computer Specialist and also graduated in 2001 with an A.S. as a Computer Aided Drafter.

She was united in marriage to Michael E. Tuel on August 30, 1969, and was blessed with a daughter Kristie Andrea (Tuel) Wintz. He was in the Navy so they were stationed in Illinois, California, Washington, Idaho and Hawaii.

Troy drove a semi for Holiday Express for 13 years and traveled from coast to coast enabling her to have been in all 50 states and also Mexico and Canada. She drove her parents motor home to Alaska so they could see the sites in 1989 and lived in Hawaii for 7 years. She also drove for Golden Limousine for 13 years.

She volunteered for the Voluntary Action Center by typing Meals on Wheels labels and making phone calls for Red Cross blood drives since 2009. She also volunteered for the Higgins Museum and created labels for the Iowa money room in 2000 using her talents as a GIS technician.

Troylene was active in the local TOPS Chapter for several years and also belonged to the Single Spirits.

She also took care of United Methodist Church nursery for the 4 years she was in high school for the 11:00am service.

Troylene enjoyed spending time with her grandchildren and going to most of their activities.

She is survived by her daughter, Kristie (Tim) Wintz; three grandchildren; Cody, Brendan and Avery; her mother, Beth Kramme; a sister, JoAnn Bergeson; a brother, Bill Kramme; also several nieces and nephews and many friends.

She was preceded in death by her father, William F. Kramme II; brother in law Bernie Bergeson; aunt Troylene Dean and fiancée Michael Struthers.

In lieu of flowers, memorials may be given in Troylene's name.

On August 14, 1976 Pauline (affectionately known as "P" or "Bumpy") and Skinny were united in marriage in her home town of Lake Park. The couple had two children, Jessica Parrish Branstetter Rolles (1983) who is a Physician's Assistant urologist in Lakewood, Colorado and Kassidy Anne Branstetter (1987) who is a student in Iowa City, Iowa.

In 1987 Pauline was given a two-years leave of absence from her teaching position in Phoenix, and the Branstetters accepted teaching positions at Surabaya International School, Indonesia. There she taught kindergarten the first year and 6th grade the second year. In 1989 she returned to her ALPS position in Phoenix. In 1996, the Branstetters accepted a second overseas teaching position at Frankfurt International School, Germany where she taught 3rd grade for two years. In 1998 the Branstetters returned to their home state of Iowa, and Pauline became the Curriculum/Staff Development Coordinator for the Clear Creek-Amana school district near Iowa City until her retirement in 2005. During that time the family lived in Iowa City.

Pauline was a "natural" teacher. Everyone that watched her teach knew that they were in the presence of someone special. Her classrooms were filled with joy, fun activities and music. She loved to travel and visited more than 25 countries in her lifetime. The joys of her life were her two daughters, her husband and her extended family (many not related) She was an accomplished cook and was famous for hosting large Thanksgiving and Christmas dinners for her "extended family".

While in Germany Pauline started collecting beautiful hand made and hand painted signature Polish Pottery stoneware. After returning to the United States she began importing the stoneware and selling it as a hobby. The hobby grew and after she retired the Branstetters opened Polish Pottery Shoppes in Sanibel, Florida in the winter and Okoboji, Iowa in the summer. She enjoyed four years in the two locations making many new friends along the way.

In 2009 Pauline suffered a seizure and was diagnosed with an inoperable brain tumor. The subsequent radiation treatments caused her to suffer a stroke six months later. On Saturday January 10, 2015 at the age of 64 years, Pauline lost her six year battle with cancer.

She is survived by her husband Keith Branstetter; daughters Jessica Rolles (Steven) and Kassidy Branstetter; brothers Everett Schwarzenbach, Jr. (Patty) Egg Harbor, New Jersey and Dan Schwarzenbach (Boston, Mass); sisters-in-law Sally Zweibahmer (Jack) Milford, Iowa, Lucy Smith (Tony) Milford, Iowa, Arlene Schwarzenbach (Lyle) Cedar Falls, Iowa and brother in laws Jerry Branstetter (Dee Dee) Gilbert, Arizona and James Kain Mt. Vernon, Iowa; mother in law Kay Branstetter Arnolds Park, Iowa and father-in-law, Leonard Branstetter (Karilyn) Chandler, Arizona. She was predeceased by her parents Everett and Alva, sister Paula Schwarzenbach Kain , brother Lyle Schwarzenbach and brother-in-law Steven "Pebe" Branstetter.

Pauline was an exceptionally happy person who exuded kindness and joy even in the most difficult of times. She always maintained a very close relationship with the many students that she taught and the countless friends that she made over the years. She was the kindest of souls. She was loved by all that knew her and only God will understand how much she touched the lives of so many people with her wonderful personality and love. There will be a celebration of her life on her birthday, Tuesday September 8, 2015 in Okoboji.

Keelson Harbour is proud to announce

Middle School Building Update #4 -Transportation/Traffic Flow/Parking Questions

How much does the district spend on Transportation every year? During the 2013-14 school year, Okoboji spent \$454,820 on transportation. This huge expenditure makes it important for the district to be as efficient as possible in this area. Transportation is one topic the school board will discuss when deciding how to address the middle school facility issue.

19,120 miles were put on school busses last year transporting students back and forth from the middle school for various reasons at a total cost of approximately \$72,832. This is an annual recurring expense that could be utilized in much better ways for educating students. Last year, students in grades 5 through 8 were transported for the following:

- · Transporting students to the middle school before school and picking them up after school each day.
- Transporting 8th grade students back to the middle school after 1st period exploratory classes at the high school.
- Transporting students back to Milford at 4:00 for the after-school academic assistance program.
- Transporting students to and from the middle school and high school for music programs, assemblies, etc.
- Transporting 7th and 8th grade students from the middle school to the high school for athletic practices.

Why doesn't the school build into the parking lot area at the Arnolds Park site?

Adding onto the current middle school building in the parking lot would be a possible solution for solving the issue of overcrowding in the building and for creating playground space for students but would create a much worse parking concern for both the school and the community. By eliminating the current parking lot, adjoining property would have to be purchased for making another parking lot. The current MS site is "landlocked"; therefore, adding onto the building in the parking lot area is not a good option.

Who owns the parking lot east of the middle school in Arnolds Park? The school district owns the parking lot, but it is also used as "community parking lot" for neighboring businesses. The current parking is already much too small and that space can not be made smaller or eliminated.

What are the demographics of our students (how many students walk to school, bussed, drop off?)?

During the 2013-14 school year, the "average number of students transported" on a bus each day was 587. In other words, about 60% of our students rode a bus to or from school every day. Based on the district's total transportation costs, the "average cost per pupil transported" was \$529.77.

If a new middle school is built next to the high school, would we have just one entrance or two separate entrances and how would you deal with traffic on H Avenue?

Several people expressed the desire to keep middle school and high school students separated as much as possible, and to maintain separate facilities/programs rather than to allow 5-12 students to co-mingle in one facility. School officials support that position. If a new middle school is built on the high school site, a separate driveway will need to be created to divert traffic away from H Avenue on the east side of the high school.

Information related to transportation has been posted on the district website (www.okoboji.k12.ia.us). Information about how various grade re-alignment scenarios that was going to be shared at the January 8 Parent Meeting that was cancelled due to inclement weather has also been posted.

Anyone with questions or concerns regarding any issue related to the middle school, please call me at school (712-338-4757), e-mail (gjanssen@okoboji.k12.ia.us) or stop in to visit at the Okoboji Community School Central Office, 1205 7th Street, Milford, Iowa.

Dr. Goerss has delivered hundreds of babies during his 32-year medical career, and both he and his wife Ann have been involved in a wealth of community organizations and activities such as TTT, PEO, the Spirit Lake School Board, Pearson Lakes Art Center, Grace Lutheran Church and more. Dr. Goerss is a witty and dedicated physician and Ann is the ultimate community volunteer. They are the proud parents of 3 grown daughters, grandparents of soon-to-be three grandchildren and very honored to be elected and nominated by their children.
- Brent Harris Brent Harris of MHR Insurance and an Iowa Navy Commodore for the Iowa Great Lakes Area Chamber of Commerce. Brent was born and raised in Spirit Lake and lives in Arnolds Park with his wife, Jessica. Brent volunteers for countless community and Chamber activities, and has raised thousands of dollars and awareness for Multiple Sclerosis, which his mother courageously lives with. You've more than likely seen Brent at the Winter Games Polar Plunge where he's volunteered the past three years! Brent thanks everyone who voted for him and thanks his fellow Iowa Navy Commodores for nominating him.
- Jim and Marjo Hietbrink Jim and Marjo Hietbrink are the quintessential pay-it-forward couple. Milford residents, Jim and Marjo are active in Relay for Life, the Okoboji Backpack program providing food to school children on weekends/summer break, countless conservation efforts, Team Wave and offering assistance to the foreign exchange students who come to the Iowa Great Lakes each summer to work at area restaurants. resorts and marinas. Jim is a retired educator who now works part-time at Fillenwarth Beach Resort and Marjo is one of the many smiling faces at the Arnolds Park branch of Northwest Bank. Marjo was speechless when we called to alert her of this honor. You'll be hard pressed to find a more humble couple. Marjo and Jim are grateful to be honored by the community and nominated by their Northwest Bank Family.
- Dan and Jane Hummel Dan and Jane Hummel of Spirit Lake are lifelong residents of our area. Talk about a fantastic couple! They've raised their three sons in the community they absolutely love and support with their time, talent and enthusiasm. Dan is an Ag/Commercial Lender at Bank Midwest in Spirit Lake and Jane is an interior designer. Dan and Jane are the proud parents of three adult sons and they are relishing the fact that they are now grandparents. Dan's quick wit and Jane's infectious smile and laugh are simply indicative of the cheerleaders they have been for the Iowa Great Lakes their entire lives. They are both greatly appreciative of and tremendously humbled with this honor. Dan and Jane were nominated by Greta Gruys.
- Mary VanderWoude Mary Vander Woude is the Mayor of Okoboji. A naturally cheerful and positive person, Mary is beyond excited to share her love of the Iowa Great Lakes with the thousands of residents and visitors alike who converge upon our area for the Winter Games. Mary most recently volunteered with the RAGBRAI stop in the Iowa Great Lakes. Mary will more than likely have her pom poms with her the remainder of 2015. Mary was nominated by her constituents to be a Winter Games cheerleader.

Influenza Arrives In Northwest lowa

In recent days gifts have been exchanged, hugs and hand shakes given and, at times, the influenza bug has been shared as well. The 2014 - 2015 influenza season is beginning across the United States and has also appeared locally, with even a few severe influenza cases resulting in admissions at Spencer Hospital.

According to the Centers for Disease Control, the reports of flu illnesses, hospitalizations and deaths, and activity are expected to increase in the coming weeks. The CDC recommends a threepronged approach to fighting flu: get vaccinated, take everyday preventive actions to help stop the spread of germs, and take antiviral medications to treat flu illnesses if prescribed by your physician.

'It's not too late to get a flu vaccination," explained Dee Ann Vaage, Infection Control Nurse at Spencer Hospital. "While this year's flu vaccine may not be a perfect match for the particular strains of influenza circulating this year, the vaccine still has benefits."

The CDC recommends an annual flu vaccination for everyone 6 months and older. There are documented benefits from the flu vaccination, including reductions in illnesses, related doctors' visits and missed work or school. Vaccination also prevents flu-related hospitalizations and deaths. While some of the viruses spreading this season are different from what is in the vaccine, vaccination can still provide protection and might reduce severe outcomes such as hospitalization and death.

The flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and lungs. People who have the flu often feel some or all of these signs and symptoms: • Fever or feeling feverish/chills

- Cough
- Sore throat Runny or stuffy nose
- Muscle or body aches • Headaches
- Fatigue (very tired)
- · Some people may have vomiting and diarrhea, though this is more com-

mon in children than adults. "The flu viruses are spread mainly by droplets made when people with flu cough, sneeze or talk," Vaage said. "These droplets can land in the mouths or noses of people who are nearby. Less often, a person might also get flu by touching a surface or object that has flu virus on it and then touching their own mouth, eyes or possi-

bly their nose. You may be able to pass on the flu to someone else before you know you are sick, as well as while you are sick. Most healthy adults may be able to infect others beginning 1 day before symptoms develop and up to 5 to 7 days after becoming sick. Some people, especially young children and people with weakened immune systems, might be able to infect others for an even longer time.

"The basic, yet often quite effective, hygiene tips apply, which include washing your hands, covering your cough and staying away from others when you're ill," Vaage said. "You'll feel better sooner if you stay home and get your rest, plus you can avoid spreading the illness to others."

Citizens Shooting Park In Need Of Possible Board Members

The next meeting for the Citizens Shooting Park, in Lake Park, has been set for Tuesday, January 13, at 7:00pm at the Lake

Park Community Center. The purpose of this

meeting will be to select an advisory board. This board may very well turn into the first board of directors of the shooting park, but not necessarily.

Citizens Shooting Park

The goal is to have 5-9 enthusiastic volunteers step forward to serve on this board. The Citizens Shooting Park would like to achieve broad representation from throughout the county.

The advisory board will likely be tasked with the following:

- Build support for this project county wide with other municipalities and with the County Board of Supervisors.
- This board would look at the 4 sites already evaluated by JEO, as well as explore other potential sites. (A 5 to 9 trap layout with a skeet field or two requires around 40 acres of ground, preferably flat to gently sloping and the trap line shooting north to northeast. Sporting clays can be shot in a circle on around 35 to 40 acres or linearly along a creek bottom, for example. A field archery or 3D range is very viable and can fit into an area quite easily.
- This board would help navigate entitlement issues such as zoning and other concerns.
- Achieve 501c3 designation is for when we start raising money. (May be able to use Pheasants Forever, Ducks Unlimited, or some other existing Sportsman's Club or organization) After site selection, JEO will continue to assist the Board with concept layouts, cost estimating and a report with a funding plan. The funding plan will include how the various parts of the project could be paid for and a schedule for when parts of the selected project are anticipated to be built.

Breaking the cycle of sexual abuse will be discussed at Lifetree Café on Sunday, January 18, 2015, at 6:30pm.

Sexual Abuse Examined At

Lifetree Café

The program features the filmed story of a woman who suffered childhood sexual abuse. "This brave woman's story puts sexual abuse out on the table for discussion," says Lifetree representative Craig Cable. "We'll consider why the cycle of abuse in families is so difficult to break-and how those who have suffered childhood sexual abuse can find healing.'

Cable says this particular Lifetree Café program is not appropriate for young children.

Admission to the 60-minute event is free. Snacks and beverages are available. Lifetree Café is located at The Center in the Lake Center Mall in Arnolds Park: 66 N. Hwy 71, #2.

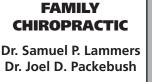

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at

Behind strong performances by nearly all members of the team, the OSL Debate team finished 3rd last weekend at the Iowa High School Speech Association State Tournament. The Debate team has finished in the top 5 at the IHSSA Tournament for 14 of the last 15 years.

Leading OSL were the Lincoln-Douglas debaters. After five preliminary debates, four debaters earned their way to the elimination rounds. In the first elimination round, Hannah Grosvenor and Carson Miller were knocked out, while Jack Humphrey and Rebecca Owens moved on. Humphrey lost in the quarter-finals, and Owens moved on before losing in the semi-finals to the defending state champion who would claim her second straight LD title. Owens is the first Spirit Lake debater to make it to the Semi-finals in Lincoln-Douglas debate. Bin Huang also debated for OSL, but he lost the last bubble round to just miss elimination rounds. The debaters were arguing over the idea of a mandatory Living Wage.

Coach Greg Stevens commented, "I'm so proud of this group, especially Owens. She and Grosvenor have had up and down years, but We are looking for employees who want to become part of our caring team.

this success really shows their talent."

Grosvenor, Owens, and Miller also earned 1st Team All-State Honors for speaking. Grosvenor became the first 4 time Lincoln-Douglas 1st Team All-State Speaker.

In Public Forum debate, OSL had only two teams, Brandie Bushee and Emma Myhre and Andrew Dunn and Samantha Wuebker. Both teams finished preliminary rounds with perfect 5-0 records, and they both won their first elimination round before being sidelined in quarters on 2-1 decisions. Myhre was the tournament's overall number 1 speaker and Dunn finished 9th, enough to give them All-State credentials. Myhre has been a top 5 speaker all four years of high school.

"Bushee and Myhre have been a good team all year. It's nice to see their best performance happen here. Plus, Dunn and Wuebker have only debated together once before, so their success shows how much work they did to get ready," commented Stevens.

The topic for this group was "United Nation peacekeepers should have the power to engage in offensive operations.

In Congressional Debate, the Arrowood sisters, Kaycee and Rylie represented OSL. After preliminary rounds, Kaycee advanced to the Awards house where she finished 11th overall in the state, just missing All-State honors. Rylie advanced to the Beta or second house, but she didn't let the disappointment set her back. She worked hard in the final session and won the Beta house!

Stevens commented, "I'm very proud of the performances today. The work coming in was hurt by all the bad weather, so it tells me how much students worked on their own."

OSL Debate is coached by Stevens and Cheri Shatto with some help from former student, Jack Ave.
