"Cardiac rehab changed my life, and still does."

— Rev. Carl Burger, Danville pastor

**Keep Your Heart Close**

After a successful surgery to repair four blockages in his heart, Carl Burger began cardiac rehabilitation at Danville Regional Medical Center, a Duke heart affiliate. The expert, compassionate care helped him get back to what was really important – helping others as a pastor in our community. Danville Regional's cardiac rehab program ignited such a difference in Carl that he still attends sessions regularly, seven years later.

At Danville Regional, your heart is our priority. When the highest quality heart care is this close to home, the choice is easy.

You can keep your heart close. Just like Carl.

**The Lost Cell Phone**

A customer left his cell phone in a local convenience store, so when the clerk found it, he scrolled through the customer's saved numbers, stopped at "Mom" and pushed send. The customer's mother answered, and the clerk told her what happened.

"Don't worry," she said, "I'll take care of it."

A few minutes later, the cell phone rang. It was "Mom."

The clerk answered...

"Martin," she said, "you left your cell phone at the convenience store."

The Ford Motor Company's Model T was offered in several styles, not unlike how vehicles of today are offered in various models. Among the Model T styles available was a two-seat runabout, which can be considered a precursor to the coupe style popular today, and a seven-seat town car, which might be considered an ancestor of today's SUV, at least with regard to passenger capacity. While prospective Model T drivers had some options when choosing which Model T they wanted to purchase, between 1913 and 1925 the car was produced only in black. The Model T engine was a 4-cylinder engine that generated 20 horsepower. To put that latter figure into perspective, many of today's riding lawn mowers are 20 horsepower, and some commercial lawn riding mowers provide as much as 40 horsepower. While car dealers might not sell too many cars featuring 4-cylinder, 20 horsepower engines today, historical estimates suggest that more than 15 million Model T's were built and sold between 1908 and 1927, the last year the car was produced.

- **Closure for the Disappeared: Forensic Anthropologist to speak at DCC**  
Are you a fan of TED talks? You won't want to miss this: DCC is thrilled to be hosting TED speaker Fredy Peccerelli on Thursday, April 13, at 11 a.m. in Oliver Hall! Mr. Peccerelli is a forensic anthropologist who delivered a TED Talk in 2014 about his efforts to bring closure to the families of more than 200,000 Guatemalan citizens who were killed during the Central American country's 36-year civil war. He is also the father of one of our students, Tristan Peccerelli, who plays for the DCC Knights baseball team. Event is free and open to the public.
- **Beyoncé, Black Feminism, and African Diasporic Imagery**  
Calling Beyoncé lovers (and haters)! Community members, faculty, staff and students are invited to attend a special FREE drop-in session of ENG 254 starting Tuesday. For two and a half weeks, we will explore and examine Beyoncé's Lemonade aligning it with texts written by Black female writers and African diasporic images. The class runs 9:30-10:45 a.m. on Tuesdays and Thursdays in Temple Building, room 109 (downstairs). Drop by, or email Ms. Jennings to RSVP at kjenning@dcc.vccs.edu.
- **Examining Hip-Hop's Lyrical Canon with Dasan Ahanu**  
Artist, educator, and organizer Dasan Ahanu is the Nasir Jones Hip-Hop Fellow at Harvard University. A regular guest on national radio and TV, he is also active as a recording artist and regularly hosts poetry, jazz, and Hip Hop cultural events in Raleigh-Durham, North Carolina, where he is assistant professor of English at St. Augustine's University. Dasan serves as president of the Black Jedi chapter of the Universal Zulu Nation. Please join Dasan at Danville Community College on Wednesday, April 26, as he explores hip-hop's deep and enduring artistry and the qualities that define the rap classics at 6 p.m. in Oliver Hall! This event is free and open to the public and is sponsored by DCC Student Activities and DCC's African American Culture Club.

**Salome's Stars**

**ARIES** (March 21 to April 19) A sudden change of plans could lead to a misunderstanding with a friend or family member. Be ready to offer a full explanation of your decision. A past favor is returned.

**TAURUS** (April 20 to May 20) Expect pressure from those who want you to change your position on a matter of importance. However, the determined Bovine will be able to withstand the bullying and win out.

**GEMINI** (May 21 to June 20) It's time to stop dwelling on past disappointments and move on to other possibilities. By week's end, you'll be meeting new people and making new plans for the future.

**CANCER** (June 21 to July 22) A long-simmering situation between co-workers threatens to heat up and could create problems with your work schedule. Best advice: Consult a supervisor on how to proceed.

**LEO** (July 23 to August 22) You might have just learned that someone close to you is keeping a secret. And, of course, the Cat's curiosity has gone into overdrive. But be patient. All is revealed soon enough.

**VIRGO** (August 23 to September 22) Don't give up. The recognition citing the good work you recently did will come through. Meanwhile, an opportunity opens up that can lead to a lot of traveling later on.

**LIBRA** (September 23 to October 22) A financial crunch eases, but it's still a good idea to keep a tight rein on what you spend for nonessentials. Education becomes a major focus as the week winds down.

**SCORPIO** (October 23 to November 21) Recent encounters with stressful situations could require some restorative measures to get your energy levels back up. Talk to your doctor about a diet and exercise program.

**SAGITTARIUS** (November 22 to December 21) New connections follow changes on the job or in your personal life. But keep your feelings reined in until these relationships have a chance to develop.

**CAPRICORN** (December 22 to January 19) Pay more attention to your aches and pains, but avoid self-diagnoses. Seek professional advice to make sure these problems won't lead to something more serious.

**AQUARIUS** (January 20 to February 18) You love doing research and learning new things, so you'll be happy to know that education becomes a big part of your life at this time, and for some time to come.

**PISCES** (February 19 to March 20) Your Piscean penchant for doing things logically could be challenged by an equally strong emotional reaction to a new situation. Best advice: Keep the two factors in balance.

**BORN THIS WEEK:** You love music and nature. You would be an excellent environmentalist, as well as a fine singer or musician.

**THE MEANING BEHIND EASTER SYMBOLS**

Easter Sunday is one of the most meaningful days on the Christian calendar. Easter commemorates the resurrection of Jesus Christ, who Christians believe died by crucifixion as a sacrifice to atone. Many symbols are associated with Easter, and understanding these symbols can help Christians and non-Christians alike gain a stronger grasp of this deeply meaningful Christian day of worship.

- Lamb: According to CatholicCulture.org, the lamb represents Jesus Christ, who Christians believe is the Son of God. The lamb can be connected to Jewish Passover, a Jewish holiday that commemorates the liberation of the Israelites from Egyptian slavery. During the celebration of Passover, each Jewish family killed a lamb as a sacrifice. Christians commonly refer to Jesus as the Lamb of God who God sacrificed so Christians' sins could be forgiven.
- Easter eggs: While Easter eggs may seem like a secular symbol of Easter, their connection to Easter dates back many centuries. CatholicCulture.org notes that the early Christians saw the egg as symbolic of the tomb out of which Christ emerged when he was resurrected. Early Christians even painted Easter eggs, much like parents do with their children today, and even had them blessed and gave them as gifts. Historians believe King Edward I of England, who ruled from 1272 to 1307, dyed boiled eggs and gave them to members of his royal household on Easter.
- Clothing: New clothing is another symbol of Easter that traces its origins back further than many Christians may realize. It's customary for present-day Christians to don their Sunday best when attending Easter Sunday Mass, and the tradition of looking sharp on Easter can be traced to the early Christians, who would wear new white robes for baptisms during Easter services. Eventually, all Easter celebrants began to wear new clothes during Easter services.
- Palm fronds: Palm Sunday is the final Sunday of Lent, taking place one week before Easter Sunday. Palm Sunday commemorates Jesus' triumphant entry into Jerusalem. According to the Gospels, Jesus rode a young donkey into Jerusalem, where the townspeople threw palms in front of him in homage. That practice was a customary sign of respect in Jerusalem, and today Christians believe the palm is a sign of peace. Palms continue to be distributed to the faithful during Palm Sunday Mass.

Administration. Following active duty in World War II in Europe, he became a certified public accountant, practicing public accounting for 50 years, first with A.M. Pullen, and as senior partner of Manning, Perkinson, Floyd & Co. A gold medal winner when he passed the CPA exam, he served on committees and commissions establishing standards for auditing and accounting procedures and tax practice.

Mr. Floyd served tours of duty overseas as a commissioned officer in W.W.II and again during the Korean Conflict. He was a navigator and flew B-17 missions in the 15th Air Force while stationed in Foggia Italy, and was awarded the European Theater medal with two battle stars and a Presidential Unit Citation for missions flown. As a reserve officer he attained the rank of Captain while serving as auditor assigned to the US Air Force, Wiesbaden, Germany.

Mr. Floyd was an active lifetime member of Moseley Memorial United Methodist Church, serving as Sunday School superintendent, teacher, choir member, administrative chairman and trustee. As a 55 years member of Danville Host Lions Club, he was named a Melvin Jones Fellow by Lions Club International. He served two terms on the Board of Directors of the YMCA, and continued as a trustee of the Carrington Charitable Trust Funds until his demise. He served two terms on the Board of Managers of the Danville Golf Club, where he enjoyed many rounds with his golfing friends, and accumulated at least four holes-in-one in spite of his unconventional swing. In their retirement years, Bob and Olga traveled extensively all over the world.

Mr. Floyd is survived by his wife of 69 years, Olga Carson Floyd, of the residence and children: Patricia J. Floyd, (Kate)Ithaca, NY, Pamela Pulley (Glenn), Danville, and Robert K. Floyd, Jr., Roanoke, Va. Three grandsons are J. Carson Pulley (Evelyn) of New York, NY, Andrew W. Pulley, New York NY, and Robert K. Floyd, III, Arlington, Va. Two great grand children are Bess and Tommy Pulley. A brother, Richard

M. Floyd, Jr., and three nephews also survive.

A Memorial service celebrating his life will be held at Townes Memorial Chapel, Danville, at 3 pm, on Saturday, April 8, 2017, to be preceded by a visitation beginning at 1pm. The family suggests memorial gifts to the charity of your choice.

### Noah Francis Gibson, IV, MD

Noah Francis Gibson, IV, MD, of Danville, Virginia—a loving husband, father, uncle, and friend—died on April 6, 2017, at Duke University Hospital after a brief illness.

Born in 1946, the son of Noah Francis Gibson Jr. and Lydia Carroll Gibson, he grew up in Tatum, South Carolina, and graduated from Wofford College and the Bowman Gray School of Medicine (now the Wake Forest School of Medicine). Afterward he served as a pediatrician at the U.S. Army hospital in Okinawa, Japan, and as chief of pediatrics at Moncrief Army Hospital in Fort Jackson, South Carolina. In Danville, he was a much beloved pediatrician from 1978 until his retirement in 2016. He was a fellow member of the American Academy of Pediatrics and a member of the American Medical Association, the Virginia Chapter of the American Academy of Pediatrics, the Virginia Medical Society, and the Danville-Pittsylvania Academy of Medicine. Dr. Gibson held leadership positions on several state committees related to children's health; he also chaired the Danville Memorial Hospital's department of pediatrics for five terms and later served as chair of the Danville Regional Medical Center's Department of Women and Children. With adjunct professorships at the University of Virginia School of

Medicine, James Madison University, the Virginia College of Osteopathic Medicine and other institutions, he helped train numerous young medical professionals. Dr. Gibson was also an avid violinist—a childhood pursuit he later returned to as an adult when his daughter Catherine began taking lessons—and he became a founding member of the Danville Symphony Orchestra, playing first violin from 1993 to 2017. He loved traditional Irish music, and most Sundays he could be found playing in Irish sessions in Greensboro or Winston-Salem, North Carolina. He was an enthusiastic duck hunter, fisherman, and target shooter. He was kind, funny, and generous.

Dr. Gibson is survived by his wife of 46 years, Linda Johnson Gibson; and his two daughters Lydialyle Johnson Gibson of Somerville, Massachusetts, and Catherine Hall Gibson of Washington, D.C. Donations in his memory may be made to Wofford College and to the Danville Symphony Orchestra Endowment.

A visitation will be held at Townes Funeral Home on Sunday, April 9, from 6 to 8 p.m. A graveside service will be at the Harrells Community Cemetery in Harrells, North Carolina at 1 p.m. Monday, April 10.

### Louise Throckmorton Conway

Louise Throckmorton Conway, of Danville, VA, died on Saturday, April 8, 2017, at the Danville Regional Medical Center.

She was born on January 23, 1930 in Prince Edward County, VA, the daughter of the late Ella Womack Throckmorton and T. Tulane Throckmorton. Louise worked in interior design for over 30 years and loved to make things beautiful. She wanted to be remembered as a person who could make you laugh.

Louise was married to the late French H. Conway. They shared 44 years of entertaining friends and living life to the fullest.

She is survived by her daughters, Helen Bedsole and husband, Carl, and Donna LeFevers; four granddaughters; and seven great-grandchildren.

## In Loving Memory Of Greg Cooper • 9/19/63 ~ 4/12/16

One year ago you were taken in the blink of an eye. We miss you every day, for we didn't say goodbye. We can feel your presence and see pictures of your face. We know we have to trust God as we ask Him for His grace. We don't want to be angry, or cry bitter tears. We know you're watching over us, as you did when you were here. We notice all the signs that you send to cross our path, but we still miss you so much as a husband, papa & dad. We take comfort knowing you're not hurting like we are. We smile when we think of you as an angel among the stars. We know that you'll be waiting at Heaven's pearly gates, for us to join you one day and look upon your face. There will be rejoicing. No more pain or fear. For we'll be reunited with the one that we hold dear.

We Love You Always ~ Monica, Samantha & Cooper

**VETERANS POST**  
 by Freddy Groves

**VA Regulations Let Bad Apples Linger**

A recent press release details the Department of Veterans Affairs' difficulty in firing an employee for misconduct, saying it will take 30 days to get rid of him. The employee in question was removed from patient care, but he's still there, pulling in a paycheck.

The steps to dismiss an employee generally have taken 270 days. There has to be 30 days advance written notice ... after multiple other steps are first taken to gather evidence. Then there are replies, and appeals, and a long period during which the disciplinary board takes it all under advisement, and more replies and appeals, while the employee is still getting paid.

It could be worse ... and it is. Take the case of the surgical nurse who showed up for work drunk, and then operated on a veteran. It will take nine months to get him out of there, at a minimum. Extensions can increase that time. He was charged with reckless endangerment, being drunk in public and driving drunk after spending time at a casino, but the VA can't quickly fire him.

Now the VA is working with Congress to speed legislation that would cut the time needed to get wayward employees off the rolls. The VA Accountability First Act will give the VA secretary the power to expedite a firing. Still, there's the required advance notice, the response time, the appeal, a final ruling ... and those all add up.

Another bill, H.R. 27, signed off by the House and handed to the Senate, has a hope-inspiring title, "Ensuring VA Employee Accountability Act." The devil is in the details, though. All the act requires is that copies of reprimands and admonishments remain in the employee's permanent record, yet it's been sitting there since January.

## Butterflies Take Flight at Danville Science Center

Saturday, April 15 • 10 am – 3 pm

Danville Science Center announces the seasonal opening of its Butterfly Station & Garden on Saturday, April 15. To mark the annual opening, the Science Center will host Butterfly Hello!, a free, festive outdoor event with activities for all ages.

Celebrating butterflies and all things gardening, Butterfly Hello! invites the community to learn about the brightly colored creatures firsthand – from their life cycles to habitats and beyond. Guests will be able to challenge their butterfly knowledge, enjoy hands-on crafts, learn the best methods to attract butterflies to their yards and test their ability to identify local and exotic butterfly species.

Experts from the Danville Master Gardeners Association will be onsite to answer questions, strengthen the green thumb of novice gardeners and offer advice to experienced horticulturalists. Event attendees are encouraged to visit the Science Center's Butterfly Station & Garden for free from 10 am – 3 pm, for the chance to be among the first to see hundreds of butterflies take flight.

“Opening the Butterfly Station is a real treat that we look forward to each spring. Being able to get up-close with butterflies and understand how important the environment is to these insects is an invaluable experience,” says Adam Goebel, Executive Director of the Danville Science Center. “Inspiring people to take simple steps for a healthier world and body is key to our mission, and we hope that our summer programs strengthen that dialogue within the community.”

This summer the Science Center will also feature the traveling exhibition, Eat Well, Play Well. The bilingual experience explores biology and energy through highly interactive activities, promoting overall wellness and healthy lifestyle choices.

Butterfly Hello! is a free event. Tickets to Danville Science Center are \$7 with \$1 discounts for children 4-12 and 60+. For more information, visit [dsc.smv.org](http://dsc.smv.org) or call 434.791.5160.

A FILL-IN PUZZLE

Pictured above is a crossword puzzle grid. Below are the 17 words that you'll need to complete the puzzle using the trial-and-error method. Keep a good eraser handy!

- |       |       |       |
|-------|-------|-------|
| AGES  | BAKED | ICED  |
| ACHED | BENCH | KEEPS |
| AFAR  | DOMED | OWNER |
| AGATE | DREAM | SALON |
| BADE  | EBBS  | SODA  |
| BADGE | FAIR  |       |

©2003 King Features, Inc.

**TRY MOWING DOWN THIS PUZZLE!** Replace the letters in this AlphaMath puzzle with the digits 0, 1, 2, 4, 5, 6, 7, 8 and 9 so that you have a correct addition problem. The same letters get the same digits. Can you get a higher total than we did?

Our Answer: S=1, E=9, D=0, R=2, A=5, I=8, N=6, L=4, W=7, (1990 + 2586 = 4576).

**CHAIN REACTION!** Take the seven letters printed below our diagram and place them in the circles so that eight four-letter words can be read top to bottom along the connecting lines. All the words will begin with the letter in the top circle.

Answers: Top to bottom, left to right: Coax, coat, coop, clop, clap, clad.

## LEMON CHICKEN WITH ASPARAGUS

- 1 1/2 tablespoons olive oil
- 4 chicken breasts, about 3 pounds, washed and fat trimmed and removed
- 1 teaspoon salt
- 1 teaspoon pepper
- 1 1/2 teaspoons poultry seasoning
- 4 garlic cloves, chopped
- 1 red bell pepper, chopped
- 1/2 pound asparagus, stalks trimmed and cut into 1 inch pieces
- 1 teaspoon lemon zest
- 1/2 cup chicken stock
- 3 cups cooked rice

1. In a large non-stick skillet, heat the oil over medium high heat. Season the chicken pieces with the salt, pepper and poultry seasoning. Place the chicken, skin-side down, and cook for 5 to 7 minutes. Turn the pieces skin-side up, and cook until golden brown and done, about 5 minutes.
2. Stir in the garlic and red bell pepper. Add the asparagus and cook for 1 minute. Stir in the zest and the chicken stock and bring to a simmer. Cover and cook for 3 minutes. Serve immediately over hot rice.

\* "Safety-pin fitted sheets and mattress pads together on the edges when washing and drying. It keeps other items from balling up inside." -- M.W. in Iowa

\* Here's a great (and super simple) tactic for making a cool, delicious treat, from L.O. in New Mexico: "Purchase a six-pack of single-serve yogurt tubs with a paper or foil lid. Poke a wooden ice-pop stick into each on and put the whole thing in the freezer. The next day you have a pack of yummy yogurt pops, which have nutrition and taste great."

\* Great grapes! This tip will be a hit at your next outdoor barbecue: Serve wine (and punch, too) with frozen grapes as ice cubes. Wash and rinse a bunch of grapes and stick them in the freezer. They make a tasty snack all alone, but will keep a glass of white wine chilled while not watering it down."

\* "To charge your phone a bit quicker, try putting it in airplane mode. It really does help." -- W.E. in Mississippi

\* Get all the tomato paste out of the can with this kitchen hack: Open up one side of the can, then run a butter knife around the inside perimeter to separate the paste from the can. Finally, flip it upside down on a plate and open the other side of the can. Remove the can with a bit of a shake, and it should slip out just like cranberry jelly!

\* Don't remember how long you've had those eggs? Here's a handy tip to check any egg: Submerge in a glass of water. Fresh eggs lay flat on the bottom. Aging but still good eggs stand up, but remain submerged. If your egg floats, better not chance it.

Send your tips to Now Here's a Tip, 628 Virginia Drive, Orlando, FL 32803.
