Obituaries

Lorene Mildred (George) Gustafson was born on a farm near Laurens, Iowa, on January 14, 1923. Her parents were Lyman and Arlene (Burroughs) George. They soon moved to a farm near Rolfe, Iowa, where Lorene grew up with one older brother and four younger sisters. Lorene graduated from Rolfe High School.

On March 9, 1942, she married Harold Gustafson from Albert City, Iowa. Harold was in the Army and they lived in Pharr, Texas, for three years where he was stationed. They then moved to a farm northeast of Albert City where Harold grew up. Lorene and Harold had eight children who all grew up on this farm. They moved to Okoboji, Iowa, in 1980. Prior to moving to Okoboji, she spent several years working at Pleasant View Nursing Home in Albert City. Lorene worked with Dickinson County as a home health aide after moving to Okoboji. During retirement, Lorene was an active member of First Presbyterian Church in Spirit Lake. She also taught Bible study classes at Welcov Assisted Living for several years. Lorene was dedicated to her Christianity and enjoyed the comfort it gave her. Lorene was an extremely talented seamstress. She made numerous dresses for her daughters, granddaughters and great granddaughters, as well as a quilt for each of her grandchildren. And no one . . . could ever top her homemade pies . . . at the church auction, the family reunion, or at dinner with her children.

Lorene died at Hilltop Care Center on Monday, March 9, 2015 (Harold and Lorene's wedding anniversary).

She is survived by seven children – Jean Mark (Doug) of Ann Arbor, Michigan, Loren Gustafson (Linda) of Spirit Lake, Iowa, Dennis Gustafson (Jeanne) of Lone Tree, Colorado, Rosemary Buchholz of Madison, Wisconsin, Ruth Ann Wolf (Paul) of Middleton, Wisconsin, Lance Gustafson (Wanda) of Overland Park, Kansas, and Bruce Gustafson (Peggy) of Okoboji, Iowa. Lorene also leaves 14 grandchildren and 17 great grandchildren to mourn her passing. She was preceded in death by her husband Harold, son Thomas, and son-in-laws Michael Levan and Mike Buchholz and granddaughters Erin and Michelle Buchholz.

J-Term Welding Class presents the City with a Sculpture

The Spirit Lake High School J-term welding class presented the City of Spirit Lake with a sculpture they created. Students are pictured with the sculpture, Brad Travis (the instructor) and Mayor Blain Andera: (front row) Ethan Bergendahl, Parker Tolman, Blake Mart, Mitchell Elmquist, Justin Jones, Gage Tolman; (back row) Brad Travis (Instructor), Molly Westmeyer, Caleb Howatt, Brayden Kuker, Branden Johannsen, Koby Blocker, Brayden Townsend, Mikaela Gaskill, Blain Andera (Spirit Lake Mayor).

The City provided the class with an image of the City's sails logo and asked the class to come up with its own interpretation in the form of a sculpture, which the City now has on display in the lobby of the new City Hall.

The City is excited about the results of the hard work put in by all the students involved. The creativity and the quality of workmanship is amazing.

Captain's Getaway Hosting Fundraiser for GB Leighton

This Saturday, March 21st, make plans to come out and support the talented musician, performer, and songwriter GB (Brian) Leighton! For more than a decade, the band has frequented the Captain's Getaway stage in Arnolds Park. However, on stage this Saturday, will be another popular band singing in his honor - The Whiskey Plates. They will be playing many of the GB Leighton songs we've all come to know and love in Brian's honor and to help him through his recovery. The Whiskey Plates are also a favorite band for "Captain" audiences. Along with their GB Leighton tribute The Whiskey Plates playlist consists of songs from Eric Church, Jason Aldean, Keith Urban, Dierks Bentley, Luke Bryan, Zac Brown Band and many more.

As the lead singer of his band, Brian Leighton was diagnosed with teratoma, a spot on a lymph node in his stomach area. He has been in this situation twice before in the last number of years. This time, he needed surgery, which took place on Monday, March 9th, and he is now recovering.

Thankfully Brian has medical insurance; unfortunately, insurance only covers so much (in and out of network) and does not include any of his travel expenses to Indiana. Being self-employed and being a musician, when you can't work you don't get paid, but the expenses keep coming in. Because Brian hadn't been feeling well for quite some time, plus the addition of time off for his surgery and recovery, work hasn't happened in a while. For more information on his diagnosis and progress, please visit <http://www.youcaring.com/medical-fundraiser/never-walk-alone-gb-brian-leighton/317722>

The band, "GB Leighton", was named after one of the regions' most incendiary live performers and consistently solid songwriters, Brian Leighton, performing over 200 shows a year. Through more than a decade Leighton and his six piece band have been a favorite with their rock songs that connect with the heart. "A man of the people" is a phrase usually reserved for statesmen and politicians, but for Leighton, it's a fitting description.

The Whiskey Plates will be on stage at Captain's Getaway this Saturday, March 21st at 9:30 playing many of the GB Leighton songs we've all come to know and love in Brian's honor!

Cinderella
March 30, 2015
7:00 pm
Rossini's version of the classic-fairy tale Cinderella is a vocal and comedic romp! A wise magician takes the place of the fairy godmother and the girl's father rants and raves instead of a wicked stepmother, but the nasty stepisters, Prince Charming and a glass slipper prove, beyond all question, that this is the fairy tale we all know and love. And when it's combined with hilarious characters and situations and set to some of Rossini's finest music, it becomes comic opera at its most exhilarating best!

Films For The Cinematically Disadvantaged

Monday, March 23rd - *Behind the Sun* (2001, Brazil) 105 minutes - Drama
When ordered by his father to avenge the death of his older brother, a young man questions the tradition of violence between two rival families.

Monday, March 30th - *Rififi* (1955, France) 122 minutes - Crime/Drama/Thriller
After making such American noir classics as *The Naked City* and *Brute Force*, blacklisted director Jules Dassin went to Paris and embarked on his masterpiece: a twisting, turning tale of four ex-cons who hatch one last glorious heist in the City of Lights. At once naturalistic and expressionistic, this melange of suspense, brutality, and dark humor was an international hit and earned Dassin the Best Director prize at the Cannes Film Festival.

All films are presented at Carey's Electronics, 220 Grand Avenue in downtown Spencer. Films are shown in the screening room upstairs. All films begin at 7:00 pm. Admission is free, but donations are welcome! Free refreshments are served, outside snacks welcome.

The Volunteers, tonight at Lakes Art Center

If you heard Sgt. John Lamirande Sunday morning at *Class 105*, you might understand that members of the U. S. Army Field Band, *The Volunteers*, are having entirely too much fun touring the country. Their month-long trek is taking them to eight states with 32 gigs in about that many days.

Lamirande has been with *The Volunteers* for about 24 years in what is largely an effort to promote careers in the U. S. Army. It's a pretty good gig for a musician, with 100 - 120 school appearances and concerts in the Maryland, Virginia and District of Columbia area, in addition to the annual jaunts across the country. Since its inception in 1981, the band has been telling the Army story through rock, pop, country, and patriotic music.

One thing of particular interest is that while the six band members play music directed to high school students when they are in the schools, the evening concerts "are ratcheted down a bit," still including much more modern music than Glenn Miller featured in his Army Air Corps aggregation some 70 years ago. But if you think about it, the Iowa-native was also playing for young GIs who were mostly right out of high school.

Trumpet-player and band leader Ray Anthony told us years ago that the average for Miller's band members wasn't much over 19 before the civilian band was dissolved. Ray was just 19 when he joined Miller.

Tonight's (Tuesday) show at the Pearson Lakes Art Center begins at 7:30. But do call ahead to reserve your tickets. As Lamirande explained, "We don't want to have 500 people standing in line for an auditorium that only seats 300 people!" The box office phone is 712-332-7029...

Congratulations are in order to the Spirit Lake High School Show Choir and combo for earning the Grand Champion class trophy, Saturday at the show choir competition at Sioux Falls Washington High School. The group was also selected to compete in the finals where the students earned fifth runner-up honors in open class competition. Josie Hoiem was selected as an outstanding performer in the finals that night.

Last week we noted that Spirit Lake High School singers did well in the previous weekend's show choir competition. That included both the Show Choir and Vocal Jazz groups earning second place in Class 3A competition. But what high school vocal director Duane Ites didn't mention until after our deadline is that the middle school show choir, *Spirit Rising*, also did what he told us later was "an awesome job," earning a second place trophy in middle school competition, and an award for best vocals. Outstanding female soloist honors went to Anna Aschman.

Truth in advertising here demands that we tell you the SLMS group is directed by the no-doubt related Sally Ites...

By the time you are reading this SLHS student singers and musicians will be packed and ready to leave bright and early Wednesday morning for the Universal Studios OrlandoFest. We wish them well...

The Marshall County Hangmen will be performing, Thursday night, at Boji Bay Fun House Pavilion, from 7 - 9 p.m....

Spring is right around the corner. Adam Layman will be entertaining Thursday night, from six 'til eight, at the Little Swan Lake Winery, where West-O Beer will help the little ol' winemaker celebrate SpringFest at the Winery, on Saturday, the first full day of Spring, from 1 - 4 p.m....

Then, Sunday, Dave Rowley will return to the stage in the bar, from 4 - 6 p.m.... *The Whitesidealls Rock 'n' Roll Reue* will be on stage at the Fairmont Opera House, Saturday night, with a 7:30 curtain...

A reminder: Free student tickets will be available for Pre-K through 8th grade students, for the March 30th *Opera Iowa* presentation of Rossini's classic fairy tale, *Cinderella*, at the SAMI Center.

The free tickets will go to students who are accompanied by an adult with paid admission, and will be available on Wednesday, March 25, from 4 - 8 p.m., at the SAMI Center box office.

This is a great way to introduce your kids (or grandkids) to music with a bit more substance than Beyoncé, Pharrell Williams, and the like. It's comic opera with great music. Contact Terry Miller, 712-336-3707, x6500, for more information...

For the record, we hope to dig up another pair of *Cinderella* tickets to give away Sunday morning, at *Class 105*...

You are invited to join the *Old Professor for Ballads, Blues and Big Bands*, too, at *Class 105*, *The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji*. *Class 105...* airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM.

All the news that fits, we print. Please send your music-related announcements or comments to: class105@connect.com or P. O. Box 676, Okoboji, Iowa 51355-0676

It shall be the responsibility of buyer to comply with all local, city, county and/or state regulations regarding continuation or discontinuation of utility service to the property and regarding use of the property.

In the event enrollment of the 82.4 acres in the Conservation Reserve Program (CRP) is discontinued for any reason, then buyer shall pay to seller all sums seller would then be required to pay to the U. GENTIVA Hospice

Hospice Myths & FACTS

Hospice is a specialized level of care for those with life-limiting illness and their families. But many people are confused by the different thing they've heard and may be unsure if hospice care is right for them or their loved one.

Here are common hospice myths, along with the facts:

Myth: Hospice is a place.
FACT: While there are hospice inpatient units, the majority of care is administered in the patient's familiar surroundings such as their home, nursing home or assisted living facility.

Myth: Hospice care is only for cancer patients.
FACT: Hospice care is for any patient with a terminal illness, which can include end-stage heart disease, COPD, Alzheimer's disease, ALS (Lou Gehrig's disease) and AIDs, to name a few.

Cinderella at the Sami Center

Friends of the Sami Center is excited to announce that OPERA Iowa will perform Cinderella, open to the public at the Sami Center on, Monday, March 30 at 7:00 pm. The group will also perform The Billy Goats Gruff in a matinee performance to Spirit Lake school students.

Rossini's version of the classic-fairy tale Cinderella is a vocal and comedic romp! A wise magician takes the place

of the fairy godmother and the girl's father rants and raves instead of a wicked step-mother, but the nasty step-sisters, Prince Charming and a glass slipper prove, beyond all question, that this is the fairy tale we all know and love. And when it's combined with hilarious characters and situations and set to some of Rossini's

finest music, it becomes comic opera at its most exhilarating best!

Regular ticket price is \$10 for adults and \$5 for students. The free children's tickets with an adult ticket purchase will be available on Wednesday, March 25, from 4-8pm, at the Sami Center Box Office. Regular tickets will also be available at the door or

online at www.samicenter.org, but adults are encouraged to get the free tickets for children in grades PreK-8 on March 25 at the Box Office. For more information about tickets, contact Terry Miller at 712-336-3707, Ext. 6500.

People for Pets Launches Shoe Collection Drive

Shoe donations will also support micro-enterprises in developing nations and reduce what goes into landfills

People For Pets is conducting a shoe collection drive on March 15th through May 15th to raise funds for a new furnace for the shelter and to help with veterinary expenses. People For Pets will earn funds based on the number of pairs collected as Funds2Orgs will purchase all of the donated goods. Those dollars will directly benefit the shelter's needs. Anyone can help by donating gently worn, used or new shoes at People For Pets, 2312 Highway Boulevard in Spencer. The shelter is open Monday through Friday, 8:00am to 12:00pm and an after-hours collection box is located in the entryway. To schedule a special donation time email Donna at djerickson@hotmail.com.

All donated shoes will then be redistributed throughout the Funds2Orgs network of microenterprise partners in developing nations. Funds2Orgs helps impoverished people start, maintain and grow businesses in countries such as Haiti, Honduras and other nations in Central America and Africa. Proceeds from the shoe sales are used to feed, clothe and house their families. One budding entrepreneur in Haiti even earned enough to send her son to law school.

"We are excited about our shoe drive," said Donna Erickson, director of People for Pets. "We know that most people have extra shoes in their closets they need to get rid of and by donating them to us they help out the less fortunate and homeless animals in their local community at the same time. It's a win-win for everyone".

By donating shoes to the P4P Shoe Drive, the shoes will be given a second chance and make a difference in people's lives. Local organizations interested in learning more about conducting a shoe drive of their own can visit Funds2orgs.com.

LETTERS TO THE EDITOR

Dear Editor:

I am dropping you this note about the upcoming election on April 7 regarding the Okoboji Middle School.

I have been a resident in the Okoboji School District for 24 years. We have had a daughter graduate from Okoboji and a son that will be a 2016 graduate. These have been very memorable years for my family, not only living in our community, but the wonderful school experiences we've shared with our children at Okoboji Schools.

Wanting to give back to the community, I served on the Okoboji School Board for 7 years, and felt strongly during this time that the middle school belonged in the same area as the elementary and high school. I do believe this should have been done a long time ago. With any great project that you do, whether on a personal level or business level, there will be additional costs and increases in taxes, but the return is always great.

I have seen our community change and grow over the last 24 years, and our district has also grown. With the increase in enrollment, classes changing with the times, our school size is becoming inadequate. We all know that our yearly expenses would be less if we were in one location with the buildings, such as bussing, sports, lunches, and teachers. It is just plain common sense.

We are very fortunate to have great businesses who constantly invest in our area, adding more jobs to the market and with that come even more children. Why would we not want to give these children, our children, and future families a great place to call home during their school career. Our children spend the greater part of their childhood in school, learning, growing and making memories. Having one campus makes great sense!

I believe in investing for the future. The Iowa Great Lakes has been very good to me and my family. I too took a huge risk in rebuilding my business. It does make a difference. We all need to invest in our futures. Our community needs to invest in its future, our children's future, and for many more families to come.

- No investment, no return. Our children are too important.
- Investing in our children today gives us a great return on their future!

Let's all come together and build for our future by voting yes on April 7th.

Phil Mikko

Free Forum Discussion Of "The Omnivore's Dilemma"

"The Omnivore's Dilemma," by Michael Pollan is the core book chosen for use across the curriculum by Iowa Lakes Community College faculty and staff this year. In the past, some authors have been available for student convocations. But this year, the Core Book Forum is presented by local agricultural experts on Tues., March 24 at 2 p.m. in The Max on the Estherville campus. The Forum is free and open to the public.

Dennis McDonald and Doug Dingel, experienced professionals in small-scale and industrial organic and traditional farming discuss their operations and the changes in food production over the years. Lora Devereaux, assistant professor of communications acts as moderator.

The core book concept, according to Devereaux, was designed to "expose people to specific books that have merit for one reason or another." Using one book across the whole college is hoped to inspire events and activities that open students to other ideas and points of view.

Next year's core book is "The Sacred Acre: The Ed Thomas Story" by Mark Tabb.

View From The Bench

by John Adams, Jr.

Let the Madness Begin

This is definitely one of my favorite times of the year as we head full speed into the NCAA Tournament and March Madness. This year is better than usual as three Iowa teams, Iowa State, Iowa and Northern Iowa are all in the NCAA Tournament field for just the second time ever. The only other time this happened was in the 2003-04 season, but that year the highest seed for any Iowa team was Iowa State at #9. This year Iowa State enters as a #3 seed, UNI as a #5 seed and Iowa as a #7 seed, which means all three teams should be favored in their first round games.

Iowa State finished off their special 25-8 season winning their second straight Big 12 Tournament Championship on Saturday over Kansas 70-66. The Cyclones rallied from a 17 point halftime deficit to take down the Jayhawks, making it five straight games where ISU rallied from a double digit deficit to win. Iowa State will open up their school record fourth straight NCAA Tournament on Thursday against #14 seed Alabama-Birmingham, who is 19-15 and won the Conference USA Tournament. If the Cyclones win this game they will play the winner of #20 (6 seed) SMU or #11 seed UCLA and former Iowa coach Steve Alford. The Cyclones will have to get away from their habit of falling behind by double digits, as that will eventually catch up to any team, but the good news is this team believes they can win any game, no matter what the score is at halftime. ISU has a ton of fire power with five players averaging double figures and one more at 9.8. As long as the Cyclones continue to share the ball and play together I look for them to advance to the Sweet 16 in Houston with an 84-66 win over UAB and then a 78-71 hard fought win over a very good SMU team.

Iowa enters the NCAA Tournament coming off a disappointing 67-58 loss to 13th seeded Penn State in the Big 10 Tournament. This put a damper on a great finish to the season where the Hawkeyes won their last six games, and now enter the tournament at 21-11, where they will play the #10 seed Davidson. Most people only know Davidson as the school NBA star Steph Curry led to the Elite 8 in 2008, but this team is 24-7 and very good, having won 10 of their last 11 games in a solid Atlantic 10 Conference. I think Iowa's size will bother the Wildcats and that Davidson will have a hard time guarding Aaron White and Jarod Uthoff, as Iowa will get their first NCAA win since 2001 74-68. The Hawkeye's season, however, will end in the next round as they play #2 seed Gonzaga, who many people feel will make a run at the Final Four. The Zags are 32-2 and very good on both ends of the floor and will have too much fire power for Iowa to handle, sending the Hawkeyes home 81-72.

Northern Iowa has had a magical season and probably has a complaint that they didn't get a higher seed than #5 with their 30-3 record and Missouri Valley Conference Tournament Championship. UNI also got a tough first round match-up with #12 seed Wyoming, the Mountain West Conference Tournament Champions. The last time the Cowboys made the NCAA Tournament was 2002, which just so happens to be when I was coaching at Wyoming. That year Wyoming was a #11 seed and played #6 seed Gonzaga, who many people also felt was under-seeded as they were ranked #6 in the nation. Gonzaga spent much of that week complaining about their seed, and then got knocked out by Wyoming 73-66. UNI will have to avoid this same trap, as well as find a way to deal with Larry Nance, Jr or they will find themselves in the same boat as Gonzaga in 2002. UNI has a great team with probable All-American Seth Tuttle and a supporting cast that can really guard. Both of these teams pride themselves on defense (Wyoming beat San Diego State in the MWC finals 45-43), and I am going to predict a 12/5 upset with Wyoming winning 52-50, ending a magical season for the Panthers.

This truly is a great time to be a college basketball fan in the State of Iowa with our three public Division I universities playing on the big stage of the NCAA Tournament. Sporting News recently ranked the best Division I basketball states and Iowa was in the top 5 at #4, not bad for a state with just over 3 million residents. No matter how our teams do in the NCAA Tournament we should all be proud of the seasons they've had and celebrate this week of March Madness. What could add to the March Madness is if Iowa and Iowa State can both advance to the Sweet 16 they would have a rematch of their December tilt. While I can't guarantee that my predictions will be correct, I can guarantee that I will be just a tad bit distracted at work on Thursday and Friday!

ILCC Handbell Choir Performed in Kansas City

The 15-student Iowa Lakes Community College Handbell Choir performed a handbell selection at the handbell workshop, "Ring in the Spring!" at the United Methodist Church of the Resurrection, in Leawood, Kansas, (greater Kansas City area) on Saturday, February 28. Hailed for its virtuosity, the Iowa Lakes Handbell ensemble performed on a 5-octave range of Schulmerich handbells from C3 to C8, made of bronze and ranging in weight from four ounces to eight pounds. The choir also supplemented its handbells with a five-octave set of Schulmerich hand chimes and a two-octave set of Malmark cymbells. The Handbell Choir was under the direction of Professor Carol Ayres. The students' day for "Ring in the Spring!" consisted of mass ringing sessions, mini-classes, and fellowship with bell ringers from across the region. A 3 pm concert concluded the day with two guest clinicians/conductors. The concert featured two levels of performers: Bronze and Copper. Iowa Lakes Handbell Choir participated at Bronze ringers level and was also chosen to perform a selection.

BUILDING FOR OUR FUTURE

Impact future generations with a **"YES" VOTE ON TUESDAY, APRIL 7TH!**
 Polls Open Noon - 8pm
 Milford Community Building

How much will building a new 5-8 Middle School cost the Okoboji School District?

- The Phase I Expansion, a 62,000 square foot academic building, has an estimated cost of \$14.7 million.
- Delaying this expansion project is projected to create increased costs of roughly 5% or \$735,000 per year.

"AFTER ALL, IT'S ABOUT THE KIDS!"

Why would we not want to give these children, our children, and future families a great place to call home during their school career?
 We all need to invest in our futures. Our community needs to invest in its future our children's future, and for many more families to come.
Phil Miklo Arnolds Park

Okoboji Middle School Crowded Hallways

I'm thankful for the past, but looking into the future. I want to see the best possible situation for the present students, and students in the future. We need to think of what is best for the present and upcoming students.
Virgil L. Wahlman Milford

Julie and I ask you to please consider supporting the building of a new middle school adjacent to the high school in Milford. The number of students is a factor, but we also need to look at the changing requirements in education. Today's society and world economy require us to offer more classes so we can do our best to prepare all of our students.
 We honestly feel construction of a new middle school is a necessary investment that will benefit our entire community.
 Please support the new building project to help us give the next generation of students the opportunities they deserve.
Greg & Julie Forney, Okoboji Middle School and High School Instrumental Music Instructors

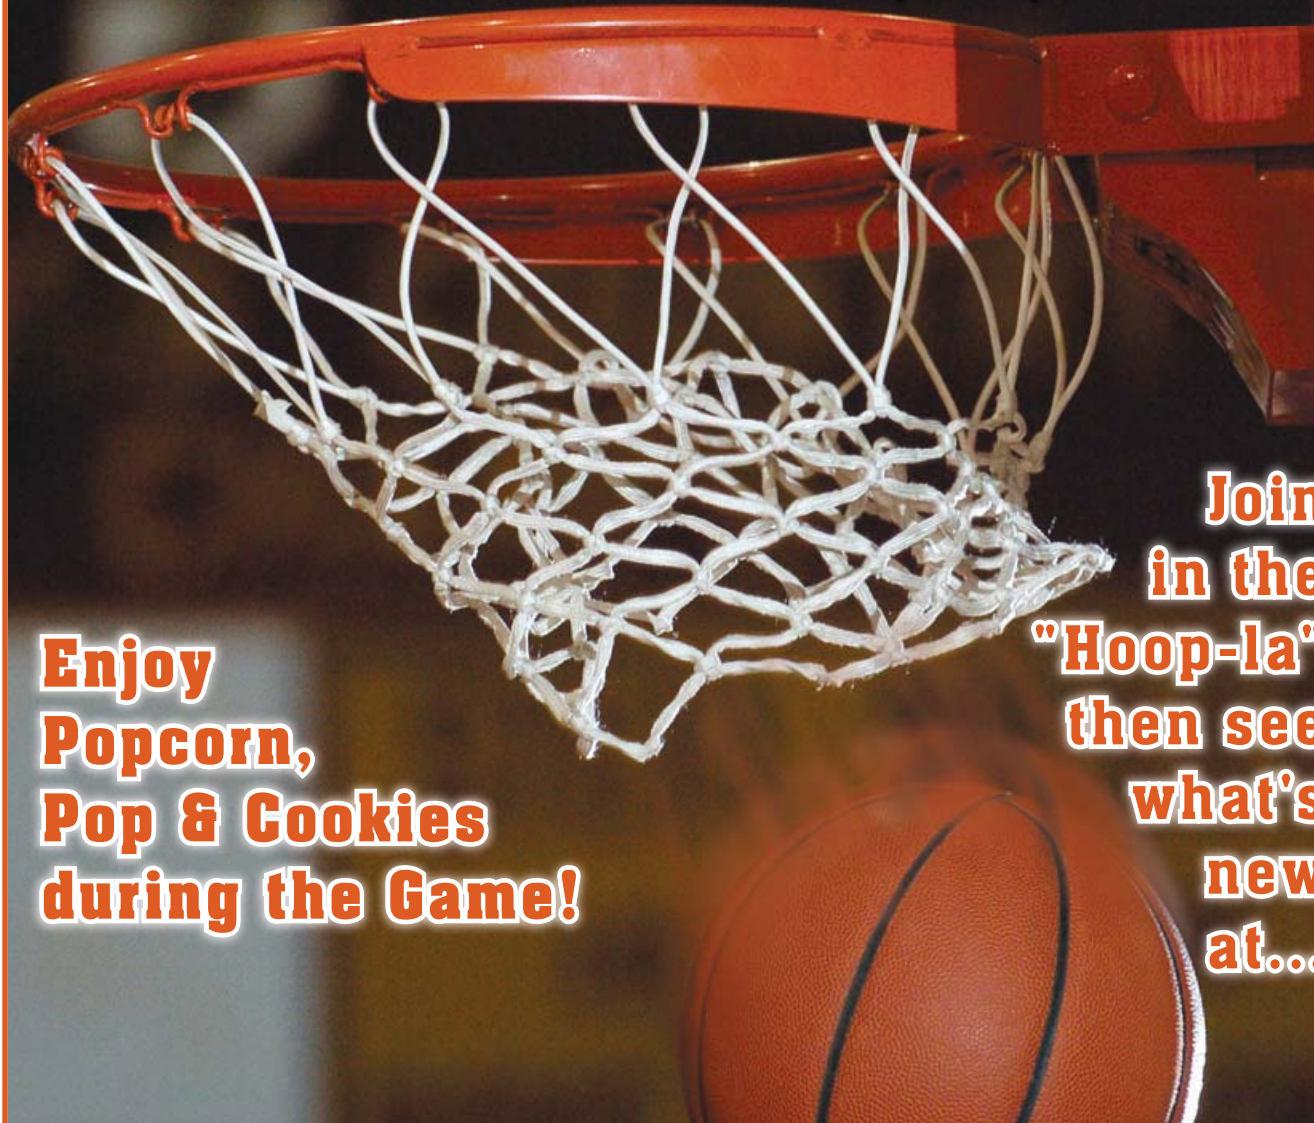

VOTE "YES" FOR OUR DISTRICT'S FUTURE AS WELL AS THE FUTURE OF OUR YOUTH!

This project is **MUCH MORE THAN JUST CLASSROOMS**, it is a statement of our value for education, for our youngest citizens and for our aspirations and expectations of the **FUTURE OF THIS DISTRICT.**

USDA Deadlines for Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC) Decisions

Call or Visit Your FSA Office Today

Don't lose your chance to elect ARC or PLC and qualify for 2014 payments. Update Your Yields, Reallocate Base and Elect ARC or PLC by **March 31, 2015**.
Landowners need to update farm yield history and/or reallocate crop base acres.
Producers need to make one-time election of ARC or PLC for 2014 - 2018 crop years.

What happens if you miss March 31?

- Your farm will not be eligible for 2014 crop year ARC or PLC payments.
- Your only option will be to enroll your farm in PLC for the 2015 - 2018 crop years and not ARC.
- Your farm's current counter-cyclical yield and base acres will be used for PLC.

Call your FSA County Office today to make an appointment! You can revise up until the deadline.

Honoring America's Farmers On National Ag Day March 18

March 31 Deadline For New Safety Net Program Quickly Approaching
By John R. Whitaker

For more than 40 years we have celebrated National Ag Day as a time to pause and honor the American farmer. Today, our farmers are the most productive and efficient in the world with each one helping feed more than 144 people. We thank you, as well as everyone who plays a role in producing the food, fiber and fuel our country and the world depends upon.

This year National Ag Week is March 15 – 21 and is highlighted by National Ag Day on Wednesday, March 18. And there is another very important date in March we want to remind farmers about this year. March 31 is the last day to make several important choices on federal safety net programs that could make a big difference for their farms through 2018.

The U.S. Department of Agriculture's (USDA) Farm Service Agency (FSA) is urging farmers and landowners across the nation to finalize their decisions by March 31 on updating crop yield histories and reallocating base acres for new safety net programs established by the 2014 Farm Bill, known as Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC). Updated yields and base acre reallocations could help improve a farmer's potential to recover payments when a weather disaster or unexpected changes in the marketplace negatively affects their income.

March 31 is also the last day to decide which program – ARC or PLC – is the right one for their operation. Each program provides unique protections. The best choice will depend on factors specific to their individual farm.

FSA, in cooperation with a number of universities, has provided online Web-based tools, found at www.fsa.usda.gov/arc-plc to help make this important decision. The online tools have already helped more than half a million farmers so far.

If you have not yet considered your PLC or ARC options, take the time today to explore the web tools and then contact your FSA county office if you have questions. Celebrate Ag Day and Ag Week with the peace of mind knowing your farm will be protected as you make plans to enter the fields this spring.

If you don't make a decision by the March 31 deadline, then you will be assigned Price Loss Coverage, the default program, and lose payments for losses incurred in 2014. However, if you complete your ARC or PLC election by the deadline, you will be protected against 2014 price or revenue losses.

Don't let this opportunity slip by. Finalize your yield or base acre decisions, complete those conversations between landowners and producers, and conduct your final reviews to determine how ARC or PLC can help you. Avoid that end-of-the-month rush, and make an appointment today. Your Iowa FSA county staff is standing by ready to help.

Northwest Bank Celebrates National Ag Day with Tips

Northwest Bank is celebrating National Ag Day on March 18th by providing financial tips to the next generation of America's farmers and ranchers. Unlike established farmers, young and beginning farmers may need to learn the basics of creating business relationships and what goes into making financial decisions.

"There are a number of challenges facing today's young producers. We're here to help navigate the financial ones," Curt Smith, Northwest Bank Ag Banker. "We want to make financial decisions easier so farmers can focus on the farm."

When speaking to a banker, young and beginning farmers should keep the following in mind:

1. Sweat the small stuff. Keeping accurate and detailed records encourages both short-term and long-term financial planning. Not only does it help you stay organized and make better management decisions, it makes it easier for your lender to assess your financial situation.
2. Develop a business and marketing plan. You will work smarter and improve your odds when you focus and organize your goals.
3. Evaluate your capital investments for profitability and payback. Keeping track of how long it will take to generate enough cash flows from a capital investment to justify the investment will help you make better financial decisions for the future.
4. Know your costs. When you consider your cost of living and expenditures, including depreciation and family living, you'll have a better understanding of your overall financial situation. Your local banker can provide guidelines to monitor your financial ratios.
5. Decide on what type of operation you want to run. New farmers and ranchers should either be very efficient, low-cost producers or should add value that someone else will pay for.
6. Consider supplementing your operation with off-farm income until your operation is large enough to employ you profitably full-time.
7. Consider renting farm equipment or custom hiring instead of purchasing.
8. Shop around. Getting price quotes on supplies such as feed, fertilizer and fuel can uncover lower cost sources. Your research might get you a discount from a local, preferred supplier that gives excellent service. Make sure product quality is part of your evaluation.
9. Ask your banker about how to get access to state and federal credit enhancement programs. Some banks also offer special benefits for first-time schedule F tax filers.
10. When in doubt, ask for help and guidance from someone you trust—an experienced farmer or rancher, a trusted adviser or your local banker. You don't have to make these important financial decisions alone.

National Ag Day, now in its 42nd year, is organized by the Agriculture Council of America.

Northwest Bank is a \$1.37 billion community bank that offers a full line of business, agricultural, mortgage, consumer deposit and lending services as well as wealth management services. Northwest Bank has offices located in Algona, Arnolds Park, Ankeny, Belmond, Estherville, Fort Dodge, Humboldt, Le Mars, Milford, Sioux Center, Sioux City, Spencer, Spirit Lake, Storm Lake, West Des Moines, Iowa and Omaha and La Vista, Nebraska. Milford Library News

Ideas

Spring is coming and this is a great time to try a new author. The Betrayers by David Bezmozgis was named a Wall Street Journal Best book of 2014, a New Yorker Favorite Book of 2014, and New York Times Book Review Editor's Choice. The Betrayers shows us a day in the life of Baruch Kotler, a disgraced Israeli politician. Within 24 hours Kotler will face those whom he betrayed and those who have betrayed him. Orfeo by Richard Powers was named a Chicago Tribune Best Books of 2014, New York Times Bestseller, longlisted for The Man Booker Prize, and longlisted for the National Book Award. Orfeo follows composer Peter Els who opens the door one evening to find the police on his doorstep. His home microbiology lab--the latest experiment in his lifelong attempt to find music in surprising patterns--has aroused the suspicions of Homeland Security. Panicked by the raid, Els turns fugitive. Check out both of these books and more at the Milford Memorial Library.

Now until March 27 is our coloring contest for preschool through 4th grade. All coloring pages will be put on the library windows. Each winner will receive an Easter basket. Coloring pages can be picked up at the front desk of the library.

Milford Memorial Library has put a new spin on the Easter egg hunt. We have taken 12 pictures of items around the library and your job is to find out where and what these items are. You will receive a piece of paper from the front desk that has 12 pictures in Easter eggs. Find and write down where all 12 images came from and turn your sheet in. Anyone can participate and the Easter egg hunt starts Tuesday, March 17, and ends Friday, April 3. We will draw for a prize on April 6.

Join us for great stories and much more every Friday morning at 10:00! Betty, our children's librarian, looks forward to sharing stories with you! No pre-registration is necessary. This Friday, March 20, at 10:00am, we will have stories about the "First Day of Spring."
