Keshequa's 7th Championship

Adam Hunt

On Saturday, March 18, 2017, the Keshequa Middle School Chess Team won its 7th GV BOCES Championship in a row in heart-stopping fashion.

Entering the fifth and final round, the match was very much in doubt. Keshequa's Adam Hunt had breezed through his first four games on his way to the individual championship. Dansville's Ethan Hart had lost only to Hunt and was poised to take second place.

Behind that, three Dansville players and one from Keshequa were vying for two places. When Dansville's Abby Belcher (3 1/2 points) defeated Keshequa's Jacob

**Sean James (left) defeated by
Abbey Belcher from Dansville**

James (3 points), Dansville was in the driver's seat with two individual matches left.

Adam Hunt playing Ethan Hart

Keshequa's Teddy Rodwell scored on 1/2 point but received the sportsmanship award. Keshequa now advances to the Twin Tiers Invitational on May 20.

Congratulations
Keshequa Chess Team
on another winning season!

Dansville's Ian Gibson (2-2) vs. Keshequa's Jillian Mitchell (0-4) and Dansville's Connor Knapp (2-2) vs. Keshequa's Sean James (1-3). But Michell launched a brilliant mating attack to leave Gibson with only two points.

Sean James would cap the comeback with a grandmaster-type move to salvage a draw from a losing position and leave Jacob James in sole possession of 4th place and Keshequa with an 8-7 victory.

CLIP & SAVE BOX TOPS

Box Tops for Education can be found on many of the products we all use everyday. General Mills provides us with 10¢ for each Box Top.

The MMPTSA returns the funds to each classroom. Students help earn \$2000 for teachers to spend in the classroom each year.

The MMPTSA also provides prizes throughout the year to classes bringing in the most Box Tops.

Please leave your Box Tops in the Main Office at MMCS or call Pam at (585) 704-4513 for pickup.

National Infant Immunization Week is April 22-April 29, 2017. "National Infant Immunization Week highlights the importance of vaccinating your children," said Jennifer Rodriguez, Public Health Director.

"Vaccines are among the most successful and cost-effective public health tools available for preventing disease and death. They protect the individual as well as the community."

All children should be immunized against 14 vaccine-preventable diseases by the age of two. If you have questions about vaccines, the Livingston County Department of Health encourages you to talk to your child's doctor and visit the Centers for Disease Control and Prevention (CDC) website at www.cdc.gov or New York State Department of Health (NYSDOH) website at www.health.ny.gov.

Vaccines are thoroughly tested before approval for public use, and monitored carefully by doctors, researchers, and public health officials. The benefits to preventing disease through vaccines are much greater than the possible side effects.

The Livingston County Department of Health offers vaccinations to children under the age of eighteen at our regularly scheduled immunization clinics.

For more information about our clinics or childhood vaccinations please call 243-7299 or visit <http://www.livingstoncounty.us/doh.htm>.
