YOU'RE DROWNING IN YOUR MORTGAGE

Ok you have gotten behind in your mortgage. You're feeling defeated and just stop paying. What else can you do but walk away. Well there are things you can do.

First there are steps you can take. Don't feel defeated and don't just walk away. Call the bank right away and tell them you are having financial problems. The bank will work with you if you call right away.

There are options. First if you owe more than the property is worth, there is an option called a short

sale. A short sale means the bank looks at the financial situation and determines whether you qualify for this program. If you qualify, that's great and most of the time it is accepted. If you want to keep the house, they have options where they can modify the loan and help you stay there.

The way to the best option is to start by calling your financial institution and letting them know you are having difficulties making your payments. There are options out there for you. Call me if you would like more information if you're in this situation.

we issue a refund or credit, we are under no obligation to issue the same or similar refund in the future. The Publisher reserves the right to change subscription rates during the term of any subscription. Rate changes may be implemented by shortening the duration of the subscription term. By agreeing to the Easy Pay option and signing the enrollment form, I authorize the Oneida Daily Dispatch to automatically charge my credit/debit card for my continuous subscription (and renewals thereof) at the listed monthly payment amount. I understand that the length of the SUBSCRIPTION TERM may vary because of the inclusion of special editions during the term. This authorization may be revoked by me at any time by calling customer service at 1-888-699-2199. This authority remains in effect until canceled by me. I will be notified no less than 10 days in advance of any price increase or any variation from the amount associated with my SUBSCRIPTION TERM. Revocation of this authorization does not cancel my subscription and I must pay for it by other means. I agree to all Terms and Conditions of this notice. While most subscriber issues are corrected quickly with a simple call to subscriber services, there are occasions where disputes are not immediately resolved. To remedy this, we have joined cable companies, cellular providers and others in instituting an arbitration program. This simply means that if a consumer files a claim, arbitration allows a prompt resolution to the dispute without requiring either party to invest the time and expense of a lawsuit in court. As a subscriber, participation in the arbitration program is automatic. Details of this program can be found on <http://local.digitallfirstmedia.com/common/dtm/arbitration.pdf>. If you have questions regarding these policies, please call subscriber services.
