Anderson ascends highest OES State Office

By Linda Cranford

Beth Anderson of Ellisville, a member of Ovet Chapter #177 and Laurel Chapter #24 Order of the Eastern Star, was installed in the highest office an Eastern Star lady member can achieve – Worthy Grand Matron of the State of Mississippi.

The installation took place Wednesday night, April 12, at the conclusion of the “Melodies of Praise” 111th Session of the Mississippi OES Grand Chapter under the reign of Judy Smith, WGM, of Long Beach

and Gerald Bagwell, WGP, of Clinton. The event was held at the Lake Terrace Convention Center in Hattiesburg. Each year Eastern Star members from across the state gather in one location for the three-day convention and meeting of the Grand Chapter. Each Worthy Grand Matron chooses the location of the Grand Chapter session. Eastern Star members from all across the nation also attend and are recognized during the opening session of the Grand Chapter meeting.

Anderson was born in Ellisville. Her fa-

ther was a career soldier serving in the U.S. Air Force, and Anderson grew up on military bases across the nation. Her family moved back to Ellisville after her father retired from the military. She has been married to her husband, Ike Anderson, who is also

a member of Ovet Chapter #177 and Laurel Chapter #24, for 49 years. They are the proud parents of two daughters – Dr. Kelly Shoemake of Atlanta, Ga., and Kacy McGill

ANDERSON, continued from page 1

of Ellisville. They have two much loved 11-year old granddaughters: Kady McGill and Payten Shoemake.

Anderson has been a member of Ovett Chapter #177 for 18 years and a member of Laurel Chapter #24 for only the past year as a dual member. She has served as Worthy Matron of Ovett Chapter #177 four times and has held the position of secretary for the past 15 years. She is one of the founders of the annual Ovett Fall Festival, a community event held for the children of the Ovett area.

Anderson received her Certificate of Proficiency in 2009 and has served several offices of Grand Chapter, including Grand Adah, District Deputy Grand Matron, Grand Historian, Grand Representative of the Providence of Quebec, Associate Grand Conductress, Grand Conductress, and Associate Grand Matron. In addition, Anderson has served on numerous committees throughout the years.

She will reign over the Grand Chapter of Mississippi this year with Worthy Grand Patron John J. McCarver of Coldwater.

Anderson said her journey east to the office of Worthy Grand Matron began a few years ago when she and her best friend, Nettie Faye Dye, decided to travel around the state to get to know other members of the Order. The plan was for Beth to seek the top office and for Nettie Faye to be there to support her throughout the journey. Unfortunately, Nettie Faye's journey was shortened by leukemia. Anderson said she promised her friend that she would continue the journey. Wednesday night, their dream became a reality.

"This year is dedicated to my best friend, Nettie Faye Dye," said Anderson as she took the podium to accept the gavel and begin her year as Worthy Grand Matron of the Grand Chapter of the State of Mississippi.

WJMS student donates project to school

Bailie Jade Bishop, West Jones 7th grader and member of the West Jones Jr. Beta Club, recently created a recycled art project using wooden pallets. She constructed a bench and then painted it green and gold and lettered it with "West Jones Beta" to promote the academic club. Bailie Jade donated the bench to West Jones Middle School. Bay Springs' Stevens signs with Ole Miss

By Dale McKee

The Atlanta Braves (5-6) opened their new SunTrust Park this past weekend by winning their first three of four games in the series with the San Diego Padres. The fourth and final game was scheduled for Monday night. I was worried that the team would go south again in 2017 after their 1-6 road record to begin the season. The Braves may not be a playoff team this season, but they aren't a bad team. It should be fun following them this summer. Knuckleballer R.A Dickey got his first MLB win in Atlanta on Saturday night, a 4-2 win. He has pitched for four other teams but has never won at Turner Field. He even pitched in Fulton County Stadium and won two games for the U.S.A Olympic team back in 1996. Former MSU baseball star Hunter Renfroe hit a home run off 42-year-old Dickey in Saturday night's game. It was the first home run by a visiting player in SunTrust Park. Hunter has hit three home runs this season.

Curse of the Cubs?

The Pittsburgh Pirates swept the Chicago Cubs this weekend. So the first week of the season, sports experts are wondering if the Cubs can repeat as World Series Champs. They broke the curse last post-season, after 108 years, but the odds are against these loveable losers of the past. No team has won back-to-back titles in 20 years. The Yankees were the last team to win titles in consecutive years.

In other pro baseball news, former Ole Miss Rebel Zack Cowart is hitting a whopping .485 for the Cincinnati Reds. Petal's Anthony Alford is batting .464 for the AA New Hampshire team in the Toronto farm system. Former USM star Brian Dozier hit his second home run of the season, an inside-the-park homer on Sunday. Tyler Moore is batting .400 for the Miami Marlins in ten trips to the plate.

USM races to first in C-USA

USM's baseball team is back in the Conference USA lead by winning two-of-three at Rice this past weekend. The Golden Eagles are 28-9 overall and 12-3 in conference play. LSU won two-of-three over LSU last weekend as the Rebels fell to 22-14 overall and 7-8 in league play. MSU recorded a 7-4 win Friday and a 5-4 win Saturday before falling Sunday. MSU claimed its first conference series win at South Carolina since 1998. Overall, the Bulldogs have won four straight conference series and 13 of their last 15. MSU is 25-13 overall.

College Football News

USM and Tulane football teams have signed to compete in four games beginning in 2022. The two schools played for the first time in 1979, and USM has a 23-7 lead in the series.

The NCAA Division I Council approved several changes to football. One is that they will offer a three-day early signing period in December. This year the dates will be December 20-23. The start of the regular signing period will be the first Wednesday of February. Most of the December classes will be small at first. The early date will be for the athletes being hounded about their commitment process, but they also won't have any recourse if the coach that recruited them leaves or is fired. The days of six hats sitting on the table for recruits to pick out on ESPN will still be around for a while in early February. There are a lot of question marks, and it will be interesting to see how the process works out. Recruiting classes will be limited to only 25 players, and people previously associated with the recruit may not be hired for up to two years. Two-a-day football practices have also been eliminated.

Ole Miss Coach in Laurel

Ole Miss head football coach Hugh Freeze will be at the Laurel Country Club on April 26 for a lunch beginning at 11:30 a.m. Tickets are \$25 at the door.

JCJC All-American signs with Ole Miss

Former Bay Springs basketball star Bruce Stevens (6-8, 250-pounds) made it official last week by signing with the Rebels. Stevens was rated the No. 6 rated JUCO player in the nation. He averaged 16.2 points and 11.6 rebounds per game.

JCJC's Stevens inks with Ole Miss basketball

By Zac Chamblee

Bruce Stevens has been a dominant force and more importantly, a winner, wherever he's played. In 2015, Stevens helped lead the Bay Springs Bulldogs to the Class 2A State Championship. This past season as a sophomore at Jones County Junior College, Stevens averaged a double-double (16 points, 12 rebounds) and was a part of a remarkable run, including an MACJC State Championship, a Region 23 Championship and an appearance in the national tourney in Hutchinson, Kansas.

Next stop? Oxford. Stevens, recently named an NJCAA DI first-team All-American, signed with the University of Mississippi on Friday morning.

"When I took my unofficial visit, I just liked what they were saying and showing me," Stevens said. "Then when I went, somebody was telling me about how they were losing their big, a very good big. I decided that I could come in and do what he did or do more. I can do the stuff he can do."

The player Stevens is referring to is 6-foot-9, Sebastian Saiz, who led the SEC in double-doubles this past season. With Saiz gone, a significant spot and opportunity opens for Stevens, who stands at 6-foot-8.

"I think he's going to translate seamlessly," JCJC head coach Rahim Lockhart said. "He has a great attitude, first and foremost. And I'm starting to believe that he believes that he's pretty good. He knows he has the qualities and the talent to take a team to the next level. He's trying to believe that even more so and is going to be even better than what we saw here at Jones."

Lockhart played at Ole Miss himself from 1997 to 2001. It does not get much better than seeing one of your players follow in your footsteps.

"I try my best not to influence my guys when it comes to schools, but anytime they get a chance to choose Ole Miss, it's a great day for me both ways," Lockhart concluded. "I believe in the institution, and I believe in the young man. It's a good situation for both, and I can't wait to see it happen. Hotty Toddy."

Wayne County 4-H members are MS 4-H land judging finalists

Submitted

Three members of Conservation Explorers 4-H Club represented Wayne County in the MS 4-H Land Judging Contest in Scott County on Thursday, April 6. They did an awesome job and took top honors at this state level competition!

Ashlyn Henderson placed 1st in the Junior ages 8-13 Division, LeighAnne Walley placed 1st in the Senior Ages 14-18 Division, and Bo Henderson placed 2nd in the Senior Ages 14-18 Division. They were accompanied by 4-H Volunteers Ray and Jennifer Henderson and Extension Agent La-

nette Crocker.

Land judging consists of judging 4 land sites to determine soil characteristics and the practices required to place the land in its best agricultural use. Youth also evaluate one of the four sites as a potential home site. This fun and educational contest is held every spring. The top Senior team (ages 14-18) has the opportunity to advance to the National 4-H Land Judging Contest in Oklahoma City, OK. Would you like to be a member of our junior or senior team for next year? If so, give Lanette Crocker a call at 601-735-2243 or email her at l.crocker@msstate.edu.

South Jones' Strickland signs with Southern Miss

By Shawn Wansley
JCJC Sports Information Director

No. 1 Jones County Junior College continues to be a pipeline for the Southern Miss and Louisiana Tech baseball programs.

Pitcher Mason Strickland (South Jones) signed with Southern Miss and pitcher Ben Stiglets (Gulfport) inked with Louisiana Tech Thursday morning in the McClellan Hall Media Room.

"We've talked in the office as a coaching staff that we had better mark on the calendar when Southern Miss and Louisiana Tech play one another because you are possibly looking at (nine) players who came through Ellisville that will be on the field, including some coaches," said JCJC head coach Chris Kirtland. "It's special and we are looking forward to that date next year."

Strickland joins current teammates Fred Franklin (West Lauderdale) and Erick Hoard (Brandon) as signees and they will reunite with former Bobcats Mason Irby and Calder Mikell, who are both members of the Golden Eagle team this year.

Stiglets is headed to Ruston, Louisiana, along with current teammates Tanner Huddleston (George County), Logan Robbins (George County) and Jonathan Parker (New Orleans, Louisiana). They will join former Bobcat head coach Christian Ostrander and assistant coach Travis Creel, who are members of the Louisiana Tech staff.

"We are so proud of Mason and Ben," Kirtland said. "They have worked so hard and they deserve the success they've had and the success they are going to have in the future, as well. You could not ask for two better, hard-working individuals that have made this team better in their time here at Jones."

"Those two guys will go there and eat up innings and get guys out. We are excited these guys are going to such well-respected programs, programs with great coaching

staffs. I think they both made great decisions."

It was an easy choice for Strickland. "Southern Miss is at home," he said. "I live 15 minutes from Jones and about 30 minutes away from Southern Miss, so just being able to actually go back home every now and then is going to be good. It's a dream come true. I didn't really expect to go to Southern Miss, but I came here and after I did what I did last year, I guess I'm rewarded for it."

Strickland is currently 7-1 with a 4.89 earned run average. In 46 innings, he has allowed 27 runs (25 earned), 48 hits, walked 17 and struck out 46. As a freshman, Strickland was an All-MACJC first-team selection and was named to the NJCAA Division II World Series All-Tournament Team as part of JCJC's national championship run in Enid, Oklahoma. He was 12-0 with a 2.87 ERA. He pitched 87 2/3 innings, allowed 87 hits, 40 runs (28 earned), struck out 81 and walked 23. He looks forward to joining his Bobcat teammates at Southern Miss.

"It is going to like a little reunion there," he said. "It's going to be fun."

But Strickland said the 37-1 and defending national champion Bobcats still have work to do in the 2017 season.

"The goal is still the same as last year and the expectations are high like they were last year," he said. "I think we are in pretty good shape now, but I'm not going to speak too soon. Anything can happen at any given time."

Strickland said it would be a change to be on different sides with Stiglets next year, but all is well.

"There is already a little rivalry, just trying to get more wins than he does," he said. "But nothing's going to change. At the end of the day, we are all friends and that's how it's going to stay."
