Iowa Great Lakes Rotary Club Car Drop Fundraiser

You may have finally noticed a lone automobile parked on West Lake Okoboji in Smith's Bay. The annual fundraiser got a bit of a late start this year with unpredictable ice conditions earlier on. The Iowa Great Lakes Rotary Club is selling tickets as to when the car will go through the ice. Tickets are numbered by the minute \$10 each which gets you both a.m. and p.m. time. The winner receives \$1,000 cash. Keep your eye on the prize and contact any Iowa Great Lakes Rotary Member for your ticket or stop by the Dry Dock Lounge. You can also call Peggy Gustafson at 712-320-0192 or Rachelle Fratzte at 712-330-5990. Proceeds go to help fund community projects throughout the Iowa Great Lakes.

GENTIVA Hospice

Hospice Myths & FACTS

Hospice is a specialized level of care for those with life-limiting illness and their families. But many people are confused by the different thing they've heard and may be unsure if hospice care is right for them or their loved one.

Here are common hospice myths, along with the facts:

Myth: Becoming a hospice patient means giving up hope.
FACT: Hospice is about quality of life and hope preservation. Hospice patients are encouraged to live life to the fullest.

Myth: Suffering is part of hospice care because traditional medicine is no longer allowed.
FACT: Managing pain and symptoms is one of the key goals in hospice care. Medications are used as needed to control both.

African Mission Trip

Patti Griffiths recently completed a mission trip to Tanzania, Africa. The trip was in conjunction with STEMM (Siouxland Tanzania Educational Medical Ministries) and the Next Life Foundation (NLF).

Griffiths' duties while in Africa included visitations to Hospice patients and a STEMM Children Village (orphanage). She also spent time learning more about the educational system in Tanzania by soliciting information from respected educators and observing private and government primary schools.

The establishment of a vocational school was another part of Griffiths' agenda during her Africa mission. Next Life Foundation's goal, according to Griffiths, "is to have a variety of vocations being taught along with basic health and hygiene, Christian principles and the English language."

Patti's ministry is partially sponsored by the Harbor of Joy Lutheran Church located in Milford. For more information about STEMM, NLF or Patti's African mission, contact Harbor at (712) 338-4031 or go the web site at: www.harborofjoy.com.

The Volunteers Return to PLAC

The Volunteers (US Army Field Band) are returning to the Pearson Lakes Art Center on Tuesday, March 17th, 7:30 pm.

Since its inception in 1981, The Volunteers has been telling the Army story through rock, pop, country, and patriotic music. Its members have performed for millions of listeners in all 50 states, Puerto Rico, Canada, Mexico, Kuwait, and Iraq.

The soldier-musicians of The Volunteers tailor their concerts to their audiences. They are as comfortable in veteran's homes, hospitals, and student events as they are rocking out in huge arenas for screaming fans. Recent performances at Summerfest, Country USA, and the AAA 400 at the Dover International Speedway electrified those in attendance, while their annual support of the Army All-American Marching Band gives them the opportunity to work with high school musicians.

The Volunteers tour more than 100 days each year, bringing a powerful message of patriotism and support to communities large and small. Its members are passionate about representing their fellow soldiers through music. Get to know The Volunteers, and see what the proud men and women of America's Army can do.

This is a free show, however you must have a reservation to attend. Call the box office at 712-332-7029. For more information, contact Rachele at 712-332-7013, ext. 107.

A big thank you to Minervas for sponsoring our schools and our SCRIP program.

Our SCRIP funds continue to provide benefits to our students and staff district wide! We have granted funds this week to 3 different projects. The Okoboji 7th graders will be receiving scripts for their Mid-mester Speaking with Confidence Class, Mrs. Allen's classroom at the Okoboji Elementary will be receiving 8 folding stools for her classroom, and every student in the 8th grade class will be receiving the classroom magazine, The Power of Choice to use for an upcoming unit. This magazine will engage students in an examination of racism, prejudice and antisemitism in order to promote the development of a more humane and informed citizenry. By studying the historical development of the Holocaust, students make the essential connection between history and the moral choices they confront in their own lives. It is so rewarding to see our SCRIP funds providing positive benefits for our students!

We will be at OES on Friday mornings from 7:45am-8:45am - would love to see you! Stop by and see us or email/text/call in your orders! Brittany at 712-330-4862, Jodi at 712-330-0287, or Michelle at 712-330-5557, email us at oesscrip@gmail.com, order on-line at www.shopwithscrip.com (our enrollment key is D926C19E3L48L), or drop-off your order forms at the Lakes News Shopper during business hours or any school office. We will make scrip cards available for pick-up at the Shopper during the week, or we can make arrangements for delivery.

View From The Bench

by John Adams, Jr.

Thank You Pioneers

For those of you who read my weekly "View From The Bench" you have noticed that I took some time off from writing to concentrate on coaching the high school girls basketball team at Okoboji High School. Now that our season is completed I am slowly but surely getting back into the flow of writing my weekly column. This was my first season as the head coach at Okoboji and one that I thoroughly enjoyed thanks to a great group of student-athletes, coaches, managers and parents.

Our varsity team completed the season with a 19-5 mark, falling in the Regional Finals to State Champion and #1 ranked Unity Christian. It was an incredible season that was highlighted by a second place finish in the rugged Siouxland Conference, five victories over ranked opponents, a 3-1 record vs. teams who made the State Tournament and a trip to the Regional Finals. Our JV and 9th Grade teams also had successful seasons and worked extremely hard all season long; battling injuries and roster changes throughout the year.

I could not have asked for a better group of young women to work with and I learned so much from them throughout the season. I was blessed with two senior players, Olivia Albright and Kim Naatjes, and one senior manager, Brandie Bushee who were invaluable with the leadership and positive attitudes that they provided throughout the season. Part of coaching is teaching and coaching your players both on and off the court, but the part that I enjoy the most is what these girls teach me. These young ladies I have had the privilege to coach have taught me so much more than I could possibly teach them, and they have made me a much better person, coach, and father. These Pioneers have taught me that when you stay together as a team that you can do anything and overcome any odds. They taught me that when you believe in and trust each other that no matter how far you are behind in a game that you can come back and win. They have taught me that it's not always about winning games, but it's about the journey those games and practices take you on and that you need to slow down sometimes and enjoy this journey. They have taught me that every girl is different and must be coached and treated different, yet fairly; and when you do this, they will go through a wall for their team. This was an amazing group to coach all season long that constantly gave great effort and had awesome attitudes. I am eternally grateful to have had the opportunity to work with all 29 of them; I will sorely miss our seniors but am very excited to get back on the court and start learning again starting this summer!

Carstens To Represent Iowa At National Scholarship Pageant

Carly Carstens has been selected as a state representative for Iowa at the 2015 America's National Teenager Scholarship Pageant to be held July 29 - August 2, 2015, in Nashville, Tennessee. State representatives are selected based on their excellence in academics and community involvement. Carly is the daughter of Kirt and Jacque Carstens of Arnolds Park.

America's National Teenager is the longest running premier scholarship pageant for teens in the U.S. Founded in 1970, Miss National Teenager has graced the cover of magazines, television and national media as a role model of leadership, scholastic aptitude and service. Combining the elements of glamour, scholarship, style and service, our ANTISO State and National Programs draw on a positive approach to pageantry that implements a scoring system focusing on a "real girl".

The program promotes public speaking, academic excellence, community involvement, and leadership in young women across the country. Our contestants are leaders in their schools and communities.

Key Question About Religion Explored at Lifetree Café

Is there one true religion, or many? This question will be discussed at Lifetree Café on Sunday, March 15, at 6:30pm.

The program, titled "Only One Way to God? Can One Religion Really Have All the Answers?", features the filmed story of Valerie Winn, an American whose spiritual journey led her to a Chinese village where she encountered an underground church.

Winn describes her encounters with various religions and how they shaped her. "I finally said, 'God, would you just show me if you're real?'" says Winn.

Admission to the 60-minute event is free. Snacks and beverages are available. Lifetree Café is located at the Good News building, 1010 Julia Street, Okoboji, IA.

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712.332.5698 or lifetreecokoboji@yahoo.com.

Six lakes region churches will highlight the 2015 Lenten season with nondenominational Lenten ecumenical services on Friday mornings in February and March. A different church in the Milford and Arnolds Park area will be hosting the service each week.

Open to the public, the services will begin at 9:30am followed by coffee and refreshments. No baby-sitting service will be available. Men are also welcome to attend.

The following churches will be hosting the services:

- Friday, March 13 - Light of the Lakes Friends Church, Arnolds Park
- Friday, March 20 - Harbor of Joy Lutheran Church, Milford
- Friday, March 27 - St. Joseph's Catholic Church, Milford. The title of this presentation will be "Top Banana Club."

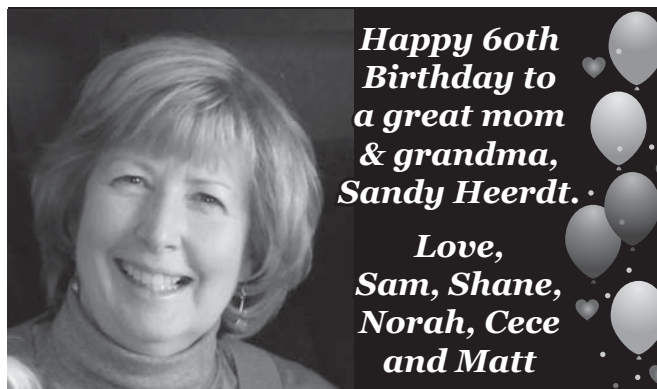

The local churches have been sponsoring nondenominational ecumenical services since 1978. In case of inclement weather, a cancellation notice will be aired on local radio stations. Residents are urged to clip and save this schedule for future reference.

Brett Olson, MD, Honored For 22 Years Of Service On Board

Brett Olson, M.D. was recently honored for 22 years of service as the Medical Director of the Dickinson County Board of Health. Olson decided it was time to pass his role to another but is proud of the accomplishments the board made during his tenure.

"There were several accomplishments the Board of Health made in the last 22 years. We've greatly increased the percentage of children immunized for various diseases and at one point had the highest immunization rate in the state. Plus, we navigated some pretty tricky changes to the coverage of those immunizations related to insurance and the location the immunizations are provided. Another accomplishment was our implementation of the Best Care for Better Babies program, which provides one-on-one breastfeeding, nutritional and developmental education during and after pregnancy, and positively impacts the health of Dickinson County residents to this day," Olson said. "I've enjoyed being a part of these and other initiatives that enhance the care I still provide one-on-one in the clinic setting."

Olson was brought onto the board in 1993. Avera Medical Group-Spirit Lake Medical Center physician Zachary Borus, M.D., M.P.H. replaced Olson in January. LRH President and CEO Jason Harrington said, "We want to thank Dr. Olson for his many years of leadership and commitment to the health of people in our service area. Dr. Olson was strongly committed to improving and protecting the health of the population and his leadership will be missed. We are also excited and appreciative of Dr. Borus' willingness to take on this new role and look forward to his future directions."

March: Crazy time for music students

Sometimes when we ask a question expecting little more than a 'yes' or 'no' answer - 25 words or less, at most - we are deluged with interesting information. Such was the case last week when we had heard the Spirit Lake High School singers and musicians were experiencing a bit of March madness off the basketball court.

SLHS band director Jody Ingwersen put it succinctly: "Crazy time of the year, but a lot of fun as well!" (Jody emailed the exclamation points...)

The SLHS band will be traveling to Cedar Falls, Thursday, to participate in the UNI Band Invitational. Five bands from across the state will play for judges at *The Gallagher Bluehorn Performing Arts Center*, after which each band will have time with clinicians. Jody told us the timing is great as it comes just before the department's Monday, March 16, *Florida Preview Concert* at the SAMI Center.

That 7:30 p.m. concert is in preparation for the band's five-day trek to the Universal Studios' *OrlandoFest*. The performing groups will be the Concert Band, Jazz Band, Concert Choir, Men's Choir and Women's Choir.

Besides performing, the group will spend a day at Universal Studios, see the Atlantic Ocean, enjoy a performance of the *Blue Man Group*, and a gospel brunch at the *International House of Blues*.

The SLHS Show Choir will be competing this weekend at Washington High School, in Sioux Falls, S. D.

And, Spirit Lake's vocal and instrumental students will be performing solos and in small ensembles before judges, March 28th, in the *Iowa High School Music Association's Solo & Small Ensemble Contest*, in Spencer.

SLHS's Vocal Jazz just learned the group has qualified for the April 7th *Iowa Vocal Jazz Championships* at Morningside College. (We understand, too, that groups from Harris - Lake Park, and Okoboji qualified as well, along with Sibley - Ocheyedan and Spencer.)

And, this past weekend, Spirit Lake's show choir and vocal jazz earned second place finishes in class competition at the show choir festival in Emmetsburg. Yes, a crazy time of the year...

The *Okoboji Middle School Jazz Band* earned first place among all the middle schools at the *Augustana Jazz On The Upper Great Plains Festival*, last Monday. Outstanding Soloist / Musicianship Awards were presented to Martha Stein, on alto sax; John Alexander and Dallas Johnson, tenor sax; Madeline Stover, trumpet; Rikka Heimdal, trombone; David Alexander, piano; and Carley Wells, piano.

Other middle school bands in the competition included: Sibley - Ocheyedan, West Lyon, Brandon Valley, S. D., Mitchell, S.D., and Dell Rapids, S.D.

The Okoboji Schools' *All Bands Concert* is tonight (March 10), at 7:30, in the OHS auditorium. This show provides an opportunity to view the progress and development from grades 5 - 12, with six band combinations.

In a **semi-school-related note**, we just learned there will be free student tickets available for Pre-K through 8th grade students, at the March 30th *Opera Iowa* presentation of Rossini's classic fairy tale, *Cinderella*.

The free tickets will go to students who are accompanied by an adult with paid admission, and will be available on Wednesday, March 25, from 4 - 8 p.m., at the SAMI Center box office.

Should you even think that the *Iowa Opera* presentation would be a bit stuffy for kids, we think you'll be surprised how involved youngsters will become during the performance. And the comic opera with great music won't bore you, either. Contact Terry Miller, 712-336-3707, x6500, for more information...

After a month or so of **Mardi Gras** and just generally hanging out way down south, Bill Carpenter has returned to what was the frozen tundra - apparently bringing the good weather back with him. Carpenter will be back on stage Wednesday night with his *Ithy Bitty Boji Band* at Table 316, from 7 - 9 p.m....

Roots / Blues/ Americana singer / songwriter Kelley Hunt will be appearing at the Pearson Lakes Art Center, Thursday night, with her all-star band. The show follows the critical acclaim for her recent release of *The Beautiful Bones*...

Anticipating the arrival of Spring, a week from Friday, The Little Swan Lake Winery is planning three entertainment events over a seven-day period beginning Sunday, when Damon Dotson will be entertaining in the barn from four til six. Thursday (March 19) night will see Adam Layman on the same stage from six til eight. Then, Saturday (March 21st), the Winery is pulling out all the corks and pop tops in the barn, for SpringFest, in conjunction with West-O Beer, from one til four...

The U.S. Army's premier touring band, *The Volunteers*, will be appearing at the PLAC, next Tuesday night for a 7:30 p.m. performance. This is one of the most modern military bands you'll hear anywhere, with popular music from the rock, country, and R&B charts, and a patriotic selection or two...

We'll have a preview of the music - and, we hope, a brief interview with one of the band members - Sunday, at *Class 105*...

A recent *Wall Street Journal* article made an interesting point about Doo-Wop music, going back much further than the 1950s and '60s. Our planned hour of a Doo-Wop explanation was put off Sunday, "due to technical difficulties." Plan 'B' is to air that hour of *Hey, nonny, ding, dong; Alang, alang, alang...*, this Sunday, after the 11:00 a.m. news and weather.

In the meantime, remember... *Life could be a dream, Sweetheart...*

You are invited to join the *Old Professor for Ballads, Blues and Big Bands*, too, at *Class 105*, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji. *Class 105... airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM.*

All the news that fits, we print. Please send your music-related announcements or comments to: class105@connect.com or P. O. Box 676, Okoboji, Iowa 51355-0676

LETTERS TO THE EDITOR

Dear Editor:

I'm writing about the upcoming election on April 7 regarding the building of a new middle school in Milford. I have a lot of sentiment regarding the Milford and Okoboji Schools. I graduated from Milford High in 1946, my wife in 1947, my five children from Milford High, and four grandchildren from Okoboji. We all received an excellent education in this school. Lots of memories.

But this is not about memories. This is about what I feel is best for the future of Okoboji Schools. We do have an outstanding school system with great teachers and administrators. I have heard of families moving to our area and wanting their children in the Okoboji system. That speaks well for it.

With all due respect for our friends in Arnolds Park, I would hope and think that a great use for the present middle school can be found. But I believe that as long as it is inadequate for the future, and with the problems involved in expanding the present building to fill the needs of the future, it would be wise to build adjacent to the high school in Milford. I can see a lot of positives in this. We are talking about a lot of money and an increase in taxes, but we are also talking about economies in the cost of busing, the cost of electricity, the cost of teachers and students having to go back and forth, some teachers being able in some instances to teach both high school and middle school in certain subjects (to put it crudely) better usage of teachers, usage of athletic facilities without busing, and probably more reasons I can't think of at the moment.

I'm thankful for the past, but looking into the future. I want to see the best possible situation for the present students, and students in the future. We need to think of what is best for the present and upcoming students. As we face a future that at times looks bleak, we need to train our youth so they can cope with the future.

I'm voting for future and hope you will too.

Sincerely,
Virgil L. Wahlman

Cinderella

March 30, 2015

7:00 pm

Rossini's version of the classic-fairy tale Cinderella is a vocal and comedic romp! A wise magician takes the place of the fairy godmother and the girl's father rants and raves instead of a wicked stepmother, but the nasty stepsisters, Prince Charming and a glass slipper prove, beyond all question, that this is the fairy tale we all know and love. And when it's combined with hilarious characters and situations and set to some of Rossini's finest music, it becomes comic opera at its most exhilarating best!

Lineweaver Selected As An FFA District Vice President

On February 7th, Blake Lineweaver, junior at Okoboji High School, attended the Northwest Iowa District Officer Interviews at Dordt College. There he took an FFA knowledge test and completed an interview process with the student nomination committee. Out of the 30 or so applicants present, Lineweaver was selected as a District Vice President nominee against Abigail Galm of Spencer. Eight other applicants were chosen as nominees for District Treasurer, Reporter, Secretary, and Sentinel. This past Saturday at the Northwest District Convention hosted at Kingsley-Pierson, Lineweaver and Galm each presented a two minute speech and answered two questions to a delegate body of two students from every chapter in northwest Iowa. At the final ceremony, Lineweaver was voted over Galm and elected Northwest Vice President for the 2015-2016 year. Congratulations Blake!

Laker Scramble Golf Outing

The Laker Scramble Golf Outing generates scholarship funds for Iowa Lakes student athletes. Over 300 student athletes compete collegiately for the Iowa Lakes Lakers in 16 different sports. The event is scheduled for Friday, September 18, at Brooks National Golf Course, one of the area's premier golf courses and home course to the Iowa Lakes Golf teams.

Golfer registration begins Friday, September 18 at 8 a.m. with a 9:00am shotgun start. The event features an 18-hole four-person best shot tournament format.

The entry fee is \$100 per golfer or \$400 per four-person team and includes green fees, cart (if requested), lunch, Laker Athletic t-shirt and a scholarship fund donation.

Laker student athletes and coaches greet participants at various locations on the course to offer fundraising games to lower scores and further support athletic scholarships.

To register or sponsor this event contact Iowa Lakes Foundation Office at 800-242-5106 ext. 4425 or events@iowalakes.edu or visit the Iowa Lakes Website at www.iowalakes.edu/foundations.

Father Daughter Dance

Over 650 fathers and daughters enjoyed Cherish Center's Annual Father Daughter Dance on Saturday Night February 28th. "The purpose of the dance is to promote the importance of the father and daughter relationship and it gives dads an opportunity to make an intentional investment in their relationship with their daughter. Many great memories are made from the evening," says Cherish Center executive director Jon Pausley. The Cherish Center has been providing the event for the past 8 years. The last two years the dance has been held at the Boji Bay Funhouse Pavilion.

The evening includes dancing, ice cream and riding the giant slide. The other activities at the dance included crafts, a fun photo booth, face-painting and carnival style games. A commemorative photograph of each father and his daughter(s) is taken and mailed to them in the weeks following the dance to remember the night. The Cherish Center would like to thank all of the volunteers who made the dance possible and Boji Bay Funhouse Pavilion for providing great service and a perfect venue.

"The night is filled with dancing, fun, connecting and giggles and that is just from the dads," says Jon Pausley. "We know the girls also had a great time as well!"

Milford Library News

March 9 - 13, is Teen Tech Week and the theme is "Libraries are for making..." All young adults 5th-12th grades are invited to come to the library this week for exciting programs. All week we have Teen Tech Week Bingo. Students will get a bingo card with different tasks in each square. Once they have completed enough squares to make a bingo they will turn in their bingo card for a piece of pizza at the end of the week. On Wednesday, March 11, at 2 p.m., students can bring their school laptops to the library to learn how to edit videos. The library will provide a video for students to edit. Friday, March 13, we will be watching the movie *Agent Cody Banks* at the library. There will be popcorn for everyone and pizza for those who completed Teen Tech Week Bingo.

Children from pre-school to 4th grade are invited to come to the library Thursday, March 12, for our after school craft party. The theme this month is "Irish Fun" and we will have a craft, book talk, and snacks.

The library needs some spring cleaning! Join your fellow volunteers for March spring cleaning at the library. Beginning at 10 a.m. on Thursday, March 12, we will spend 45 minutes dusting the library shelves. Coffee and cake will be served following the dusting and then we will play 3 rounds of Bingo for some fabulous prizes. Bring a friend and get an extra free space on your card.

Thursday, March 17, at 1 p.m., our Open Book Discussion Group will meet in the library to talk about "The Lincoln Myth" by Steve Berry. This thriller involves a flaw in the United States Constitution, an Abraham Lincoln mystery, and a serious political issue. Open Book Discussion Group meets every 3rd Tuesday of the month. Anyone is welcome to join. For more information contact Beth Sorenson at beths@milfordlibrary.net.

Join us for great stories and much more every Friday morning at 10:00! Betty our Children's Librarian, looks forward to sharing stories with you! No pre-registration is necessary. The theme this week is "Leprechaun Stories."

Twaiten Receives Scholarship

The Iowa Nursery and Landscape Association (INLA) recently presented a scholarship to Iowa Lakes Community College Landscape/Turfgrass student Jennifer Twaiten, Milford. The \$500 award acknowledges her achievements in course work at the college and recognizes her ability to continue to promote the industry in the state of Iowa in future years. Three on-the-job training experiences at businesses of her choice provide the basis for out-of-classroom achievements. The award was given during the combined conference of the ISU Shade Tree Short Course/Iowa Nursery and Landscape Association Convention. The event was an opportunity for Iowa Lakes students to meet professionals in the horticulture industry and hear speakers from across the nation. "I greatly appreciate the scholarship from INLA. Receiving it at the scholarship dinner and auction was such a privilege!" Twaiten said. Landscape and Turfgrass Technology is a two-year Associate in Applied Science degree program at the Iowa Lakes Emmetsburg campus. For more information about Landscape and Turfgrass Technology, contact Kevin Fehr at 712-852-5206 or visit the Iowa Lakes website at www.iowalakes.edu.

Local Dietitian Meets With State Senator David Johnson

Tina Bauermeister, Registered Dietitian, met with State Senator David Johnson on Thursday February 19th. Registered Dietitians (RDs) are nutrition experts that have at least a bachelor's degree from an accredited university. More than half of RDs hold a Master's Degree. They must complete a rigorous internship, and then pass a national exam. A lot of people are giving nutrition advice, but an RD will give you evidenced-based information. Please find a Registered Dietitian at eatright.org for real nutrition advice.

Tina works at the Bedell Family YMCA and Avera Holy Family in Estherville.

ILCC Landscape & Turfgrass Students Receive Scholarships

Two Iowa Lakes Community College students in the Landscape and Turfgrass Technology program have each received a scholarship from the Iowa Turfgrass Institute.

Ashley Ove, Spirit Lake, and Clay Fox, Spencer, were recognized at the 81st Iowa Turfgrass conference in January for their involvement in the industry during their internships. Iowa Lakes students enroll in two spring internships along with a fall internship. They gain valuable hands-on experience at these on-the-job training sites.

Students were to have gone to Des Moines on Jan. 21 to receive their awards but were unable to attend because of icy weather.

"I am ecstatic to have received this generous contribution to my education," said Ove. "It is a privilege and honor to be recognized by such a prestigious association."

Fox was also grateful for his scholarship. "I would like to personally thank the Iowa Turfgrass Association for this scholarship," Fox said. "Every little bit helps when it comes to paying for college expenses."

The Iowa Lakes Landscape and Turfgrass Technology program is an Associate in Applied Science degree program covering five semesters. It is offered at the Iowa Lakes Emmetsburg campus.

For more information about the program, contact Kevin Fehr, instructor, at 712-852-5206 or visit the Iowa Lakes Web site at www.iowalakes.edu.

LETTERS TO THE EDITOR

Dear Editor:

For thousands of years, cannabis has been used to treat a wide variety of ailments. Until 1937, cannabis was legal in the United States for all purposes. At the present time, federal law allows for Americans to use cannabis as medicine. Despite this, 23 states plus Washington, D.C. have a medical cannabis program. The current Iowa law is flawed and Iowans with serious health conditions are not able to obtain the medication.

Cannabis is one of the safest medications known and is effective for treating pain, glaucoma, cancer, multiple sclerosis, PTSD, epilepsy, and other serious health conditions. Cannabis contains approximately 100 cannabinoids, each serving different functions in the human body.

I believe those opposed to medical cannabis are either uninformed or afraid.

Many fear they may lose their good reputation by advocating for medical cannabis because of the stigma attached to the recreational use of marijuana. But this issue is not about the recreational use of marijuana or our reputations. It's about Garrett, Shelby, Quincy, Margaret, Chloe, Bradley, Clara, James and thousands of other Iowans who need medical cannabis.

The Governor and many lawmakers fear they will lose the war on illegal drugs if we provide for the use of medical cannabis. But this issue is not about the war on illegal drugs. It's about providing a safe and effective medication choice for those with serious health conditions.

The medical community fears loss of business, revenue, and control. But it's not about the medical community either. They offer expensive treatments and drugs that are often not effective and come with long lists of adverse side effects. It's about a patient driven process that offers a natural and safe medication choice. No one has ever died from an overdose of medical cannabis.

Please contact your state and federal lawmakers. Let them know that Iowans deserve top quality healthcare and medicine. Seriously ill patients don't have time. It's about getting help, not high. It's about a better life for those that need medical cannabis.

Knights of Columbus Regional Spelling Bee Champions

Iowa Great Lakes area boys and girls in grades 4, 5 and 6 were honored as Regional Winners of the 2014 Knights of Columbus Spelling Bee. The Knights of Columbus sponsored the competition February 15 at St. Francis Xavier Parish in Belmond.

Spirit Lake's Sam Skinner won second place in the 4th grade division, while Ashley Dean, also of Spirit Lake, took third place. Brianna Brands, Spirit Lake, took second place in the 5th grade bracket. In the 6th grade competition the third place finisher was Anna Fuelberth of Spirit Lake.

Each participant could study a list of words beforehand. First and second place winners - Brianna Brands and Sam Skinner - are eligible to compete in the state competition March 1 at St. Cecilia Church in Ames starting at 1:00pm.

Jim Miller, Grand Knight of the Knights of Columbus Council 5043, thanked the parents and teachers for championing spelling as necessary and vital to the education of all children. "It would be impossible to pull off these events for our kids," Miller said, "without the support of parents and teachers encouraging children's participation."

The Knights of Columbus is an international Catholic family fraternal service organization with 1.8 million members in more than 14,000 local councils. Last year, Knights donated 69 million volunteer hours and \$151 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families, youth and the culture of life.

Iowa Great Lakes Council 5043 sponsors other events including the Free Throw Championship in January at Spirit Lake High School, and monthly omelet breakfasts at St. Mary's Parish Community Hall. They also run the Soup and Pie Supper in November, and the Tootsie Roll Drive for Persons with Intellectual Disabilities, benefiting local organizations.

Lyle and Lynn Ries, present Pearl and Jim Trebbien, center, their certificate for being one of Iowa's Longest Married couples.

Milford Couple One of Iowa's Longest Married

On Oct. 28, 1943, Jim and Pearl Trebbien were married at the St. Joseph Rectory in Milford. Seventy one years later, they are being recognized by Worldwide Marriage Encounter as one of Iowa's Longest Married Couples. A nationwide search begins in October each year and nominations this year had to be submitted by Jan. 10th. This year's U.S. winners have been married 81 years and are from Olathe, Kansas. Jim and Pearl were the longest married nominated from Iowa.

Jim and Pearl, ages 91 and 89, were presented a certificate from Worldwide Marriage Encounter by Lyle and Lynn Ries from Alta Vista, Community Coordinators for Iowa/La Crosse WWME. The Trebbiens were recognized on Saturday, February 14th, at their home in Milford, where they have resided for the past 52 years. They were nominated by their son, Jim, who said they are amazing people who have always worked hard, lived right, have good values, are very honest and have a strong faith. They are members of St. Joseph Church in Milford.

Although both Jim and Pearl grew up in the Milford area, they did not meet until 11th grade. Pearl was not allowed to date yet when they first met. Eventually they dated and later married when Jim was home on leave from the U.S. Coast Guard. They are the parents of 4 children: Judy (Scottsdale, AZ), Jim (Omaha, NE), Don (Lansing, IA), and Carol (Rochester, MN). They have 10 grandchildren and 11 great grandchildren. Pearl grew up in a family of eight children and Jim grew up in a family of four.

Jim and Pearl's advice to newly married couples: Understand what the other person is about, their values, and what is important to them. Understand that you are making a commitment and communicate what you expect from each other.

The Trebbiens have seen many changes in their lifetimes. Their generation was raised in homes with no electricity, televisions or refrigerators; horses were used for farming, ice to cool food, and kerosene lamps for lighting. Jim's first car was a Model A with a crank.

Worldwide Marriage Encounter presents weekends for married couples, which makes it the largest pro-marriage movement in the world. The weekends are God-centered and are presented in the Roman Catholic Faith Expression, but are open to couples of all faiths. The weekend format helps couples to communicate openly and honestly, without any group sharing, therapy or marriage counseling. Upcoming weekends: February 20-22 - Dubuque, March 20-22 - Ankeny, May 1-3 - Iowa City. For more information, dates, and locations, couples can contact Roger and Marsha Luensmann (563-927-4352) or visit www.wmme-iowa.org. More information about the Longest Married Couple Project can be found at www.wmme.org.

Upper Great Plains Muskie Club Offers Seminar March 21

By Steve Weisman

If you are like me, I spend at least some of my weekends watching outdoor shows on television. One that I run across quite often is "Keyes Outdoors." Mike Keyes is host to this show, which is the largest nationally televised muskie show in the country.

Guess what! Outdoors enthusiasts in this area will have the chance to see Keyes in person! The Upper Great Plains (Chapter 29) Muskie Club is hosting a Mike Keyes seminar on Saturday, March 21, at the Pelican Ridge Clubhouse on the east side of Lower Gar. Doors open at 6:30 p.m. with the seminar starting at 7 p.m. A raffle will conclude the evening's activities.

Larry Perry, President of the local club, shared his thoughts on the evening's activities. "Mike is an avid muskie fisherman, and our club is excited to offer this opportunity. This event is open to the general public and free of charge."

Keyes is a nationally renowned muskie expert, who has spent the last 15 years traveling the country hunting and filming the muskie. His mission is ongoing: to explore new muskie waters and new muskie tactics that work on these waters.

Perry noted that there will be a wide range of raffle opportunities including muskie tackle and gift certificates.

About the chapter: Iowa's first muskie club was started in 1968 and was called the Iowa Great Lakes Muskie Club. The club bought and stocked most of the original muskie fingerlings that were stocked in the Iowa Great Lakes for 3-4 years after the club began. In the mid-1970s, the Iowa DNR took over stocking in Iowa lakes. The club was chartered into Muskies, Inc. as a chapter in 1978.

Since that time, Chapter 29 has been active in the Iowa Great Lakes promoting not only the sport of muskie fishing, but also many other conservation programs. For more information, check the club website at www.muskieclub.com.

Iowa Lakes Foundation to Host Scholarship Luau

Grass skirts and sunglasses are the dress du jour for Iowa Lakes Community College Foundation's Annual Dickinson County Scholarship Luau. The Luau takes place on Thursday, June 18, beginning at 5:00pm at the tropical Barefoot Bar on Lake Okoboji.

Guests enjoy a Luau Barbeque Meal at 6 p.m. and an evening that includes live music from Damon Dotson as well as Iowa Lakes students. Games, a raffle and a silent auction are planned followed by the announcement of the raffle winner at 8 p.m. (need not be present to win).

Among the prizes are a two-hour cruise donated by Parks Marina, as well as four NASCAR tickets to the Iowa Speedway (plus 4 pit passes) sponsored by POET Bio refining of Emmetsburg and American Ethanol – and much more.

Cost is \$25 per person: early registration is encouraged.

Raffle and event tickets are available in advance at the Iowa Lakes Spirit Lake campus or by contacting Iowa Lakes Event Coordinator, at 800-242-5106 ext. 4425. Raffle tickets will also be sold at the event; no need to be present to win.

Proceeds from the Luau generate scholarships for Dickinson County residents to attend Iowa Lakes.

Businesses or individuals wishing to sponsor, donate items for the silent auction or purchase tickets for the event may contact Iowa Lakes Event Coordinator, at 800-242-5106 ext. 4425 or events@iowalakes.edu.

ARC/PLC Programs Deadline Extension

According to FSA County Executive Director, Larry Lago, "local farm owners and farm operators have options available to them when preparing their farm for participation into annual USDA FSA farm program beginning retroactively with the 2014 crop year through 2018. Some of these farm programs decisions must be completed by farm owners, and some by the farm operator, and there are some circumstances where actions are required by both the owner and operator to collaborate on the farm program decisions." Lago further emphasized, "these are one time opportunities with specific deadlines for completion which involve base reallocation, yield updates, and program election."

One of the first new USDA Farm Program options that need a timely decision to be made by the farm owner, will be a one-time opportunity to either (1). Reallocate the commodity crop base acres on their farm, not to exceed total base acres in effect as of Sept. 30, 2013, or (2). Retain the farm's existing 2013 base acre amounts. The one time base reallocation option does not allow an increase to the total base acres on the FSA farm from what currently exists.

The other one-time opportunity available to the landowner, is to decide whether to update the FSA program payment yields for each covered commodity for which the farm has base acres using 90 percent of the farm's 2008-2012 actual average harvested yield per planted acre, excluding any year in which the covered commodity was not planted.

To learn more, farmers can contact their local Farm Service Agency county office or go to www.fsa.usda.gov and click on the link "USDA Provides One-time Extension of Deadline to Update Base Acres or Yield History for ARCIPLC Programs" on left side of the page.

Iowa Meat Processors Association Convention

The 79th Annual Convention of the Iowa Meat Processors Association was held at the Gateway Hotel & Conference Center and the ISU Meat Laboratory in Ames, Iowa, on February 5-8, 2015.

Processors from 36 Iowa plants were in attendance as well as suppliers in the Trade Show displaying products and services in 46 booths. Attendance at the conference exceeded 235 persons.

The convention participants attended seminars on new labeling regulations, websites and internet marketing of state inspected products and participated in a Food Safety Workshop focusing on HACCP requirements, microbiology, and sanitation procedures under the direction of Dr. Joe Cordray, Meat Extension Specialist at Iowa State University.

The Cured Meat Competition held on Saturday was judged by meat specialists from Iowa State University and some others in the meat industry. There were 310 products entered in 21 classes for the competition.

Terry Kraft, owner/operator of Ruthven Meat Processing in Ruthven entered the following winning products:

- Reserve Champion Whole Muscle Jerky
- Reserve Champion Flavored Snack Sticks (beef sticks and pepper jack cheese).

Terry has just completed his term as President of the Iowa Meat Processor Association and will serve one more year on the Board of Directors.

Iowa Family Planning World's Largest Reunion

The Schmidt family of West Bend, Iowa intends to break the Guinness World Record for largest family reunion on July 30th-31st, 2016 in Spencer. Between 5,000 and 10,000 attendees are expected in an event that promises to bring fame and foot traffic to northwest Iowa.

The family is renting out the spacious Clay County Fairgrounds. The festival-like gathering will feature German cuisine and music, entertainment, games, presentations, and tours.

"Our ancestors originally settled in West Bend, but multiplied into the thousands and spread far across the Midwest," says reunion organizer Josiah Schmidt, a professional genealogist in Emmetsburg. "Some connected branches include the Schafers, Krugs, Banwarts, Anlikers, Jergenses, Raubs, Lindemanns, and Van Lohs, among many others."

Schmidt explained the reason for the reunion: "Many from our family's eldest generation have expressed a desire to meet these rediscovered distant relatives. So, in 2013, we started a plan to reunite branches of the family that had lost contact with each other over the past century."

Says Schmidt: "We have set up a committee to oversee the planning, a website at SchmidtsReunite.com, and we are working with the Guinness World Record Association to ensure the accomplishment will enter the record book."

Jill Toft, Clay County's tourism director, states: "This is an exciting event, and we are looking forward to having the Schmidt family reunion on our 'world's greatest county fairgrounds.'"
