## Obituaries

**Nicklos John Vos**, 91, was reunited with his late wife and love of his life, Jennie, on March 7, 2017. Nick was born on April 21, 1925, in Edgerton, Minnesota, to Cecelia (Heidgerken) and John Vos. He was the oldest of 5 siblings. Nick joined the Army on January 31, 1946. He served as paratrooper in the 82nd Airborne stationed in Fort Bragg, North Carolina, and was assigned as an automotive mechanic. Nick achieved the rank of Private First Class and was discharged on March 29, 1947, decorated with a World War 2 Victory Medal. He met Jennie Jespersen when he was discharged from the service and instantly fell in love. They married on January 31, 1949. The young couple lived in Walker, Minnesota, and later Milbank, South Dakota, and Huron, South Dakota. They moved to Brainerd, Minnesota, in 1951, where their daughter Vicki was born.

In 1954, they moved to Arnolds Park where son, Gary, and daughter, Diane, were born. Nick worked for Barnes Plumbing and Heating and eventually acquired the business changing the name to Vos Plumbing and Heating. Nick served as a security officer at the Roof Garden during the summers, was a volunteer fireman, a member of the Masons and American Legion, and also served on the Arnolds Park City Council. Nick and Jennie spent 29 winters in Mission, Texas, where Nick volunteered in a colonial, built a church in Mexico, and helped make their park's annual floats. Nick enjoyed tinkering on his lawn, attending sprint car races, keeping his vehicles spic and span, doing word search puzzles and making wood crafts. Nick will always be remembered for his sense of humor, the practical jokes he played on people and his generous heart. He was well respected and touched many lives. Nick loved spending time with family and friends. Nick was a devoted husband and took exceptional care of Jennie as her health failed, a true testament of his never ending love.

One of Nick's proudest moments was going on an Honor Flight to Washington D.C. He was very proud of the American flag and those that fought for our country.

Nick was a member of Calvary United Methodist Church in Arnolds Park.

He was survived by daughter Vicki (Les) Milverstedt of Hastings, Minnesota; son Gary (Marilyn) Vos of Arnolds Park; daughter Diane (Jeff) Haedt of Savage, Minnesota; grandchildren Nick Sullivan, John Sullivan, Joe Gamble, Ryan Haedt, Anna Vos and Travis Haedt; great grandchildren Taylor Sullivan, Skylor Sullivan, Chandlyr Sullivan, Parker Sullivan, Sierra Sullivan, Andrew Sullivan, Megan Sullivan and Maddie Gamble; sister Nori Pool, sisters-in-law Sharon Jespersen and Ardy Vos; many nieces and nephews; and family friend Peggy (Dan) Williams of Boone.

Nick is preceded in death by his wife Jennie, parents and siblings- Eileen, Doris, and George.

Visitation will be held at Turner Jenness Funeral Home in Milford, on Friday April 21, from 5:00 to 7:00pm including a Masonic service. A Celebration of Life Service will be held at Calvary United Methodist Church in Arnolds Park on Saturday, April 22, at 11:30am followed by a luncheon. Burial will be at Memory Gardens Cemetery in Spirit Lake. In lieu of flowers the family request memorials that will be used towards a commemorative at Calvary United Methodist Church in Nick's memory.

Turner Jenness Funeral Home is in charge of arrangements.

## Two spring concerts set this week and next

The Northwest Iowa Concert Band, directed by Rich Nicklay, and The Northwest Iowa Jazz Band, directed by Scott Benjamin, will present their spring concerts, Monday night, at the Roosevelt Auditorium in Estherville. The concert band is to open the evening with *The Merry-Go-Round Broke Down* — which was the theme song for the Looney Tunes cartoons. Other selections are to include *War March & Battle Hymn of the Vikings*. Appropriately following the *Battle...* will be an awesome arrangement of *Precious Lord, Take My Hand*, Johann Strauss' *Tritsch-Tratsch Polka (Chit-Chat)*, which should make the audience dance in the aisles. The band will also perform a very beautiful arrangement of the Welsh Hymn Tune, *Rhosymedre*. The concert band's portion of the program will conclude with John Philip Sousa's *The Minnesota March*. Jazz band selections will feature vocal soloists Mark and Rowaida Lair on *Minnie The Moocher*, *Sentimental Journey*, and *Ain't That a Kick in the Head*. The jazz band will also perform *The Glenn Miller Orchestra's arrangement of St. Louis Blues*, and Duke Ellington's *Caravan*. The concerts will begin at 7:30, Monday night, with members from 16 Northwest Iowa communities, including Algona, Armstrong, Arnolds Park, Emmetsburg, Estherville, Hardy, Humboldt, Lake Park, Milford, Okoboji, Ruthven, Spencer, Spirit Lake, Superior, Terril, and Wallingford. There is no admission charge...

**RAMBO-ling**

**BOB RAMBO**

There is also no admission charge for this weekend's Friday and Sunday *Many Voices* Choir spring concerts. The first *I Will Sing* concert will be at the First Presbyterian Church in Spirit Lake, at 7:30, Friday night. The second will be at the Estherville Lutheran Church, Sunday afternoon at 2:30. Classical, spiritual, Gospel, jazz and selections will be featured along with the music of Broadway. Tim Schumacher will conduct the *Many Voices*. Jennifer Johnson is the accompanist...

We have probably mentioned Record Store Day each year since the "holiday" was instituted 10 years ago. When we say "talked," there wasn't much we could do without trekking up to the Twin Cities to find a record store. This year, the folks at the Iowa Rock 'n' Roll Museum are taking things in the right direction with its Record Store Day sale in the Roof Garden at Arnolds Park, Saturday, from 10:00 - 6:00.

In addition to being able to browse the racks, you'll also be able to listen to and purchase a wide variety of artists from not just the Rock 'n' Roll era, but from many other genres as well. *Editor's note: If you check the etymology of the word "holiday," you should understand that for some, Saturday will be a "holy day."*

After "a week of Wednesdays," where John Senn & Friends have taken the stage at Table 316, *Jessie James and the Outlaws* will be performing from 6 - 8 p.m. this Wednesday night (tomorrow). Next week should see *The Lake Patrol* close the month, with Terry Klein kicking things off the merry, merry month of May on the 3rd...

Adam Layman returns to the Little Swan Lake Winery Thursday night, from 6 - 8:00; while *The Kris Karr Band* will take the same stage Sunday afternoon, from 4 - 6:00...

And should you be in the Big Apple, you will want to know that Marilyn Maye is closing out a two-week engagement at *Feinstein's 54 Below*, on Sunday night. Please say "Hi," for the *Old Professor*, and make our apologies for missing her 89th natal day on April 10th...

This week research director RD is Bewitched, Bothered and Bewildered about *Baubles, Bangles, and Beads!* It was this day in 1953 that Richard Rodgers and Lorenz Hart's *Pal Joey* closed after 542 performances on the Great White Way. *Bewitched...* was one of the great songs from that show, and was recorded by *David Rose and His Orchestra* in 1947, along with several others, including Tony Bennett, some seven decades later, in a duet with Lady Gaga. *I Could Write a Book*, was recorded by Frank Sinatra (1952), and by Ella Fitzgerald (1956), then in 1960 by Anita O'Day and Billy May...

"Bicycle Day 2017" comes on Wednesday, perhaps a bit early to think of RAGRAI's Spencer stop in July. But *Daisy Bell*, or *Bicycle Built for Two*, was written at the end of the 19th century, and recorded many times in the 20th century, including one side by Alvin and his brother rodents on *The Chipmunk Songbook* album...

Lionel Hampton was born on April 20, 1908. And while he passed away about 15 years ago, the thousands of the vibraphonist, pianist, percussionist, bandleader's recordings will live for many more decades to come. Check *YouTube* to hear a personal concert of Hamp's music.

Singer Mel Carter turns 74 on Record Store Day. The Cincinnati-born singer and actor is best known for his hugely successful 1965 pop hit *Hold Me, Thrill Me, Kiss Me*, which was more recently included on Gloria Estefan's 1994 album of the same name...

If you want to celebrate William Shakespeare's Sunday birthday (1564 - 1616) you'd do well to check out Cleo Laine's 1964 LP(CD), *Shakespeare And All That Jazz...*

Alexandra Zuck was born on April 23rd, as well — albeit in Bayonne, New Jersey. Should you not know the name, think Sandra Dee! And think songs from the motion pictures in which she starred — 1959's *Gidget*, *A Summer Place*, and 1961's *Come September*. The theme song was written by Sandra's then-husband Bobby Darin...

The Broadway show *Kismet* closed on April 23, 1955, after 583 performances. That's where *Baubles...* was first introduced. Three successful versions were recorded by Stan Kenton, Wes Montgomery, and *The Kirby Stone Four* — which was the version that drew a Grammy nomination...

Now that you know the rest of the story, we hope you're not too bewitched, bothered — or bewildered...

## REAL ESTATE ROUNDUP

Presented by **RE/MAX Lakes Realty**

**Welcome back folks.** We were teased a bit in March with a fantastic week of weather, and the excitement was evident. It's uncanny how one week of early great weather in March can make the phone ring, the inbox fill up, and the text messages pop up with potential buyers asking questions about property. Now, however, as I look out the window, it is 65 degrees and the sky matches the blue water of West Lake Okoboji. Time to get busy!

Speaking of West Lake Okoboji, it's been interesting to talk to many of my clients looking for lake property and how some of them have undergone some complete mind-shifts as far as what their goals have been in determining what lake they want to live on. **Lower Gar, Minnewashta,** and **Upper Gar** continue to offer solid values and affordable lake living for buyers while still providing access to East and West Lake. **Little Spirit** still provides a very affordable solution for those buyers looking for the true feel of a "get-away." **Big Spirit** continues to host many year round owners, as well as seasonal owners that don't want or need the hustle and bustle of East and West Lake. This leads me to East and West. Many of my clients who were formerly looking for a home on **West Lake** have switched gears and **WANT** to live on East. The comment that's been made over and over is that there is more to do these days on **East Lake**. Thanks to the likes of Bridges Bay, the Waterfront, Braccos, the Barefoot Bar, the Store, and of course the Ritz, East Lake continues to be a place where buyers **WANT** to live, and it is evident in the rising prices and home values. This is not to say the buyers don't want to be on West Lake, because it is still considered premier, but it is to say that many current owners and future buyers love East Lake.

## Spring Music Concert by Northwest Iowa Concert and Jazz Bands

The Northwest Iowa Concert, directed by Rich Nicklay and Northwest Iowa Jazz Band, directed by Scott Benjamin, will present their spring concert Monday, April 24, 7:30pm, at Roosevelt Auditorium in Estherville. Volunteer members come from sixteen cities: Algona, Armstrong, Arnolds Park, Emmetsburg, Estherville, Hardy, Humboldt, Lake Park, Milford, Okoboji, Ruthven, Spencer, Spirit Lake, Superior, Terril, and Wallingford. The band's next selection is a very beautiful arrangement of the Welsh Hymn Tune, "Rhosymedre". Concluding will be John Philip Sousa's "The Minnesota March". The jazz band selections will feature vocal soloists, Mark and Rowaida Lair, on "Minnie The Moocher", "Sentimental Journey", and "Ain't That a Kick in the Head". The jazz band will also perform Glenn Miller's "St. Louis Blues" and Duke Ellington's "Caravan".

**Northwest Iowa Law Enforcement Raise Money for Camp Autumn**

April is Child Abuse Awareness Month and this year, local law enforcement raised \$3,564.78 for Camp Autumn in the Cops for Camp Campaign.

Camp Autumn is a therapeutic day camp for kids ages 4-21 opening in June in O'Brien County. Nine law enforcement agencies participated in the Cops for Camp Campaign to help fund scholarships for incoming campers. Agencies included: Sioux County Sheriff, Sheldon Police Department, Sioux Center Police Department, Osceola County Sheriff, O'Brien County Sheriff, Lake Park Police Department, Clay County Sheriff, Spencer Police Department, and Buena Vista County Sheriff.

"We are extremely fortunate to have such a positive working relationship with law enforcement throughout our area," said Kim Scorza, CEO/President of Seasons Center.

The winning agency, Spencer Police Department, raised over \$300 and were awarded the traveling Cops for Camp "canoe paddle" trophy for their efforts. In addition, the Spencer Police Department through their association also donated an additional \$3,000 for camp supplies.

"Law enforcement often times see the worst that humanity has to offer," said Scorza. "When children see their parent's getting arrested for committing a crime, many times, in the child's eyes, the cops are the bad guys. By partnering with law enforcement in this way we can spread the word to the children and families we serve that law enforcement officers really care about children and family well-being. On behalf of the children attending Camp Autumn this summer thank you all for participating. This fundraiser was a win-win for all involved."

For more information on this event or services provided by Seasons, Autumn's Center, and Camp Autumn, please visit our website at: [www.seasonscenter.org](http://www.seasonscenter.org) or call 1.800.242.5101.

## LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Dear Editor:

Aren't we all interested in the health and preservation of our Iowa Great Lakes? I am writing in support of Earth Day/Science Day, Saturday, April 22, 2017. I am a recent transplant to the Lakes area from northern Wisconsin. I was born and raised in southeastern Wisconsin and graduated from the University of Wisconsin-Milwaukee back in 1972. I attended the first Earth Day in 1970, a teach-in, where Senator Gaylord Nelson addressed a large crowd. It was a momentous day!

I have celebrated most Earth Days since then: as a mother, teacher, and as a daughter. My father was an avid fisherman and hunter, as well as a one-time student of Aldo Leopold (father of the "land ethic") at the University of Wisconsin in Madison. My father and I spent many hours in the Wisconsin outdoors, sharing and learning together. Needless to say the environment plays a huge role in my life.

As I was coming of age in the 1960s, I witnessed the environment getting more polluted from litter along the roadsides to "dead" lakes and rivers actually on fire. It was not a pretty time. Then came the Clean Water and Clean Air Acts and the Environmental Protection Agency was established giving the federal government the right to protect our water, air, and soil across state boundaries. Things began to look better.

Now Earth Day has become Science Day in response to current policies that challenge scientific consensus and cut budgets of government organizations that do the research and discovery from which we all benefit. The March for Science is a celebration of science and is non-partisan. It carries the message that we need to use science and scientific research in our lives every day! The doctor and the patient, the teacher and student, the farmer, the fisherman, the list goes on and on...

Please join the March for Science, Saturday, April 22, at the Dickinson County Nature Center on 170th Street, Okoboji. We will march at 1:00pm with signs to the Okoboji Summer Theater by way of the bike trail. In front of the Summer Theater at 2:00 we will show our support for science, and then return to the nature center. If you cannot march, then celebrate science in your own way. For more information about the March for Science, see [marchforscience.com](http://marchforscience.com).

Sincerely,  
Caroline Perkins, Spirit Lake

## 35th Annual Walleye Weekend

You are less than a month away from the chance at winning \$35,000! The 35th Annual Walleye Weekend officially begins at 12:00am on Saturday, May 6. Anglers will have the following 36 hours to catch one of the 10 tagged walleye in the hopes of taking home that coveted grand prize.

In the past, entry forms have been mailed out to all previous participants. In an attempt to be more environmentally friendly, they will not be mailing to those in Spirit Lake, Arnolds Park, and Okoboji. They can make a positive impact on the environment all while giving you a chance to visit your favorite local bait shops to register.

Entry forms are available at Fisherman's Factory Outlet, Kabele's Trading Post, Oh Shucks, Pioneer Beach, Stan's Bait & Tackle, and at the Iowa Great Lakes Area Chamber of Commerce office in Arnolds Park. Online registration is also available at [www.okobojichamber.com](http://www.okobojichamber.com).

The cost of the tournament is \$25 for entrants 16 and older, and \$15 for those aged 15 and younger. The Extended Contest is only an additional \$15 and allows you to continue to fish for one of the tagged walleye through September 1st. The first walleye caught during this portion of the contest heads home with 20% of the proceeds generated from the extended tournament, the second receives 15%, and the third receives 10%.

There will once again be fantastic prizes for the heaviest stringer of 3 walleye, heaviest northern pike, heaviest stringer of 5 panfish, and heaviest stringer of 10 bullhead as well. Prizes will be awarded at the Luncheon on Sunday, May 7, at the Dickinson County Expo Building from 12:00-1:30pm for a delicious meal as well as the chance to win additional cash and merchandise prizes.

**SPIRIT LAKE CUB SCOUT PACK 168** would like to thank citizens of Spirit Lake and surrounding areas for participating in our annual Scouting for Food service project. On April 8, Scouts gathered over 80 bags of nonperishable food items which were then delivered to Upper Des Moines Opportunity in Spirit Lake. The food donations will help local people in need. Pictured are: Brandon Crowley, Brayden Swalve, Caleb Duhn, Alex Profit, Kyler Hagedorn, Nicholas Werner, Isaac Chappas, Lukas Chappas, and Brock Neppl. Additional Scouts contributed, but were not available at the time of the photo: Samuel Wahl, Ian Munson, Kole Heberle, Drake Hicks, and Dominic Gray.

### Customer Service & Hospitality Training

The Iowa Great Lakes Area Chamber and Okoboji Tourism Committee know how essential quality customer service is in our area. One bad interaction could turn a customer away indefinitely. Superior service produces customers that not only return themselves, but also pass along recommendations to others.

Iowa State University Extension and Outreach wants to provide you with an opportunity to further improve these skills before the busy summer season hits. They will provide you with targeted strategies that will teach you how to cater to the desires of the modern consumer. From front line employees to managers of retail shops, restaurants, attractions, hotels, gas stations, convenience stores, and more—this training is beneficial to all.

Get your staff signed up for only \$10. The class will be held at the Pearson Lakes Art Center on May 16, from 9:00-11:00am. If your business signs up 5 or more individuals, the price reduces to \$8 per person. Sign up online at [www.okobojichamber.com](http://www.okobojichamber.com). The deadline for registration is May 11.

For more information or to register, contact Kara Matheson at 712-332-2107 or [kara@okobojichamber.com](mailto:kara@okobojichamber.com).

### Tea Time Etiquette

Just like the days of a little girl, come dressed for the party! Bring daughters, mothers, grandmothers or friends for tea time on Saturday, May 13, from 1:30pm to 3:30pm, at Little Swan Lake Winery, 1350 320th Avenue, Estherville.

Individuals will explore tea etiquette while enjoying the quaint atmosphere of the Little Swan Lake Winery and Bed & Breakfast. The cost of this event is \$15.

To register, visit [www.iowalakes.edu/ce](http://www.iowalakes.edu/ce), or call the Continuing Education office at 800-252-5664. For more information, contact Nancy Ramos, Career Pathway Navigator, at 712-362-7965.

### LETTERS TO THE EDITOR

**Letter to the Editor:**  
I encourage the public to contact legislators in support of Senate File 414 and House File 631- The First-Time Home Buyer Savings Account legislation. The proposed legislation would allow Iowans to save money in an account to be used toward the purchase of a future home.

With rising home prices and increasing student debt, young Iowans are having a hard time purchasing their first home. Similar to a 529 education savings plan, the home buyer savings plan would allow individuals to contribute up to \$2000 per year for up to 10 years. Withdrawals from the account are tax free, so long as the funds are used for closing costs and down payment on a single-family, owner occupied residence in Iowa. Parents and grandparents can also contribute to the fund.

Home savings accounts are an innovative way to make home ownership a reality. Home ownership strengthens communities and provides stability for families. As defenders of home ownership, REALTORS® in Iowa strongly support the First-Time Home Buyer Savings Account legislation.

**Earth Day Celebration**

John James Audubon actually had no role in the organization that bears his name --- the Audubon Society. However, George Bird Grinnell was tutored by Audubon's widow, Lucy Audubon, and when Grinnell worked to put together

an organization protecting birds and their habitats, he decided that the Audubon name would be his inspiration. After all, John James Audubon had left quite the legacy from his intriguing life as an ornithologist, naturalist and painter.

Hear all about Audubon's life and work during the Earth Day Celebration 6:00pm, Friday, April 21, at the Pearson Lakes Art Center in Okoboji. The Dickinson County Conservation Board and art center have invited storyteller Brian "Fox" Ellis to regale the Iowa Great Lakes area with the fascinating tale of Audubon's explorations.

"The most amazing thing is he was a total gonzo wildman," Ellis said. "He would head off into the wilderness for weeks at end with almost nothing --- his dog, his paints and his gun."

Ellis will perform an afternoon show for all fifth-grade classes in the county and then a second show for all ages that evening.

"Everyone is enchanted with this character. I've done this program for preschoolers and Ph.D. ornithologists, and there's something for everyone," Ellis said. "What I really love is when grandparents bring their grandkids and they both have something to talk about on the way home."

Because the Audubon show features Ellis telling stories of Audubon's explorations through his paintings, it fits in perfectly with the mission of both the Dickinson County Nature Center and the Pearson Lakes Art Center.

"This is the perfect opportunity to bring two wonderful community organizations together and showcase aspects of both," said Lee Sorenson, executive director of the Dickinson County Conservation Board. "Brian Ellis as John James Audubon will be educating people about conservation through a performing art of storytelling."

"We really value working with non-profit organizations like the nature center," said Bob Kirschbaum, director of the Pearson Lakes Art Center. "We look forward to many more opportunities to do so."

The Earth Day Celebration is a free show, although donations will be accepted. The Pearson Lakes Art Center will also have a full bar that audience members may purchase drinks from before the show.

## Earth Day and Science Event

The public is invited to a family-friendly event on April 22, to celebrate Earth Day and the March for Science.

"We will meet at the Dickinson County Nature Center at 1:00pm," said Caroline Perkins, event organizer. "From there we will follow the bike trail through the prairie, oak savannah and wetland habitats to the intersection of the trail with Highway 71 and Brooks Lane North by the Okoboji Summer Theater. From there we will loop back to the Nature Center."

Along the way participants will pick up trash, observe the osprey nest and enjoy the variety of wildlife and habitats. The route also will feature a scavenger hunt. "The scavenger hunt will make this event especially fun for children and families" says Perkins. "Participants will look for hidden messages that tell the story of Earth Day or a fun fact about science."

The idea to organize the event came to Perkins as a sudden inspiration. A recent transplant to the lakes area from Wisconsin, Perkins grew up in a family of conservationists. Her father was a student of Aldo Leopold, the famous scientist and essayist considered the founder of the science of wildlife management. "All my life I have participated in Earth Day events, so when I moved here I wanted to find out what was going on locally. I also wanted to do something in connection with the national March for Science that will be held on the same day." Perkins began contacting local organizations to learn if any local events were being planned. Iowa Lakeside Laboratory, a biological field station operated by Iowa's three state universities, was a first contact. Lakeside staff responded enthusiastically. "Lakeside's teaching philosophy is all about learning from and conserving nature. We value science and the many contributions scientists have made to advance humanity through innumerable breakthroughs in technology, medicine and our understanding of this precious planet," said Mary Skopec, Lakeside Executive Director. The Dickinson County Nature Center also lent their support to the event. "Science is the basis for understanding and protecting the world around us," said Lee Sorenson, Dickinson County Conservation Board Director. "We are all about promoting science education and getting people outdoors to learn about and enjoy the environment."

Representative John Wills also supports the event. "Science has played an important role in my life and I value its importance to everyone. Events like these encourage young people to appreciate science and consider science careers."

Perkins also learned that at least Okoboji natives, David Thoreson and Emily Mendenhall, will be participating in the event at the national level at Washington D.C. Thoreson will participate in panels on the value of science, including one with the National Press Club, and covering the march as a journalist. "The Iowa Great Lakes is a great example of how people can come together and protect the environment. My growing up there was a launching pad for my work for the environment at the national and global levels."

Through the rest of the month, Perkins will continue to ask for endorsements and invite people to participate in this event. For more information, contact Caroline Perkins at [pookyperkins@gmail.com](mailto:pookyperkins@gmail.com) or Jane Shuttleworth at [jane-shuttleworth@uiowa.edu](mailto:jane-shuttleworth@uiowa.edu) or 712/337-3669 Ext 7.

### Agronomy ADVICE:

Tips from the Channel Field Check Up Series

#### Chilling Injury May Cause Corn Leafing Out Prior to Emergence

With the arrival of spring and warmer temperatures, many people are getting the urge to plant corn. Though getting corn in the ground early is tempting, there are a few things to keep in mind.

The main issue we must be aware of when planting corn early is leafing out underground prior to emergence, which can cause poor stands and impact yield. This may be caused by chilling injury, soil crusting, compaction, herbicide injury, or exposure to light at deeper soil depths due to cloudy or sandy soils. Leafing out occurs when the coleoptile on the corn plant is damaged or the mesocotyl, which pushes the coleoptile through the soil surface, has irregular growth prior to emergence. The leaves may then break through the coleoptile, which acts as a shield that protects the leaves. Without its protection, it is possible that the leaves may never penetrate the soil surface.

With spring rains and sometimes cool temperatures very real possibilities this time of year, chilling injury most likely will cause leafing out underground and poor emergence. It can occur when soil temperatures dip below 50 degrees F for an extended period or when daily soil temperatures take large swings (25-30 degrees F). Damage to plants due to chilling injury may limit or cease nutrient uptake, disrupt normal development of the coleoptile and mesocotyl, and allow for disease and pest entry into the plant. The damage caused by these factors may be compounded when additional stresses are experienced during germination. These additional stresses can be things such as: herbicide injury, disease, or soil crusting.

Within the first 24-36 hours after planting, corn kernels imbibe 30% of their weight in moisture before germination can begin. If the temperature of soil water is less than 40 degrees F when it is imbibed, cell membranes can be damaged and abnormal germination may occur. This is called imbibitional chilling injury. Two symptoms of this are swollen kernels that failed to germinate and delayed seedling growth.

It may be necessary to delay seeding corn if soil temperatures are hovering near 50 degrees F with rain and cool temperatures in the forecast. Fields that do receive rain shortly after planting should be scouted early. If imbibitional chilling did occur, the seeds' leaking cell contents may draw in pathogens looking for an easy meal. Planting corn early may be tempting this time of year, but be sure to consider the forecast and soil conditions before giving it a shot.

Remember to contact your local Channel Seedsman with any questions you may have and please stay safe this spring.

**CHAS. RUEBLE, 200 lbs.**

Match to take place in the human top at 2 o'clock p. m. Sunday. General Admission.

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history - Milford, Iowa.

I know people from Lake Park will enjoy this picture, as Charlie was well known from the Lake Park area. I can remember Charlie, and Ralph Parcaut became Worlds Champion - one of the best ever. My uncle Hal Clark trained out with Parcaut and became a very good wrestler. The museum has many pictures and stories about early wrestlers from the area. Many of the best came from northwest Iowa.

Please thank *The Lakes News Shopper* for being the sponsors of these stories and photos. The museum is a 501 (c) 3 non-profit.

## Griefshare Begins Two Session

The Okoboji Bible Conference is welcoming two 13 week sessions of GriefShare this fall, beginning Sunday, April 23, 2017, in hopes of helping people of all ages with their grieving process. There will be two groups in the Okoboji area... with a Sunday meeting at First Lutheran Church of Milford, and a Monday session at the Okoboji Bible Conference grounds. It will continue on the following Sundays and Mondays through July. This program was founded in 1998 by Church Initiative, a group that helps people start support groups. GriefShare is currently being used in the United States and 10 other countries. Each GriefShare meeting has a DVD on a different topic, starting with a DVD titled "Living with Grief." Some of the other weeks include "Complicating Factors", "What Do I Live for Now?", "Stuck in Grief", and "Why?"

After watching each video, there is a group discussion on the topic. There is additionally a book that people can buy for \$15 that follows each of the video lessons. If someone can't afford the book but wants one, there are scholarships available. Exercises in the book go along with each video that people can do when they go home - to help them through their grieving.

GriefShare is facilitated by a group of well-trained mentors who have all gone through grief themselves. They then decided that they wanted to help other people through the grieving process, too. "GriefShare is a tool that helps individuals who have gone through the loss of a loved one through death," says one of the group facilitators, Jo Winkowitsch. "GriefShare can help grievers find a place of support and healing." The group aims to help people of all different religions and beliefs through grief, through instruction, discussion and support. The loss can be recent or in the distant past.

"Often when a person is ready to start talking about their grief, or needs help and support to find their way in their new life, there may not be many people who are available to listen or to help. The mission statement of the group is "From Mourning to Joy" which helps to symbolize the journey people take when grieving," says Winkowitsch, "and everyone's journey is different. It is important not to compare yourself with anyone else.

Sometimes people come to GriefShare before they are ready, or it just doesn't feel right. We encourage those people to consider trying again later in time. The timing needs to be right for the person attending. Though it is often scary to attend a group at first, in giving it time often the group can bond because of the commonality of loss and grief. Jo says, "GriefShare has been offered in the area since 2006, and many have been helped by the program. It is rewarding to see how people grow and heal as they attend."

GriefShare meets for 13 weeks. It is meant to be a warm, caring environment and is designed to be an "oasis" or "emergency room" on a journey through grief. Each week has time for grief experts and fellow grievers to share about a different subject, and a time for discussion. The group is very confidential and people don't have to speak if they don't want to.

The Sunday session of GriefShare will meet beginning April 23, 2017, at First Lutheran Church located at 1525 Three Cross Road, Milford, from 5:30 - 7:30pm. The Monday session of GriefShare meets at the Okoboji Lakes Bible Conference Community Center, beginning April 24, 2017, at 45 S Highway 71, Arnolds Park from 6:30 to 8:30pm. For more information, call Jo Winkowitsch at 712-330-7091 or go to [www.griefshare.org](http://www.griefshare.org) and put your zip code in.

# Rudy Ruettiger to Visit Spencer

Sacred Heart School, in collaboration with Carlson Property Holdings and Management, invites you to hear Daniel "Rudy" Ruettiger, on Friday, April 28 and Saturday, April 29, at the Sacred Heart Parish Hall. Rudy is a former Notre Dame Football player who carved his name into history. He is the only player in the school's history to be carried off the field on his teammates' shoulders.

Today, he is one of the most popular motivational speakers in the United States. It took years of fierce determination to overcome obstacles and criticisms, yet Rudy achieved his first dream - to attend Notre Dame and play football for the Fighting Irish.

The event is an opportunity for businesses and individuals to hear first-hand the motivational story of Rudy beating all odds on the gridiron. Sponsorship opportunities are available for purchase as well as individual tickets. # Tickets on Sale for Squabbles at the Spencer Community Theatre

The heartwarming and hilarious comedy is set to open at the Spencer Community Theatre

Spencer Community Theatre welcomes audiences to the final show of its 57th Anniversary season, Squabbles. Tickets go on sale to the public on Tuesday, April 18th for all six performances of this hilarious and heartwarming play. The story pits a father in law against a mother in a comedic succession of squabbles. Jerry Sloan is a successful writer of advertising jingles married to an equally successful lawyer. Living with the happy couple is the not so happy Abe Dreyfus, Jerry's curmudgeon of a father in law. Abe is a funny guy to the audience, not to Jerry. The situation is exacerbated when Jerry's mother Mildred loses her house in a fire and needs a place to stay. Abe and Mildred can't stand each other. This play is one hilarious confrontation after another until the heartwarming finale in which the oldsters discover that, really, each is not so bad.

Squabbles is directed by Kella Klinker-Simonin. It includes the acting talents of Dave Jacobson, Barb Jacobson, Charles Carter, Liz McNea, Steve Deutsch, Devon Harrison, and Nicole Harrison.

Squabbles opens Friday, April 28, at 7:30pm, followed by an opening night reception. Performances run April 28-30, May 5-7 with Friday-Saturday evenings at 7:30 and Sundays at 2:00pm. Tickets may be reserved through the SCT Box Office at (712) 262-7336. SCT Box Office Hours for are 11:00am - 5:30pm. Tuesday through Friday, 11:00-2:00 Saturdays of show weeks, and an hour before each performance. The SCT Playhouse and Box Office are located at 518 1st Avenue E.

Tickets are \$18 for adults and \$9 for students. Squabbles is rated "PG" and runs approximately 2 hours.

Squabbles is made possible with the generous support of Nelson Hearing Aid Service.

For more information, please call the SCT Playhouse at 712-262-7336 or visit us online at [www.sctplayhouse.org](http://www.sctplayhouse.org).

**Dickinson County Trails Board To Begin Maintenance Projects**

The Dickinson County Trails Board will start its first maintenance project of the season on April 19 with the trail along 175th Street in the area of the Ranch Okoboji Mini-Golf Park. Anyone familiar with this area knows that it has been in rough shape for a few years due to water undermining the trail and sediment collecting at the bottom of the hill. Approximately 500 feet of trail will be replaced with a new concrete section and a drain will be placed across the trail by the Ranch parking lot in order to get water away from the trail and into the ditch on the north side. The grade and slope of the trail will also be improved to alleviate the sediment problem. The work will close the trail for approximately two weeks depending on weather.

Several other maintenance projects are planned for 2017, including annual surface treatment of the Spine Trail. The south 3.2 miles from Milford to 202nd Street in the Nature Trails area will receive a GSB fog seal to help preserve the surface. Moving north to Spirit Lake the trail starting at Kiwanis Park to Peoria Avenue and 15th Street to Hill Avenue south of the Gingham Inn will be crack, slurry and fog sealed as well. Other miscellaneous drainage and culvert repairs are also on our list.

In coordination with the City of Okoboji the DCTB will be improving the trail section along Gordon Drive behind Mau Marine and both ends of the Trestle Bridge between East and West Lake Okoboji. The work is scheduled to begin mid-August and result in the trail in that area being closed after Labor Day through October. Keep an eye on our Facebook page and website for updates on trail work and closures.

**Keeping Our Trails Neat & Clean**

Dickinson County Conservation has been out sweeping the trails so they are ready to go for the nicer weather. Thank you to their crew for all the hard work they do on our trails. We will be reviving our Adopt-A-Trail program soon so be on the lookout for information if you are interested in adopting a section of trail to keep clean from Memorial Day to Labor Day.

**Rail Trail Rally Fundraiser**

The Corridor is in our hands and the Rail Trail is ready to roll. DCTB is planning our 2017 fundraiser event that will be held on Saturday, June 24 at the Arnolds Park Pavilion. This year's event will highlight the Rail Trail and kickoff the effort to raise local matching funds for its construction. The DCTB has obtained \$2 million in Federal Grants to purchase 37 miles of right of way and rehabilitate the rail bridges and crossings. Local Matching Funds needed for this project are over \$400,000. Please consider getting on board and be a sponsor for this great event. You can find more information on our website at [www.dickinsoncountyrails.com](http://www.dickinsoncountyrails.com). Thank you for your support!

Until next time, as always, Happy Trails to you and yours.

**Sanford Worthington to Offer Look Good...Feel Better® Program**

The American Cancer Society will offer its Look Good...Feel Better® program to residents in Southwest Minnesota and Northwest Iowa on Monday, April 24, 2017. The class runs from 6:00 to 8:00pm and will be held in the Auxiliary Room at Sanford Worthington Medical Center, 1018 6th Avenue, Worthington.

Guided by volunteer cosmetologists, female cancer patients who participate in this class will learn how to use make-up and skincare techniques to overcome the appearance-related effects of chemotherapy and radiation. To register and/or for additional information, please call 1-888-535-4227.

"Look Good...Feel Better" is as much about improving and maintaining self-image and confidence as it is about appearance," says Amy Peter, Program Manager with the American Cancer Society. "Patients enjoy the opportunity to spend time in a relaxed, non-medical setting with others in the same situation. And the free make-up and instruction from professionals helps them look and feel better."

Look Good...Feel Better® is offered through a partnership of the American Cancer Society, the Cosmetic, Toiletry and Fragrance Association Foundation and the National Cosmetology Association. Classes and materials are provided free of charge to women in active cancer treatment.

On top of the very real, physical and emotional concerns of the disease itself, the side effects of cancer treatment can be devastating to a woman's self esteem as well. In her mirror she sees someone she doesn't even recognize—a tired and discolored, with thinning hair and no eyelashes. Patients who have participated in Look Good...Feel Better® call the program an emotional lifesaver, because it returns them to a sense of normalcy and allows them to smile once again at the person in the mirror.

According to the American Cancer Society, there are dozens of anti-cancer drugs in use today, each with its own set of possible side effects. Possible appearance-related effects of chemotherapy and radiation include: hair loss on the scalp, eyebrows or lashes, weight gain or loss, changes in skin pigmentation and texture, skin oiliness, itchiness or peeling and alterations in nail texture and growth rate.

## Heart to Heart With Heritage Landing

**Refresh, Refocus, Renew!**  
 We were buried therefore with him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life. Romans 6:4  
 Easter season is upon us and we are reminded of the great sacrifice that was made to us so that we might have new life through Jesus Christ our Savior.

It is a season of new beginnings, new life and new hope!  
 The weather is warming up and the trees are budding. The grass is turning green, the birds are chirping and the flowers are getting ready to bloom.

The tenants at Heritage Landing have thoroughly enjoyed opening their windows to let in all that fresh, spring air and who doesn't enjoy the smell of an April rain?

Soon our staff, Rae, Wendy, Monique & Louis, will be gearing up for the Spring Cleaning. Windows will be washed, the blinds will be wiped down, and they will get in to the deep cleaning. You all know the drill. We will begin working in the yard, cleaning up the debris left over from winter, mowing grass and trimming the bushes.

You will see our tenants outside walking or biking on the bike trail, working in the raised gardens, or just enjoying the nice weather with a cup of coffee or a glass of lemonade on the patio. Does this sound like a lifestyle you might enjoy?

This is truly a time of year to Refresh, Refocus and Renew your life.

**Refresh**- Try new things. Don't get stuck in old, tired routines. Don't be afraid to take chances!

**Refocus**- Focus on all the positives and joys in your life - what makes you happy? Family? Friends? Hobbies? Volunteering?

**Renew**- Take care of you. Don't be afraid to take some time for yourself. Get a massage, attend a senior fitness class, or read a book.

This is the perfect time for new beginnings! Heritage Landing can open up a new lifestyle for seniors 55+ who are thinking about making a change or planning a move. Give us a call at 712-338-2909 to set up a tour and to learn more about our senior living community. Your new life is waiting for you at Heritage Landing!

Sally's quip of the day: "At my age - I've seen it all! I've heard it all - I've done it all - I just can't remember it all!"

## Fundraiser for Jostand

A fundraiser for the Keri and Jamie Jostand family will be held Saturday, April 22, from 12:00 to 6:00pm at the Okoboji Brewing Company, 3705 Highway 71, in Spirit Lake.

On May 31, 2016, Keri was diagnosed with Invasive Ductal Carcinoma (Breast Cancer). The Fundraiser will help with medical costs and travel to Sioux Falls for treatments.

A Silent Auction will take place as well as live music by Clint Diedel and J. Jeffrey Messerole and the Stone Horses, and a pig roast. Meat and desserts will be donated by Tyson Foods. Silent Auction items include: Loon Lake Lodge 2-3 day package, golf packages, Okoboji Wines Wine packages, OBC beer packages, Amundson Paddleboard from Mau Marine and a Maui Mat from Oak Hill Marina. Check out [www.brewokoboji.com](http://www.brewokoboji.com) for listing of other items to come.
