LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To the Editor:

We have a long history in the area that is currently the Okoboji School District. Four generations of our family have attended schools within our district for nearly 100 years. One parent started school in 1919 and graduated from the "original" Okoboji School southwest of Milford in 1932. Another parent graduated from Arnolds Park High School in 1938. In addition to attending Okoboji/Milford as students, we both taught in the District - Jack for twelve years and Cheri for twenty-seven. Our three children first matriculated in 1973, and completed their K-12 education by 1993. Our grandchildren, the fourth generation, are currently attending in the elementary and middle school buildings. They have experienced the positive effects of new classrooms in the elementary addition, and are experiencing the crunch of the middle school with too many students sharing inadequate space. This situation indicates that we have a viable school district and vital communities attracting a rising enrollment that we need to accommodate. As an educator, I visited with many parents considering where to live in the lakes region. The school system was most often the deciding factor.

During this span of time, we have seen many changes... remodeling, additions, re-organizations, new construction, and older buildings razed... all with the intent and purpose of creating the optimal learning environments for the students of the district. Each change was appropriate for the time, and each improvement was a tax "stretch" for the district constituents.

Historically, forward-thinking citizens of the district have thoughtfully and carefully expanded the needed facilities to enhance student learning opportunities and to ensure a healthy community for current and future generations. Every construction was the right thing at the right time! The current proposal is the same! The plan is solid. It has been fully explained. The current proposal is the appropriate plan at the appropriate time!

As always, it will be a stretch, and as history has proven, it will be the right thing to do! We encourage you to step up and vote "yes" on September 8... for our children, our community and our future.

LETTERS TO THE EDITOR

To the Editor:

Okoboji Middle School

Full disclosure: I am an Okoboji Middle School teacher. I do have to hold my 5th and 6th grade students in my room after the bell rings or dismiss them early. (either way, they lose learning time) This gives the 7th and 8th graders time to get in their lockers and out of the hallway. The halls are too small to accommodate all the grade levels that pass by my door. There is a big size difference between the students, too. I am a literacy leader with part of my team in the parking lot portable classroom. This will be a new challenge with co-teaching this year! I am a reading teacher who knows the smaller the class and the more space to move around in adds up to individualized instruction. Literacy is not just reading books anymore; more space is needed to teach skills that meet this generation's literacy needs; digital, audio, written, speaking, and listening.

I also am a taxpayer in the Okoboji School district and it won't be long before I will be on a fixed income. However, I know we/I will reap the benefit of a new middle school in Milford. My property value will go up or at least my home will become more desirable to the new family that will move in because they want to be in the Okoboji district. This raise in my taxes will be a guaranteed positive return on my investment. Giving up a few dinners out or a trip to Minneapolis will be worth it.

What a lesson we are teaching our students! They are watching and listening to voters. Are we showing them how voting for your own representatives you trust, listening with an open mind, and finding answers to your questions from the source is what democracy is about? Are they learning how to become informed citizens? It is good to discuss all aspects of the issues but in the end are they going to learn the benefits of compromising? Do they know the comments, questions, and concerns have been heard? Do they know as a result of these communications many changes have been made?

I am excited to hear what the candidates for our school board have to say. I for one am not going to vote with a one point agenda in mind. I will vote for the candidate that is fiscally and academically forward thinking for the future of this great school district. Just vote!

Anniversary Announcement

Virgil and Marietta Wahlman, of Milford, will celebrate their 65th wedding anniversary on September 3, 2015. The couple has made Milford their home for most of their married life and operated Buy Rite Food Center for 38 years. Warm wishes can be sent to them at 1401 14th Street, Milford, Iowa, 51351.

The couple's children are Eric (Diane) Wahlman and Linda (Dan) Ballah of Milford; Neal (Deb) Wahlman of Plymouth, Minnesota; Marla (Bill) Betz of Mesa, Arizona; and Cheryl (Mark) Zieringer of Omaha, Nebraska. Virgil and Marietta have 8 grandchildren and 3 great-grandchildren with another on the way.

To the Editor:

Vote Yes

Our middle school is small, and our student numbers are growing. Many of our classes are combined, and many times there are over 35 kids in one room and only one or two teachers. Our STEM lab, which focuses on Science, Technology, Engineering, and Math, usually has 40 kids in it and only two teachers. This restricts the time that the students get to ask question and get one on one time with the teachers. This leads to the amount of attention in the classroom to decrease. We all know that sometimes you just can't pay attention for a 40 min. class, but having more and more people in a class doesn't help. The more people there are, the harder it is for one or two teachers to successfully and efficiently teach a class. The school board thought of a solution, and that was a portable classroom. Even this classroom, which is parked in the parking lot, isn't big enough for a 40 student guidance class. We then had to go to the art room, and even that room didn't have enough chairs. Even though P.E. doesn't require one on one time, many people are complaining that it is too crowded, including our P.E. teacher. The new middle school, without the gym, is 68,000 sq. feet. Our current middle school, without the gym, is 42,000 sq. feet. The difference in size is very noticeable, and the difference in academic scores will also be very noticeable if you vote yes on September 8th.

Letter to the Editor:

RE: Okoboji Middle School

In the spring of 2014 we were contemplating a relocation of our family for a number of reasons. There were many factors that we considered while trying to determine where we might relocate. While contemplating these factors, one consistently ranked towards the top, and that was the school system. Does the school offer a quality education, a variety of extra circular activities, a progressive mindset and strategy for continued growth and a positive learning environment for the kids to thrive in? When we made the decision to move to Milford, these items were something the Okoboji School system offered. When it comes to making decisions regarding school issues, it seems the best question to keep in mind is, "What is best for the kids?" These kids are our future. Like many others, we too have concerns about such things as taxes and would like to keep them at a minimum. Sometimes you need to make an investment to help secure what you have in the future. Even with the increased taxes Okoboji would still rank 5th lowest in the state and 2nd lowest in the region.

A strong thriving school system can have a big impact on a community. That being said, voting yes would not only be in the best interest of the kids it would also be protecting your investment in the community.

District Governor Visits IGL Rotary Club

On August 26, 2015, the Iowa Great Lakes Rotary Club was visited by their current District Governor Joe Gitta of Waterloo, Iowa. Pictured are Rotary President Robb Keizer, Joe Gitta, and president elect Carey Wilkens. Joe brought the message of "gifts" to our club during his program: Not only the gift of giving but all the gifts a Rotarian receives by being involved in their community through Rotary.

"Although many of Rotary's Goals are the same, end polio, provide clean water and sanitation, improve health, prevent conflicts and promote peace, we as Rotarians can bring new gifts to the world by working together with young and old to promote Rotary in every aspect of our lives. We will honor our long standing traditions and make them stronger by incorporating the necessary changes of our times. We will pursue the diversity needed to make Rotary stronger than ever and embrace the gifts that new Rotarians bring to every club. We will invite our friends and family to partake in these gifts and together our District will indeed be a treasured "Gift To The World"."

The Iowa Great Lakes Rotary Club meets every Wednesday at 12:00 noon at Arrowwood in Okoboji. If you are interested in being involved in Rotary contact Paula Zenor at: zenor@mchsi.com.

Farm Market News by Mike Miller

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue Spirit Lake, IA 51360

Labor Day already?

Well good readers, summer is in its golden throes. Next Saturday, the market moves to the parking lot as the rummage sale/swap meet takes over the roofed arena for its final sales event of the season. The market will return indoors until the 10th of October which will be the last indoor market. This week the market was busier than normal and all vendors had a good day. Now, as the produce vendors prepare to transition their gardens for winter produce, let us not forget that there is an abundance of summer crops still at peak ripeness and available for our consumption.

A Little Clarity On Chutney, Please!

We Iowans who enjoy sweet chutney have a problem purchasing this item at the market. You see, the state does not allow relishes to be sold at the market, as for why I do not know. That is the reason I bring it up as I would love to witness just what our talented providers could wrangle up. Is it not antithetical to be able to sell jellies and jams and not relishes? I will tread lightly here as would like to discuss this matter in an adult fashion and not have jellies and jams banned from the market. Here is my take on the regulations. Not having a commercial kitchen to prepare relishes makes them vulnerable to what? Could commercial kitchens somehow prevent bad preparation, food borne diseases, botulism? Breads, candies, cookies and world class pies are currently made in our vendors' homes and I am quite sure that every single product is safe to eat. I enjoy so many foods prepared in the kitchens of our vendors without regard for the hazards of an inferiorly made product. Maybe there was a day when we needed regulations like these but this is not Upton Sinclair's "Jungle"; this is civilized Northwest Iowa. Could it be time to revisit some of these regulations, especially here in Dickinson County? This is purely my opinion and not the opinion of the Farmer's Market.

2016 And Adding Vendors.

This market is an economic tiger and adding new vendors is not complex at all. Just get in touch with Mike or Jan Koenecke and they will get things sorted out.

Iowa Great Lakes Rotary Seeking Applicants For Grant

Iowa Great Lakes Rotary is currently accepting applications for Rotary Global Grants Scholarships – a scholarship program under the Rotary International Global Grants program that funds graduate level coursework or research for one to four academic years. Applications are being accepted through October 15 for the 2016-17 academic year.

Through global grants, Rotary supports international graduate study for future leaders in fields related to the Rotary six areas of focus: Peace and conflict prevention/resolution, Disease prevention and treatment, Water and sanitation, Maternal and child health, Basic education and literacy, and Economic and community development. The scholarship is worth a minimum of \$30,000.

Interested candidates need to submit a completed online application to the District 5970 Rotary Scholarship Committee by October 15, 2015 to be considered for the 2016-17 academic year. The committee will then ask the applicant's local club (Iowa Great Lakes Rotary) to sponsor him/her. The online application can be found at: <http://district5970.org/SitePage/districtfoundation/globalscholarships>

Applicants and sponsoring clubs will be notified of interview decision and schedule by mid-November. For more information, please visit district5970.org and select the scholarships tab, or contact Kathy Fahy with the Iowa Great Lakes Rotary Club at (605) 359-7177 or kfahy@mchsi.com. Kathy was a Global Grants Scholar (formerly known as Ambassadorial Scholars) to Australia in 1997.

Farm Families Recognized with Iowa Farm Environmental Leader Award

Awards presented at Iowa State Fair to families that have led the way on environmental stewardship

Governor Terry E. Branstad, Lt. Governor Kim Reynolds, Iowa Sec. of Agriculture Bill Northey and Iowa Department of Natural Resources Director Chuck Gipp presented 95 Iowa farm families with the Iowa Farm Environmental Leader Award during a ceremony at the Iowa State Fair on Wednesday, Aug. 19.

"It is a pleasure to have the opportunity each year to recognize Iowans who go above and beyond to be good stewards of our land," said Branstad. "Farmers take pride in conservation efforts and preserving and protecting our natural resources. The Farm Environmental Leader award gives us all an opportunity to recognize their efforts as exceptional leaders."

"The passion and dedication exhibited by the farmers honored at this year's Farm Environmental Leader awards was inspiring. Many of the recipients remarked at how long they had been working to achieve such recognition," said Reynolds. "We know that Iowa farmers are committed to protecting the land and we were pleased to be able to highlight the work of some farm families' exemplary work."

The award is a joint effort between the Governor, Lt. Governor, Iowa Department of Agriculture and Land Stewardship, and Iowa Department of Natural Resources to recognize the efforts of Iowa's farmers as environmental leaders committed to healthy soils and improved water quality. It seeks to recognize the exemplary voluntary actions of farmers that improve or protect the environment and natural resources of our state while also encouraging other farmers to follow in their footsteps by building success upon success.

This is the fourth year for the award program and to date more than 300 families have received recognition.

"Iowa is a national leader in conservation and water quality efforts and it is important that we recognize the farmers who are making a significant investment in conservation efforts and serving as examples in how we can continue to better care for our air, soil and water," Northey said.

Winners were presented a certificate as well as a yard sign donated by Monsanto and a commemorative program provided by the Iowa Ag Water Alliance. Hagie Manufacturing sponsored a recognition luncheon following the ceremony. Bob Quinn from WHO Radio served as the Master of Ceremony.

All winners were chosen by a selection group representing both conservation and agricultural groups.

The selection group that approved the 2015 winners included Jim Gillespie from the Iowa Department of Agriculture & Land Stewardship, Bruce Trautman from the Iowa Department of Natural Resources, Jim Frederick from the Conservation Districts of Iowa, John Lawrence from Iowa State University Extension and Outreach, Sean McMahon from Iowa Agriculture Water Alliance, Jan Glendenning from The Nature Conservancy, Jeff Pape from the Iowa Farm Bureau, Jay Lynch from the Iowa Corn Growers Association, Jim Andrew from the Iowa Soybean Association, Pat Daufeldt from the Iowa Turkey Federation, Dan Wetherell from the Iowa Pork Producers Association and Haley Stalcup from the Iowa Cattlemen's Association.

GREAT CATCH! - Brody Van Kalsbeek, of Sergeant Bluff, Iowa, with fish caught on August 9, 2015.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

In northwest Iowa we rely on the U.S. Postal Service to deliver letters in timely fashion and for a decent price. However, it is becoming clearer that the organization is struggling to meet this mission to provide good service to all no matter where they live.

In recent months as rural mail service has declined, the Postal Service has advanced new areas of business that are mainly focused on their customers on the east and west coasts. What's worse is that they have yet to figure out what these new directions mean for their bottom line. Such information is very important in helping the agency find the best ways to address its dismal fiscal standing.

The rural areas of Iowa already have enough to worry about, and everyone in our towns certainly shouldn't have to add bad mail service and further postal center closures to the list. Fixing the Postal Service will be a steady process in employing better management and making sure there is sufficient oversight.

When the Presidential candidates talk about overall government reform, let's hope they also focus on the Postal Service and finding the right changes to make it more efficient and sustainable.

Sew-A-Thon for Veterans

Fabric and Textile Warehouse will host their 10th Annual Sew-A-Thon for Veterans on Saturday, September 26, at 10:00am - 2:00pm at the American Legion, 2320 Highway Boulevard, Spencer, Iowa.

Come join Fabric and Textile Warehouse as they sew wheelchair bags for veterans in Veterans Homes and pillowcases for deployed sailors. All fabric and thread provided by Fabric and Textile Warehouse in Spencer. Bring your sewing machine and come sew or come to cut, iron and fold.

Bring your friends, 4-H group, girl and boy scouts, sewing and quilting guilds. Come donate a few hours to remember those who sacrificed so much for our freedoms. They will also be collecting new white wash cloths for the Veterans Homes.

More information on our website: www.fabricandtextilewarehouse.com or on our facebook page: www.facebook.com/fabricandtextilewarehouse.

Arch Allies Concert on Preservation Plaza

On September 5th at 7:30pm, Arch Allies will be playing on Preservation Plaza, sponsored by Walker Insurance. This will be the last Live At The Lake concert for the 2015 season. You don't want to miss this free concert.

If you are a fan of Journey, REO Speedwagon, or Styx, then you have a new favorite band pumping out great music... Arch Allies. Arch Allies is a timeless tribute band centered around making classic rock sing-alongs with dynamic vocals, huge guitars, dashing keyboards and powerful drums. This tribute band is making waves as THE national touring tribute show in North America. Arch Allies has performed from Florida to Washington state and from Mexico to Canada. Don't miss out on what every one is talking about.

Thank you to Walker Insurance for bringing Arch Allies to Preservation Plaza on September 5th to conclude the celebration of 125 years at Arnolds Park Amusement Park.

Thank you as well to all the 2015 Live At The Lake concert sponsors and all those that came out to the concerts this summer to help us celebrate 125 years.

We hope everyone had a great summer and look forward to seeing you all next year for another summer filled with great music and Live At The Lake concerts.

Time to rock 'n' roll!

This is the weekend rock 'n' rollers have been waiting for since last Labor Day weekend — the weekend of the Iowa Rock 'n' Roll Music Association's inductions and all the fun attached to it.

The lifetime membership party kicks things off Friday night at 6:30, in the Majestic Pavilion with a concert featuring The Decades beginning at 8:00, in the Roof Garden.

While full information is at the IRRMA website (IowaRockNRoll.Com), Saturday's activities include a silent auction and pancake breakfast, along with a vintage car show, the annual meeting and battle of the bands, and a meet & greet for the inductees.

Breakfast is apparently more important now than what we recall from the rock 'n' roll era itself, as Sunday morning begins with an omelet breakfast, followed by the afternoon induction ceremony, an autograph party and what is billed as a "spectacular" concert — because it always is!

The most local band to be inducted this year is *The Castels*, a group that was formed 52 years ago in Milford. (My, how time flies!) Through the years the band's members included Mike Rohwer, Gary Baumbach, Larry Jensen, Bill Carpenter, Sue Gaskill Hyding, Vicki Bartels Schultz, and Sid Knittel.

And the most distant performer this weekend will probably be Jan Berry's partner Dean Torrence, who will cap off Sunday night's induction concert, recalling the era when *Jan & Dean* were topping the charts with songs like *Surf City*, *Little Old Lady From Pasadena*, and *Dead Man's Curve*...

So let your hair hang down and enjoy three days (and nights) of fun! While the summer tourist season on campus will seemingly come to an abrupt halt after Labor Day, there is a lot more year-round music than what we were able to enjoy just 10, 20, or 30 years ago.

Glenn Henriksen will perform at his place in Spirit Lake tonight (Tuesday) and tomorrow night...

Terry Klein will be appearing at Table 316, Wednesday night, from 7 - 9:00, where Itty Bitty Boji Band just signed to show next Wednesday...

Thursday night will see Michael Grucillo on stage in the barn as the Little Swan Lake Winery as *Gooch and the Guys*, from 6 - 8:00. This is a big week for the Winery celebrating its tenth *Great Grape Stompede*, Sunday afternoon. In addition to the music of Charlie Liessler and Damon Dotson, there'll be a grape stomp, buffalo chip toss, and a grape spitting contest, too!

Friday night will see the *South 71 Trio* performing for the *Bee and Butterfly Festival* at the Dickinson County Nature Center, from 6:15 - 8:15. (Don't ask the Old Professor why the schedule doesn't start on the hour...)

The *Journey, Styx and REO Speedwagon* tribute band, *Arch Allies*, will return to Preservation Plaza at Arnolds Park to cap off that venue's series of free summer concerts on Saturday night at 7:00...

And the *Dick Bauman Big Band* caps what we think was its 19th season, Monday night, from 7 - 9:00 in Pomerantz Hall at the Pearson Lakes Art Center...

We mentioned a local FUNd raiser for a new art center in Jackson a couple weeks ago. And while we expect to soon see the center to become a reality, it will be Jackson's annual *Rhythm of the River Arts Festival* that is sponsoring the October 17th FUNd raiser at the Little Swan Lake Winery.

There are a couple of items of special note here. Claudia Russell, who put on a great show at *RotR* a few years back (None of us can remember the year!), has agreed to sing and play (along with bass man Bruce Kaplan) for three hours, from 7 - 10:00, that Saturday night, instead of the originally discussed two hours.

And Little Old Winemaker Scott Benjamin — perhaps with the assistance of Mrs. Winemaker and her famous grape stompers — has agreed to provide a Bison Stroganoff meal with each \$15 ticket! Those tickets should be available next week from any *RotR* committee member, and at Ashley's Hallmark, in Jackson. Stay tuned...

You are invited to join the Old Professor for Ballads, Blues and Big Bands, too, at Class 105, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji.

Class 105... airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM. All the news that fits, we print. Please send your music-related announcements or comments to: class105@connect.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Mike Rohwer (l), Gary Baumbach, Larry Jensen, and Sid Knittel were members of *The Castels* in 1963.

DEALER INQUIRIES INVITED

MILFORD HIGH SCHOOL CLASS OF 1955 60TH CLASS REUNION HELD AT THE FARM OF BRUCE TAYLOR JULY 25, 2015 – (row one) MaryAnn (Marchand) Christensen, Peggy Robinson, Gloria (Wallace) Lamb; (row two) Byron Thelen, Larry Eckard, Dale Langel, Dick Koep, Bruce Taylor, Kent Green, Wayne Langel.

Time-out Nursery Open House

Time-out Nursery is ready to begin another year of providing free childcare and a much needed break for busy parents and caregivers. You're invited to come to their Open House on Thursday, September 10 from 5:30-7:00pm at Good News Community Church at 1010 Julia in Okoboji. Parents are encouraged to take this opportunity to see what Time-Out Nursery is all about and acquaint themselves and their children with the staff and atmosphere.

For 30 years, the Child and Parent Council (CHAPCO) has been providing this service to families in Dickinson County. It provides a stress free opportunity for parents and other caregivers to shop, attend appointments, exercise, study, volunteer in the community, clean house, participate in parenting classes or simply to rest while taking a break from parenting.

Families with children between the ages of 2 weeks and 6 years may sign up to drop-off their children for up to three hours of childcare on Tuesday and Friday mornings. Children are in a safe, caring environment with planned activities such as story-time, free play, snack-time, art activities, songs and games. Time-Out Nursery is a licensed daycare with a staff that brings many years of early childhood education experience. Screened volunteers also assist in caring for the children.

Time-Out Nursery is funded in part by the Dickinson County Endowment Fund, the Good Neighbor Fund, South Dickinson Community Fund, Prevent Child Abuse Iowa and several area service organizations. Through their generous support Time-Out Nursery is able to provide a safe environment, a well-trained nurturing staff and a quality program at NO CHARGE.

For more information about Time-Out Nursery, to register your children or to become a volunteer please call T.J. Simington at 712-330-0611.

Time-Out Nursery is offered at Good News Community Church in Okoboji on Tuesday and Friday mornings from September through May. Don't miss the Open House on Thursday, September 10 from 5:30-7:00 p.m.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

I think most people know something needs to be done at the middle school. However, I am encouraging all to vote NO, not this time, not this plan, for the following reasons:

1. I don't feel the board has spent the time necessary to understand the ramifications of the north end of the school district. With all the buildings in the South part of the district, I feel we will lose many to open enrollment. Okoboji, when the 2 schools joined tried very hard to become part of the Spirit Lake District instead of Okoboji.
2. I feel with this cost of the project the board needed to get bids from 2 architects.
3. I have not been able to get any breakdown of what this money is for.
4. None of the objections were seriously considered after the failure of the first bond issue.
5. Although legally correct, to make this into a measure that only requires 50% +1 instead of the normal 60%+1 is very questionable. I would think they wouldn't want to have a new plan passed without a clear mandate.
6. I feel families will lose interest in living in the north end of the school district and attend the Milford location. I think this will hurt the make up of 2 of the communities of the district.
7. With 3 of the 3 members of the school board not running for re-election does not show much commitment of the board to this plan. The board has a total of 5 members, why not wait till the next three will be elected.

Please vote no this time for this plan.

Milford Library News

Calling all gamers 5th- 8th grades! Video Games Day is happening on Friday, September 12, starting at 3:30pm and ending at 5:30pm in the Milford Memorial Library. Come play Wii and Xbox games provided by Exile Gaming in Milford.

The Teen Summer Reading Program has come to an end and we would like to thank the local businesses and community members who donated prizes and time to the Summer Reading Program. A special thank you to Pirates Cove Adventure Golf, Soy Candles by Julie, Boji Bay Fun House Pavilion, Great Lakes Cinema 7, Delores Ebel, Robyn Horswell, Doug Enger, Dave Carpenter, and Kares Knudston.

An open meeting of the Board of Trustees for the Milford Memorial Library will be held Wednesday, September 2, at 5:30pm. A free computer class will be led by Jeff Cookinham after the meeting.

Join us for great stories and much more every Friday morning at 10:00! Betty, our children's librarian, looks forward to sharing stories with you! No pre-registration is necessary. The theme this week is "School is Cool."

The Milford Memorial Library will be closed on Monday, September 7, in observance of Labor Day.

The Episcopal Presence In The Iowa Great Lakes Area

At the recent picnic at Gull Point State Park, St Alban's Episcopal Church announced the first two recipients of the Saint Alban's Episcopal Church Scholarship Fund. Evan Ward and Caleb Jennings are the recipients of the 2015 scholarships in the amount of \$500 each.

Evan graduated from home schooling with a GPA of 3.88 and 43 college transfer credits through Minnesota West. He will be attending Augustana College in Sioux Falls, studying business and biology. He has been on several mission trips through the church and has been involved with the Fellowship of Christian Athletes.

Caleb graduated from Spirit Lake High School with a GPA of 3.646. He will be attending Central College in Pella, studying exercise science and plans to become a chiropractor or physical therapist. Caleb has also been involved with service, logging 100 hours of service the past two years as part of his involvement with HOBY (Hugh O'Brian Youth Leadership Seminar).

The purpose of the Saint Alban's Episcopal Church Scholarship Fund is to support members of St. Alban's Church as they further their education. We celebrate God in everything we do. Our life's work and our daily vocations are an extension of this. Our goal is to support our members in finding their life's work.

Applicants must be a member of St. Alban's Church, Spirit Lake, Iowa, and listed on the rolls of the church, shall have demonstrated a compelling desire to further their education, increase their abilities, and serve humanity, be an active participant in the fellowship of St. Alban's Church, Spirit Lake, Iowa, and show acts of Christian service during further education opportunity if planning to reapply in future scholastic years. More details about the scholarship fund can be found on the website at www.stalbansepiscopalchurch.org/scholarship.

For more information, contact the church at 712-336-1117, email: stalbanchurch@qwestoffice.net, or check the church's website at www.stalbansepiscopalchurch.org or Facebook page at www.facebook.com/stalbansspiritlake.

LRH Developing Patient And Family Engagement To Improved Care

Those Interested Encouraged to Apply to be on Council

Lake Regional Healthcare (LRH) has a long history of dedication to providing quality care, as demonstrated through recent initiatives such as the new Birth and Surgery Centers, low readmission and infection rates, their State-wide Patient Safety Award, and high patient satisfaction scores. In an effort to continue striving toward high quality care, and realizing the importance of feedback from LRH patients and families regarding that care, they are in the process of organizing a Patient and Family Engagement. Comprised of community members willing to volunteer their time and LRH staff, Patient and Family Engagement is a partnership with LRH to improve quality of care, eliminate preventable errors, and integrate patients and families as partners in the care process.

LRH Quality Measures Specialist Michelle Roth said, "We at Lakes Regional Healthcare are grateful to be entrusted with the care of patients and families in our region and beyond. We want to continually improve so we deliver to our patients exactly what they are looking for from a health care provider. In order to be sure that we are meeting the needs of patients and families we care for, we need to and want to listen to them - their experiences, their ideas, their suggestions. Patient and Family Engagement is one way we plan to get their input."

According to Roth, patients and families who are engaged in their own health care have better outcomes, lower chance of readmissions, and lower cost of health care. She said, "We believe this - that we can achieve the best outcomes when we partner with patients and families. Our ultimate goal is to provide the highest quality of care to every individual who entrusts us with their care, and consumers at the table will help us engage the community in our improvement efforts. We value the partnerships we have with patients and families, and our vision is to build on those partnerships through Patient and Family Engagement."

Members plan to meet for about an hour on a monthly basis at first. Roth said, "We'll meet on a day and time that's mutually convenient for everyone. Over time we will likely meet less frequently, such as every three months. It depends on the topics we're discussing at the time."

Patient and Family Engagement members should:

- Enjoy working on a team
- Want to help LRH put patients first
- Be committed to improving quality and patient safety
- Want to strengthen partnerships with patient and families
- Be available to volunteer time

Those interested in being on Patient and Family Engagement can complete an application online at www.avera.org/lakeshealth/ or stop in LRH's East or West entrances and pick up a paper application at the volunteer desks. Questions can also be answered by calling Michelle Roth at 712-336-8780.

College Football Preview-2015

It's hard to believe that Labor Day Weekend is already upon us, where did summer go? About the only thing good about summer ending is it means the start of college football season, as well as local high school fall sports, and the NFL. With the start of the college football season comes my annual article trying to predict the fortunes of Iowa and Iowa State. Last year I was a bit off with Iowa, predicting them to go 9-4 with a New Year's Day bowl victory. The Hawks had a relatively disappointing season, finishing 7-6 with lackluster effort in their 45-28 loss to Tennessee in the Taxslayer Bowl. I was also way off for Iowa State, predicting the Cyclones would rebound from their 2013 3-9 season and finish 7-6 with a bowl victory. ISU struggled all season long going 2-10 with an embarrassing 0-9 Big 12 mark. As I say with all of my predictions, enjoy reading them, but don't take these bets to Vegas and expect to win any cash!

Iowa

Many people don't know what to think of this year's Iowa team, including me. Coach Kirk Ferentz is in his 17th season leading the Hawkeyes and many feel that the team needs to have a strong season or the hot seat Ferentz currently sits on will become even hotter. For the first time in three years Jake Rudock will not be starting at quarterback as the senior transferred to Michigan once it became apparent junior C.J. Beathard was going to be the starter in 2015. Beathard brings a cannon of an arm to the table as well as some quality speed, but not a lot of game experience. A quality backfield should take pressure off Beathard as LeShun Daniels and Jordan Canzeri offer different running styles that will be tough to stop. Canzeri rushed for over 500 yards in 2014 while battling injuries. Iowa did lose some very key offensive linemen but the Hawks are hoping Boone Myers and Austin Blyte will anchor the group that always seems to perform well. Beathard's favorite targets when he throws the ball will be Matt Vandenberg and speedster Tevaun Smith.

Iowa also lost some key defensive players to the NFL. Drew Ott will be the leader of the defensive front along with Nate Neier. Iowa's linebackers were inexperienced last year but that group should be better in 2015, with sophomores Ben Niemann, Josey Jewell and Bo Bower all starting after being thrown to the wolves as freshmen last year. The defensive backfield will be led by standouts Jordan Lomax and Desmond King. The defense will have to perform better this year than they did in 2014, as they allowed four of their last seven opponents to top the 30 point mark, something that happened only once in 2013.

Iowa's non-conference games will be huge in determining the success of their 2015 season. If the Hawks can start strong they could gain momentum in the rugged BIG. The bad news for Iowa is the BIG will be very tough this year with Ohio State and Michigan State being ranked in the pre-season top 5; the good news is Iowa won't have to play either one of them again in 2015. Iowa does face BIG power Wisconsin and has to travel to Nebraska plus has a tough home game with suddenly strong Minnesota. I look for Iowa to have a similar season as 2014, going 7-6 with another bowl loss that will put Kirk Ferentz possibly on the chopping block.

Iowa State

The vultures are also circling in Ames, as Coach Paul Rhoads has compiled a 5-19 mark the last two seasons and hasn't been to a bowl game since 2012, where they lost to Tulsa to finish 6-7. The last two seasons the Cyclones were decimated by injuries and player dismissals as well as reported team chemistry issues. For the Clones to have a successful 2015 the offense will have to carry the team. The good news is ISU finally knew who their starting QB would be last spring. Senior Sam Richardson has a strong arm and may be the Cyclones' best running option; if he can stay healthy the offense could be dangerous. Richardson has some big targets to throw to in Allen Lazard (6'5), Quenton Bundrage (6'2) and D'Vario Montgomery (6'6) returning. Not only are the wideouts tall, they all have breakaway speed that can turn a short gain into a big play anytime. Running back is a big question mark, as ISU lost 3 of their top 4 RBs from last year. Tyler Brown appears to be the front runner to start but look for a RB by committee approach in 2015 with Mike Warren also getting some action. The offensive line is experienced and should provide some nice holes for the back to run through as well as time for Richardson to hit his big targets.

As is often the case, a huge question is can ISU's defense slow down anyone in the explosive Big 12? There's hope on the defensive line front with newcomers Jhaustin Thomas, Gabe Luna and Demond Tucker battling for starting spots out of junior college. The linebackers should be solid with Jordan Harris, Levi Peters, Jake Knott and Jamor Jones all having strong fall camps. Nigel Tribune will lead the defensive backfield along with returning starters Sam E. Richardson and Kamari Cotton-Moya. ISU will have a very strong special team with kicker Cole Netten being one of the best place kickers in the Big 12 and punter Colin Downing providing a booming leg that can also pin opponents deep in their territory.

The Big 12 will again be loaded in 2015 with TCU and Baylor being ranked in the top 5. Like Iowa, ISU needs to start the season strong to carry some momentum into a brutal conference schedule. ISU actually could be favored in their first four games before hitting the road against Texas Tech. I am always an optimist when it comes to my Cyclones and feel like they will start fast and win enough Big 12 games to get to 6-6 on the season. If ISU can get to a bowl game they will win it, finishing with a vastly improved 7-6 record.

Obituaries

Evelyn Rae Mosen passed away Wednesday, August 26, 2015, at Avera Dougherty Hospice in Sioux Falls at the age of 83.

Evelyn Rae Mosen, also called "Pick" from her favorite card game, was born September 5, 1931, in Sioux City, Iowa. She was the daughter of Dr. and Mrs. Raymond J. Duling. Evelyn attended the University of South Dakota, and worked as a medical receptionist and assistant for her father's practice.

On September 11, 1954, she married Harold "Butch" Mosen (Everly, Iowa) at Blessed Sacrament Church in Sioux City and they were married almost 61 years. Together, they had two daughters and two sons.

Evelyn had a great love for her family and friends. In her free time, she enjoyed volunteer work. She served at St. Mary's Parish for many years. For fifteen years, she volunteered to help run the Avera McKennan gift shop. She enjoyed helping in her daughter Laurie's classroom at Cathedral School. She also was a court advocate for victims, a Girl Scout Troop Leader, and an avid sports fan. Go Twins! She loved crossword puzzles, reading, travel, and playing cards with family and friends.

Evelyn is survived by her husband, Harold; her children, Laurie Murray (husband Jim) of Milford, IA; Amy Mosen (husband Gary Winter) of Minneapolis, MN; Mark Mosen (wife Kay) of Rochester, MN; and Tom Mosen of Minneapolis, MN; five grandchildren and three great-grandchildren- Charlie Murray (wife Gina) with Edward and Molly; Rita Murray Rice (husband Ben) with Leo; Jake Murray (fiancée Allie); and Adam Mosen and Kate Mosen. She was preceded in death by her parents, her 4 siblings- Audrey Hudspeth, Houston TX; Dr. Edward Duling, Sioux City, IA; Doris (Dienne) Rodawig, Spirit Lake, IA; and Maureen (Sissy) Beyers, Houston, TX.

Lester LeRoy Peters, the son of Herman (Ham) and Myrtle Esther (Siemers) Peters was born April 23, 1949, at the Dr. Wm. Bullock home in Lake Park, Iowa. He was baptized and confirmed at Concordia Lutheran Church in Lake Park, Iowa.

Lester's father was a farm laborer, he spent his early years in Minnesota and in 1951 they moved to the Freddie Ahrenstorff farm northeast of Lake Park. Les worked his way through school as a farm laborer. In 1967, Les graduated from the Harris Lake Park High School. After graduation he attended a tech school in Kansas City, Missouri. After completing his schooling, he returned to Lake Park and went to work for Terrafact, Inc. owned by Freddie Ahrenstorff, his son, Robert, and two grandsons, Troy and Todd. In 2003 he purchased a home in Lake Park and went to work at Rosenboom Machine & Tool in Spirit Lake, in the maintenance department. Les' employees and co-workers found him to be prompt, dependable, hard working, loyal and versatile in problem solving and repair of machines and equipment. He worked there until February 12, 2015, when he was diagnosed with brain cancer. He stayed with his brother, Robert, and his wife, Connie, until May 1, 2015. He then entered the Lake Park Care Center, where he passed away on August 21, 2015, at the age of 66 years, 3 months and 29 days. He will be remembered for his quick wit, a dry sense of humor and his ever present wry smile.

Les' hobby was bowling. He bowled in Lake Park, Spirit Lake and attended the ABC Tournaments for thirty-five consecutive years receiving a plaque of recognition in 2013. He enjoyed playing card games and board games at family gatherings.

He is survived by his mother, Myrtle; brother, Robert (Connie) Peters of Lake Park; sisters, Sharon Hesebeck of Spencer, and Carol Lockey of Grættinger; several nieces and nephews and step-nieces and nephews; one uncle, Henry (LaVonne) Siemers, two aunts, Leona Siemers and Marion Peters. He was preceded in death by his father, Herman; his maternal grandparents, Henry and Clara Siemers; and paternal grandparents, Charles and Minnie Peters.

Turner Jenness Funeral Home was in charge of arrangements.

Darlene C. Hudek - age 90, of Milford, formerly of Pocahontas, passed away Tuesday, August 25, 2015, at the Hawkeye Care Center in Milford, Iowa.

Darlene Cecelia Hartley was born September 15, 1924, near Grand Mound, Iowa. Most of her early years she lived on a farm east of Pocahontas, Iowa, with her mother Lucy Reyburn Rittgers and step-father Frank Rittgers. She attended country schools through the 8th grade then entered Pocahontas Community High School. Because her parents and grandparents went south in the winter, Darlene attended several months of 9th and 10th grades in Arizona and Florida. She had wonderful memories of traveling with both sets of grandparents.

Darlene graduated in June, 1941, from Pocahontas High School at the age of 16. In December of that year the United States entered the war after the attack on Pearl Harbor. Darlene stayed home from college to help on the farm because her uncle Frankie Reyburn and so many other young men went off to war. In the fall of 1942, she went to Morningside College in Sioux City, and in 1943 she attended Iowa State Teachers College at Cedar Falls where she received a teaching certificate for elementary education. She taught several years in a country school.

Darlene and Don Hudek were married July 27, 1946, in Long Branch, New Jersey, where Don was stationed in the army. They raised their four children on a farm 1 mile north of Pocahontas until 1961, and then moved to a farm 1 mile east of Pocahontas.

She loved farm life and always had a huge garden full of wonderful vegetables. Darlene worked hard planting, harvesting, canning, and freezing her produce.

Darlene's life was full and rich because she loved to learn and loved to teach. She attended Buena Vista College at Storm Lake to get her bachelor's degree in education in 1968. That fall she began teaching 6th grade in the Gilmore City-Bradgate Schools where she taught for 18 years. She was an enthusiastic, energetic teacher of science, Iowa history, and social studies. Each year she took her students on an Iowa History tour around the state. After she retired from the public school system, she taught GED for many years and retired from that in 1989.

Darlene loved to travel and had many wonderful trips to exotic places including Tahiti, Australia, Europe, Russia, Sweden, Finland, Kazakhstan, Alaska, Canada, Hawaii, and an Amazon River cruise in South America. Often she invited one of her grandchildren to accompany her.

Darlene was a deeply spiritual woman who loved her Lord and Savior Jesus, and enjoyed telling others about Him. For many years she welcomed women into her home for weekly Bible studies. Every morning she read her Bible and prayed for her children and their families. She was a wonderful mother to her children and poured her love of life into them and left a lasting Christian legacy.

Survivors include her four children and spouses: Diane (Larry) Cox, Milford, Iowa; Dona (Philip) Carter, Robins, Iowa; Dean (Phyllis) Hudek, Exeter, Rhode Island; and Dale (James) Gamache, Milford, Iowa. Grandchildren: Danna (Bryan) Folkers, Brian Dean, Ryan (Liz) Carter, Paula Carter, Lara Williams, Brian Williams, Alicia Gamache, Natalie (Matt) Miller, Kelsey Gamache, Dallas Johnson, and Dalton Johnson. Great-grandchildren: Truman, Tate, Sophia, Roman, Mila, Max and Macy. Her sisters are Laura Johnson, Seattle, Washington, and Iora Dop, Santa Fe, New Mexico. She is also mourned by many other beloved relatives and friends.

She was preceded in death by her husband Don, her parents Frank and Lucy Rittgers, and her sister Mary Ann Williams.

Don't plan to retire. Plan to live.

Retirement isn't just an age. It's an opportunity to enjoy life without the work and worries of owning a home. More importantly, it's a chance to make new friends, find a sense of belonging and experience something more liberating than just maintenance-free living.

• WE NEED A BETTER PLAN •

The recent Okoboji Middle School proposal reminds me of our federal government spending, OUT OF CONTROL spending and debt. Currently, state and school spending is 58%.

In Okoboji we already pay 39% of our taxes to the Okoboji School System.

Every time I drive by the current middle school in Arnolds Park the parking lot is over half empty. There is plenty of room in the northeast corner and behind the building for the two classrooms needed. With overall enrollment down since 2000 the PPEL increase asking for a \$1.34 increase is irresponsible for space needed.

I suggest the voters go to the polls on September 8 and VOTE NO! After the vote, when we have 3 new board members and possibly a new superintendent, we can look at a more common sense plan to add classrooms needed at Arnolds Park. The vote last spring shows over half the voters said there is a better path. Let's keep the promise to Arnolds Park, VOTE NO SEPTEMBER 8!

HAVE A SAFE & ENJOYABLE LABOR DAY WEEKEND!

TRAILS TALK
Jean Martin, Executive Director, DCTB
TrailsDC@yahoo.com

Happy Labor Day Weekend! It is hard to believe that the summer is winding down, but what a great season we have had in the Iowa Great Lakes! We are so blessed to have such a wonderful trails system and such enthusiastic public support for the trails. The amount of use our trail system gets is incredible. I love to see all of the parents out there with their small children, what a great opportunity to be outdoors and having fun as a family. Our trails were built for multi-use and they certainly get that, from dog walking, jogging, and biking - I even saw a unicycle - to hiking, cross country skiing, snowshoeing and snowmobiles in the winter.

You will see more trails maintenance this week, which we hope is completed before Labor Day weekend kicks off. The recent rains have hampered work crews that are resurfacing the Spine Trail, but it looks as though they will finish this week. The two segments in progress begin at the Cart Ranch, north to the Trailhead in Spirit Lake. This area is closed until the resurfacing is complete, so watch out for heavy equipment! With this resurfacing project, the Spine Trail will now be completely refurbished, so get out there this weekend and cruise the new surface.

Here is a rundown of all the new surfaces completed this construction season:

- Spine Trail resurface - 3+ miles from McDonald's to Spirit Lake
- Highway 86 Trail - 175th to 180th Street, new trail construction
- Orleans Trail - New trail construction from the Fish Hatchery to Highway 9 - 1.2 miles
- 1st Railroad Segment on former IANW rail bed from Peoria to 15th Street

The coming years will bring many more new projects and of course maintenance on what is already in place. You will see projects along Big Spirit, in the Jones Pasture and Angler's Bay Wildlife Management Area. The Clay County/Dickinson County trail is coming. The Rail Trail stretches from Superior to Sibley. East Lake will have a safe loop, like West Lake.

Money is of course always a challenge and that is where you can help. Please join Friends of the Trails, we really need your support to tackle the trails agenda of the next decade. Many trails groups now charge a trails fee, but we are pretty sure that our users will come through voluntarily. The Iowa Great Lakes is a special place, and we have always stepped up when asked - amazing!

If you, your children or grandchildren enjoy using the trails, we invite you to join the Friends of the Trails. Friends donations and pledges are used to provide matching funds for grants, building, and maintaining trails. More information can be found on our website - dickinsoncountyrails.com. Click on the Donate tab, then Friends of the Trails. Thank you for helping build our beautiful trails!

If you need a trails map/brochure, you can pick one up at the Iowa Welcome Center, adjacent to the Arnolds Park Amusement Park, or at any of our fabulous hotels and resorts.

Combining our 26 years experience with the nation's largest network to give you the edge on buying and selling your property.

\$1,000 Cinnamon Roll Contest

It's almost time to "Take It All In" to the Clay County Fair's Cinnamon Roll Contest on Monday, September 14. Farmers Savings Bank of Milford and Fostoria is sponsoring the first place prize of \$1,000 for the eleventh year. Tone Brothers is donating \$500 for second place, Bill Murphy and Mark Wilkinson from Edward Jones are sponsoring the third place award of \$250, and Clinton Jones, owner of Asher Motor Company is donating \$15 to each of the seven honorable mention winners. Everyone knows someone who makes wonderful caramel or frosted cinnamon rolls, so encourage them to enter them on Monday, the 14th, anytime between 9:00am-12 noon. Pre-registration is not required - it's free and open to anyone from any county or state! Visit www.claycountyfair.com or stop by the Fair office to pick up an exhibitor handbook for all the details. Pictured above is Brad Simington of Farmers Savings Bank presenting the 2014 \$1,000 check to Nancy Johnson of Story City, Iowa.

Immigration Issues Presented at UUF

The Iowa Lakes Unitarian Universalist Fellowship will hear author Peg Bowden discuss her book "A Land of Hard Edges" on September 6, 2015, meeting at the Arrowwood Hotel in Okoboji. She will investigate why thousands of people are willing to risk their lives crossing the desert to enter the United States. Ms. Bowden is a retired nurse and current Samaritan volunteer at a migrant shelter on the Mexican Border. The shelter where she volunteers, "el comedor", provides clothing, medical supplies and council to migrants seeking the American Dream. Coffee at 10:30, the service at 11:00am. An optional buffet lunch follows the service. Visitors are welcome. Check our website at UUFokoboji.com

Clay County Fair Awesome Appetizer Contest

Signe Kim Lauridsen-Jones of Okoboji is once again sponsoring a fun appetizer contest at the Clay County Fair on Wednesday, Sept. 16. This year she is looking for great appetizers that you would take to a fundraiser event. Those fundraisers could be for any cause such as Boy/Girl Scouts, 4-H, Cancer, Arts, School, Sports or any other organization. She's looking for creative hors d'oeuvres showcasing your favorite fundraiser to compete for substantial prizes! Be sure to check the details of the contest at www.claycountyfair.com or pick up a premium book at the Fair office. Questions may be directed to Gayle Simons at 712-262-7827 or 712-260-7011. This contest is about having fun creating an appetizer while vying for a chance to win generous prizes - \$500 for first place, \$300 for second place, \$125 for third place, \$50 for fourth place and \$25 for best overall presentation. Pictured above is Kim with the 2014 winners - Brent Burns - 4th, Natalie Tirevold - 3rd, Gina Kohrs - 2nd, Sharon Anderson - 1st. Ann Marie Powers won best overall presentation.

New Foods At The Clay County Fair

Begin to "Take It All In" at the 2015 Clay County Fair with a glazed donut breakfast sandwich washed down with baconade. These are just two of the new foods and beverages that will be unveiled at the 2015 Clay County Fair. More than 50 vendors will offer classic fair favorites along with new temptations. "Fair foods are always a big attraction and we're excited about the new foods our vendors are offering this year," said CCF Manager Jeremy Parsons. "The Fair is a place people can come and splurge on their diet with culinary creations they can't find everywhere else."

Three new food vendors are eager to introduce fair goers to their new delights to the 2015 Clay County Fair. Corn Monkeys specialize in roasting and will offer roasted corn on the cob and roasted sweet potatoes. Yesteryear's Ice Cream entertains as much with their set up as they delight with their food. They serve old-fashioned, John Deere tractor-churned chocolate or vanilla ice cream in a waffle bowl or cone, apple pie bars, fudge brownies, extra mint fudge brownies, bourbon chicken sandwiches, country potatoes and more. James McConnell Concessions will replace a previous food vendor with blooming onions, mac 'n cheese bites, long cut French fries, potato skins, fresh lemonade and Coca Cola products.

Many long time food vendors will be offering new treats this year. B&B Popcorn & SnoKone will offer spiced hot apple cider. Campbell's Concessions will now offer gluten free corn dogs and baconade (bacon lemonade). The Spencer Dream Center will feature gourmet grilled cheese sandwiches and Cinna-Fun, a deep fried cinnamon roll covered in boysenberry cream cheese frosting. Charlie's Food Concession will now offer nachos and waffle fries with chili, cheddar cheese, peppers and sour cream. Dawhouse Concessions has added chicken breast dinners to the menu, and the Clay County Regional Events Center has revamped their menu to encourage you to "take it all in" with glazed donut breakfast sandwiches, pesto, Mediterranean, or reuben pizzas, chicken salad stuffed pitas, kettle chip nachos and jumbo pretzels.

"Take It All In" September 12-20, 2015 at the Clay County Fair in Spencer, Iowa! Known as "The World's Greatest County Fair" since 1917, the Fair attracts more than 300,000 people each September for world-class Grandstand events, daily livestock and horse shows, more than \$140,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors and the largest farm machinery show at any fair in the United States! For more information, visit www.claycountyfair.com.

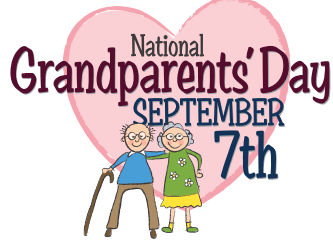

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

Pictured is the original rules sign (one of two that the museum has) from the old Fun-House at Arnolds Park Amusement Park. The sign is in the tripod that advertised the band playing at the Central Ballroom. The museum displays the mechanisms that operated the many old items that were in the fun house. Tour one of Okoboji's favorite destinations and largest histories collection of the Iowa great lakes and surrounding areas. The museum is located 1 mile west and 1/2 mile north of the Catholic Church in Milford. Call 712-338-2147 or email ijclark1@msn.com for any information.

Sign Up Now For Girl Scouts

At Girl Scouts, girls are always counting down to the next adventure we'll go on together. Maybe it's artistic, maybe it's an experiment, maybe it's getting outside or helping the community. With us, you'll make a bunch of new friends and have tons of new experiences that show you how exciting the world is, and how awesome you are over and over again.

So what are you waiting for? Join the fun now! The Milford Girl Scouts will hold their Fall Registration on Tuesday, September 8 from 5:00 - 6:00pm in the lunchroom at the Okoboji Elementary School; stop in anytime to register. Registration is open to all girls, Kindergarten and up; as well as, adults. As an adult volunteer, you'll introduce girls to new experiences - and show them they're capable of more than they ever imagined. If you cannot attend, or have questions, please contact: Linda Nase at 712-330-3251, Lisa Duffy at 712-330-0338, or Ronarae Riemenschneider at 712-330-6683.

Personal Training Gave Carole The Tools To Feel Her Best

Carole Achterhof of Lakefield, Minnesota, used to be the type of person that made fun of the YMCA, diets, and people who exercised. In fact, at one point in her life, Carole hadn't exercised since she was required to in 9th grade P.E. class. Exercise wasn't a part of her daily life, and that was okay with her.

Carole was busy making a living. She was a teacher for 30 years in Ellsworth, and later, Adrian, MN. She also had a humor column for 25 years, as well as five books published. This sort of career choice led to a lifestyle that was sedentary, with a lot of sitting and writing for hours on end. While professional success was fulfilling, there came a point when Carole noticed something was wrong.

When Carole looked in the mirror she saw a thin person, when in reality she was much over weight. This is known as body dysmorphic disorder. What finally opened her eyes was noticing her clothes were very, very large. She also hated photographs of herself because in photos, she did see her true self, and didn't much like it.

She knew she had to make a change, and decided to do so on her own. Among the positive steps Carole took were quitting smoking, a habit she had done for 43 years, and cutting out caffeinated and carbonated beverages.

Carole then implemented a diet plan, but it wasn't giving her the results she desired. She'd lose 40 pounds but put back on 30, then lose 30 pounds and but back on 40. This 'seesaw dieting' made the progress she was seeking seem unattainable.

It was only after a visit to the doctor that Carole found out how bad her situation really was. The doctor told her that she was 120 pounds over weight, and that surgery was recommended. But, it wouldn't happen immediately.

The doctor put her on a yearlong preparatory routine in anticipation of the Roux-en-Y surgery she would have the following year.

Roux-en-Y is a form of gastric bypass surgery, which reduces the size of the stomach, which in turn reduces the amount of food one can take in during meals. Carole could only eat a cup of food at a time, which initially helped the weight loss, but she said she still had work to do choosing healthy foods.

"I could only eat a cup at a time, but I had to eat well," said Carole. "It had to be healthy food - I couldn't have a cup of chocolate bars!"

The doctor also recommended she start a regular exercise routine. That's where the Bedell Family YMCA came into play.

Carole hired a personal trainer, and was paired with Brittney Janicek, Bedell Family YMCA Fitness Coordinator, who she now calls her 'lifetime companion.'

"I didn't want to look doughy," says Carole. "With that much weight loss comes loose skin. The exercise helped tone and tighten so I didn't have to deal with that."

She also touts the benefits of personal trainers to anyone's fitness regimen. "Brittney keeps me working," says Carole. "She doesn't let me pause too long, and if I don't like a machine, she makes sure I still use it."

Even though there is more than 50 years separating the two, Carole doesn't let the age-gap be an inhibitor.

"I'm much older than Brit, but she keeps teaching me," says Carole. "It goes to show that you can learn from people of all ages."

When she started, Carole couldn't do a crunch with a 5-pound weight, now she proudly boasts she can crunch with a 25-pound weight!

"I feel the healthiest I've ever felt in my life, and since my surgery, the follow-up doctor visits have confirmed I'm much healthier than before," says Carole. "Now when I go to the doctor, I ask him, 'How much can I do?'"

"Now, the more I work out, the more energy I have," says Carole. "If I miss a day, it's like I'm missing a friend - I'm not only missing the exercise, but I'm missing talking to Brittney!"

Looking forward, Carole doesn't have plans to stop.

"I want to keep building and improving, because now there are no limitations!"

QUALITY FIREPLACES FOR LIFE.

Illegal Immigration Explored at Lifetree Café

Possible responses to illegal immigration will be discussed at Lifetree Café on Sunday, September 6, 6:30pm.

The program, titled "An Immigrant in the Sanctuary: When Faith and Politics Collide," features a filmed interview with Rev. Mike Morran, whose church offered sanctuary to Arturo Hernandez Garcia, an undocumented immigrant. Garcia moved into the church basement and faces immediate deportation when he leaves the church building.

Garcia will also appear on camera to explain his situation. "Arturo has worked in the U.S. for over 15 years, and his wife and two daughters are here," Morran says. "There are a lot of good reasons this man should be able to stay with his family."

At this Lifetree episode, participants will have the opportunity to share their views concerning illegal immigration, immigration reform, and responding to undocumented immigrants.

Admission to the 60-minute event is free. Lifetree Café is located at the Good News building, 1010 Julia Street, Okoboji, Iowa 51355.

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712-332-5698 or lifetreeokoboji@yahoo.com.

"Cowgirls" Exhibit Brings Livestock Illustrations To Life

Arts on Grand is pleased to announce it will be showcasing the artwork of three talented female artists in the exhibit Cowgirls from September 1 through September 26. Local artists Mona Majorowicz, Carol Herden, and Barbara McGee come together to create a spirited exhibit depicting Midwestern livestock through a variety of mediums, including painting, oil pastels, pencil drawings, porcelain, and bronze. These artists connect with their animal subjects not only on anatomical and artistic levels, but also on emotional and spiritual levels.

Holy Cow by Barb McGee

Mona-Blue Cows by Mona Majorowicz

Longhorn Sculpture by Carol Herden

"My history and my degree has to do with animals. They are my passion and art is how I choose to express it," stated artist Mona Majorowicz. "The work is not only about the subjects, but also the sentiment and moment they are capturing." Artist Barbara McGee explains, "I paint my heritage. I grew up on a farm and I wouldn't want it any other way. I like very much to pick up the effect of the sun landing on something and giving it that special golden light just before it gets dark." For all of these artists, growing up in agriculturally-based homes around a variety of animals directly affects their artwork. Carol Herden especially credits her inspiration to her homeland: "I was born and raised on a farm in Montana, grew up with beef cattle, horses, and sheep. Cattle were always interesting to me, from barnyard to clay. Sculpting became my preferred medium as I could capture the animal in all its detail, from all angles. After working at a Bronze foundry, in 1989, I decided to publish my own art in a cold cast medium under the business name Carol's Original WorkS (COWS). From that point, my artwork became more focused on breed specific cattle & livestock sculptures. My paintings however, tend to reflect my life in Montana...in Big Sky country. Today, I am still just a farm girl trying to make a living working with cattle."

An opening reception featuring a gallery talk, meet-and-greet with the artists, and themed appetizers and beverages will be held on Thursday, September 3, 5-8 PM at Arts on Grand, located at 408 N Grand Ave in Spencer. This event and exhibition are free and open to the public. All are invited to enjoy and appreciate the work of these artists, whose depiction of animal life hits close to home for the length of the exhibition. "I am excited to see how each artist's interpretation differs based on their unique vision, perspective, and life experiences" states Arts on Grand's Curator Justine Wagner. For more information contact Arts on Grand at 712-262-4307 or email curator@artsongrand.org.

Arnolds Park Library News

Arnolds Park Library Accredited

Iowa Library Services has announced that the Arnolds Park Library has met the conditions for state accreditation as outlined in "In Service to Iowa: Public Library Standard Fifth Edition."

Achieving accreditation requires a significant, ongoing local commitment to high quality library services. Of Iowa's 544 public libraries, 351 - including the Arnolds Park Library are accredited. The Arnolds Park Library has been recognized for its efforts in all areas of library operations including governance and funding, staffing, library collection, services, public relations, access, and facilities. The accreditation is valid through June 30, 2018.

Iowa's accredited public libraries are recognized for being responsive to their communities and for exhibiting excellence in their provision of library services. More than two-thirds of all Iowans have active public library cards. Iowa libraries play key roles in workforce and economic development, lifelong learning and e-government activities. Iowans use their libraries to find jobs, do homework, locate a good book to read, research medical conditions, access government information, and more.

Accredited libraries receive a higher rate of compensation through Iowa Library Services' Enrich Iowa program. They also receive a Certificate of Accreditation signed by Governor Terry Branstad, Lieutenant Governor Kim Reynolds, State Librarian Michael Scott, and Iowa Commission of Libraries Chairperson Brandie Ledford.

Said Michael Scott: "The director and board of trustees of the Arnolds Park Library and the city of Arnolds Park are to be commended for this achievement and their commitment to excellence in public library services for their community."

VISTAPRAIRIE AT KEELSON HARBOUR
SENIOR LIVING COMMUNITY

Now hiring for: Activities Director

Vista Prairie Communities is a fast-paced and quickly-growing nonprofit senior housing and health care corporation that uses affiliated organizations to serve persons of diverse incomes by providing nurturing and homelike properties in the lifelong communities of its residents. We engage staff, residents, the local community and service providers to create the quality of life we all hope to experience.

As an Activities Director you will be responsible for planning, developing, and providing quality activity and social programs designed to assist residents in using their personal potential, both physically and mentally. Tasks in this role include leading group activities, exercise classes, supervising the activities programming provided by other personnel at the facility, assisting with the transportation of residents, and providing excellent customer service to our residents.

Qualifications:

- Must have at least 2 years of experience working with seniors.
- Must be compassionate and work with tact and ethical awareness.
- Must be flexible and available to work nights and weekends when necessary.
- Training or education in Therapeutic Recreation or Certified Activities designation preferred.
- Must possess a valid non-restricted IA driver's license.

For consideration, please send your cover letter, resume and salary requirements to:
Jessie Warburton • Executive Director • Keelson Harbour
jessiewarburton@vistaprairie.org

Candidates must be able to pass a background check and drug screen. EOE

Continued Learning And Nurturing Opportunities

When the school day ends, children and teens need opportunities to learn and engage in meaningful activities. Their success out of school can have a positive effect on their success in school. Unfortunately, one in four U.S. children and 23 percent of children in Iowa are left unsupervised after 3 p.m., according to Afterschool Alliance, a nonprofit public awareness advocacy organization. To help youth reach their full potential, the Bedell Family YMCA is offering afterschool programming that supports social-emotional, cognitive and physical development.

The Y-Kids afterschool program offers activities in a caring and safe environment where all youth can achieve, feel like they belong and build friendships. Youth in Y-Kids afterschool programs demonstrate improvement in the skills needed for successful living and in academic proficiency. As a leading nonprofit committed to youth development, and a pioneer in afterschool programs, the Y believes in supporting the holistic processes that all youth experience – from birth to career – to support success in school and life.

"When the final school bell rings, continued learning opportunities can have a positive influence on how well youth perform in school," said Norm Johnson, CEO, YMCA of the Okoboji.

"Afterschool programs also fill gaps in schools and communities where some recreational opportunities like art, music and physical activity offerings are limited."

Studies show participation in afterschool programs helps boost school attendance and academic performance and reduces gaps in academic achievement among children from disadvantaged households.

Y-Kids also adopted a set of Healthy Eating and Physical Activity (HEPA) standards which will be implemented, including fresh fruits and vegetables for snacks and plenty of games to keep kids moving. Financial assistance is available to those in need, to ensure every child and teen has the opportunity to learn and grow at the Y.

For more information about the Y-Kids afterschool program, please contact Kyle Johnson, School Age Director, at 336-9622 or kyle.johnson@okobojitymca.com.

The family of Don Schwaller would like to thank everyone for their many acts of kindness during the passing of our dad and grandpa. We thank Stonebridge Suites and Milford Nursing Center for all of the great care he received. A special word of gratitude to all of the staff of Spencer Hospital who not only cared for dad but showed so much kindness and compassion to our whole family, you will never be forgotten. To Turner Jenness Funeral Home for their exemplary service and the women of St. Joseph's Church for serving the lunch. Thank you to Msgr. Ken Seifried for once again honoring our family by officiating at the funeral Mass. The cards, food, flowers, memorials and words of comfort meant so much. We are very blessed to be surrounded by wonderful family, friends and neighbors.

Students At ILCC Benefit Thanks To Planning by Computer Center

The members of the Board of Trustees of Iowa Lakes Community College were updated Tuesday afternoon on how students of Iowa Lakes benefit from the college's Computer Center.

Bob L'Heureux, Vice President of Administration, introduced Randy Beernink for the presentation. Beernink reported that for many years, Iowa Lakes has partnered with other colleges by cooperatively planning upgrades in software services.

M.J. Dolan and Dave Palmer show off the gift bags they were given by Iowa Lakes Board of Trustees President Janice Lund.

The ACCES (Alliance of Community Colleges for Electronic Sharing) consortium consists of nine community colleges – seven are located in Iowa and two in Illinois – which use the Datatel (now Ellucian) software. This association allows the colleges to receive excellent discounts in purchases since they have "buying power" as one unit.

CAST is the other computer group. It stands for College Alliance Sharing Technology. It consists of Iowa Lakes, plus two other Iowa community colleges. The three colleges share the costs of equipment and staff to administer that system.

In addition to reducing costs, the partnerships allow for collaboration on solving technical glitches and sharing solutions to other software issues. Beernink then demonstrated to the Trustees the ease of which students can access their own accounts. And, he revealed the simplicity of the software used by staff.

Delaine Hiney, Executive Director of Facilities Management, updated the Trustees on several projects across the college district. A bid recommendation for site work for a Beef Facility at the college farm lab was accepted. The work will be completed by MichaelSon for \$120,000.

In addition, a Chava Wind Turbine for the college farm received approval from the Trustees. The college will purchase and install a tower, foundation and complete electrical work while Chava will donate the turbine and related accessories worth more than \$111,000. With this being a prototype, windtest – the German company with its U.S. Headquarters at Iowa Lakes – will partner by providing studies on this vertical access turbine model.

As the college year begins in less than a week, Hiney shared that many upgrades were completed by staff members this summer and that the facilities are ready as the majority of students arrive on campus on Sunday, April 23.

The Trustees then accepted two donations from area businesses. According to Jolene Rogers, Executive Director of Community and Business Relations, the college will benefit from a robot donated to the Engineering Technology program by Eaton Corporation; and, the Nursing program – along with the Certified Nursing Assistant program – will benefit from 10 hospital beds and two patient recliners donated by Spencer Hospital.

In other business, Scott Stokes, Executive Dean of Instruction and Development, presented a list of summer graduates which was approved by the Trustees.

Also during the meeting, the Trustees gave oral reports on college and statewide committees. Also speaking at the meeting were M.J. Dolan, the Executive Director of the Iowa Association of Community College Trustees, and Dave Palmer, a legislative consultant with the organization and a former Iowa Lakes professor.

College starts with classes starting at 4:30pm and later next Tuesday, August 25. The Trustees were updated on 'Move-In Day' (Sunday) and 'First Day' activities set for Tuesday, August 25.

The next meeting of the Trustees is slated for September 15.

LETTERS TO THE EDITOR

To The Editor:
 The Lake Park Care Center hosted their annual Sky Lantern Celebration on August 25, 2015.

We would like to give a huge thank you to Lake Park Utilities Board and Gentiva Hospice for helping us sponsor this event.

Lake Park Utilities Board has embraced and supports Lake Park Care Center recognizing this community ceremony as a true representation of small town spirit.

Gentiva Hospice is located in Spirit Lake and serves all of Northwest Iowa. At Gentiva Hospice, they believe that every moment matters. Gentiva Hospice is centered around the entire family to make the most of each day. They provide a team that focuses on individual care while offering families all of the support that's needed.

Thank you to Jeremy Harms for his time and donation of music during the lighting.
 Thank you to Pastor Tim Harmon for saying a few words and praying before we started.

Thank you to the Lake Park Fire Dept. for having a few people on the premises ~ just in case!
 A Special Thank You to the family of Scott Harms who graciously donated the shirts that many of the LPCC staff wore during the event. We wear them with honor and in remembrance of a great man who we had the privilege of knowing and caring for.

Thank you to everyone; residents, staff, family and guests who joined us in lighting these lanterns in remembrance of lost loved ones.

Proclamation For Poppies

The distribution of VFW Poppies will be Friday, September 4 and Saturday, September 5, in the lakes area. The VFW Auxiliary of John W. Kidd Post 4514 of Spirit Lake will be distributing the Buddy Poppies. All patriotic citizens are urged to wear a Buddy Poppy as mute evidence of our gratitude to the men and women of this county who have risked their lives in defense of the freedom which we continue to enjoy as American citizens.

Proclamations of Milford Mayor Bill Reinsbach and of Spirit Lake by Mayor Blain Andera have been officially signed and endorsed. Proceeds of this worthy fundraising campaign are used exclusively for the benefit of disabled and needy veterans. For any more information, call President Elaine Wallace at 712-291-1002 or visit the VFW in Spirit Lake.

Open House To Be Held For New Development In Spencer

IGL Construction will be hosting an open house at their new housing development, Gateway by IGL, from 10:30am - 7:00pm on Tuesday, September 1, at 1302 8th Avenue SW in Spencer.

IGL Construction and local contractors have worked diligently over several months to complete Spencer's newest housing development, Gateway by IGL. IGL homes are move-in ready and feature open floor plans and contemporary designs with classical touches. Ranging from 1,526 to 1,679 square feet, the slab-on grade homes feature superior quality and affordability.

IGL's open house will showcase their first completed home, the "Carolina". Carolina plans feature comfortable 1,679 square feet, with three bedrooms, two bathrooms, a three car garage and a great room. Additionally, IGL Construction will be giving away two tickets to the Oak Ridge Boys concert at the Clay County Fair to one lucky attendee.

This event is free and open to the public. For more information, contact Kellie Beneke at 712.584.2537 or kbeneke@glccom.com.
