OPEN DAILY - 9 A.M. TO 9 P.M.

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

Many people will remember Trainarama at the Plaza in Okoboji. I remember the building because I helped with the construction. The museum displays the Trainarama metal sign and many advertisements from the lakes area and throughout Iowa. A visit to the museum will bring back many memories of the past and is a great place for any group or club to meet. The museum curators are very experienced at collecting, researching, and documenting the area's rich history. The museum is located 1 mile west and 1/2 mile north of the Catholic Church in Milford. Itty Bitty Boji Band at Woo Woo Winefest

Mark your calendars for Saturday, July 11. It's time for Bully Bullhead Days in Ruthven. A big part of the celebration is the Woo Woo Winefest held in the Ruthven City Park on the west side of town. The park will be filled with vendors selling everything from wine to crafts. While visiting the vendors, you will be entertained by the music of the Itty Bitty Boji Band from 3-7 that afternoon. Browse the vendors and bring your lawn chairs or sit on the grass and be entertained by the Itty Bitty Boji Band. It's a great way to spend the afternoon.

Chris Cagle To Perform On Preservation Plaza July 11

On July 11 at 7:30pm, Chris Cagle will be coming to Preservation Plaza for an awesome country concert, sponsored by State Steel. Make sure to come and listen to his entertaining version of "Redneck Rock 'n Roll". Born in DeRidder, Louisiana, and raised "all over," Chris set off for Nashville after trying his hand at college in Texas and finding the pull to pursue music too strong to ignore. Like many young artists, he spent several years working odd jobs in Nashville and scraping up enough cash to record four original songs for a demo tape. Thanks to a couple of chance meetings and the opportunity to be heard by Scott Hendricks, Chris was signed to Virgin Records in 2000 – that first album featured the unaltered version of his demo songs.

Chris quickly earned critical and commercial success and attracted a legion of fans that included industry heavyweights and country fans alike. Cagle's first number one smash, "I Breathe In, I Breathe Out," remains a fan favorite. Cagle's professional credits include two gold albums, two No. 1 albums and 12 charted songs. From 2000-2008, Cagle released an almost nonstop catalog of hits that resulted in a scorching hot career. Thank you to State Steel for bringing Chris Cagle to Preservation Plaza on July 11th to continue celebrating 125 years at Arnolds Park Amusement Park. All the 2015 Live at the Lake concerts are FREE to the public. Don't forget your lawn chair and come ready to enjoy this great country artist! The next concert, July 18th will be Ladies of the 80s sponsored by Carstens Financial Group. For a full list of the 2015 Live At The Lake concert schedule, go to ArnoldsPark.com.

Purchase the history book at the Museum Gift Shop - 125 years of Arnolds Park Amusement Park - "Every Legend Has A Beginning."

1864 Reverend J.S. Prescott introduced Wesley Arnold to the Area.

1882 Arnold began the construction of the Arnolds Park Hotel..

1889 Arnold constructed a wooden water slide on the south shore of West Lake Okoboji.

The Historic Arnolds Park Amusement Park – an “American Classic” celebrating its 125th anniversary in 2014 – was born of humble beginnings along the southern shore of West Lake Okoboji in 1889. It was there, on property owned by Wesley Arnold, that a 60-foot tall toboggan-style waterslide was constructed, the very first attraction of what would morph over the years into a full-scale amusement park. Arnold was a visionary who first conceptualized a public entertainment complex at the coveted site, and he challenged himself and others to build attractions that would attract and win over visitors.

The amusement park began to flourish in the Roaring Twenties. The iconic Roof Garden – which would become famous throughout the Midwest for hosting marquee swing and then rock n’ roll bands – became the heart and soul of the burgeoning park. The much-anticipated Legend roller coaster was opened in 1930 and remains one of only a handful of functioning wooden coasters in the country today.

Nearly four decades later, in 1968, a tornado tore through northwest Iowa and into the Iowa Great Lakes area, leaving behind a ravaging path of destruction in the community, including the amusement park. The crippled Roof Garden was repaired, but never regained its original allure. The venerable ballroom was razed in 1987. The spirit of The Park seemed broken but, after a brief closure for reconstruction, The Park was reopened in 1989 under new community ownership.

1905 Arnold dies, leaving The Park to his three daughters.

1919 The Majestic Roller Rink opened.

1930 A giant dips roller coaster was built, which would come to be known as **The Legend**.

A decade later The Park faced extinction again when a developer made a bid to turn the historic site into a condominium development. The local citizenry was outraged at this prospect, and community leaders began “Save the Park” campaign in an effort to keep a grasp on the storied property. Cash contributions came from all over the country in denominations large and small, resulting in a six-week, \$7.25 million crusade that kept the sanctity of The Park intact and in local ownership under a new non-profit organization.

ArnoldsPark.com

1961 The Empress steamboat debuted on West Lake Okoboji.

1986 The Queen II excursion boat came to West Lake Okoboji

1988 The Park closed for a year, the Roof Garden was burned down, and the Fun House was demolished.

1989 The Park was purchased by a group of investors.

1991 Steve Kennedy opened the Maritime Museum.

1999 The Park fell into the hands of a developer, launching the “Save the Park” Campaign, which raised \$7.25 million in six weeks to rescue The Park.

As The Park’s infrastructure and facilities began to age and show wear, “Sustain the Park” campaign was launched in 2005 to give The Park a fresh facelift and allow management to proceed debt-free with operations.

One of the most important and longstanding traditions in the park complex now operated by Historic Arnolds Park, Inc. (HAPI) is the operation of the Queen II excursion boat, which still carries passengers on daily summer cruises on West Lake, a century after the original Queen began the custom. Lakes historian and Queen II captain Steve Kennedy fashioned the excursion boat experience into an Okoboji tradition.

In 1991, Kennedy opened the Iowa Great Lakes Maritime Museum in a small lakeside building in the park and grew it into a rich gallery of Okoboji nautical and entertainment lore. The museum quickly outgrew its confines and is housed today in larger digs in the IGL Welcome Center.

Today Arnolds Park Amusement Park remains one of only five such non-profit entertainment facilities in the country. The Park remains a beloved and excitable destination for Iowa Great Lakes visitors, young and old. It has withstood the sternest tests of its viability, and today stands strong and poised for a bright future under the direction of a community-based and dedicated board of directors.

Save your local economy...
three stores at a time.
the 3/50 project
SAVING THE BRICK AND MORTARS OUR NATION IS BUILT ON
3 Think about which three independently owned businesses you'd miss most if they were gone. Stop in and say hello. Pick up a little something that will make someone smile. Your contribution is what keeps those businesses around.
50 If just half the employed U.S. population spent \$50 each month in independently owned businesses, their purchases would generate more than \$42.6 billion in revenue.* Imagine the positive impact if 3/4 of the employed population did that.
68 For every \$100 spent in independently owned stores, \$68 returns to the community through taxes, payroll, and other expenditures. If you spend that in a national chain, only \$43 stays here. Spend it online and *nothing comes home.*
1 The number of people it takes to start the trend...you.

USA Wins World Cup

I’m not going to lie, I don’t know a whole lot about soccer and I haven’t watched much of it on television except during the Olympics or the past World Cups. This past Sunday, however, I found myself glued to the TV watching the Women’s World Cup before heading off to the awesome Nadas/Uncle Kracker concert at Arnolds Park. Team USA did not disappoint, with a convincing 5-2 victory over Japan. This was the first USA World Cup title since the dramatic 1999 victory that is forever marked in sports fans’ minds with Brandi Chastain scoring the winning goal and then tearing off her jersey while doing a victory slide on her knees.

This victory had none of the drama of that 1999 match as the USA took control early, getting a hat trick from captain Carli Lloyd just 16 minutes into the match as USA raced to a 4-0 lead. Japan would score a goal before half to make it 4-1 and then got a ray of light in the second half when Julie Johnston scored on her own goal to make it a 4-2 match. However, the Americans would respond 2 minutes later and put the match out of reach with another goal to push the margin to 5-2. This match helped ease the pain from the 2011 USA World Cup Final heart breaking loss to Japan on a penalty shoot-out following a 2-2 draw during regulation. USA left no doubt in this match that they were the better team, dominating from the opening whistle and never laying off the gas pedal. Even if you’re not a big soccer fan, it was amazing to watch how well this team played together and also very fun to watch the country rally around Team USA. It was also very fitting that Team USA was able to bring the World Cup Championship back to the USA on the July 4th Weekend, God Bless America!!

Obituaries

Terry James McDonald, 68, passed away on Wednesday, July 1, 2015 at the Mercy Hospice in Johnston, Iowa. He was surrounded by his wife, Kathy, children, and grandchildren on the day of his death and he left peacefully during the early morning hours.

Born in Spirit Lake, Iowa, on May 13, 1947, the son of Karleen and James McDonald, Terry grew up on a farm seven miles west of Milford along with his two brothers, Dennis and Dan. Upon graduating from Milford High in 1965, he earned his bachelor’s degree from the University of Iowa in General Science, followed by his Doctorate of Dental Sciences at the University of Iowa.

Terry met Kathy “Kay” Reid while both were working a summer job at Hamann’s Pancake House in Okoboji in 1967. They married on September 14, 1968. Following dental school graduation in 1973 the couple moved to San Diego, California, where Terry served in the US Navy Dental Corps. With their growing family they returned to Iowa and built a dental practice in Sac City, Iowa, where he practiced family dentistry for the following 23 years. In 1999, Terry suffered a brain injury following cardiac arrest. His last 16 years were spent under the care of Kay and his children in and around Des Moines, Iowa.

Terry was a loving husband and dedicated father of five beautiful children. He enjoyed Ragbrai and cycling, reading anything he could get his hands on, travelling, University of Iowa Athletics, and the Atlanta Braves.

Terry served in the United States Navy Dental Corps from 1973-1975 followed by 25 years in the Iowa Army National Guard, retiring as a Lieutenant Colonel.

Terry is survived by his wife Kay and five children; Dr. Chris (Ann) McDonald of Urbandale, IA; Jennifer (Andy) Ill of Des Moines, IA; Lindsay (Christian) Sweeney of Des Moines, IA; Sean (Katye) McDonald of Chicago, IL; and Katie McDonald of New York, NY; seven grandchildren, Meghan and Connor McDonald, Charlie, Oliver and Frankie Ill, Ceci Sweeney and Lucy McDonald; and two brothers, Dennis (Jan) McDonald of Spirit Lake, IA and Dan McDonald of Fort Collins, CO.

Spoudazo To Perform

Spoudazo, a 27-member youth music and drama team from Fremont, Nebraska, will present a public concert at Okoboji Lutheran Bible Camp on Sunday, July 26, at 9:30am in the camp chapel. Spoudazo is an interdenominational group sponsored by First Lutheran Church of Fremont. This group will be sharing its 2015 presentation entitled “Do Life Big.” Spoudazo describes the reason behind the theme: “As children of God, we are called to do life BIG! This does not mean that we need to be a professional athlete, or a famous rock star, or a CEO of a major corporation. We are called to use the gifts God has given us to help others and spread His word. We may feel at times that the things we do are small or go unnoticed, but they are BIG in God’s eyes!”

The theme will be presented in songs made popular by Christian artists such as Jamie Grace, Steven Curtis Chapman, Matthew West, and Michael W. Smith. Songs will be interspersed with skits and narration. A free will offering will be taken as a part of their presentation, with one half of the offering going to Kids Against Hunger. The other one half of the offering goes to support the ministry of Spoudazo.

Okoboji Lutheran Bible Camp is located at 1203 Inwan Street in Wahpeton, on the west side of West Lake Okoboji (by Gull Point State Park).

AP Amusement Park Donations For The Family Of Iryna Shevchuk

Saturday, June 27, the spectators at the Arnolds Park Amusement Park concert Casey Muessigmann concert contributed \$842.59 and Casey and his Dad contributed \$200 for the family of Iryna Shevchuk. Iryna lost her life in a bike/car accident on her way home from work on June 23. Jake Jostad and Tim Sather, owners of Oak Hill Marina, announced they would match whatever was donated that evening at the concert. “We are deeply saddened with the loss of this young lady and wanted to help the family. Oak Hill Marina relies on young students to help us each summer. These young kids are vital to the tourism industry in the Iowa Great Lakes,” said Jake Jostad and Tim Sather, owners of Oak Hill Marina. This brings the total contributions to the family from that evening to \$2,085.18. To add to these funds for the family, Arnolds Park Amusement Park has donated \$3,000, collected from \$1 of all Park Day Passes purchased this past week. Iryna was from the Ukraine and was on a work exchange program with Spirit International. She was employed by The Inn and Dairy Queen. Many businesses, including Arnolds Park Amusement Park, could not operate without the help of our work exchange program. “We are deeply saddened by the tragedy. Arnolds Park Amusement Park relies heavily on these students and we feel they are a vital part of the tourism in our community and we want to do what we can for the family in their time of need,” said Scott Pyle, General Manager. Other donations may be given at Northwest Bank or gofundme.com/xtpd5sd5 to help her family with additional expenses.

Always animated, Marilyn Maye chats with an audience of friends Sunday night in the The Lakeview Room at The Inn at Okoboji. Maye will return to the Lakeview room for two more performances tonight (Tuesday) and tomorrow (Wednesday) night.

Marilyn Maye back, again, 59 years later

Fifty nine years after opening the Lakeview Room at The New Inn, Marilyn Maye returned Sunday night to the newly remodeled venue with the same charm she has exhibited repeatedly ever since those grand days of yore.

As expected, Marilyn's lyrics spoke of love and smiles and hopefulness — with even a bit of patriotism the day after Independence day. ("Never thought we'd hear Marilyn declaring that she's a "Yankee Doodle Dandy." George M. would no doubt have been pleased.)

It's safe to say the crowd that general manager Larry Goodwin said was "sold-out," was pleased with Marilyn's performance.

After telling the audience where she had been in the last 11 months, Marilyn heard from one gentleman who said he caught one of the Birdland performances she had mentioned. "Oh, then you've heard these songs before," she told him.

When someone else asked about not being able to see her in Florida this past winter, Marilyn explained that she is booked back in South Florida next year, and quipped, "It's scary to book that far in advance for me."

Marilyn's last two performances of the year at The Inn are tonight (Tuesday) and tomorrow night (Wednesday). And while we didn't get there in time for dinner, the desserts certainly looked delicious!

While Marilyn's recent schedule has seen her on stage in the Lakeview Room in mid to late August, this year's July 4th weekend appearances changed summer schedules for many as this is more midseason.

The change comes as the Okoboji Summer Theatre sees this week's staging of Rogers and Hammerstein's *State Fair* as the first musical of the season — and the last performance before *Unnecessary Farcie*, next week, which is "hump week" in the OST's nine performance line up. *The Taffetas* and *Fiddler On The Roof*, which open July 28 and August 11, respectively, are the two other musicals of the season....

While still a busy musical week on campus, the schedule is a bit less manic.

Along with the opening of *State Fair*, *The Jazzed Up Big Band of Okoboji* will be performing in the Majestic Pavilion at Arnolds Park tonight. And Glenn Henriksen will be performing at his place across from the former Presbyterian church in Spirit Lake both tonight and tomorrow night.

The Senders will be entertaining at Table 316, in Arnolds Park, Wednesday night, as well, while blue-eyed soul singer Nicolas David will be heard at the Pearson Lakes Art Center, beginning at 7:30...

Thursday night will see Wright County Rambler Clint Riedell entertaining at Estherville's Music on the Square, from 5-7:00, in Estherville's Library Square, while the *South 71 Trio* will be on stage in the barn at the Little Swan Lake Winery, from 6-8 p.m.

Thursday night is also the night to Rock the Roof, as the Iowa Rock 'n' Roll Music Association presents both *Daybreak* and *Sideline*, starting at 6:30...

Jackson, Minnesota's Rhythm of the River Music Festival begins Friday afternoon and continues through Saturday on two stages in Ashley Park. More than just a festival with a variety of musical genres, *RotR* includes activities for kids of all ages, including a kiddie costume parade!

More information is available at RhythmOfTheRiver.Org

The Rolling Stoners — a tribute group for a group with a very similar name — will be performing at Boji Bay Fun House and Pavilion, Friday night — outside or indoors depending on the weather. And Keifer Brandt will be performing Friday night at The Inn...

The Itty Bitty Big Band will be the featured entertainment at Ruthven's Woo-Woo Winefest, Saturday, from 3 - 7 p.m. The music will continue in Ruthven Sunday afternoon, with Glenn Henriksen's progressive organ recital at four Ruthven churches, starting at 1:30, at Zion Lutheran Church (downtown) and continuing to the Catholic and Methodist churches down the street, before concluding at Lost Island Lutheran Church where a supper and ice cream social will be held. Vocal soloists are also expected to participate at each church...

Saturday night's entertainment at the Arnolds Park Amusement Park will have Chris Cagle on stage in Preservation Plaza.

Sunday afternoon's Northwest Iowa Concert Band show will be in the air-conditioned Majestic Pavilion at Arnolds Park beginning at 2:00. This is the band's annual post Fourth of July concert that saw the Majestic packed last year.

Kris Karr will also be entertaining Sunday afternoon, at the Little Swan Lake Winery, while the *Dick Bauman Big Band* will be heard at the Pearson Lakes Art Center, Monday night...

You are invited to join the Old Professor for Ballads, Blues and Big Bands, too, at *Class 105, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji*. *Class 105...* airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM.

All the news that fits, we print. Please send your music-related announcements or comments to: class105@connect.com or P. O. Box 676, Okoboji, Iowa 51355-0676

LETTERS TO THE EDITOR

Dear Editor,
A huge thank you to the Dickinson County Endowment Fund for funding a new supply of books for Okoboji third grade students through a grant entitled, Creating Proficient Readers. With the \$5,000 award, we purchased both fiction and non-fiction reading materials for our students to use during small group reading instruction. The grant also helped purchase organizational materials for book storage. We were able to purchase a variety of titles and genres giving students the critical exposure they need to make growth and meet the expectations of the Iowa Core. This is extremely important with recent legislation passed in Iowa stating that students who are not reading at grade level at the end of third grade will be retained beginning in 2017. In third grade, the transition is made from learning to read to reading to learn. The students enjoyed the updated and new materials. Their excitement showed not only when the books arrived, but as they eagerly awaited small group reading time to open them up. The books allow us to meet students at their reading level and give them additional exposure to book titles that fit in the curriculum. Thank you to the Dickinson County Endowment Fund for investing in the future lives of our children!

Sincerely,
Sara Allen and Kristen Jostand

Pioneer Days Parade In Milford

The marquee event of Pioneer Days in Milford will be the Pioneer Days Parade set to begin at 11:00am on Saturday, July 25

“As always, the parade promises to be an outstanding event for spectators and participants,” said Milford Commercial Club Parade Chairwoman Susan Reiser.

Highlighting this year’s parade will be the presence of several Shrine units including the Shriner Sprint Cars, the Shriner Steel Drum Band, the Shriner Motor Corps (motorcycles) and the Shriner Oriental Band all sponsored by United Community Bank, Farmer Savings Bank and MHR Insurance.

Spectators will be interested to know that the parade will follow a route identical to past years. After starting at Memorial Park (Little League Baseball Diamonds), the parade will pass through the Milford Care Center parking lot, travel east along 13th Street, turn south onto Highway 71 at the Catholic Church, pass through downtown, and end at the Union Memorial Church corner.

Parade watchers are reminded that there will be no parking along the parade route north of 13th St. on H Ave., on 16th St. and G. Ave. No parking also in the ballfield parking lots. Persons should also be aware that P Avenue will be closed from 13th through the Buchanan Park area.

The Parade Committee kindly asks that floats refrain from spraying the spectators with water or liquid of any type as they travel the parade route.

Participants are encouraged to report to Memorial Park (two blocks west of Sunshine Foods) at 9:00am on Saturday morning. Deadline for inclusion in the parade is 10:45am. No entries will be accepted after 10:45am. There is no entry fee for participants. Businesses and individuals who would like to pre-register may do so by picking up a form at the St. Joseph Catholic Church Parish Office during regular business hours. Forms may also be obtained from the Milford Commercial Club’s website, www.milford.ia.us Please make two copies of your registration form. Forms may also be e-mailed or faxed by contacting Susan Reiser at 712-338-2274.

Please call Susan Reiser with questions at 712-338-2274. Thanks in advance to the Milford Police Department for routing traffic for the parade.

Iowa Lakes Named Home Base Iowa CHAMP College

Iowa Lakes Community College has been named a Certified Higher Academic Military Partner (CHAMP), another next step toward providing quality academic assistance to veterans and active enlisted members of the military.

This is an extension of work being done by staff at Iowa Lakes over the last several years. As a result of their work, Iowa Lakes has also been designated as a ‘Military Friendly’ college.

CHAMP, a recent addition to the Home Base Iowa program, was announced in late October to help Iowa colleges and universities better serve and educate veterans.

Schools must meet criteria that show they provide on-campus veteran resources, show additional support for the service member’s transition, and provide additional financial resources for CHAMP certification.

This component of the state veteran initiative is one more way Iowa is working to attract veterans and ensure service members a smooth transition to higher education, finding a career and calling Iowa home.

As can be seen on the Home Base Iowa website (www.homebaseiowa.org), “Efforts seen from businesses, schools and communities across the state are guaranteeing veterans experience a seamless transition from combat into civilian life.”

Governor Terry Branstad and Lt. Governor Kim Reynolds made the announcement of the Iowa Lakes CHAMP designation, as well as a Home Base Iowa designation for Emmet County, at an address to the 4th Annual STEM Camp. Campers and community members celebrated with patriotic cupcakes at the Iowa Lakes SERT Center in Estherville.

For more information contact Kent Schmidt, Veterans Advisor, at 712-852-5284.

Horizons Handing Over Recycling Operations To County

The employment setting for individuals with disabilities is going through a transformation. Over the past several years, the federal government has issued laws, court decisions, and rules that require states to administer work and day habilitation services for individuals with disabilities in an integrated manner, i.e. in regular business environments alongside workers who do not have disabilities. In addition, the state government’s mental health redesign means that Horizons will no longer receive subsidies for employing workers with disabilities in its recycling center.

As a result, with the best interests of the organization and its members in mind, Horizons Unlimited will be closing its recycling program effective January 1, 2016. Horizons is coordinating with Palo Alto County officials to ensure that recycling in the county will continue. The Horizons can and bottle redemption center will remain open and will not be affected by the closing of the recycling program.

Horizons members who have been working in the recycling center will be assigned to other work areas in the Horizons facility. Horizons is also fulfilling its mission by finding many members jobs in the community. Members also have the option of participating in the Horizons Day Habilitation program. Horizons staff who work with members in the recycling center will have the option of being transferred to new positions. Horizons does not expect any layoffs as a result of this transformation.

This transformation will better position Horizons Unlimited financially to continue and expand its mission of providing opportunities for individuals with disabilities in northwest Iowa. By handing over recycling operations to the county, Horizons will be freed up to better provide services to members, and members will enjoy more integration into the community.

Simon Estes To Perform

Opera great and Iowa native Simon Estes will perform a free concert as part of his "Roots and Wings Tour" at the 2015 Clay County Fair Monday, September 14 at 2:00pm in the Events Center Ballroom.

"All Iowans should be proud of Estes and it is a thrill to bring him to the Fair as part of Veteran's Appreciation Day," said CCF Manager Jeremy Parsons. "This is a once-in-a-lifetime event at the Fair and I am excited that it will be free with gate admission."

Born in Centerville, Iowa, Simon Estes is an operatic bass-baritone who has had a major international opera career since the 1960s. He has sung at most of the world's major opera houses as well as in front of presidents, popes and internationally renowned figures. His current "Roots and Wings Tour" is a series of concerts (one in each of Iowa's 99 counties) that feature his performance along with local choirs and promising young artists.

For fairgoers looking to save some money, advance admission tickets are on sale now. Advance admission tickets can be purchased for \$6 - which is a \$3 savings off regular admission prices - until September 11. Tickets can be purchased at participating area businesses or online at www.claycountyfair.com. A complete list of participating businesses can also be found at www.claycountyfair.com.

Fair Food Bucks are also now on sale. Each Fair Food Buck is worth \$1.00 and can be redeemed for food or beverage at any non-carnival food and beverage vendor at the 2015 Clay County Fair. You may purchase Fair Food Bucks in any increment that fits your budget, and they make the perfect gift for employees, friends or family who spend time at the Fair.

In addition, tickets to all U.S. Cellular Grandstand events (six concerts, two nights of auto racing, two days of chuck wagon races, and three truck and tractor pulls) are now on sale, and tickets may be purchased online through www.claycountyfair.com or by calling 515-244-2771.

"Take It All In" September 12-20, 2015 at the Clay County Fair in Spencer, Iowa! Known as "The World's Greatest County Fair" since 1917, the Fair attracts more than 300,000 people each September for world-class grandstand events, daily livestock and horse shows, more than \$125,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors and the largest farm machinery show at any fair in the United States! Erpelding Voigt Co. Sponsors 12th Annual Relay for Life

Erpelding Voigt Co., Certified Public Accountants has joined as a sponsor for the 12th Annual Relay for Life of Dickinson County. Pictured are Michael Schlitter, Brian Sohn, Sara Coerhard, Judy Jensen, and Angie Thompson. Relay for Life of Dickinson County will be held July 10th at the Arnolds Park Amusement Park Queen's Court starting at 5:30 with the Survivor and Community Meal. Relay For Life, the American Cancer Society's signature event, is a fun-filled evening experience designed to bring together those who have been touched by cancer. At Relay, people from within the community gather to celebrate survivors, remember those lost to cancer, and to fight back against this disease. Relay participants help raise money and awareness to support the American Cancer Society in its lifesaving mission to eliminate cancer as a major health issue. During Relay For Life events, teams of people gather to take turns walking or running laps. Through the survivors' lap and the luminaria ceremony, we honor the people who have faced cancer first hand, and we remember those who have been lost to this disease.

But, Relay isn't about taking laps -- it's about coming together in the fight against cancer. It's a time to remember those lost to this disease and celebrate those who have survived. It's a place where people connect with others, share the cancer experience, and find comfort and solace. And it's an opportunity to build hope for a future where cancer no longer threatens the lives of the people we love.

As volunteers and donors, your efforts support research, education, advocacy, and services that allow the American Cancer Society to offer help and hope to people across the country when they need it most. By joining together at Relay, we celebrate life, friendship, and an opportunity to work to defeat cancer for future generations.

Sale dates can be Friday, July 24, Saturday, July 25, or both. The map will be available at retail businesses in Milford beginning the week of Monday, July 20.

"The all town garage sale attracts a tremendous amount of bargain-hunters to Milford," said Dawn Powell, of the Pioneer Day Committee. "It is a wonderful opportunity for Milford residents to profit from the unused items in their closets and garages", she added.

Pioneer Days, the annual town celebration for the City of Milford, will celebrate their 47th Anniversary this year. The Milford Commercial Club sponsors the celebration. Carson And Barnes Circus Keeps With Tradition

The Carson & Barnes Circus will bring an all new edition of America's Largest Big Top Show to Spencer's Clay County Fairgrounds, July 7. The 79th Edition features an assortment of human and animal performers, led by the biggest stars of the Circus – The Incredible Carson & Barnes Elephants! Presented in traditional "Big Top" style, America's oldest family-owned Circus brings animals and acrobats, clowns and daredevils, and a little old-time Circus Magic to more than 200 American cities each year. The Carson & Barnes Circus family has toured North America for four generations, bringing first-class family entertainment to millions. From small towns to big cities, urban America to Native America, border to border, and coast to coast, America's First Family of the Circus boasts a legacy of more than 35,000 performances. "Our goal is to keep alive the traditions handed down through our family of bringing quality entertainment and education wherever we go", says owner Kristin Parra, adding, "The only thing more important to us than our animals and performers are the smiles on the faces of children." Making his Carson & Barnes debut this year is Cirque du Soleil veteran, Luis Miguel Terry, who presents his astonishing mastery of bounce juggling. Returning favorites include Mexico's Rosales Family, who bring four generations of Circus tradition to the center ring. The Dominguez Extreme Riders display motorcycling precision mixed with fearless fortitude. Gabriella Cavallini delivers breathtaking trapeze thrills while perched high in the air. Last but not least, Ringmaster Jairo Ojeda keeps the show moving at a rapid-fire pace. Carson & Barnes Circus is affordable for the entire family. Advance tickets outlets, free child's tickets and show information is available online at www.bigtopshow.com. Again this year, a very special offer makes it possible for kids under age 12 to see the all-new 79th Edition of the Carson & Barnes Circus for free when accompanied by a paying adult. Special coupons that can be used at any of the two big performances in Spencer are available from area merchants and from the Carson & Barnes Circus website at www.BigTopShow.com. Show times are 4:30 and 7:30pm.

If you would like more information, high resolution images or to schedule interviews with our owners or performers, please contact Press Agent, Danielle Julian at 580-326-2233 or email at djulian@carsonbarnescircus.com.

REAL BIG FISH!—Seth Lloyd, of Merville, Iowa, with a 4.2 pound Northern caught in West Okoboji Lake on July 1, 2015. It measured 26.5 inches long.

Do You Understand Wren Chatter?

I thought I understood "wren chatter" but obviously I don't. Remember that before daylight storm a couple of Saturdays ago?

I came downstairs as usual, and as usual I heard wren chatter. Only I should have paid more attention.

That night I filled all of the feeders and finally sat down only to realize there was no wren chatter. Investigating, I found the wren house from the birch tree was on the ground. Quite possibly it could have been there since the early morning storm. It had landed with the opening facing upward.

There was one live wren that I could feel (no, that doesn't bother them). I didn't know what to do, but the day before I had played "Mama Robin" for a whole day and had been successful.

The rule of thumb is to leave the baby birds alone as the parents are always nearby and will take care of them. OK. Listening to my own advice, I hung the house back in the birch tree, walked away and watched.

Within five minutes, the parents were going in and out of the house. Sunday night I investigated again and could tell for sure that there were two lively little wrens in the house.

The chatter is increasing so I'm sure they are about to fledge (leave the nest). I probably will never know if any little birds were lost, but I do know there were two survivors.

Meanwhile, another pair has set up housekeeping three trees away in a dwarf crab apple.

It is now the next day and the wrens did fledge the nest yesterday. I took the house down and took off the bottom to clean. Boy was I happy to find no dead wrens but there was plenty of evidence that there had been lots of activity while the house was basically upside down. We'll never know how many wrens there were but at least no casualties. Evidently the chatter I heard that Saturday morning was panic chatter.

Wrens go back a long way in my memory. At home in Greenfield, we had a giant white lilac bush plus a bridal wreath hedge where there were always wren nests. After Dad retired, one of his woodworking activities was making wren houses. I still have one of those although I retired it many years ago. Altogether that makes wrens enjoyable and nostalgic. With the second nesting in my yard, we will have wren chatter for more weeks.

Back to being "Mama Robin". One of our customers found two little robins whose nest had been raided. Glenda, our Wildlife Rehabilitation specialist, was on her way back from the Black Hills, but she told me what to do. Our customer couldn't stay home all day to feed the little robins so I bravely took on the task. Let me tell you those little beaks do not open automatically. Luckily, I had some experience helping Wendell feed little purple martins. There were a lot of customers that day that got to witness the procedure. Being a robin parent or any bird parent is time consuming.

For several years now robins have been coming to my platform feeder and since we began carrying the fruit and nut mix, they have been busy eaters at that. Now I'm glad I have kept the feeder filled so maybe the parents don't have to work quite so hard to feed their little ones.

There are many birds teaching their young to fly and feeding them, too. Be sure to take the time to enjoy the habitat you have created or come to Bird Haven to just sit and watch. You'll be glad you did and also more relaxed!

Grandpa, Grandma & Me! Camp

You're sure to have a grand time at the Grandpa, Grandma & Me! camp at the Dickinson County Nature Center in Okoboji.

Grandparents are invited to bring their grandchildren ages 5-13 for a special intergenerational experience 9 a.m.-2 p.m. July 30-31.

"This camp will be an opportunity for two generations to spend some quality time together inside and outside," said Karsess Knudson, environmental education coordinator. "We are fortunate to not only have a beautiful nature center to utilize but some great outdoor spaces as well. The camp doesn't necessarily have a theme, instead this two-day camp gives grandparents and grandkids a chance to grow together and create memories through games, crafts, hikes, cooking, kayaking and geocaching."

Grandparents may bring up to three grandchildren each, and registration costs \$65 per child for Conservation Foundation of Dickinson County members or \$75 per child for non-members. The price includes a T-shirt for both the adult and the child.

"Going to camp together builds skills for both kids and grandparents. One of the best things to come from camp together is that both ages serve as learners as well as teachers," Knudson said. "In our busy lives, it can be hard to carve out time together. Plus, this is a great opportunity for grandparents to get to go to camp!"

Register for Grandpa, Grandma & Me! online at www.dickinsoncountynaturecenter.com/event-registration by July 16. A minimum of five grandparent-grandchild pairs are needed for the camp to be held, and the maximum is set at 15 children for the camp. Participants will need to bring a sack lunch. A mid-day break will be taken outside on the deck or in the outdoor amphitheater, weather permitting. A snack will be provided.

"Grandparents who live in the Iowa Great Lakes area are often looking for fun activities to do with their grandchildren, and what better way to spend time together than by attending a camp at the Dickinson County Nature Center?" said Kiley Roth, community relations coordinator. "Kids will make memories with their grandparents that will last a lifetime. We're excited to be a part of those memorable moments."

The final Dickinson County Nature Center camp will be the Backpacking Adventure camp for children ages 10-12. Backpacking Adventure will be held at 9:00am-2:00pm on August 10, 9:00am on August 11 and at noon on August 12, with an overnight trip at Dickinson County Conservation Board parks in Milford.

For more information on Dickinson County Nature Center day camps or other summer offerings, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. The nature center is open 10:00am-4:00pm Tuesday-Saturday.

Barn Quilts • Saturday, July 11, 8:00 - 10:00am. Painted wooden "barn quilts" are popping up across the countryside. You'd love to have one but have no barn, you say? No problem! Join a PEBC naturalist and create a mini version hung on a fence post that you can plant right in your yard. Many designs to choose from and all supplies included. Be sure to wear paint clothes!

Crazy and Curious Corvids • Monday, July 13, 6:00 - 7:00pm. Do you know the difference between a crow and a raven? Both are black color birds, but there are fun ways to tell them apart! They belong to the smartest group of birds in our world—the corvids. Many people think of the corvids as a pest, but we will investigate why they are such a fascinating group of birds!

Rockin' Reptiles and Awesome Amphibians – Wednesday, July 15, 9:00am - 12:00pm. Investigate our cold-blooded friends that scamper, croak, and slither. Through nature exploration, games and crafts, we will have a blast! Bring a snack. Perfect for the little ones who are able to be at Sparks Park without Mom or Dad. If not, guardians are more than welcome to accompany their child!

Nature Photography – Wednesday, July 15, 6:00 - 8:00pm. If you have an interest in wildlife or nature photography, there is a good chance you have seen an image at some point that has taken your breath away. Maybe it was a photograph of a sweeping landscape washed in the golden light of the receding afternoon sun or close-up of some small natural miracle that you had never noticed. You might even have asked yourself, "How did they do that?" Grab your camera, whether it's a point and shoot or your smartphone and join a PEBC naturalist for some nature photography!

Northwest Iowa Care Connections, a Mental Health and Disability Services region serving residents of Clay, Dickinson, Lyon, O'Brien, Osceola, and Palo Alto counties, is pleased to announce its contract with Foundation 2, effective July 1, 2015. This private, non-profit organization, located in Cedar Rapids, Iowa has, as its mission, to be a trusted compassionate resource for people in crisis by offering counseling, safety, and support during difficult times.

Foundation 2, Inc. has provided crisis and suicide prevention services since 1970. In 1985, a toll free number was added to begin providing phone services statewide, 24 hours a day, 365 days per year. For the past 20 years, Foundation 2 has taken crisis calls from all over the state of Iowa, is certified by the American Association of Suicidology and through the Iowa Department of Human Services Chapter 24 Emergency Services. Foundation 2 certification is underway for recently adopted DHS Crisis Services.

Foundation 2 can be reached through the Northwest Iowa Care Connections phone number of 1-844-345-4569 on or after July 1, 2015.

Hawkeye Care Centers Launches New Brand

Hilltop Care Center has been in the Spirit Lake Community for over 40 years. Thirteen years ago Hawkeye Care Centers of Iowa purchased the Hilltop Care Center building. Hawkeye Care Centers is an Iowa-based company that has been in operation since 1976, founded by Michael Hamm. It remains a family-owned company with the home office in West Des Moines, Iowa. The company's mission is to be a leader in the long-term care industry by providing quality services and premium health care options for Iowa's seniors.

As of July 1, Hilltop Care Center will be adopting the parent company's name, and will be known as Hawkeye Care Centers of Spirit Lake.

Hawkeye Care Centers has launched a new refreshed brand image, website and messaging to create more awareness about the organization's 40 year history in senior care and retirement living. Hawkeye enlisted Bild & Company's marketing expertise to help them emphasize their high quality of care, dedicated close-knit family spirit, and "hands-on" approach through original imagery and real stories.

"The Hawkeye history and stories about our stellar care and our amazing residents needed to be told. Now the new brand thoroughly reflects our high quality offerings," said Josh Young, Corporate Director of Sales and Marketing.

Hawkeye Care Centers have evolved into Continuum Care Retirement Communities, as well as individual centers that provide different levels of care: from independent to assisted living, to rehabilitation, to skilled nursing, memory and long-term care. Today Hawkeye has 10 exceptional Care Centers throughout Iowa and employs more than 1,000 team members.

Bild & Company's Chief Branding Officer, Jennifer Ruyle, spearheaded the rebranding project with a focus on stronger messaging that would resonate with families looking for trusted care for their loved ones.

"The tagline, 'Where You Belong' really embodies the home-grown feel of the company along with emphasizing the family style approach Hawkeye takes with every resident," Ruyle said.

The brand initiative includes a new fully mobile optimized website (hawkeyecare.com), which makes it easy for the user to find a community and learn more. One area of the site features "Stories from the Heartland" showcasing the residents and their unique life stories and backgrounds. The Stories from the Heartland offer potential residents and their family's insight into the devotion and positive experiences at each community.

Sheila Weier, Administrator had this to say, "Hilltop Care Center is thrilled to embrace the name change to Hawkeye Care Center of Spirit Lake. This change brings unity among all of the Hawkeye Facilities in Iowa. Hawkeye Care Centers of Iowa will continue to be the industry leaders giving the care to those that we serve."

For questions regarding Hawkeye Care Centers, email Josh Young at jyoung@hawkeyecare.com or call 515-223-0173.

Help Paint A One Room Schoolhouse

The Prairie Arts Council, 1423 Park Street, Sheldon, is asking northwest Iowa residents to join them in painting the historic Baker Country School House (1936-1947) which was recently moved from a rural area 12 miles away. The "Tom Sawyer Day" will take place on Saturday, July 18 beginning at 8:00 a.m. The Prairie Arts Heritage Park in Sheldon is home to four other country schoolhouses and two historical homes. It is believed that this is the only site in the country where one can see four styles of one room school houses, the earliest being the 1870s

With the help of area businesses, Colleen (Mrs. Stanley) Lemkuil, Spirit Lake, is spearheading the effort to restore the Baker school. The Pizza Ranch is providing lunch. Brushes have been donated by Menards.

"We have 100 brushes so we need 100 volunteer painters," reports Mrs. Lemkuil. "Scrapers are also needed." For information and a ride on "Paint Day," e-mail stancolleen37@gmail.com or call 515-240-4714.

The renovation of the Baker Country Schoolhouse has many lakes area connections. Ruth Ann Van Donsler of Milford was a student there. She credits her teacher, Opal Busmas, for giving her "a great start" and inspiring her toward her own career as a teacher. Colleen Cleveringa Lemkuil attended the 4-H activities at the Baker Center School. Although he attended another Baker Township School, her husband Stanley Lemkuil was also involved in 4-H activities there.

Mrs. Lemkuil calls for former students and 4-H members to turn out to enjoy a fun day of reminiscing along with their good work. She urges "Please come and share your memories. DAR Historian Maryanna Hubbard, Arnolds Park, will preserve them in a scrapbook for the school."

Naomi and Howard Cleveringa were the original owners of the school property. The old schoolhouse has been donated to the Sheldon Heritage Park by the Baker County Trustees and the current property owners, Colleen and Stanley Lemkuil. Mrs. Van Donsler is donating back to the school items that were purchased when the school closed in 1947.

"We have wonderful workers contributing., but we need donations for items such as a hardwood floor and landscaping," says Mrs. Lemkuil. Contributions are tax deductible and may be sent to Harold Tuttle, Prairie Arts Council President, P.O. Box 61, Sheldon, Iowa, 50121, (712-324-4190) . To tour Hertiage Park and to also see the art work at the Wensink Gallery, call Karin King Vanden Berg, 712- 324-9718.

The project has the support of the Ladies of the Lake chapter of the Daughters of the American Revolution, meeting national DAR goals of historical preservation and education. The DAR chapter serves northwest Iowa and has members from the Sheldon area, O'Brien and Sioux counties as well as Dickinson and Clay.

The Baker Country Schoolhouse has a history as the center of the community. There were no towns in Baker Township other than at one time a town called Philiby, marked now by just a sign. The schoolhouse was the site of the annual Halloween Party, with bobbing for apples and good food. The annual hayride started at the school with the wagon of hay and warm blankets pulled by a tractor. Songs were sung as the riders traveled down the country roads. The schoolhouse will have a usable basement with classes for children. It needs a cement floor and new windows. A bathroom is needed on the first floor. Information is available and contributions will be welcomed by any of the preservationists named above.

Modern Romance Explored At Lifetree Café

The state of romance and how to keep it vibrant will be discussed at Lifetree Café on Sunday, July 12, 2015, at 6:30pm. The program, titled “Modern Romance: That Crazy Thing Called Love,” features a filmed interview with cowboy humorist and performer Gary McMahan as well as his wife of more than 20 years.

“Relationships are living things,” says McMahan. “You can kill or feed them, and the romance is in the day-to-day decisions you make.”

Admission to the 60-minute event is free. Snacks and beverages are available. Lifetree Café is located at the Good News building, 1010 Julia Street, Okobojo, Iowa 51355.

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712-332-5698 or lifetreecokoboji@yahoo.com.

Kids Play Golf For Kids

Do what you love to raise money for a good cause. This simple idea that began in the mind of then 15-year-old Worthington, Minnesota resident Kate Lesnar has had a big impact on kids in Kibeho, Rwanda – and it isn’t over yet.

In its sixth year, All Day FORE Africa is no longer a one-kid-one-goal event. Now kids across the country have joined in the cause, each doing what they love to raise money.

During this golf fundraiser at GreatLIFE Worthington Country Club, sponsors pledge money to kids based on the number of golf holes they play. This year, the event will be held on Monday, July 13 and has a big goal to raise \$40,000 to benefit Mission Abana – a mission to produce, manage and provide a nutritious meal two days per week for a year to needy kids in partnership with Fr. Leszek and the Marion Fathers in Kibeho, Rwanda.

When GreatLIFE CEO/President Tom Walsh Sr. learned about All Day FORE Africa, he was more than intrigued; he was all in. “I am so impressed by what Kate Lesnar started with All Day FORE Africa, the momentum it has gained in only six years and most of all, what it has helped to accomplish,” he said. Walsh has committed to a matching grant to help All Day FORE Africa and its participants meet their goals and promote the event GreatLIFE style including:

- Golf clinics coached by PGA golfer Mike Malaska
- Live entertainment during the evening
- Exhibition by The Dance Academy dancers, ages 3-18
- ADFA Sings-On fundraiser
- And much more

In 2010, the first annual All Day FORE Africa event was held in Worthington with only one golfer, and two weeks to plan. On that day, Kate and her community raised \$10,380 – exactly enough money to put in a water system at a school in Kibeho.

Since that time, kids not only from Minnesota, but also from Nebraska, California and Pennsylvania have joined the effort and have raised more than \$300,000. With their help, bathrooms and dormitories were built and a new medical center was opened in Kibeho in March 2014. With no administrative costs, all proceeds go directly to Kibeho to help support kids and provide vital resources to improve lives.

“This is about encouraging kids to do what they love to raise money for other kids,” said Kate Lesnar, who hopes to see younger kids from all over the country join in the effort and keep the money flowing into Kibeho. GreatLIFE is thrilled to be hosting this amazing event. “It’s easy to overlook the power of kids,” said Walsh, “but this is an example of what they can do. For kids like Kate who want to make a difference, anything is possible.”

“Home is Where BBW Is!”

by Jay Schoning

“Home is Where BBW Is.” is the theme for Bully Bullhead Weekend 2015 in Ruthven. This year’s annual celebration that features over 60 events for people 1 year to 101 years of age will be held on Friday, July 10, through Sunday, July 12. There are also two new events on the schedule this year. The new events include a teen dance on Friday night at the Ruthven Community Care Center campus at 7:00pm and the Bean Bag Tournament at 3:00pm on Saturday at the football field.

BBW kicks off on Friday morning with the BBW Tractor Ride beginning at 7:00am The ride will take off around Lost Island Lake and then take in our area lakes including Trumbull Lake, Elk Lake, and Silver Lake returning to Ruthven around noon for lunch at Bully’s Bar and Grill. Just bring your tractor to the care center area around 7:00 on Friday morning and register – than be ready to enjoy a scenic ride starting at 8:00.

Other Friday events include at 4:00pm the free community pork patty/hot dog feed sponsored by Iowa State Bank with the 2015 Citizen of the Year Presentation to take place at 5:40pm with Jan Helmke being honored this year. More Friday events include the 4th through 8th grade 3-on-3 basketball tournament and high school 3 on 3 tourney at Centennial Park & Pool and the Kids Pedal Tractor Pull at 6:00pm near the Catholic Church.

Set the alarm clock early on Saturday as things get going early with the BBW Fishing Contest at 7:00am. Registration for this is at Bobber Down on the south edge of Ruthven with six tagged bullheads released in Lost Island Lake – and a \$500 cash prize if you catch one. There are several other cash prizes as well and you must be registered. Other events include the city-wide garage sales, a bake sale at the Methodist Church, antique tractor and machinery show, mini doughnuts, history slide show and so much more.

The 5K, 10K and Fun Run event will be held at Huston Park on Lost Island Lake at 8:00am. Other Saturday morning events include the Mason’s Turkey Fillet and Brat Feed located on the green space of the Wild Wood Flower Gift Shop starting at 11:00am. The Ruthven-Lost Island Railroad Express will also be giving free train rides for the kids.

At noon, the BBW Car Show kicks off at Cricket Park on Gowrie by the railroad tracks. Of course, one event everyone loves is the large parade. The BBW parade will start at 1:30pm leaving from the south end of the football field and traveling the same parade route as years past. After the parade, the Lost Island Nature Center will be hosting a family fun event that will be entertaining for everyone and the Pony Express will be giving pony rides near the American Legion at 3:30pm. The Bean Bag Tournament will begin at 3:00, as well, at the football field area.

Going on from 3:00pm to 7:00pm at Centennial Park and Pool will be the WooWoo Wine-Fest which will feature wineries and a beer brewery as well as other vendors from around the region and everyone 21 or older will truly enjoy wine and beer tasting while moseying around looking over crafts. There will also be things for kids to do and there will be live music as well. All ages are invited as the 4-H club will be selling water and Redline BBQ will be serving up some tasty food.

When evening comes around there will be the Ruthven fireman’s street dance up town featuring the “Rudd Band.” And if a street dance isn’t your cup of tea there will be a large fireworks display shot off from the swimming beach of Lost Island Lake at 10:00pm – truly something for everyone.

Sunday morning kicks off at 7:30am with the American Legion presenting their pancake, egg and sausage breakfast along with the Legion Auxiliary’s Bake Sale. The remainder of the morning is somewhat reserved so families may attend the church of their choice in Ruthven. At 10:00am at the Bill Grange Trapshooting grounds just a mile south of Ruthven there will be the GT/RA Bull’s Eye Trap Shoot competition that will be held with four classes of shooting: youth female and male, and adults male and female. All proceeds from this event will go to the high school trap team; the Graettinger-Terri/Ruthven-Ayrshire Bulls.

The Co-Ed Volleyball Tournament kicks off at noon, also, at the softball fields. At 1:00pm, the Progressive Organ Recital begins at Zion Lutheran Church, proceeding to each church in the community and finishing at the Lost Island Lutheran Church where there will be an ice cream social and maidrite supper at 4:00 until 7:00pm. The pool will also be open during the afternoon next to the volleyball tournament. Never a dull moment in Ruthven during Bully Bullhead Weekend and this year’s event promises to be just as big and fun as last year’s event.

SL Noon Kiwanis Donates To SL Elementary Playground Project

The Spirit Lake Noon Kiwanis has donated \$2500 to the Spirit Lake Elementary "Partners In Education" (P.I.E.) to update and bring in new innovative playground equipment for the elementary school playground. They have also applied for a grant from the Nebraska-Iowa Kiwanis Foundation and should know the outcome in July.

The majority of the playground equipment is 15 to 20 years old and is fading and in need of repair.

"The updating of playground equipment will be of great benefit to the children and that is one of the important goals of Kiwanis, to improve the quality of life for our children." stated Ernie Cupp, SL Noon President.

Arts, Crafts And Barbie Dolls

Welcome to Farm Market News. Now that the Fourth of July is in the rear view mirror; time for a look at the nonperishable market and its fine vendors. There are woodworkers, knitters, and crafts-people who lend a great variety to the market. Both sides of the aisle are well represented at the farmers market. When it comes to clever craftsmanship there is a vendor who sells homemade Barbie dresses in your favorite schools colors and logos. I believe she also has the rug market cornered. Across from her is “living wall art” pieces of art/plants that hang on your wall. Creativity is not in short supply as those two examples should whet your appetite for more. The woodworkers offer planters and end tables made from gear-cogs and across from him the crafts selection has bean bag games of all your favorite teams, plus a band of brothers are making pressed flower cards and could use some support.

Non-Perishable Goods And Honey

The market offers many kinds of dry rubs for your favorite meats and poultrys. The beauty of these products is that they are small batches of highest quality. The honey is organic and can be purchased in the gallon container. These 2 stands are directly across from the Pampered Chef booth and offer samples every day. I know I am sounding like a broken record, but the fact of the matter is that the market fills a niche of quality products sold at a fair price. These are your neighbors and what they lack in Madison Avenue savvy, they make up for in steadfastness. Every Saturday and Wednesday and sometimes Thursdays, these people attend their stalls and what you are seeing is the result of the journey. I expect carrots and strawberries to be more abundant. Soon we should see the corn season begin. I cannot wait. Until next time, EAT WELL.
