ILCC Students Exhibit at PLAC

Art exhibits created by Iowa Lakes Community College students will be on display at the Pearson Lakes Art Center, Okoboji, later this month. The exhibit opens on Wednesday, April 26. An Open House Reception will be held on Thursday, April 27, from 5:00 to 7:00pm. "Students in our art-related classes have a tremendous amount of creativity and this is an outstanding opportunity for them," said Dave Petrick, Photography Instructor at Iowa Lakes. "Not only do they get to show off their talents, but they also get a taste of how to prepare for an art show," Petrick added.

On display will be black and white (film) photography, digital photography, paintings and graphic design artwork.

Iowa Lakes has a diploma and Associate in Applied Science (A.A.S.) degree in its Graphic Design program, a Digital, Social and Broadcast Productions A.A.S. program; a Photography diploma program; and offers a number of general education courses in art and photography.

Instructors include: Byron Lindell, Art Professor; Debbie Wilson, Graphic Design Associate Professor; and Dave Petrick, Instructor of Photography.

The public is invited to attend the reception on Thursday, April 27, or visit the exhibit which will be on display from April 26 through May 20.

40th Annual Pancake Feed

The Arnolds Park/Okoboji Fire and Rescue Association members would like to invite you to join us for our 40th annual pancake feed in Arnolds Park Friday, May 5, from 5:00 to 8:00pm, and Saturday, May 6, from 7:00am to 12:00pm, at the fire Station on the corner of Highway 71 and Hinshaw Street.

For a small donation to the department, you will be served pancakes, fresh grilled sausage and a beverage. The pancakes will be expertly prepared by the Milford Boy Scout troop.

Once you are stuffed full of pancakes and sausage, we encourage you to tour the station and equipment as well as speak with and ask questions of our dedicated volunteer firefighters, Divers and EMTs. If the weather is good we will once again have the inflatable fire safety house, and fire safety materials available for the kids.

Members of our department responded to approximately 168 emergency medical calls, and 73 fire and/or water related emergencies last year. Our members regularly attend trainings, meetings, and provide services at special events. Last year your volunteers attended 287 events and donated over 3,000 hours to our communities.

Last year, funds raised during our pancake feed assisted our department in purchasing personal protective equipment to include breathing apparatus. This year, funds raised will be designated once again to help with the purchase of personal protective equipment as well as four new gas meters.

We look forward to seeing you there. However, if you are unable to make it, we always appreciate your donations. You may drop them off at either Arnolds Park or Okoboji city halls or send them to the address noted.

Thank you for your past and continued support!

Early 1900 Picture of Main Street in Lake Park, Iowa

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history - Milford, Iowa.

The main interest in this picture is all the wagons that have no teams on them. The wagons were used for dray work. This is a change from present times for our young people. Lake Park is celebrating 125 years this summer and the museum displays many pictures, stories and advertisements from the town's past years. The Clark Museum and The Lakes News Shopper know that Lake Park residents will enjoy these pictures.

Please thank The Lakes News Shopper for being the sponsors of these stories. The Clark Museum is a 501 (c) 3 Non-Profit.

Keep it FUN!

More than three decades ago, in the early days at *Class 104*, we had a call from a Sioux Falls 'A' Student — someone we didn't meet until many months later. But she gave us some very good advice in that first conversation. We have to paraphrase here, as we didn't have a digital brain at the time. The words of wisdom went something like, "Have fun on the radio. If you're having fun, your audience will have fun, too."

We've thought about the advice many times over the years, and had a chance to pass it on to another performer after Friday night's *Many Voices Choir* spring concert at the Presbyterian Church in Spirit Lake. First, it was a great concert that covered many musical genres. That, in itself, was part of the fun. But what caught our eyes and ears was the normally very focused accompanist, Jennifer Johnson, who not only cracked a smile several times, but was seen and heard singing along with the choir members while she was playing Burt Bacharach's *Raindrops Keep Falling on My Head*.

When we explained to Jennifer that she was "caught in the act," there was no hesitation in her telling us that, "Burt Bacharach is one of my favorites!"
Editor's note: Rambo's research director RD was quick to point out Friday night that one of Burt Bacharach's first big hits was *The Blob*, recorded in 1958 by *The Five Blobs*, an ensemble put together expressly to record the song that was written with partner Hal David's brother Mack. *The Five Blobs* went on to more "fame" a year later with, *From the Top of Your Guggle (to the Bottom of Your Zooch)*. It was a fun time, too...

A few weeks back we also had a bit of fun hearing *The Masters of Soul* at the SPARC concert in Spencer. While Motown isn't at the top of our list of faves, we were most impressed by the group's tribute to Louis Armstrong and their rendition of *It's a Wonderful World*. It's not something we expected to hear that night. But it made the night — at least for us.

For the record, that top hit for Louis was written by George David Weiss and Robert Thiele, the songwriter who was married to singer Teresa Brewer. Thiele had tried for many years to get Louis to record the song before Louis agreed to do it and see it as one of his greatest successes...

There's fun this week on the Campus of the UofO, with *Northwest Iowa Concert Band* director Rich Nicklay backing up his Monday night show in Estherville with the Spirit Lake Middle School spring concert tonight. Nicklay, who is retiring in June, will be conducting the 7th & 8th grade band for the final time. And Sally Jo Iles will be directing the Middle School choruses, with accompanist Duane Iles, who is also retiring in June.

There is no admission charge for the 7:30 show in the SAMI Center...
The Lake Patrol will be taking the stage at Table 316, Wednesday night from 6 - 8:00. And Terry Klein will kickoff the May entertainment on the 3rd...
The Little Swan Lake Winery will see Adam Layman back on the barn stage, Thursday night, from 6 - 8:00. And *The Kris Karr Band* will perform at The Winery Sunday afternoon, from 4 - 6:00...

Cinco de Mayo is the fun theme for the Iowa Lakes Community College music department's Spring Coffee House, on Tuesday, May 2nd. And the fun begins even before the music, with free tacos and fixings from 5:30 - 6:30, in the Max Student Center on the Estherville Campus. The music starts at 6:00 — and an ice cream sundae bar opens at 7:00...

In her 89 years — most of them under the spotlights from Des Moines and Kansas City to Carnegie Hall and beyond — Marilyn Maye has entertained three and four generations of some families. That thought came to us when proud grandpa Paul Hedberg emailed a picture of granddaughter Sydney by Marilyn's side after Friday night's show at Michael Feinstein's 54 Below, in Manhattan — just a few blocks from where Sydney lives and works.

We had to check to be sure. But Sydney is the third generation of Julie and Paul's family to enjoy Marilyn's singing. According to Sydney's email to Grandpa, "The show was fabulous." We would expect nothing less.

When the two chatted after the show, Marilyn was quick to note that she missed seeing Julie and Paul at her Florida shows last month. It amazes us that Marilyn can keep track of who's been "naughty" and "nice" after so many years on stage.

Have you made your reservations for Marilyn's fun July shows at The Inn?

In addition to knowing everything there is to know about *The Blob*, research director RD is all about Duke, Ella, and "All That Jazz," this week...

We should celebrate Ella Jane Fitzgerald's centennial birthday today. While she had a myriad of hit albums, it is of particular note that Ella's...*Duke Ellington Songbook* won the Grammy for the Best Jazz Performance at the first Grammy Awards ceremony in 1957...

RD tied this together nicely with composer, pianist and bandleader Duke Ellington's Saturday birthday, and "International Jazz Day," on Sunday, April 30th...

Ann-Margret Olsson turns 76 on Friday. One of RD's favorite albums — originally an LP — is one that saw Al Hirt performing with Ann-Margret. The title tells it all: *Beauty and the Beard*...

Ann-Margret's birthday is also Arbor Day, for which RD suggests listening to Trini Lopez' *Lemon Tree*, "very pretty;" and the Henry Mancini, Johnny Mercer tune *Sweetheart Tree*, heard in the soundtrack for the *Great Race*.

Sweetheart Tree was also the title song for a 1965 LP by Johnny Mathis...

Last, but not least, Sunday is "Oatmeal Cookie Day," which has to bring to mind one of the most fun monsters of all time — *Sesame Street's* Cookie Monster. Yum. Fun!

All the news that fits we print.

Dickinson County Endowment Fund Helps G-T Schools Add to Playground

The Graettinger-Terril Community School received a 2016 grant from the Dickinson County Endowment Fund for their pre-school playground. This award has funded a fun new equipment addition: a Merry-Go-Bike. The G-T preschool program serves students ages 3-5 years old. This has been a great addition for the school district and it's also available to the community children and guests. To learn more about the G-T preschool playground project, please contact Heidi Borchers at 712-853-6111 or hborchers@gt.ratitans.org.

The Dickinson County Endowment Fund is a permanent endowment fund that was established in 2005. Funds received from the State of Iowa and generous community donors have allowed DCEF to partner with 78 Dickinson County Nonprofit Organizations by awarding grants for 292 projects. In eleven years of grant-making, the Endowment Fund has provided funding support totaling \$1,051,904. Each Community and School District in Dickinson County has repeatedly experienced the positive impacts of the Dickinson County Endowment Fund grants. DCEF will be accepting 2017 applications starting May 1, visit dcefund.org for more details.

Adult Prom Banquet

Do you remember going to your High School Prom with your favorite girl on your arm, all dressed up in your tuxedo and she is dressed in a beautiful prom dress? You take her to the Grand March, you feel so proud, you're the most amazing looking couple and you can't believe that this is happening. Then it is time to go to the banquet, sit with your friends or maybe you get to sit with just your girl and things are so pretty with all the decorations and your girl by your side. Time has passed and you might have the same girl or a different girl, but wouldn't it be fun to relive that night again, well at least the banquet? The First Presbyterian Church of Lake Park invites you and your sweetheart to an Adult Prom Banquet starting at 5:00 - 7:00pm on April 29. The fellowship hall will be decorated for the occasion and if you wish to come dressed for prom or come as you are, that is fine too. They will be serving ham, potatoes, creamed peas, cabbage salad, rolls, dessert, and beverage for a free will donation. Reservations would be nice, but walk-ins will be welcomed as well. For those calling in reservations, special table arrangements can be made to keep you and all your friends together. The church is located at 1220 South Market Street in Lake Park. Reservations can be made by calling 712-832-3401.

Spirit of Harmony Names Woman of Note and Sweet Adeline of the Year

Each year the Spirit of Harmony Chorus of Sweet Adelines International selects one of their members to be the Sweet Adeline of the Year (SAY) and one member as Woman of Note.

The Woman of Note award goes to a member who has made a significant or noteworthy contribution to her chorus within the past year. She should be someone who embodies the spirit of Sweet Adelines and displays dedication to her chorus. The winner will be recognized at the Regional Convention held in Minneapolis at the end of this month. The 2017 Woman of Note award went to Linda Rubis of Spirit Lake. Linda has been a member of the chorus for 30 years, and has held numerous offices, including President, Costume Chair, Chorus Contact, and Show Chair. She maintains the chorus website and their learning tracks page and compiles and designs their show program each year. She received the chorus Sweet Adeline Leading Lady (SALLY) award in 1993 and was chosen to be a part of the Queen's Court in 2015. Linda is not a person to boast of her own accomplishments. She works quietly behind the scenes and is always stepping up to take on more than her share of duties for the good of the chorus. She is usually the first to arrive at rehearsal, and is a loyal member of the lead section. She is constantly looking for opportunities for the chorus to improve, to gain new members, or just to get stuff done that needs doing!

Linda Rubis

The 2017 Sweet Adeline of the Year award went to a member who has contributed over and beyond to the chorus over the past year. The members of the chorus vote on the winner of this award. This year's recipient was Marlys Stahly of Lake Park. She became a member of SOH in 2007 and sings tenor. She received the SALLY award in 2010. Marlys works as a graphic designer at The Lakes News Shopper in Milford and thanks to her we get great publicity (in color too!) She is married to Jeff and lives in Lake Park where they farm. She's a member of Immanuel Lutheran Church and sings in the choir. She loves singing, gardening and spending time with her grandchildren. Marlys rarely misses rehearsal and has played roles in our shows, including a flight attendant, little old lady, and this past year when she was "Miss Positivity," a role she was a

Marlys Stahly and last year's winner, Marcia Klingbeil

natural for. She has been a member of the SOH Board of Directors and this year is our competition coordinator. Spirit of Harmony Chorus congratulates both Linda and Marlys.

Lewis Memorial Planned

A memorial service to celebrate the life of Weldon Lewis, 96, formerly of Terril, who passed away in Mankato, Minnesota, on January 15, will take place on Saturday, April 29, at Terril United Methodist Church at 10:30am. This will be followed by military honors at Fairview Cemetery in Terril.

Afterwards, Weldon's wife Bernice and the families of their children, Jim (Cathy), Chuck (Roxy) and the late Barbara Lewis Grootveld, will host a luncheon in the church basement. All are welcome to attend.

30th Annual Fun & Wellness Day

From the backwoods of Minnesota to the glamor of old Hollywood, two keynote speakers will share their interests with humor, art and stories at the 30th Annual Fun & Wellness Day at Iowa Lakes Community College in Emmetsburg on Wednesday, May 17.

In the morning, Minnesotan humorist and author Al Batt will take the stage. Batt, who writes humor and nature columns for many newspapers and magazines, also hosts a radio show about nature, writes nationally-syndicated cartoon strips and has hosted TV shows too. He is the author of the book "A Life Gone to the Birds."

The afternoon keynote, "Hollywood Through Its Posters," will be given by Mike Piepel, who will share his collection of original movie posters along with stories of the film industry with a focus on Iowa's influence. His presentation will cover movies from the 1930s through the 1960s and include tales of the larger-than-life stars who lit up the silver screen in Hollywood's golden era.

Fun & Wellness Day features activities, health screenings, workshops and entertainment for anyone age 50 and better. Doors open at 7:45am for registration, a continental breakfast and display booths. The morning keynote address begins at 8:45am.

As always, this event features a plethora of concurrent sessions on topics including travel, smartphones, gardening, strength training at home, scams, decluttering your life, Facebook 101, cooking, health and wellness, genealogy, and cost-free social opportunities for seniors.

There is no advance registration. Cost is \$10 at the door to cover all sessions as well as a continental breakfast and a roast beef dinner with all the fixings for lunch.

All participants should park in the main northeast parking lot, enter the college through Entrance 1 and then follow the signs. Golf cart escorts are available to provide rides from the parking lot in the morning.

Fun & Wellness Day is sponsored by Iowa Lakes Community College and the Palo Alto County Health System. For more information, call Rhonda Frambach at 1-800-242-5108 ext. 5223.

Christian Women's Connection

The Women's luncheons are held on the third Wednesday of each month at the Okoboji Bible Conference Grounds in Arnolds Park, April thru November. Okoboji Christian Women's Prayer Connection is a non-denominational group sponsored by Stonecroft Ministries.

LETTERS TO THE EDITOR

To The Editor:

Lost and Found - After 57 Years

Easter Sunday, Shane Dodds waded out into the water at Terrace Beach and noticed a gold object at the bottom of the lake about five feet down. After retrieving it, he saw that it was a lady's class ring. He took it to his dad, Merle Dodds. On inspecting the ring, they saw it was from the class of 1961 Storm Lake High School, the initials were P.B. Merle knew that my husband and I graduated from Storm Lake High School. He brought it over to us; we live across the street. I had my year book nearby and I had graduated the year before in 1961. We found one name with the initials that were on the ring, Patrea Bond. We also checked the boys' names and there were no P.B. initials. I knew some people in Storm Lake and made some phone calls. We found out Patrea Bond's sister lived in Cherokee. Merle spoke with Patrea's sister and found out that Patrea lived in Council Bluffs. Patrea called Merle and confirmed that the ring was hers. She was elated to think someone found it after all these years. She lived in Milford for a short time in 1965. She and a friend were out in a boat and they had an issue over the ring, the friend held the ring over the side of the boat and dropped it into the lake. She told Merle she actually prayed someone would find it and return it to her. Merle told her "Well, it was found on Easter Sunday." Who would think it would be found in West Okoboji Lake, considering the size and depth of the lake. She and Merle are making arrangements to get the ring to her. We often hear of grandma losing a ring while working in the garden and finding it years later, but in a lake the size of West Okoboji, it really is amazing.

Judy Halling, Okoboji, Iowa

LETTERS TO THE EDITOR

Dear Editor,

What a wonderful Earth Day and march for Science Day it was! Thanks to the Boji Ukulele Strummers for kicking the event off with patriotic songs that celebrated our country's beauty and natural resources!

On our walk we did mini teach ins about scientists - many from Iowa- who have made our Great Lakes great today: their scientific discoveries helped us understand how to protect environment and human health and wildlife. Fun was the name of the game with a scavenger hunt, trash pick up, and egg hunt. Next year we hope to make the event even more "learningful."

Thanks to those who endorsed the event: Sen. David Johnson, Rep. John Wills, Dickinson County Conservation Board, Iowa Lakeside Lab, Friends of Lakeside Lab, ISU Extension, Iowa DNR. Thanks to all who participated!

Lakes-Opoly Games For Sale

Profits from the sales of Lakes-Opoly, a monopoly game with a local twist, are going to help fund Milford's upcoming Quasiquacentennial Celebration. We have a limited supply of these games, when they are gone they will not be reordered. The Milford Commercial Club is selling the Lakes-Opoly games at the following locations: Milford City Hall, Milford Utilities, Milford Memorial Library, Lakes News Shopper, Boji Junction, Snooks of Okoboji, Smith Stoneworks, Milford Hy-Vee Pharmacy, Spirit Lake Hy-Vee, Smith Stoneworks, Three Sons, Sunshine Foods, and MHR Insurance.

Birding on the Green 2017

The “oo-ek, oo-ek” of a female wood duck, the “wha-wha-wha” of a white-breasted nuthatch, the “tee-ye” courtship call of an American goldfinch...

Listen hard and you may hear all of these and more during the Birding on the Green program at the Green event at 7:00am Monday, May 1, at Brooks National Golf Club in Okoboji.

Dickinson County Conservation hosts the monthly Birding on the Green event at 7:00am the first Monday of the month May-September at the Audubon-certified golf course that is next door to Kenue Park in Okoboji.

Participants will drive golf carts through the course and will be able to identify 40-60 avian species by both sight and sound with the help of experienced local birders Ed Thelen and Lee Schoenewe. Both novice and experienced birders will enjoy documenting species such as kingbirds, bluebirds, red-tailed hawks and migrating waterfowl and warblers.

“I am looking forward to learning native species of Iowa and which species migrate through here in the spring,” said new environmental education coordinator Bryanna Kuhlman, whose first Birding on the Green program will be on May 1.

Brooks National Golf Club is the perfect place to check items off of your bird checklist, because it is an Audubon-certified golf course that draws in a variety of species of songbirds, raptors and waterfowl. Birding on the Green has been a successful partnership for the conservation board and golf course, because the course can keep its Audubon certification by having this active bird inventory, and it’s a wonderful outdoor experience for the conservation board to offer.

Birding on the Green will be held 7:00am Monday, May 1, June 5, July 3, August 7, and September 11.

If you don’t get your fill of birds during Birding on the Green, stop inside the Dickinson County Nature Center to see exhibits on bird nests and the Okoboji osprey or visit www.dickinsoncountynaturecenter.com to watch the osprey’s daily life on our live nest cam.

For more information on Birding on the Green or other events, call 712-336-6352 or keep up with the latest happenings at the nature center on Facebook, Instagram and Twitter.

Arnolds Park Tree Sale

A Tree Sale will be held on Saturday, May 13, 2017, from 9:00am to 12:00pm, or until all trees have been sold, at the Arnolds Park City Hall. The sale will go on rain or shine. This local effort is made possible by a Power of Trees grant. Fifty (50) trees will be available for a donation of \$25 each and are to be planted in the City of Arnolds Park. The selection includes: Autumn Blaze Maple, Sunburst Honey Locust, Spring Snow Crab, and Black Hills Spruce.

This sale is also an opportunity for the citizens of Arnolds Park to celebrate Arbor Day. It is a day when individuals and groups are encouraged to plant and care for trees; and is celebrated each year on the last Friday in April. Pictured is Arnolds Park Mayor Jim Hussong signing the 2017 Arbor Day Proclamation. With him are Team WAVE representatives Barbara Lancaster and Barb Woodley. If you are interested in obtaining more information about Team WAVE, please contact Pat Graves at 712-332-2327 or the Arnolds Park City Hall at 712-332-2341.

ALL SMILES – Charlie Pedersen, of Rock Rapids, with Bluegill caught on April 9, 2017.

WHOPPING CATCH – Barry Andersen, of Milford, with a 9.52 pound Northern caught on April 4, 2017. It measured 33.5 inches long.

LITE-FORM MIDWEST OFFERS SUPERIOR PRODUCT WITH PERSONAL TOUCH
After 25 years with Lite-Form Midwest and with more than 3,000 projects — 1,200 of them basements within a 100-mile radius — under his belt, Dick Bosacker is more convinced than ever insulated concrete forms are the way to go and his brand of personal service is one of the best ways to get there. “Big-box stores lack that personal touch,” Bosacker said. “We invite people to come to our showroom, look at our hundreds of photos and see the product before making a decision.” Bosacker prides himself on assembling free estimates, guiding his customers through the maze of code compliance and tax incentives and introducing them to one of his 30 trusted contractors plus plumbers, electricians and excavation contractors. “Insulated poured concrete walls are 50 to 80 percent more energy efficient than traditional building materials,” Bosacker said. “You’re looking at a four-to five-year payback and huge resale value.” Bosacker also offers frost walls for slab-on-grade construction, all-concrete homes and storm rooms. “People are well-informed today,” Bosacker said, “and they can see ICFs are stronger, safer, quieter, more energy efficient and cost-competitive.”

A New Home Or Addition In Your Future?
Insulated Poured Concrete Walls Offer Efficiency and Strength

- **Energy Efficient** – cuts utility costs 50-80% and more.
- **Strong** – up to 6 times stronger than wood frame buildings.
- **Low Maintenance** and permanent protection.
- **Quiet** – reduces outside sounds to a whisper.
- **Secure** – maximum resistance to fire and deadly winds.
- **Affordable** – smaller heating/cooling equipment and lower insurance rates.

Call Dick at 507-841-0663 for a FREE estimate. He will help coordinate your project and introduce you to quality contractors in the area for FREE bids. With Lite-Form®, the energy efficiency, quietness and concrete wall strength is second to none.

H-LP Teacher Receives Grant

Rachel Tanner, representing the Harris-Lake Park School District, is one of the recipients of the 2017 Northwest Iowa Down Syndrome Societies Buddy Grant. Mrs. Tanner has been a teacher at H-LP for five years now. She is the resource room teacher at the elementary school. Mrs. Tanner will be using the grant money to help further the use of STEM in her classroom. She feels that her students thrive through hands on learning and this grant will allow more of that to happen.

The Northwest Iowa Down Syndrome Society was formed in 2005. Since then, they have held eleven Buddy Walks. They raise money for their itouch program, parent scholarships to the national convention, and the Buddy Grant. The Buddy Grant is new this year. Also, for the first time, they are offering a student scholarship to a high school senior wanting to pursue a teaching degree in special education. The next Buddy Walk is September 24, at Historic Arnolds Park. Check out their Facebook page: Northwest Iowa Down Syndrome Society.

Girl Scout Cookies for Heros

During cookie sales the girl scouts collect donation cookies to give to various organizations. This year, Spirit Lake Troop 10204 decided to keep the donations local and give to Veterans. They collected 62 boxes of cookies and are making deliveries to local veterans at home and at different businesses in the community.

Their first stop was Walmart, with 14 Veterans employed. Sophia Hawn and Olivia Baumgard were on hand to thank the veterans for their service while presenting them with a box of Girl Scout Cookies.

Spirit Lake Troop 10204 would like to thank everyone who purchases cookies and who donate cookies to the Girl Scouts. They hope to have even more cookies to deliver to Veterans and others next year.

Thank you for supporting Girl Scouts, you help power new, unique, and amazing experiences for the awesome girls in your community!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor:
 A few weeks ago there was a Letter to the Editor criticizing candidate Trump for things he said during the campaign. You will recall there were 17 candidates vying for the Republican nomination. I believe it would be more productive to evaluate - now President Trump - on what he has accomplished since January 20th. Some examples

- Outstanding cabinet selections, among them Rex Tillerson - Secretary of State, James Mattis - Secretary of Defense, John Kelly - Secretary of Homeland Security, Dr. Tom Price as Secretary of Health & Human Services, Jeff Sessions - Attorney General, and Nikki Haley - US Ambassador to the United Nations.
- Appointment of Neal Gorsuch to the US Supreme Court - already hearing oral arguments on the Court.
- Executive Order on ethics limiting the lobbying of the government
- Executive Order repealing unnecessary government regulations by unelected bureaucrats
- Executive Order minimizing the economic burden of Obamacare
- Executive Order enforcing existing immigration laws
- Executive Order protecting the country from foreign terrorists
- Executive Order instructing government agencies to buy American and hire American
- Executive Order for a Presidents commission to combat drug addiction

Our country will have President Trump for the next three years. We should all be wishing him success and offering positive ideas, rather than looking backward to criticize.

Volunteer Opportunities At LRH Offer New Friendships, Meaningful Impact

Brunch to learn more on Tuesday, May 9

Volunteering has been a part of Lakes Regional Healthcare's (LRH) history since before the first patient received care, and is still an integral part of the organization. For over 50 years, LRH Volunteers have assisted patients and staff in various ways, such as escorting and transporting patients throughout the facility, delivering patient meal trays to cancer patients as they receive chemotherapy, and assisting Gift Shop customers.

LRH Vice President of Marketing and Retail Services Jennifer Gustafson said, "We have a great group of men and women that volunteer their time and talents based on their time availability and desires. Depending on the area, volunteer shifts are three or four hours long, and we have some volunteers that work every week and others that work once a month. We really appreciate the help each volunteer provides. They all do a great job - they are so important to our organization!"

LRH is looking for additional volunteers to join their team, especially as the volunteers begin operating a Coffee Shop weekday mornings to provide a service to visitors, patients, and staff, and to ultimately help fund scholarships for area residents.

Anyone interested in volunteering is invited to attend an LRH Volunteers Brunch on Tuesday, May 9, from 8:45 until 10:30am, in LRH's Dining Room. This meeting is held twice each year, and is an event which most of LRH's nearly 70 member volunteers attend. Those attending will:

- Meet dozens of other LRH Volunteers
- Enjoy a delicious, complimentary brunch
- Listen to LRH representatives speak about the latest news at LRH
- Get a tour of LRH
- Learn about the available shift days/times for each volunteer position
- Learn about the required abilities to volunteer
- Understand the next steps to becoming an LRH volunteer

There are five LRH Volunteer positions that occur on the LRH campus. Volunteers choose to work in one or more of these areas. Coffee Shop Volunteer - The Coffee Shop will open on May 30 and will surely be a place for staff and visitors to stop by and purchase a specialty flavored coffee and snack. Every day there will be different food items from various local retailers for sale, including Hey, Good Cookies, Lisa's Bake Shop, Rabab's, Wyman's Spudnutz, and more. Proceeds from the sales are given to the Volunteers as a fundraiser for their scholarships. Coffee Shop Volunteers

will be the frontline staff that greet and assist customers and ring up their purchases. Gift Shop Volunteer - The Gift Shop is a place for visitors to spend time while waiting for a friend or family member as they receive care or a quick place to purchase a gift for a friend or family member who's staying overnight in the facility. It's also been a place for the over 250 LRH staff to take a break and browse the items to purchase as a gift for themselves or a loved one. Gift Shop Volunteers are the frontline staff that greet and assist customers, ring up their purchases, and straighten up and restock shelves. Outpatient Center Volunteer - Outpatient Center Volunteers welcome patients to LRH's Outpatient Center and direct them to specific areas within the center, pick up and deliver hospital paperwork, food trays, lab work, and medications to and from appropriate hospital departments as requested, and transport patients via wheelchair and/or accompany patients and visitors to departments within the hospital. Patient Reception Volunteer - Patient Reception Volunteers welcome patients and visitors to LRH just inside the west ER entrance, where most outpatients enter the facility. There, they help patients register, escort patients to various locations within the organization such as the Laboratory or Imaging, and transport patients via wheelchair. Visitor Reception Volunteer - Visitor Reception Volunteers are the smiling faces patients, visitors, and staff first see when they walk into LRH's new east atrium. They assist surgery patients and inpatient visitors in getting where they need to be on the campus by telling them patient room numbers, communicating with registration and patient care staff. There are also volunteers that donate their time and talents from their home by sewing teddy bears for pediatric patients in LRH's ER, knitting baby caps for newborns in LRH's Birth Center, and calling area residents that live alone and benefit from hearing a friendly voice every morning. Gustafson said, "Volunteering is fun - you meet new people and establish new friendships, plus it's a wonderful way to make a positive, meaningful impact on our community. If you've ever considered volunteering at LRH, this is a super opportunity. It's a great way to make a positive difference in your own life, and in the lives of others."

Those with questions can call Willy Moeller at 332-5042 or Jennifer Gustafson at 336-8799 anytime.

Community Table

All are welcome for a Community Table meal from 5:30 - 6:45pm on the 2nd, 3rd and 4th Thursdays of the month. The 2nd and 4th Thursday meal will be held in Arnolds Park (Okoboji Bible Conference Community Center, 45 South Highway 71). The 3rd Thursday meal will be held in Spirit Lake (Bedell Family YMCA, 1900 41st Street).

VA LAKES INITY COLLEGE

Police Chief: "Iowa Lakes helped me grow"

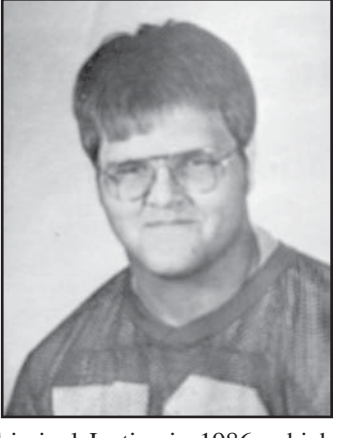

Including K9 officer Max, about a dozen police serve and protect the city of Estherville, led by Chief of Police Brent Shatto, an Iowa Lakes Community College grad.

"The time that I spent at Iowa Lakes Community College helped me grow as a student and athlete," said Shatto. "The Criminal Justice staff of Jerry Larson and Butch Miller taught students not only how to be law enforcement officers, but to be good human beings."

Shatto received multiple scholarships and graduated from Iowa Lakes with an Associate in Science degree in Criminal Justice in 1986, which helped prepare him for the job market. Many police and sheriff's departments now require applicants to have at least a two-year degree, he said.

"The degree has also benefited me in the ability to advance in my career to my current position as chief of police," Shatto said. While at Iowa Lakes, he enjoyed making new friends and spending time with fellow teammates in the football program, which ended after 1996.

"The football coaching staff was also a tremendous influence on the team in how they should conduct themselves on and off the field as representatives of Iowa Lakes," Shatto added.

Milford Memorial Library is excited to announce that Caroline Perkins and her dog, Hank, will be available to listen to stories Saturday, May 6, from 10:30am to 12:30pm! Caroline and Hank are a therapy dog team, licensed by the Pet Partners Therapy Animal Program. In the past they worked for 5 years in Cable, WI, as part of the Reading Education Assistance Dogs (R.E.A.D.) program. Prior to the R.E.A.D. program Caroline was a Special Education Teacher. Hank is a great listener and loves to listen to all kinds of stories. Children who are beginning readers or just want a chance to improve on reading aloud are encouraged to come read to Hank. Children can read to Hank on a first come, first serve basis. April is Child Abuse Prevention Month

Help us serve more children - "As a boy, my three sisters and I suffered just about every form of abuse you can imagine—emotional and physical attacks by my mother, later sexual abuse by her and her boyfriend. When I was 13 years old, we were all removed from our home...There was so much I did not know about the foster care system. Without knowledge or the power to speak up, I felt like a victim. A year and a half later, I met my CASA volunteer, Robert. And everything changed." - Dashun, former foster youth

Every year, more than 683,000 children, like Dashun, experience abuse or neglect. For the 250,000 children with a Court Appointed Special Advocate (CASA) or volunteer guardian ad litem (GAL), someone is standing by them for as long as it takes to reach a safe, permanent home.

This April, recognize Child Abuse Prevention Month and honor the 77,000 CASA and GAL volunteers who put the child's best interests before all others so they never again experience the trauma of child abuse. Appointed by judges, court-appointed advocates help children heal and thrive so they can become happy, successful adults.

Volunteers are a constant for the child in a time of chaos. A child may have multiple social workers, attorneys, therapists and foster placements throughout the life of the case but only one court-appointed volunteer, which can make all the difference for the child's future.

Without intervention, the odds are stacked against children who have been abused or neglected. A child with a CASA or GAL volunteer will leave the foster care system two-and-a-half months earlier, on average, compared to a child without an advocate. Studies show children with a court-appointed volunteer receive more services that are critical to their well-being than children without an advocate, and those children are more likely to achieve educational success.

Although CASA and GAL programs are reaching a quarter million children, 433,000 more are facing a frightening and profound unknown alone.

This Child Abuse Prevention Month, help get closer to the goal of ensuring every child who has experienced the trauma and sadness of child abuse has the support of a caring, consistent, and highly trained adult.

The Royal Ballet's Glittering Production of Jewels at PLAC

The Royal Ballet's sparkling production of *Jewels* is a love letter to ballet, told through the shimmering beauty that is 'Emeralds,' 'Rubies' and 'Diamonds'. This captivating performance will be screened at the Pearson Lakes Art Center in the Lauridsen Performing Arts Theatre on Thursday, May 18, 2017, at 6:30pm.

Inspired by the beauty of the gemstones twinkling in the shop window of jewelers Van Cleef & Arpels in New York, American choreographer George Balanchine went on to make history with *Jewels* as the first three-act abstract ballet. First performed in full by The Royal Ballet in 2007, each of the three movements represents a unique stage in the development of classical ballet with a different stone for its inspiration and a different composer for the music.

In 'Emeralds,' the French Romantic music of Fauré provides the impetus for the act's lyricism. The fire of 'Rubies' comes from Stravinsky and the jazz-age energy of New York. Grandeur and elegance complete the ballet in 'Diamonds', with Tchaikovsky and the splendor of Imperial Russia. Each act salutes a different era in classical ballet's history as well as a distinct period in Balanchine's own life. Through it all, Balanchine displays his genius for combining music with visionary choreography.
