OHS To Trick Or Treat For UNICEF

Okoboji High School Key Club will be participating in Trick or Treat for UNICEF on Friday, October 23rd from 4:30 – 6:00pm. This is the thirteenth year that this student service group has participated in this global service project. Students will be canvassing Milford collecting spare change to support the needs of underprivileged children around the world. UNICEF works in more than 190 countries and territories to help keep the world's kids alive and healthy-using the money raised. UNICEF shares the Kiwanis family's global commitment to children. All money collected by Key Club organizations around the country will once again support The Eliminate Project and help save moms and babies from maternal and neonatal tetanus. The Okoboji High School Key Club is sponsored by the Milford Kiwanis Club.

Acclaimed Americana Stringband Mipso To Perform At PLAC

Rising young Americana stringband Mipso will be performing on November 5, 2015, at Pearson Lakes Arts Center in Okoboji, in support of their new album Old Time Reverie, to be released via Robust Records on October 2, 2015. Spawned from the ongoing renaissance currently enriching and expanding the traditional vocabularies of old time and bluegrass music, Old Time Reverie finds Mipso putting time-honored tools to work on new terrain – with evocative, intoxicating results. Years of constant touring have tightened their attack, lending a new degree of authority and cohesion to their sound, while the addition of fiddler and vocalist Libby Rodenbough to the existing lineup of Jacob Sharp (mandolin), Joseph Terrell (guitar), and Wood Robinson (bass), has added new colors to an already rich palette.

For more information about Mipso and Old Time Reverie, visit www.mipsomusic.com.

Okoboji Teen Wins Nationwide Grant Contest

Grace Goehring, a senior at Okoboji High School, won a nationwide Youth Tour student service project grant contest. The grant program was coordinated in partnership with the National Rural Electric Cooperative Association (NRECA) and generationOn, a global youth service organization.

The \$500 Youth Tour student service project grant was matched by a \$500 donation from the Iowa Association of Electric Cooperatives along with a \$500 donation from Iowa Lakes Electric Cooperative. The grant and matching donations help Goehring with her goal of raising \$3,500 for the Malawi Sustainable Hunger Relief Project. The funds will be used to purchase chickens and goats to start a community herd and to make a commitment to provide the means to raise them for production purposes.

The Malawi Sustainable Hunger Relief Project is an effort to reduce the impact of hunger in the community of Tsangano. The community herd will be able to provide hunger relief for years. The community members of the small village of Tsangano, Malawi currently survive on a diet of legumes, semma (flour paste), peanuts and potatoes. Within one of the top 10 poorest countries in the world, Tsangano is tucked into the remote foothills of the rift valley thus making crops hard to grow and trade difficult to achieve. This leaves most of the village below the poverty line and many starving.

A total of 23 grants were awarded as part of the grant program. Grant winners were chosen from a pool of applicants, all of whom participated in the 2015 Electric Cooperative Youth Tour.

Grace attended the 2015 Youth Tour last summer. She was sponsored by Iowa Lakes Electric Cooperative. "I would just like to thank Iowa Lakes Electric Cooperative for allowing me to travel to Washington, D.C. with the Iowa Youth Tour. Without that opportunity I would have never connected with generationOn for the grant. After my mission trip to Malawi, Africa, I am very confident that this Sustainable Hunger Relief Program will thrive and change the lives of many people throughout villages."

About the Electric Cooperative Youth Tour: The Electric Cooperative Youth Tour has brought high school students to Washington, D.C. for the past 50 years. While on the tour, students participate in leadership training, engage in one-on-one conversations with elected officials, jumpstart their national peer network and tour Washington, D.C. Students apply and are selected for this program by their local electric cooperative, and nearly 50,000 students have participated in this program over the years.

About generationOn generation: On is the global youth service movement igniting the power of kids to make their mark on the world. As Points of Light's youth service enterprise, generationOn inspires, equips and mobilizes youth to take action through generationOn service clubs, schools, youth organizations, campaigns and youth leadership initiatives. It also provides tools and resources to youth, families and educators to help kids change the world and themselves through service. For more information, visit generationon.org.

About Iowa Lakes Electric Cooperative: Iowa Lakes Electric Cooperative serves over 12,500 member-owner accounts locally in Buena Vista, Cherokee, Clay, Dickinson, Emmet, Kossuth, Palo Alto and Pocahontas counties. Iowa Lakes Electric Cooperative is dedicated to leadership and growth by providing reliable, competitively priced energy while offering valuable service to benefit their member-owners, their customers and the communities they serve. No question, to have a healthy, happy marriage it takes work! But if we've married for the right reasons and we have a purpose, the work to keep a marriage healthy and happy is joy!

During this marriage weekend we'll explore the Biblical roles and responsibilities of the husband and wife. But more importantly, we'll explore why God designed you and your spouse to be together. When we find it, you'll gain the energy and passion that goes along with it.

IGL’s Children’s Fall Festival

Mark your calendars for a SPOOK-tacular time for children ages 12 and below on Saturday, October 24, from 11:00am – 1:00pm. Sponsored by Arnolds Park and both the The Iowa Great Lakes and Spirit Lake Chambers, this fun-filled event promises food, fun, activities and a costume contest sponsored by Oak Hill Marina at noon.

The first 1,200 kids ages 12 and under head home with an AIA Branding Strategies goodie bag filled with items generously donated by the Spirit Lake Noon Kiwanis, Mueske Electric and other Chamber members. Chamber members are hosting booths and fun-filled activities, so bring your cameras and capture these heart-warming moments.

Also be sure to dress your children in layers as we will open the lower amusement park if weather permits. How fun will it be to take a ride on the train and carousel at the end of October!

Events for all ages abound the entire month of October. Visit www.okoboji.chamber.com or “Like” The Chamber of the Iowa Great Lakes on Facebook for updates or to learn how your Chamber business can get involved in all of our exciting programs.

Green Waste Site Hours

The green waste site operated by the City of Spirit Lake and the City of Orleans will have new fall hours. The site will be open for persons who live in the city limits of Spirit Lake and Orleans.

New hours are:
9:00am – 5:00pm on Saturdays
11:00am – 5:00pm on Sundays
2:00pm – 6:00pm on Tuesdays and Thursdays.

After November 1, 2015, the site will close at 5:00pm on Tuesdays and Thursdays.

There is a lot of traffic on the road to the green waste site this time of year which includes vehicles related to harvest and other farming operations. There has been a pattern of people showing up early to the site, which causes congestion on the road. The City is requesting that citizens come to the site when it is open, not before the gate opens, and to also consider, given the number of hours it is open, not coming right at opening. Reduction of crowds at this time will enhance safety for all concerned and allow for more efficient access for all when the gate is opened.

Date Set for Italian Buffet At ILCC

The date for the ever-popular Italian Buffet at the Emmetsburg campus of Iowa Lakes Community College will be Monday, October 26.

The annual all-you-can-eat Italian Buffet is often referred to as an Italian ‘feast’ because of the outstanding food served by students.

Students involved in the Emmetsburg Student Senate and the Hotel and Restaurant Management program assist in the preparation and serving of the food.

Again this year, the marinara sauce will be made with fresh tomatoes from the college garden. Many people remember the Iowa Public Television report on ‘Iowa Ingredient’ show which featured the outstanding job of college personnel, students and the public in the planting, caring for and harvesting of numerous edible garden plants.

The marinara sauce is made from 800 pounds of fresh tomatoes (150 plants and 30 different varieties) harvested from the campus garden in Emmetsburg.

Advance tickets to the Italian Buffet are available from the students working the event as well as at the Emmetsburg Business Office of Iowa Lakes or the Smith Wellness Center. Proceeds from the event go back to the groups participating in the buffet.

Diners enjoy a variety of Italian dishes including lasagna, cavatina and spaghetti with their choice of meatballs, meat marinara, Alfredo or vegetarian sauces. There is also a large salad bar, bread, variety of dessert bars and beverages.

The Italian Buffet is held in the Smith Wellness Center gymnasium at the college. Serving begins at 4:30pm and runs to 7:00pm. Take-out meals are available for those who are unable to stay and dine at the Wellness Center.

Adult tickets are \$8.00 in advance and \$9.00 at the door. Prices for children ages 6-13 are \$5.00 and children age 5 and under are free with a paid adult. All are welcome.

Individuals with questions may call Bill Lapczenski at 712-852-5207.

As a benefit for the Oaxaca Street Children, the PLAC's Dia de los Muertos Celebration is a free all day (3pm - 9pm) Festival including: an art exhibition opening; family activities; puppet workshop; games; costumes; puppet show "Skeletons in the Closet" by Heart of the Beast Puppet Theater from Minneapolis; and a play, "Too Much Trick or Treat" written and directed by Marta Barnard, performed by young, local actors. There will also be food, dance, and live music from Trio de Colores. Admission is free and open to the public, donations appreciated.

In addition, and in conjunction with the Saturday event, the PLAC will be screening the 2014 animated comedy film inspired by Dia de los Muertos entitled Book of Life. The film will be shown at 1:00pm on Sunday, November 1, in the Lauridsen Performing Arts Theatre and is free and open to the public.

The Dia de los Muertos (Day of the Dead) is a holiday originating in Mexico and celebrated annually on November 1. Because of the belief that the dead would be insulted by mourning or sadness, Dia de los Muertos celebrates the lives of the deceased with festivals and lively celebrations—food, drink, parties and activities the dead enjoyed in life.

The Dia de Los Muertos art exhibition will be on display October 29 – December 12, 2015.

Kerri McKim and family looked high and low and finally found the ticket at the Dickinson County Museum in the wishing well outside the museum. The Dickinson County Museum is the last remaining train depot in Dickinson County.

Kent Sievers, The Omaha World-Herald

Baritone John Moore put everything into his role of Figaro, in last week's *Opera Omaha* presentation of *The Barber of Seville*. Moore will make his Carnegie Hall debut November 2.

Moore enjoys comic role as Opera Omaha's Barber...

While most of us have toiled at jobs that were anything but fun, there are at least two people in this world who really enjoy their work. One of those is Kim Carpenter, who reviewed last week's *Opera Omaha* production of *The Barber of Seville* for the *Omaha World-Herald*. The second is Milford's very-own John Moore, one of the subjects of her review:

John Moore as the titular barber comfortably commands the stage and periodically breaks the fourth wall as if to agree with the audience that he, too, thinks the story line is nutty. He rises to his scene-stealing moment with "Largo al factotum," with a "Figaro! Figaro! Figaro!" that is strong, sustained and soaring.

It's clear he is relishing his star turn, and it's one he continues for the duration of the performance. The libretto in part runs "Bravo, Figaro! Bravo, bravissimo! Most fortunate indeed," and the audience is indeed fortunate to hear Moore deliver this iconic song in his beautiful, booming baritone.

Another part of that legendary aria contains "What a ruckus! What madness," a wonderful descriptor for *Opera Omaha*'s rollicking, comic romp.

The complete review is available at the *World-Herald*'s website, www.Omaha.Com

After seeing Sunday's performance we find it hard to believe that in 1816, when Rossini wrote what is considered to be his masterpiece, he envisioned a 1960s Hippie-type with the mod dress and 'shades' of the day, and an electric blender to make Smoothies -- along with many other sight gags. Perhaps it was director Michael Shell who put the humorous 20th and 21st Century twists on the 19th Century classic.

John's next stop is a more serious role on November 2, when he will make his Carnegie Hall debut with Spirit Laker Kent Trittle, in the *Oratorio Society of New York*'s season-opening concert featuring Juraj Filas' *Requiem, Oratio Spei...*

Closer to home, we have the Spirit Lake High School marching band, *The Force*, in concert, tonight (Tuesday) at 7:30, at the SAMI Center...

And with the harvest going well, Glenn Henriksen should be performing at his place in Spirit Lake, tonight, beginning at 7:00...

Tonight is also the first night for the Iowa Lakes Community College *Coffee House* sessions at the Estherville Student Center. The free show begins at 7:00, and will include the handbell, brass and vocal ensembles along with the pep band. There'll also be light snacks...

'Boji Bill' Carpenter will be doing a solo dance gig at the Spirit Lake Senior Center, from 2 - 5 p.m., Sunday, when *Coolmhor* will be returning to the barn stage at the Little Swan Lake Winery, from 4 - 6 p.m.

Adam Layman will be taking that same stage, Thursday night, from 6 - 8:00...

Spencer's Messiah Choir will be rehearsing from 7 - 8:30 p.m. this Sunday, and each Sunday through November 29, at Spencer's Sacred Heart Catholic Church. The final rehearsal, with the full orchestra, will take place at 2 p.m., Sunday, December 6 -- just prior to the 7:00 performance at the church. There is still room for a few more good voices. For more information, call Mary Lou Reed at 712-262-4703...

Just for the record, the *Many Voices Choir* is also in rehearsals for its Christmas concerts that will begin Sunday, November 29, in Bancroft. Other concert dates will be Saturday, December 5, in Estherville and Spirit Lake; and Thursday, December 3, in Jackson...

The *Northwest Iowa Concert Band and Jazz Band* have scheduled their joint holiday concerts, for Monday, November 16 -- with a snow date of the 17th. Concert band director Rich Nicklay has also set a snow date for the April 18 spring concert.

If you think that's going overboard, you need to look at history. There have been more snow-related postponements in April than in November!

We would encourage any singers or musicians who have Monday nights free to participate in any of these groups -- along with the *Spirit of Harmony*. Drop us an email at the address below and we'll pass the word of your interest. Age -- young or old -- is not a handicap. But maybe you ought to be able to carry a tune...

Should they continue, the Pearson Lakes Art Center's frequent blues jams are another opportunity to dust off your axe and work with other area musicians. This has traditionally been a free night for musicians and the audience...

The PLAC has scheduled the *Western Iowa Songwriters Showcase*, for Thursday, October 29. Songwriters Damon Dotson, Chad Elliott and J. Jeffrey Messerole will be featured in an afternoon workshop and an evening concert on that date. Call the PLAC for more information.

That same night will see the Iowa Lakes Community College 25th annual *Jazz Festival*, with headliners Kirk Garrison, Tony Gulizia, Andy Hall, and Joey Gulizia; along with the ILCC Jazz Band and Vocal Jazz Choir... The show will start at 7:00, in the ILCC gym, in Estherville.

More information about the concert, clinics, and a related convocation can be found at IowaLakes.Edu

Yes, some nights there are choices to make. Sitting home shouldn't be one of them...

All the news that fits we print. Please send your music-related announcements or comments to class105@rconnect.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Big Time Volleyball

Three county volleyball teams have just wrapped up incredible regular seasons and head into regional tournament play this week with hopes of making it to the State Tournament. Harris-Lake Park, Okoboji and Spirit Lake all topped the 20 win mark this season, finished in the upper part of their conferences, and are all peaking at the right time.

The Harris-Lake Park Wolves finished their regular season with an impressive 29-9 record and are currently ranked #15 in Class 1-A. Coach Daryl Meyer and his team have been ranked in the top 15 most of the season and have a nice blend of experience and youth that had played well all year. The Wolves open up regional play at home on October 27th against the winner of Clay Central-Everly and Graettinger-Terril/Ruthven-Ayshire. If Lake Park wins that match they will also host the next round on Friday, October 30th.

The Okoboji Pioneers enter regional play with a 22-9 record and just wrapped up third place in the rugged Siouxland Conference. Coach Eric Thompson has the veteran Pioneers playing at a very high level, as Okoboji is 14-3 in their last 17 matches, with the only losses being to ranked foes, while also knocking off three ranked teams in that stretch. Okoboji opens up regional play on Tuesday, October 20th at home against Sibley-Ocheyedan. As long as the Pioneers can keep winning they will host the first three rounds of regionals, with round two being played on Tuesday, October 27th.

The Spirit Lake Indians finished a fantastic regular season with a 32-9 record. The Indians are also ranked #14 in Class 3-A, and have been ranked all season. Coach Beau Dielschneider has his team firing on all cylinders heading into regional play as the Indians have won 8 of their last 10 matches and finished tied for second in the tough Lakes Conference. Spirit Lake will host conference foe Cherokee on Monday, October 26th and if the Indians win they will also host the second round of regionals on Thursday, October 29th.

Please get out and support these county schools as they begin regional play. Volleyball is such a game of momentum and the home crowd can definitely make the difference between winning and losing. It's not too often that one county has three teams that have had such fantastic seasons, and these girls deserve the support of the community as they begin tournament play this week!

Okoboji Enrollment Up:

All Iowa schools had to certify their enrollment with the Iowa Department of Education on October 15. Okoboji's enrollment increased as expected.

People need to understand two terms when discussing student count. "Certified Enrollment" includes all students living in our district, no matter where they attend school. Included in this group are students attending school at Okoboji, students being served in special programs in other districts and students open enrolled out of the district. "Enrollment Served" is the number of students being served in the home district's classrooms. Okoboji's certified enrollment went up 35 students (from 925 to 960) and our PK-12 "enrollment served" increased by 19 students.

Some key "talking points" for our enrollment this year include:

- The total number of PK-12 students served in our classrooms is up to 1,009.
- Enrollment increases: Elementary up 7, Middle School up 8, High School up 3.
- Average class sizes: Grades 1-4 = 77, Grades 5-8 = 73, Grades 9-12 = 64.
- This year's kindergarten class is smaller than last year but our preschool count is up 15.
- "Enrollment served" is more important in many ways than "certified enrollment" because that number determines how many classrooms, staff, supplies, etc. are needed.

It is good to see Okoboji's enrollment continuing to increase, as seen with many northwest Iowa schools. Seeing larger numbers in the lower grades than in the upper grades also indicates future stability for our district.

The lakes area provides many opportunities for families and students. From my perspective, student enrollment will continue to increase at Okoboji at the rate of which housing and employment opportunities are made available in the local communities. I encourage everyone to support our local leaders in continuing to expand housing and employment opportunities in our community.

The Spirit of Harmony Chorus celebrates 35 years as a chartered chorus of Sweet Adelines International, with their annual fall show, entitled “Why We Sing.” Chorus members were asked why they joined Spirit of Harmony, and those answers will be part of the show. Former chorus members have also been invited to join the chorus on stage in an arrangement of “I’d Like to Teach the World to Sing.” Within “Why We Sing” will be the fictional TV program, “All About You.” This talk show will feature interviews with Dr. Priscilla Penny, Feather Driftwood and Ann Stone, with an appearance by the little old man and lady who appeared in last year’s Laugh In show. These colorful characters are sure to tickle your funny bone.

“Why We Sing” will be held on Sunday, November 1 at

2:00 pm in Spirit Lake at the Sami Center for the Performing Arts with special guests The Benson Family Singers, back by popular demand. New this year will be a Sunday evening performance at 7:30 pm, at the Emmetsburg High School with special guests The Cornbelt Chorus. Also performing at both shows will be “Affinity”, Spirit of Harmony’s very own award winning quartet.

Advanced tickets for \$12 are available at Lewis Family Drug in Spirit Lake, from chorus members, or you may call 712-336-4765. Tickets are also available at the door for \$15. Tickets for students 18 years and younger are \$12.

This promises to be an afternoon and evening of a cappella music you won’t want to miss!

Farm Market News by Mike Miller

Holiday Market

Because of the interest shown for local crafts, the farmer’s market will have a holiday market indoors in the convention center. It will be held Saturday, December 5, and it begins at the usual time of 7:30am. I expect more than a dozen vendors. This is a perfect showcase for an extended farmer’s market. There will be craft vendors and bakery vendors selling inside the warm convention building. Many will be picking up holiday meats from turkeys to sausage to slow grown beef. Plus the very last of this year’s harvest, potatoes and squash most likely will be available for purchase. I can think of no better way to end such a successful season than with a holiday market. See you there!

Preparation Begins for Next Season

Many of our produce vendors are busy cleaning up the garden space, but one vendor is gearing up for the Christmas season. Tannenbaum Christmas Trees has a Christmas tree farm outside of Milford, just east of the Catholic Church. Dave Stoefer has been with the market many seasons and his farm is a template for small agri-business. I bring his farm up because this is a second career for Dave. In fact many of the vendors at the market are doing this has a second career. If you have ever had a notion of growing and selling this is the time and the place to give it a whirl. Iowa State University has much information available both in print and on-line. Getting the information you need will not be a problem. Plus this small knit community is very open with sharing information. Now is the time to make plans.

Arnolds Park Library

The library is planning a seed bank for next spring as there are many libraries doing something very similar. The premise is simple – if you have rare or exotic plants that you would like to share with our town, then just drop them off at the library. I will be reporting more as the plan comes into focus. I think this is a great way to get kids involved with gardening. I will report more as the facts get settled. Until next week *Eat Well*.

Western Iowa Songwriters Workshop and Showcase

Three local musicians, Damon Dotson, Chad Elliott, and J. Jeffrey Messerole, will come together to conduct a songwriting workshop and concert on Thursday, October 29, in the Lauridsen Performing Arts Theatre. The workshop will be held from 3:00 to 5:00pm and is open to everyone. Tickets for the workshop are \$10 for general admission and free for PLAC members and students. The concert will begin at 7:30pm and tickets are \$10 per person.

Damon Dotson is based out of Des Moines, IA and originally from Northwest Iowa. He’s released four original albums and has performed countless shows throughout the Midwest. His latest album, ‘Tumblin’, was released in March of 2015 and was #24 on the iTunes rock charts.

Chad Elliott is from Iowa and performs more than 200 shows each year. Besides writing more than 1,000 songs during his career, he also has written and illustrated a children’s book. He’s won multiple awards and released 20 albums, the most recent entitled Wreck and Ruin where the title track was conceived after the Moore, Oklahoma tornado of 2013.

J. Jeffrey Messerole is a self-taught guitarist from Iowa’s Great Lakes region. He’s written nearly 100 songs and recently created an album that resulted in a 6-track EP called Darling of the Western Sky. Messerole performs over 50 shows a year with 2015 being the busiest to date. Two full length albums will be released in September and October of this year.

This event is coordinated by Perry Pearson and sponsored by Perry and Teresa Pearson.

Founded in 1965, the *Pearson Lakes Art Center* has focused on broadening horizons through the arts for 50 years. For more information or to become a member, please contact the Art Center at 712-332-7013, by email info@lakesart.org, or visit the website at www.lakesart.org.

Put on your dancing shoes. The Spirit Lake Senior Center, located under the water tower in Spirit Lake, will be presenting an afternoon of dancing and entertainment. Bedell Family YMCA Fourth Grade Program Benefits Youth

The Bedell Family YMCA is happy to announce its collaboration with the Okoboji, Spirit Lake, and Harris-Lake Park schools for the 9th year to make an impact on the "Physical Inactivity" of Iowa youth. To encourage exercise and physical activity – the YMCA is offering ALL 4TH grade students in the Iowa Lakes Region a complimentary Youth Membership for the school year to the YMCA. The YMCA Fourth Grade Program is made possible by the wonderful contributors that give to the annual YMCA Strong Kids Campaign.

"The YMCA has made very intentional steps to address critical issues facing our youth and teens. The Fourth Grade Program allows us to "Deliver Our Cause" by incorporating a holistic approach in youth serving programs," says Norman Johnson, CEO of the YMCA of the Okobojis. "We can provide the opportunities for our youth to be more active, assist in academic enrichment, and provide a variety of support systems for our kids."

"The addition of the YMCA Character Center shows just how much the YMCA cares about our kids", says Spirit Lake Elementary Principal Terry Butler.

"The Y really has something for all of our kids," says Judy Brueggeman, Elementary Principal of Harris-Lake Park schools. "We are excited to have our kids involved in this program".

The YMCA bus is available for all students from the Okoboji and Spirit Lake Elementary schools on Monday, Tuesday, Thursday, and Friday. Students must simply check in upon arrival to the YMCA in the new Character Center – and then proceed to their activity. The kids can take advantage of the Climbing Tower, Game Room, Sport Court, Resource Area, and Nutrition Zone. Games, arts & crafts, and much more will be on the agenda daily, all supervised by energetic staff.

"This program, combined with the afterschool bus-sing, really helps our kids have opportunities that they may not otherwise have", says Justin Bouse, Okoboji Elementary Principal. "This is a great partnership for our community youth."

Spirit Lake Elementary Principal Terry Butler and Judy Brueggeman, Elementary Principal of Harris-Lake Park visit the Character Center at the YMCA – a great new space for youth.

Mary Is Retiring Milford Landmark To Close

After 35 years in business, locally owned JoWaCo Gas Station, on Okoboji Avenue, Milford, will be closing its doors on October 31, 2015. The enterprise started as a partnership in 1980 between Mary Johnson and Wendy Watt, thus the acronym Jo-Wa Co. Eventually, Mary became the sole owner.

The business provided convenience items as well as gas in the heart of downtown Milford. John Halbur opened John's Tire Service behind the station where he still remains.

Many Pioneer Days parades have traveled past the station and more than a generation of customers has used its services.

Stop in for indoor specials and use up any gift cards you have by October 31.

Birthday Announcement

Daughters of the American Revolution (DAR) wants to honor Anita Rosendahl and they would like to ask you to send her a birthday card for her 105th birthday. Anita, aka "Billie" is a resident of the Hawkeye Care Center at 1912 Zenith Avenue, Spirit Lake, Iowa 51360. She is in room #131. Stop by or send her a colorful card. She will love it. Billie is believed to be the second, if not the oldest, DAR member in the USA. She has been a member of DAR for 64 years. In 2002 she was the Regent of the Ladies of the Lake and hosting in her home in Okoboji. She would enjoy your visit. She attended meetings until 2013. She is still very cheery and great to visit with. She was honored for her quilting at the Chapter several years ago. For more information regarding Ladies of the Lake contact Colleen Lemkuil at stancolleen37@gmail.com or call 515-229-4819. Billie says you are never too old to join DAR.

Planning to go to haunted houses to celebrate Halloween? Check out The Iowa Road Guide to Haunted Locations and The Minnesota Road Guide to Haunted Locations to see actual haunted locations. Visit a haunted bed and breakfast, encounter a haunted doll, or even see gravestones move on their own.

Join us for great stories and much more every Friday morning at 10:00. Betty, our children's librarian, looks forward to sharing stories with you. No pre-registration is necessary. The theme this week is "Pumpkins and Scarecrows."

Lake Park Library News

Thank you to the family of Joanne Wunder for their generous donation to the Lake Park Public Library. We have been able to purchase many new Christian Fiction books, which were Joanne's favorite. Her husband, Kedric, faithfully came in every week to pick up 4-5 books at a time for her to read. Some of the books purchased in her memory are: Miriam's Secret, Holding a Tender Heart, Finding Love at Home, Seeing Your Face Again, A Blessing for Miriam, and Miriam and the Stranger, all by Jerry Eicher. Some of the others include: Song of the Brokenhearted, and Sweet Sanctuary, by Sheila Walsh; Hot on Her Heels, by Susan Malery; Ties That Bind, by Marie Bostwick; Love Everlasting, by Tracie Peterson, and Streams of Mercy, by Lauraine Snelling, plus many more. Okoboji FFA Teaches Safety

by FFA Reporter, Carson Miller

On October 9, the din of H Avenue construction was droned out by the sound of tractor engines, various farm animals, and the excitement of 78 Okoboji 2nd graders. Not your usual setting for a safety camp.

The students spent the day learning about various safety issues and prevention strategies. Milford Utilities and Milford Fire Department along with FFA high school students acted as teachers to guide the students through eight safety stations: lawn mower safety, ATV safety, animal safety, grain safety, boat safety, electricity safety, excavation unit, and PTO demonstration. The day was filled with hands on activities to make the subjects come alive to the students.

Upon completion, every child received an Okoboji FFA t-shirt, backpack, and/or mug.

This day would not have been possible without the generous participation of Milford Utilities and the Milford Fire Department. With the support of the community and students the Okoboji FFA was able to educate students on the importance of safety in their everyday lives.

The Ladies of the Lake visited the Farmers Savings Bank in Milford to thank them for printing their award winning brochure. "Dickinson County DAR (Daughters of the American Revolution) Markers Including the Spirit Lake Massacre." This is a very popular brochure and they just delivered a large supply to the Maritime Museum at Arnolds Park for the winter supply. Pictured are Dar member, Ann Heerd of Milford; Colleen Lemkuil, Regent of the Ladies of the Lake Daughters of the American Revolution, Spirit Lake, Iowa; Brad Simington from the Milford and Fostoria Farmers Savings Bank; and Karleen Noteboom, of Milford, who is working on her application for DAR.

The Farmers Savings Bank and the Simington family believe in DAR and have relatives who have been in DAR. They believe in community service and have been a partner with the Ladies of the Lake for many years to bring this information to the public. It is a great time of year to pick up the brochure and take the one hour drive to see all the markers, look at the beautiful tree foliage and have a picnic lunch or stop at one of the great Iowa Lakes restaurants and then travel on to more markers. If you need more information after seeing the markers, contact Colleen Lemkuil at stancolleen37@gmail.com or call Colleen at 515-229-4619. If you would like to join the local Ladies of the Lake Chapter, contact DAR Registrar, Bobbie Lea Holden at bobbieleaholden@gmail.com or call her at 712-330-5925.

JoAnn Heerd can trace her family tree back to the Revolutionary War patriot, Robert Cummings of Pennsylvania. Check out your family tree today. The Ladies of the Lake would like to thank the Farmers Savings Bank for being one of their partners in the community.

Tales of Tails

The "tail" focused upon this week is that of KC, another lovable yellow labrador, this time mixed with pointer blood. KC came to the Humane Society as a "surrender" dog. In other words, his owners gave him up to the shelter feeling he was too "excitable."

Perhaps as is true of many labs, KC just kept his puppy traits a little too long. Now his caregivers and the volunteers who come to the shelter to walk the dogs describe KC as "mellow," "laid-back," and "easy-going," not excitable.

KC is known to get along well with the other dogs, and he also enjoys the children who come with their parents to walk the dogs at the shelter. He is even said to get along well with cats.

A fenced-in yard would be best for KC because he is naturally curious and loves to explore. He is house-trained and doesn't bark excessively. He drinks a lot of water and needs a special diet, but at six years old KC is a lovable lab exhibiting the traits of friendliness, loyalty, and playfulness that make his breed a favorite. KC deserves a forever home where he can prove himself a "mellow, laid-back, and easy-going" pet.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Hike The Wild, Art And Nature

Burnt amber, succulent plum, deep mahogany --- the vibrant tones of fall leaves jump off the trees.

Join the Dickinson County Conservation Board in enjoying the colorful view at Fort Defiance State Park during the next Hike the Wild. Meet at the Dickinson County Nature Center in Okoboji 9:30am Tuesday, October 27, and carpool to the Iowa Department of Natural Resources' park in Estherville.

"The main reason for heading over to Fort Defiance in the fall is to take in the spectacular fall colors in the mixed deciduous forest there," said environmental education coordinator Karens Knudson. "This state park is beautiful year-round, but it really shines in the autumn."

Fort Defiance State Park is the perfect place to explore autumnal colors, as its 191 acres of woodland is full of a variety of trees, from hawthorn to plum to locust to oaks.

"It's a hidden area that is close to the Iowa Great Lakes that has great trees, a good variety of trees and hiking trails," said naturalist Charles Vigdal. "This time of year it is very pretty, and we hopefully will see some wildlife while we're there too."

All ages are invited to tromp through the woods, breathe in the scent of fall and watch for birds, deer, turkeys and other wildlife.

The next day, get close to nature in a different way. October's Art and Nature series workshop will be Completely Concrete, 6 p.m. Wednesday, October 28. Those who pre-register will get to create one-of-a-kind miniature concrete planters, made from recycled containers, to use to grow succulent plants.

"Succulents are fun plants to grow any time of year," Knudson said. "When the temperature drops in the fall, simply bring them inside to enjoy green all winter long. They come in a huge variety of shapes and colors and are relatively easy to care for. Two main things to remember --- allow them about six hours of bright sunlight each day and do not overwater them. They do not like soggy roots, so if you allow the soil to dry out between each watering they will remain happy."

Registration for this class is \$5, to cover the cost of materials and a succulent. Participants may take home their planters the evening of the class, or they may leave it at the nature center to dry and may pick it up the following day.

A minimum of five students ages 9 and older are needed for the Completely Concrete class to be held, so make sure to call 712-336-6352 to register by 4:00pm October 27.

For more information on any Hike the Wild or Art and Nature programs, please call 712-336-6352 or visit www.dickinsoncountynaturecenter.com. The Dickinson County Nature Center is located at 2279 170th Street, Okoboji, and is open 10:00am - 4:00pm, Monday-Friday.

Ryan Schmidt Joins AutoSmart Okoboji Indian Motorcycle Staff

Long time Lakes Area resident Ryan Schmidt, left, has joined the staff of AutoSmart of Spirit Lake as Sales Manager. Ryan will also be part of the new Okoboji Indian Motorcycle dealership slated to open in April, 2016 in Spirit Lake.

"We are incredibly excited to have Ryan join our staff! Ryan's seventeen years of sales experience, his high level of enthusiasm and his connections to the community were key to deciding to bring him into our organization", said Brent Burns, Managing Partner for the new Indian Motorcycle dealership.

Ryan resides in Okoboji with his wife Dawne and three sons. Ryan is a life-long Iowa Hawkeye and Green Bay Packer fan, is a past President of the Spirit Lake Noon Kiwanis and a member of Grace Lutheran Church in Spirit Lake.

Easy Catch For Sleeping Fisherman

Harley Wittkopf, of Okoboji, caught a small 13 inch Walleye the night of October 13, 2015. He put it on a red stringer and tied it to the dock at their home in Okoboji - then went to bed. The next morning, there was a giant Northern in its place. Walleyes do not morph into Northerns like caterpillars change into butterflies, so Harley was suspicious. When he went to retrieve the fish, he held the net under it - good thing because the stringer broke when he lifted it, but it broke from inside the Northern. Harley took the fish in to be cleaned and the mystery was solved. Inside that giant Northern's stomach was the 13 inch Walleye, still with the stringer in its mouth. The Northern had swallowed it whole and couldn't get off the stringer.

Broadcaster Dave Skelton Announces Retirement

Long-time KICD Farm Director and broadcaster Dan Skelton made the announcement that he will be retiring at the end of this year.

Dan's career with KICD radio started in 1997 as a farm broadcaster and editor. In 2000, Dan moved into the role of Farm Director for KICD AM 1240 and CD 107.7. For nearly nineteen years, area listeners have relied on Dan's voice for the latest market information and ag-related news locally and nationally.

Dave Putnam, President and General Manager of the Spencer Radio Groups, said "Dan's knowledge of agriculture and his relationships with other professionals in the ag industry has been a tremendous asset to KICD and our listeners. He is a true professional and a class act!"

Mr. Skelton has been involved in numerous organizations and committees over the years. He is a member of the Clay County Farm Bureau and Clay County Growers, active with the Clay County Ag Committee, which helps plan the Northwest Iowa Ag Outlook Show in Spencer. Serves on the Executive Committee of the Clay County Fair Association, serves on the Administrative Council of the First United Church in Sioux Rapids and is a member of National Association of Farm Broadcasters.

Dan said his fondest memory working at KICD was in 2001 during a On Air Fundraiser for the Clay County Regional Events Center. "Troy Leininger and I were both driving tractors on opposite routes soliciting funds to build the Events Center. Troy beat me back to Spencer, but only because I stopped at my mother's house in Sioux Rapids to pick up a tray of cookies!"

Dan and his wife Karen, have operated their family farm in southern Clay County for the past 35 years. They have four grown children and nine grandchildren.

Dan is a graduate of Iowa State University with a Bachelor's Degree in Agricultural Communications.

Donate Grain. Save Money. Impact Healthcare.

The Spencer Regional Healthcare Foundation is encouraging their farming contributors to consider gifts of grain this harvest season. These gifts can be in the form of grain just harvested or grain taken from storage and delivered to the elevator.

"An excellent way for farmers to commit to the financial future of Spencer Hospital is through the giving of grain," said Gary Grave of Cotton Grave Farm Management. "This method provides abundant resources for local healthcare and beneficial tax savings for the farmer."

By contributing crops to the foundation, a donor can avoid including the sale of the grain in their farm income. And although a charitable income tax deduction is generally not available, the avoidance of declaring it as income is a significant benefit. Donors can deduct the cost of growing the crops which typically results in saving self-employment tax, federal income tax and state income tax. A donor can benefit even if they don't itemize deductions and take the standard deduction.

For more information on giving a gift of grain or to learn of other opportunities to support the foundation, please contact Mindy Gress, Foundation Director at 712-264-6226.

Annual Adopt A Family Program

Upper Des Moines Opportunity, Inc. (UDMO) is taking applications and donations for the annual Adopt A Family program in Dickinson County.

For this program to be successful, it needs the continued support of the community. Upper Des Moines would be most appreciative if you could fit Adopt A Family program into your holiday plans this season. They would encourage you to adopt a family, but if that is not practical for you, the program also accepts monetary donations of any amount that would be used to purchase gifts for those that do not get adopted.

UDMO recognizes that the economy is placing significant stress on many families, the elderly and the disabled, so they would like to be able to meet some of their needs through this program. They also realize that this is an uncertain economic time for those who give, and that makes them especially appreciative of the community's generous spirit.

If you are someone that may benefit from the Adopt A Family program, consider coming to the UDMO office at 1575 18th Street in Spirit Lake, to obtain an application.

Both those wishing to be adopted and those wishing to adopt a family or contribute a monetary donation, can receive further information by calling the UDMO office at 712-336-1112.

Seasons Center Staff Attend First Annual Recovery Rally

Seasons Center for Behavioral Health participated in the first-ever recovery rally held on the National Mall in Washington D.C. on October 4, 2015. The agency was represented by Addictions Specialist, Brenna Koedam, LMHC, IADC, and Project Coordinator, Sarah Heinrichs.

Organized by the group, UNITE to Face Addiction, this was a history-making day in the effort to face addiction. Tens of thousands of people showed up and 700 partners joined together for the rally. There were incredible performances from Joe Walsh, Steven Tyler, Sheryl Crow and many others, and the Surgeon General announced the country's first ever report on addiction. The purpose of this event was to ignite and build a movement to address one of the most pressing health issues of our time – addiction.

"No one should ever have to overcome addiction alone. Addiction is preventable and treatable," says Brenna Koedam, Addictions Specialist. "We appreciate the funding made available by the Access to Recovery project with the Iowa Department of Public Health, to attend this first-ever event and a nationwide movement for recovery."

Seasons is a non-profit organization and has been providing a broad range of psychiatric and behavioral health services to people and communities in Northwest Iowa since 1959. Seasons strives to provide exceptional care to children, families, and adults through skilled, dedicated, and passionate employees who use evidence-based treatment practices and innovative treatment techniques.

For more information on Seasons' services, please visit our website at: www.seasonscenter.org and Facebook page www.facebook.com/SeasonsCenterForBehavioralHealth.

The YMCA Has Something For Every Member Of The Family

Family is important; and at the Bedell Family Y, there's something for everyone in the family to enjoy.

Meet the Steckers. Husband Anthony and wife Mieka have been Bedell Family YMCA members for nearly a decade. Children Annika, Adrie, twins Dylan and Ethan, Bennett and youngest brother Evan all make use of the Bedell facility just down the road from their home.

"The Y helps keep us active as a family," says Mieka. "The Y is accessible to our kids and kids of all ages," says Anthony. "It's a place that provides physical elements to an otherwise sedentary day."

A tight-knit family, the Steckers chose to home school their children. The Y gives them a reprieve from the day's studies. Whether it's shooting baskets, swimming or just hanging out with mom and dad, the Steckers make use of the Y almost daily.

"I love the opportunity to do soccer, learn the game and compete against other kids," say nine-year-old twins Dylan and Ethan. "It's just a super-fun place to go play and be active."

Anthony views the Y as a gateway towards high school athletics, should the children choose to do so. "The Y is an entry point toward competing in high school sports," says Anthony. "It's a good place to learn healthy choices and be active early in life."

'A place to be active' seems to be a recurring theme to the Stecker family. "It's a great place for me to be active even though I don't do sports," says 12-year-old Adrie.

Another big draw for the Stecker children is the climbing tower in the new space for youth and teens, the YMCA Character Center. "We love the rock wall and would do it for hours each day if we could," is a sentiment shared by all the boys.

Although they Y is a great place for their kids, parents Anthony and Mieka find it beneficial, too. "We did Scott Hunter's Triathlon Training class which was awesome," says Mieka. "We probably use the facility 8-10 times per week, and since we live less than a quarter mile away, we can walk there when it's nice."

As much as the YMCA has given them, the Steckers choose to give back to the Y, by donating their valuable time. "Being members has given us the opportunity to coach youth sports," says Anthony. "We've coached soccer and basketball – it's just fun, and another way to be a part of the kids' activities."

SACRED HEART

CATHOLIC SCHOOL & PARISH

Sacred Heart Catholic School continues to strive to offer the same programs and activities that are offered to other middle school students. Mrs. Tenec Jessen, 6th Grade teacher at Sacred Heart School, has been working to develop a Sixth Grade Student Council. Mrs. Jessen said, "It has been a goal from day one to support the students in developing their stewardship. The pride in how they service their school, and beyond school into their community." She goes on to mention, "that with the help of Kayann, the school cook, they developed the idea of a healthy luncheon." The Healthy Luncheon was held on Thursday, October 15th. The student council was in charge of the whole project. The students created invites and decor using Google Drawing on their school laptops. They also planned and organized every detail of the lunch including decorations, music, and center pieces made from the school garden. The sixth graders invited local leaders including: Spencer City Council and Mayor, Sacred Heart School Board, Father Schreiber, Mr. Olberding, and other school leaders. The application process to be involved with the Student Council began in May 2015, when Mrs. Jessen asked the fifth graders if they were interested. Those interested were required to submit an application. Ten students make-up the Sacred Heart Student Council and interest is growing. Currently, the sixth graders are in the process of determining other projects they will become involved with. These currently include: developing auction items for the 23rd Annual Sacred Heart Fall Gala on November 14th, identifying a community volunteer project, and also a desire and development of a plan to educate Sacred Heart students on bullying.
