### Essay Contest Winner

On August 20, the Spirit Lake Noon Kiwanis were pleased to have a program from the winner of their spring essay contest, Shelby Hoff (pictured with Spirit Lake Noon President, Ernie Cupp). The Noon Kiwanis sponsored an essay contest open to all members of Spirit Lake Middle School Builders Club 5th and 6th graders. The essay required the students to express what they feel they have learned from being involved in Builders Club with the award being a \$400 scholarship to attend Camp OK, a leadership camp for 5th and 6th graders, in Boone, Iowa. Hoff won the essay contest through expressing how she has learned leadership, being given the opportunity to give back to her community and school, and just becoming an all around better person. Job well done Shelby.

### View From The Bench

by John Adams, Jr.

**Big Game Prediction**

It's that time of the year again, when houses divide, employees talk trash all week, and bragging rights are up for grabs when Iowa travels to Ames to take on Iowa State on Saturday afternoon. This year's game is a bit tougher to predict as I have to write this article on Friday due to our early deadline because of Labor Day and neither team has played a game when we go to press. Last year I once again got my prediction wrong as I picked Iowa to roll over the Cyclones 31-17 but ISU pulled out a last second 20-17 victory. The road team has won the last two games in this rivalry, and as is normally the case, this year's game appears to be up for grabs again.

As I wrote last week, Iowa has a lot of question marks on offense, with a new starting quarterback and a lot of new players on the offensive line. Their defensive line and linebackers are also young and unproven. ISU also has big question marks at running back and on the defensive line with a lot of newcomers stepping into key roles. I believe ISU has the edge at quarterback with senior Sam Richardson and also at wide receiver with Allen Lazard, Quenton Bundrage and D'Vario Montgomery. Iowa definitely has the edge at running back with LeShun Daniels and Jordan Canzeri. I believe both defenses will be solid, but not great and expect this to be a high scoring and very entertaining game. I'm going to pick with my heart and believe that the home field advantage and offensive weapons of the Cyclones will be too much for Iowa to overcome. Look for ISU to win their fourth game in five years against the Hawks in a thriller similar to the 2011 3OT 44-41 Cyclone win, this year it's the Cyclones winning in regulation 34-31. As I said last week, don't take any of my predictions to Vegas, as my winning percentage is about as high as Joe Mauer's batting average!

Sunday, September 13th will be the last celebration of Holy Eucharist at St Alban's Episcopal Church for Deacon Don Twentymann and his wife Mary. Don and Mary are moving permanently to Mesa, AZ this month. Following the 10:00 service, there will be a special coffee hour to wish them Godspeed. Don and Mary moved to Spirit Lake in 1998. Don became a deacon in 1982, graduating from the Diocese of Minnesota's diaconal formation program, and served in five different congregations in Minnesota. Since coming to Minnesota, he has served three priests at St Alban's - Father Larry Gatrel, the Rev. Martha Rogers, and the current priest, Father Carl Mann. Prior to coming to Iowa, Don worked at Mayo Clinic in Rochester for 31 years. Mary has also been active in St Alban's since she came here. She was the leader of the Sunday School from 2007 until 2011. Mary also started My Own Books. She collects gently used or new children's books and distributes them to children whose homes lack literacy resources. To date she has distributed over 29,000 books; the project will continue in Arizona. All are invited to this event. For more information, contact the church at 712-336-1117, email: stalbanchurch@questoffice.net, or check the church's website at www.stalbanepiscopalchurch.org or Facebook page at www.facebook.com/stalbanspiritlake.

In past years, there were many lakes area businesses that sold bait, fishing equipment, gas, refreshments, etc. The museum displays many advertisements and pictures from these past businesses. The Clark Museum is one of Iowa's most enjoyable and informative museums. The museum is located 1 mile west and 1/2 mile north of the Catholic church in Milford. ## Farm Market News

by Mike Miller  
Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue Spirit Lake, IA 51360

**Labor Day Holiday**  
As we wind down to a few weeks of market left, let me say what a tasty summer it has been. I want to thank all the people who make our little market so special. It is their labors that draw all of us foodies to the fairgrounds. Several hundred people each and every week get fed by your efforts. Take a bow because you deserve it! Bravo!

**A good year for Fungus.**  
The weather has been ideal for wild mushrooms. I bring this fact up because we, here in Dickinson County, are blessed with some wonderful state parks. Gull Point is loaded with puffballs, I mean thousands are there for us to enjoy. Take an afternoon in a state park and go hunting for those delicious edibles. There are many varieties of fungus growing and I know I do not have to say this; but identify first before you cook. Plus, even if you do not like mushrooms, spending afternoon walking in some of the most peaceful places in Iowa is always a good idea. I will just say this; that mushroom soup made with puffballs does not get any better and it can be frozen for winter enjoyment. My secret addition to the soup is a chicken bouillon cube for steeping the cubes of puffball as it adds another layer of flavor.

**Autumn Sunshine**  
Now that the sun moves more quickly to the east making our days shorter the colors cannot be matched by man. Nature's vistas in autumn are sweetest because I realize that winter is not so far off and preparations need to be made. Time to get those relishes made and jams stockpiled. It is also time for one of my favorite treats baked sweet potatoes which have just started to come to the market. It is the fall produce I store that makes me enjoy the summer abundance so much. Squash, potatoes, onions, garlic, and shallots can be stored. This season I am going to try my hand storing green tomatoes and I am going to use the brown paper bag method. I will report next season how it went. Have a safe holiday and until next time *Eat Well!*

## 2015 Young Professionals of Iowa Conference to be Held in Carroll

The community of Carroll has been selected to host the YP Iowa Annual Conference September 24th and 25th. Young Professionals from across the state will join together for personal and professional development, as well as networking opportunities. Employers are encouraged to send their young business leaders between the ages of 21-45.

Networking will start Thursday night with a social event at Santa Maria Winery, followed by a tour throughout Carroll County courtesy of Windstar Motor Coach.

The conference will officially kick off Friday morning at 8:00 am at the Carrollton Centre. The eight hour day is packed full of speakers, including keynote Joe Gerstandt, Scott Sieper (Iowa Nice Guy), and several breakout sessions. Conference goers will also have the opportunity to participate in interactive round table discussions led by local business leaders and network with other conference attendees throughout the day. Topics will include: authenticity in the workplace, entrepreneurship, pursuing your passion, building your brand and work/life balance.

CYP, an affiliate organization of the Carroll Chamber of Commerce, is orchestrating the conference. Adam Schweers, a conference steering committee member commented: "Attracting and retaining young professionals ages 21-45 is critical to the future of every community in Iowa. Through the support of cities, chambers and private industry, we hope the YP Iowa Conference in Carroll on September 24th and 25th, as well as events like the YP Day at the Capital in March, will continue to engage and energize our future leaders. The YP Iowa Conference has a wonderful slate of speakers inspiring attendees on personal and professional development. I hope to see a great turn out in Carroll as we demonstrate the many career and quality of life opportunities Western Iowa has to offer."

Registration has begun, and slots are filling up quickly. Register now to ensure your spot at the conference! Find out more about the speakers and register at: <http://ypiaconference2015.weebly.com/>. For more information, contact Sue Schrad or Adam Schweers.

The Barbary Coast Dixieland Show Band will be performing at the Clay County Fair, Tuesday through Thursday, next week, after a Monday night show at the Little Swan Lake Winery.

# Clay County Fair: Musical Overload!

Clay County Fair manager Jeremy Parsons explained to two dozen media reps in late August that it is the goal of the Fair "to give people way too much to do," for the nine-day run that begins Saturday.

That goal is probably accomplished with just the big-name grandstand performances each night — the shows that cost big bucks. But in addition to nine nights of grandstand fun, there's also \$140,000 worth of free (mostly musical) entertainment on the grounds beginning every half-hour, each day, from 9 a.m. to 6:30 p.m.

Performing the first two days of the Fair, *Kordal Kombat* is a young barbershop quartet that delivers a fun, high-energy performance that comes with a variety of great music and lots of laughs for all ages.

Accomplished pianist and organist Glenn Henriksen will be playing a variety of genres throughout the Fair, including a patriotic salute, Monday; variety music, Tuesday; and gospel, Thursday. *Galaxy*, the regional 50s and 60s band that Glenn is also involved with, will be performing Wednesday. (Glenn will not have any performances at his place in Spirit Lake during Fair Week.)

Spencer-based jazz musicians *Victor & Penny* and their *Loose Change Orchestra*, with its hot, prohibition-era music with a modern voice will perform the two final days of the Fair.

If not Glenn's acts, our favorite of the musical groups could easily be *The Barbary Coast Dixieland Show Band*, which will perform throughout the day Tuesday, Wednesday and Thursday — after playing Monday night, in the barn at the Little Swan Lake Winery. After many years of hiatus from performing on campus, the band has made numerous appearances here since its return to the Fair in 2001.

And while opera singer Simon Estes is perhaps better known abroad than in Iowa or even most of the United States, the Centerville, Iowa native will be performing in the ballroom of the Regional Events Center, at 2:00, Monday afternoon, with the Spencer High School Chorus.

We've only begun to scratch the surface here. While there are many more musical acts, there are many free shows that aren't musical acts.

*The Zuzu Acrobats* will be performing every day. From Mombasa, Kenya, in East Africa, the *Acrobats* captivate their audiences with their effortless joy in which they carry out in their show.

Magician Steve Trash, Hillbilly Bob and Old Ruthie, and Polecat Annie, will be strolling throughout the fairgrounds, providing entertainment literally around every corner.

*The Banana Derby* will be racing throughout the nine day run just north of the historic Gate A entrance. *The Derby* involves Capuchin monkey jockeys mounted on retired German shepherd rescue dogs. The act was recently a part of the Ringling Bros. and Barnum & Bailey Circus.

*The Awesome Ag Magic Show* and *The World of Robots* will also be part of the fun — albeit with an educational bent. The family-friendly magic show teaches the importance of agriculture and how it affects daily life in a fun way. *Robots* is another fun show that teaches science, math, language, art, and more, while producing modern robots that captivate the minds of young and old alike.

Professor B.T. Farquar will entertain fairgoers of all ages with magic, comedy and music from a bygone era.

For more details on all the performances, times and venues, look for the *Attractions* tab near the top of the Clay County Fair Internet homepage, <http://claycountyfair.com/>

Before the Fair begins Glenn Henriksen will be performing at his place tonight (Tuesday) and tomorrow (Wednesday) night, at 7:00...

If Bill Carpenter returns from Denali and recovers from the IRRMA Induction Ceremonies in time, *The Itty Bitty Boji Band* will be performing at Table 316 in Arnolds Park, tomorrow (Wednesday) night, from 7 - 9:00...

Thursday night will see Scott Larsen and Kiefer Brandt on stage, in the barn, at the Little Swan Lake Winery, from 6 - 8:00. *The South 71 Trio* will perform Sunday, from 4 - 6; and *The Barbary Coast Dixieland Show Band* will shake the walls of the century-old barn from 7 - 9:00, Monday night before heading out to the Clay County Fair. But we already told you that...

You are invited to join the Old Professor for Ballads, Blues and Big Bands, too, at Class 105, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji. Class 105... airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM. All the news that fits, we print. ### IFAA Scholarship Winner Named

Alex Pringnitz of Spirit Lake, was awarded the \$1,000 4-H/IFAA Foundation Scholarship by the Iowa Foundation of Agriculture Advancement (IFAA) during the Iowa State Fair Sale of Champions on Saturday, August 22, 2015. Alex's parents are Doug and Nancy Pringnitz.

"IFAA established the Winner's Circle Scholarship Program in 1990 to provide incentives for college-bound youth seeking post-secondary education an area of agriculture," said Harold Hodson of Ankeny, who chairs the IFAA Scholarship Committee. Over \$195,000 were awarded in scholarships to 126 youth this year by IFAA.

IFAA is a non-profit organization founded in 1988. It is comprised of agricultural enthusiasts dedicated to encouraging 4-H and FFA livestock, poultry and agriculture project members to pursue Ag-related careers. IFAA founders recognized that Iowa's young people are the future of agriculture in Iowa and that an important way to support and retain Iowa's future Ag-leaders is to provide financial support to those young people interested in Ag-careers.

IFAA's primary programs are the Sale of Champions, which is done in conjunction with the annual Iowa State Fair, and the Winner's Circle Scholarship and Awards program. Over \$7,338,225 has been generated since 1988 for 1,868 Winner's Circle Scholarships, 1,289 Performance and Carcass Awards, and 378 Sale of Champions livestock exhibitors.

For more information about IFAA and its role in supporting the Iowa State Fair Sale of Champions and the Winner's Circle Scholarship Program, contact Harold Hodson at 515-290-8875.

### Voluntary Action Center Partners With American Red Cross To Host Blood Drive

Voluntary Action Center will host a community blood drive with the American Red Cross on September 22, from 9:00am to 2:00pm at the Spirit Lake campus of Iowa Lakes Community College.

For more information or to make an appointment to donate, call 712-336-4444 or sign up online at [redcrossblood.org](http://redcrossblood.org) with sponsor code IALAKESIA.

"Voluntary Action Center is committed to strengthening our community and helping meet hospital and patient needs through blood donations," said Amy Peterson, Executive Director. "This blood drive is our way of giving our friends and neighbors an opportunity to help save lives."

Blood is a perishable product that can only come from volunteer blood donors. With someone in the U.S. needing blood every two seconds, blood products must be constantly replenished, according to the Red Cross.

"We urge community members to donate blood and help ensure that patients in local hospitals have a supply of blood ready and waiting before an emergency occurs. There's no better feeling than knowing that your blood donation may give someone a second chance at life."

According to the Red Cross, donors with all blood types are needed, especially those with types O negative, A negative and B negative.

About Voluntary Action Center: VAC was started in 1973 by Elinor Bedell, who saw a need to uplift and coordinate the great volunteer activities happening in the Lakes area. In the ensuing 42 years, the organization has taken the lead to meet community needs by placing people in positions to make an impact and solve social problems in the community. Volunteers are our lifeblood and we depend on the investment of hours and dollars to continue and build upon this vital work.

## LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in *The Lakes News Shopper*.

**Clarification of the Okoboji School Board Special Meeting**

I have brought this to the attention of the Okoboji School Administration, but they have decided not to be fully honest about the Special School Board Meeting vote held on August 21, 2015. At this Special School Board Meeting, the Okoboji School Board passed a simple voice vote that any additional funds created by the passing of the PPEL on September 8, 2015 will be limited only for the construction of the new Middle School. Sounds great, but legally it means very little. What you read on the ballot Tuesday September 8, 2015 is the only thing that limits the use of the new PPEL funds. If this PPEL increase is passed the current or any future Okoboji School Boards can pass a motion to remove the restrictions and full use of the funds as allowed by Iowa Law.

The vote by the Okoboji School Board to restrict the funds was announced by e-mail, in the papers and on the radio. This little fact on how easily this restriction of funds can be removed was somehow overlooked. I think transparency is the best policy to ensure voters know and understand what they are voting upon. Please vote on Tuesday!

**Lakefield Library 2015 Fall Afternoon Coffee Break Programs On Wednesdays At 1:00pm**

We are excited to offer the upcoming programs for the fall! Like always, we welcome anyone and everyone to join us for these informational and educational free programs. There will be no fall Jackson Library programs due to the renovation project. We are hoping the Brown Bag program followers will consider a drive to the Lakefield Library.

\*September 23 - Mary (VonOhlen) Krull - *Growing in Kimball*: Mary grew up in Kimball Township in Jackson County in the 1940's and 1950's and graduated from Jackson High School in 1960. She is the third generation of the Henry Von Ohlen family. Her path took her out of Jackson County, but her memories of growing up on the farm remained strong. She considered putting them in writing for her children and grandchildren for a Christmas present last year, but the writing kept growing and turned into the book, "Growing in Kimball".

\*September 30 - Kent & Ardis Mickelson - *Discover Spain*: Experience the best of Spain with Kent and Ardis Mickelson as your guides. Their two week trip in June was highlighted by major cities with art museums, famous architecture, and unique elements from each city and area of Spain from Madrid to Seville to Malaga to Barcelona. Join us to hear about the people, the sites, the food and the culture!

\*October 7 - Anthony Almodovar - Computer Security for the Home: Attacks on home computers are on the rise and securing your personal computers and data has never been more crucial. Scammers, hackers, and identity thieves are looking to steal your identity, personal information - and your money. If you don't take basic steps to protect your personal computer, you put at risk all the information on it. This program will help you to better protect your computer and the information you can't afford to lose.

\*October 14 - Luke Ewald, Angela Naumann, Kelsey Andrews - "Start Noticing" *Tobacco Effects*: Interested in learning about youth tobacco trends and what some of the most commonly used tobacco products are in SW Minnesota? Are you curious to learn what Start Noticing is currently working on and planning to work on in the future in the tobacco prevention world? Are you wondering what services are out there to help you or loved one quit tobacco use? Stop by the Lakefield Library to learn about Start Noticing and what Public Health is doing throughout Jackson and Cottonwood Counties.

\*October 21 - Lorna Landvik - MN Author Visit and Book Signing: Meet Lorna Landvik, beloved Minnesota author of ten novels. Landvik is known for writing characters that feel like neighbors and dialogue that sounds like it was overheard around a kitchen table. Copies of her books are available to request to borrow from the library. In addition to being a novelist, Lorna is also a public speaker, actor, playwright and comedian--get ready for a rousing good time!

\*October 28 - Dave Swanson - *Diving Okoboji Waters*: Dave will show a video of different species of native fish in West Lake Okoboji in their natural environment. He will inform us on how we humans have changed the environment in the last 10-15 years that he has experienced while scuba diving. He hopes to encourage us to help change or slow the process so our future generations can enjoy our natural lakes.

For programs on 9/23 & 10/21: This project was funded in part or in whole with money from the vote of the people of Minnesota on November 4, 2008 which dedicated funding to preserve Minnesota's arts and cultural heritage.

### The Daily Life Of The "Hidden Homeless" Examined At Lifetree Café

The daily struggles and experiences of the transitionally homeless population will be explored at Lifetree Café on Sunday, September 13, at 6:30pm.

The program, titled "A Day in the Life of the Hidden Homeless," features a filmed interview with Latoshia Jackson, a mother of eight who has been homeless for the past year. Jackson became homeless after her Memphis, TN, home was destroyed by a tornado.

"Being homeless is chaotic and stressful, but right now it is just what we have to do," says Jackson. "It feels like we are facing an existence of day-to-day survival."

Admission to the 60-minute event is free. Lifetree Café is located at the Good News building, 1010 Julia Street, Okoboji, IA 51355.

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712.332.5698 or [lifetreeokoboji@yahoo.com](mailto:lifetreeokoboji@yahoo.com).

### Seasons Center Provides Motivational Interviewing Training for Agency Staff

Seasons Center for Behavioral Health, an Avera Partner, will provide a Motivational Interviewing training at the Avera Medical Clinic in Spencer this week for agency staff.

Motivational Interviewing (MI) is an evidence-based approach that addresses ambivalence to change. MI is a conversational approach designed to help people express their desire for change and plan for and begin the process of change. Seasons Center staff will be trained on MI from theory to applications with up-to-date research, accessible teaching, video examples, and experiential exercises that emphasize evidence-based practices.

Clinical Director of Prelude Behavioral Services, Fonda Frazier, M.A., IAADC, M.I.N.T., will conduct the two and a half day training. Frazier has 30 years of experience working with substance use and mental health disorders. The training will define and address the fundamental concepts of Motivational Interviewing, with a special focus on those clients from diverse cultural backgrounds and/or those presenting in crisis.

"We are excited to offer our employees this comprehensive, evidence-based approach to caring for clients. Motivational interviewing techniques are very helpful for supporting clients in the change process," says Natalie Sandbulte, Director of Clinical Services. "Staff members from a variety of disciplines, including substance abuse, community based services, integrated health homes, and support staff will be participating in the training."

### Time-out Nursery Open House

Time-out Nursery is ready to begin another year of providing free childcare and a much needed break for busy parents and caregivers. You're invited to come to their Open House on Thursday, September 10 from 5:30-7:00pm at Good News Community Church at 1010 Julia in Okoboji. Parents are encouraged to take this opportunity to see what Time-Out Nursery is all about and acquaint themselves and their children with the staff and atmosphere.

For 30 years, the Child and Parent Council (CHAPCO) has been providing this service to families in Dickinson County. It provides a stress free opportunity for parents and other caregivers to shop, attend appointments, exercise, study, volunteer in the community, clean house, participate in parenting classes or simply to rest while taking a break from parenting.

Families with children between the ages of 2 weeks and 6 years may sign up to drop-off their children for up to three hours of childcare on Tuesday and Friday mornings. Children are in a safe, caring environment with planned activities such as story-time, free play, snack-time, art activities, songs and games. Time-Out Nursery is a licensed daycare with a staff that brings many years of early childhood education experience. Screened volunteers also assist in caring for the children.

Time-Out Nursery is funded in part by the Dickinson County Endowment Fund, the Good Neighbor Fund, South Dickinson Community Fund, Prevent Child Abuse Iowa and several area service organizations. Through their generous support Time-Out Nursery is able to provide a safe environment, a well-trained nurturing staff and a quality program at NO CHARGE.

For more information about Time-Out Nursery, to register your children or to become a volunteer please call T.J. Simington at 712-330-0611.

Time-Out Nursery is offered at Good News Community Church in Okoboji on Tuesday and Friday mornings from September through May. Don't miss the Open House on Thursday, September 10 from 5:30-7:00 p.m.

# the 3/50 project

SAVING THE BRICK AND MORTARS OUR NATION IS BUILT ON

3 Think about which three independently owned businesses you'd miss most if they were gone. Stop in and say hello. Pick up a little something that will make someone smile. Your contribution is what keeps those businesses around.

50 If just half the employed U.S. population spent \$50 each month in independently owned businesses, their purchases would generate more than \$42.6 billion in revenue.\* Imagine the positive impact if 3/4 of the employed population did that.

68 For every \$100 spent in independently owned stores, \$68 returns to the community through taxes, payroll, and other expenditures. If you spend that in a national chain, only \$43 stays here. Spend it online and *nothing comes home.*

1 The number of people it takes to start the trend...you.

Pick 3. Spend 50. Save your local economy.

WE REMEMBER 9/11

Ladies of the Lake Chapter  
DAUGHTERS OF THE AMERICAN REVOLUTION

### DAR Invites Community Involvement

Community participation is invited in a number of patriotic projects to be announced at the Tuesday, September 8, meeting of the Ladies of the Lake Chapter of the Daughters of the American Revolution (DAR). Guests and potential members are invited to join the group for lunch at the Asian Palace restaurant, 817 Lake Street, Spirit Lake at 11:30am and to attend the program at the Spirit Lake Library, 702 16th Street, Spirit Lake, at 1:00pm.

Artist Mari Stewart, until recently the owner of Side Street Gallery and Frame Shoppe, Arnolds Park, will be presented with the National DAR "American Heritage Women in the Arts Award."

Collette Travis, Spirit Lake, will talk about her family tree and how she did the research. An outstanding genealogist, Brenda Hare, will be here on October 2 and 3 to help potential DAR members trace their ancestry.

Regent Colleen Lemkuil will remind participants about the observance of "9/11." On Friday, September 11, there will be both a local and a nationwide remembrance of the nearly 3,000 people lost when terrorists attacked the Twin Towers in New York City, the Pentagon and United Airlines Flight 93.

Plans will be made for the observance of Constitution Week September 18-23 during which lakes area residents are invited to take a turn at reading a portion of the document. Interested persons can contact Mrs. Lemkuil now to sign up for the "Constitution Reads" which will take place at the VFW in Spirit Lake and at the Spirit Lake Court House. Contact [Stancollen37@gmail.com](mailto:Stancollen37@gmail.com), or call 515-229-5619.

The community is also invited to support ongoing DAR Patriot Projects. The chapter is calling for the contribution of cancelled postage stamps for the VA Medical Center in Tucson, AZ. The stamps are a part of the Recreational Therapy activities for wounded veterans in the Health Care System there. Stamps may be mailed to Mrs. Stanley Lemkuil, 20698 Nautica Drive, Spirit Lake, IA 51360, or given to any DAR member.

Charlene Thomsen, Arnolds Park, will give a talk about the "American Spirit" magazine, an award winning monthly publication which is available to all those interested in history and historical preservation. For subscription information, contact Nancy Tomlinson, [complywme@aol.com](mailto:complywme@aol.com), 712-336-4170.

Mrs. Travis will report on the project to honor veterans of the Vietnam War. Lakes area residents are welcome to bring photos of family members or friends who served for display on a Wall of Service at the Spirit Lake Library. Contact [cobotravis@gmail.com](mailto:cobotravis@gmail.com). Regent Lemkuil will report on her work at the Vietnam Wall Rally in Forest City which took place on Saturday, August 29.

To honor hospitalized veterans, members and friends are asked to bring or send Christmas cards to the Ladies of the Lake for distribution in December.

During the business meeting, Maryanna Hubbard, Arnolds Park, will be installed as Librarian. Two new members, Sharon Wilson Godfrey, Orleans and Cherokee and Nancy Holstad, Spencer, will be inducted.
