Hearing aids do not restore natural hearing. Individual experiences vary depending on severity of hearing loss, accuracy of evaluation, proper fit and ability to adapt to amplification. *Not valid on Audiotone® Pro. **If you are not completely satisfied, the aids may be returned for a full refund within 30 days of the completion of fitting, in satisfactory condition. †Our hearing test and video otoscopic inspection are always free. Hearing test is an audiometric test to determine proper amplification needs only.

WE ACCEPT UNION BENEFITS! Did you know Miracle-Ear® is a provider for most State, Federal, UAW, School and other insurances? Your hearing aids may be covered* for LITTLE or NO out of pocket cost! Don't delay! Our staff is ready to help you determine if you qualify!

All rates shown are annual effective yields. ¹The first-year declared interest rate is guaranteed for the first contract year only and is separate from the guaranteed minimum rate effective for all contract years. Base rate of 2.00% (Platinum Bonus Annuity) is current as of 2-14-17 and is subject to change without notice. The minimum guaranteed interest rate is 1.0%. Annuities are usually purchased to meet long-term goals. Product and its features may not be available in all states. Under current tax law, earnings withdrawn before age 59½ may be subject to IRS penalty and taxable. During the surrender charge period, withdrawals exceeding 10% will be subject to a surrender charge that may be higher than fees associated with other types of financial products and may reduce principal. For complete terms of the annuity, please refer to the contract. AAA Life Insurance Company and its agents do not provide legal or tax advice. Therefore, you may wish to seek independent legal, tax, or financial advice prior to the purchase of any contract. Product and its features are not available in all states. Life insurance underwritten and annuities offered by AAA Life Insurance Company, Livonia, MI. AAA Life is licensed in all states except NY. Contract Form Series: ICC11-4111, DA - 4111.

All Technologies, Styles and Series Available

It's been proven that hearing health is directly connected to overall health and well-being.

Cognitive Decline

Adults with untreated hearing loss experience a **30-40% faster decline** in cognitive abilities compared to peers with aided hearing.

30%

40%

Depression

Those with untreated hearing loss have **significantly higher** incidence of feelings of isolation and depression.

Lifespan

Studies show older adults with untreated impaired hearing have a **shorter lifespan** than peers.

When you're able to hear and engage with the world around you, you live a better and healthier life.

Dementia

Adults with untreated hearing loss are more likely to develop dementia.

Balance

People with mild hearing loss (25 dB) are

3

TIMES

more likely to have a history of falling. Every additional 10 decibels of hearing loss increases the chances of falling by 1.4 times the original risk.

Tinnitus

90% of people with tinnitus have hearing loss.
