Positively Portageville

*Portageville Church
Gets a New
Steeple*

A New Sight To See

The community of Portageville has a new sight to see. The Portageville Community Baptist Church placed a new, 26 foot fiberglass steeple on the top of their building at 6664 Pike Street. The steeple was ordered and delivered in the fall of 2016. On Saturday, April 8th, two companies, Kircher Construction from Mount Morris and Howe Excavating from Hunt, tag teamed this project and had it completed in less than five hours. It was a job well done that you can see from afar.

Pastor Rob Andreas, the pastor for almost a year and a half, says, "The steeple will be a blessing to the community and we want it to be a beacon of hope to all that will see it."

The church has been in existence for 178 years and is the only active church left in town. The funds for the steeple were raised in the loving memory of a man who served this area as a NYS Park Police Officer at Letchworth State Park. James D. Comfort was a man devoted to his family and Lord and Savior Jesus Christ. His loving wife, Michele, and two sons, Jimmy and Sean, reside in Niagara and Erie Counties. The congregation at Portageville Community Baptist Church is thrilled to have their building look like a church once again since several years ago the bell tower was removed due to structural concerns.

God is truly blessing our church and we are all thankful.

The church has a full schedule of services and we always welcome new visitors, so please stop by if you get the chance.
