National Massage Therapy Awareness Week

October 18 - 24 is the 19th Annual National Massage Therapy Awareness week. There are many ways to improve your outlook, health, and overall well being through Massage:

1. Lower stress. The long term effects of stress can take emotional and physical tolls. Massage therapy may relieve stress and conditions associated with it, such as tension headaches.
2. Increase immune function. Medical research indicates that massage therapy can help boost immune system strength by increasing the activity level of the body's natural "killer T cells" which fight off viruses.
3. Boost mental health and wellness. Research suggests that symptoms of stress, anxiety and depression (all associated with mental health) may be directly affected with massage therapy.
4. Manage pain. Pain can negatively affect a person's quality of life and impede recovery from illness or injury. Recent findings highlight the role of massage in pain management.
5. Improve physical fitness. Elite and recreational athletes alike can benefit from massage therapy—massage can reduce muscle tension, improve exercise performance and prevent injuries.

The Spirit Lake High School marching band, *The Force*, seen above in its September 25th appearance at a home football game, earned a Division-I (Superior) rating in Saturday's Iowa State High School marching band competition at Sheldon.

The Force earns Division-I

The Spirit Lake High School marching band, *The Force*, earned a Division-I (Superior) rating, Saturday, in the Iowa State High School Marching Band competition, in Sheldon.

Saturday's competition marks the first time since 2011 that *The Force* has earned the top rating in the state competition.

Later in the day *The Force* placed fifth in the *Pride of The Dutchmen* competition in Orange City.

The Force will perform its indoor marching band concert next Tuesday night — the 20th — at 7:30, in the SAMI Center...

The same venue will see the *Spirit of Harmony Chorus* celebrating the 35th anniversary of its charter with *Sweet Adelines International* with a special show, Sunday, November 1. The show's theme is *Why we sing*.

Two members of the chorus might best answer that question, as they have been a part of the *SoH* for all of its 35 years! You'll see Eyleen Anderson and Dianne Franker in the group photo with the longer story elsewhere in next week's edition of *The Lakes News Shopper*...

Another vocal group is forming and starting rehearsals for the December 6th performance of *The Messiah*, in Spencer.

Rehearsals begin this Sunday, at 7 p.m., at Sacred Heart Catholic Church in Spencer. Contact Mary Lou Reed, 712-262-4703 for more details...

Closer to home, Glenn Henriksen will be performing at his place in Spirit Lake, and each Tuesday night through October, starting at 7 p.m...

Terry Klein will be appearing at Table 316, Wednesday night, from 7 - 9 p.m. Also Wednesday night is John Moore's performance with *Opera Omaha* at Omaha's Orpheum Theatre. That show begins at 7:30 p.m...

Charlie Liessler takes the stage in the barn at the Little Swan Lake Winery, from 6-8 p.m.. And Dave Rowley and Ryan Sather will take the same stage, Sunday, from 4-6 p.m. Thursday night will also see the *Lake Patrol* in a 7:30 CD release concert at the Pearson Lakes Art Center's Pomerantz Hall. The group includes Joe Cuttell, Brian Moore, Dave Chapman, Jerry Jones, Tim Horsman and Mick Buckley...

This Saturday night leaves one a lot of places to go and things to do. While many of the events don't deal with music at all, the sheer number of options is somewhat mind-boggling.

In addition to Claudia Russell's FUNd-raiser concert with bassist-husband Bruce Kaplan for Jackson's *Rhythm of the River*, at the Little Swan Lake Winery (which will be a fun show), there are almost too many things going on.

-- An earlier FUNd-raiser for kidney transplant candidate Jen Hoyt White, from 4-8 p.m., at the Dickinson County Expo Center...

-- The Clubhouse at Boji Bay Fun House and Pavilion will host its Oktoberfest celebration with live polka music, from noon 'til 4 p.m... Then there'll be a five course wine dinner served in the Pavilion, at 7 p.m...

-- Ducks Unlimited is celebrating the onset of hunting season with its annual banquet in the Roof Garden at the Arnolds Park Amusement Park, starting at 5 p.m...

-- And, the Clay County Regional Events Center is celebrating the autumn season, with community-wide Autumn Social, from noon - 4 p.m., followed by a concert featuring Brad Morgan and Josh Dorr.

Only the event we listed last week as happening Saturday, will not be Saturday, but Sunday. John Moore's closing performance of *The Barber of Seville*, with *Opera Omaha*, is not the 17th as we noted, but this Sunday, October 18th, in the Orpheum Theatre, starting at 2 p.m...

All the news that fits we print. Please send your music-related announcements or comments to class105@connect.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Good Neighbor Month During October

October has been designated "Good Neighbor Month". During the month of October the Good Neighbor Fund will be collecting funds to support the non-profit agencies in our community. The good work of these agencies helps enhance the lives of others.

The Good Neighbor Fund provides substantial funding to local charities that, without the support of community members, would be unable to provide services to our neighbors in need. This year's fund drive goal is \$93,000. Eighteen different local charities have been selected as recipients of funds this year.

If you would like to support the Good Neighbor Fund Drive for 2016, please send your contribution to: Good Neighbor Fund of the Okoboji and Spirit Lake Territory, P.O. Box 454, Spirit Lake, IA 51360.
 Be a "good neighbor" and help support this drive today.

Flu Shot Clinics At Dickinson County Public Health

Influenza vaccinations, or "flu shots," are available to area residents through Dickinson County Public Health (DCPH) at their new location at Lakes Regional Healthcare just inside the west entrance off Highway 71. "Healthy people, including healthy children and young adults, can get very ill from the flu and can spread the flu to others. By getting a yearly flu shot you can help protect yourself, and protect those around you, from illness," said DCPH Manager Cyndy Powers. The cost per vaccination at DCPH is \$30. Medicare B eligible clients must bring their Medicare cards with them. The upcoming walk-in flu clinics are as follows, and no appointment is needed for either:
 • Monday, October 19, 2:00pm - 5:30pm
 • Monday, October 26, 9:00am - 12:00pm and 2:00pm - 5:30pm
 Those interested in receiving the vaccine who are unable to attend the walk-in clinics can call DCPH at 712-336-2682 to schedule an appointment. The Centers for Disease Control and Prevention (CDC) recommends annual influenza vaccinations for everyone 6 months of age and older. This year's flu vaccine protects against the most common flu viruses expected to circulate this year. Influenza is a respiratory illness that most often causes fever, headache, extreme tiredness, muscle pain, dry coughing, sore throat, and runny nose. In children, diarrhea sometimes accompanies the respiratory symptoms. The flu virus is spread when people who are ill cough or sneeze without covering their mouths and noses. Others get sick when they breathe in the air containing the flu virus. A person can also get the flu by touching a surface or object (like a door handle) that has been touched by someone with the flu (who coughed into their hand), and then touching their own mouth, eyes, or nose. For more information about the influenza vaccine, visit <http://www.cdc.gov/flu/about/season/flu-season-2015-2016.htm>.

Acclaimed Americana Stringband Mipso To Perform At PLAC

Rising young Americana stringband Mipso will be performing on November 5, 2015, at Pearson Lakes Arts Center in Okoboji, in support of their new album Old Time Reverie, to be released via Robust Records on October 2, 2015. Spawned from the ongoing renaissance currently enriching and expanding the traditional vocabularies of old time and bluegrass music, Old Time Reverie finds Mipso putting time-honored tools to work on new terrain – with evocative, intoxicating results. Years of constant touring have tightened their attack, lending a new degree of authority and cohesion to their sound, while the addition of fiddler and vocalist Libby Rodenbough to the existing lineup of Jacob Sharp (mandolin), Joseph Terrell (guitar), and Wood Robinson (bass), has added new colors to an already rich palette.

When Mipso's 2013 debut, Dark Holler Pop, rose to #8 on Billboard's Bluegrass charts, the success surprised a lot of people – including the band themselves. "Well, we didn't think so many people would embrace it," laughs mandolin player Jacob Sharp, "and we definitely didn't know we were a bluegrass band." Two years on, Old Time Reverie – produced by Mandolin Orange's Andrew Marlin – reflects the quartet's continued musical and personal growth.

The album's original songs paint morally nuanced portraits of Mipso's complex and evolving native landscape. "Being young artists living in the middle of North Carolina is inherently complicated," adds Libby Rodenbough, "because we're trying to position ourselves within our family, state, regional histories – while being true to all the understanding of the world we've gained over the past year. This album contains a lot of songs that deal with moral ambiguity and the struggles that come with forging an identity – which has a lot to do with the fact that we're from and continue to live in North Carolina."

"By being on the road 200 days a year," adds guitarist Joseph Terrell, "we've come to understand how we fit into this idea of the new South – not the south of old stereotypes, but a really intriguing, nuanced place that's educated and progressive, while also embracing its traditions"

For more information about Mipso and Old Time Reverie, visit www.mipsomusic.com.

West O Beer's CocO™ Stout Wins A Repeat Gold Medal

In just their second year of competition, West O Beer, located at 503 Terrace Park Boulevard, West Okoboji, Iowa has captured a repeat gold medal in the prestigious Great American Beer Festival® 2015 in Denver, Colorado. Their 2014 winner – West O® CocO Chocolate Stout™ – topped 75 entries to again claim the gold medal in the Sweet or Cream Stout category. Begun as a home-brew recipe from founders and owners Matt and Michaela Matthiesen of Spencer, Iowa, head brewer Karl Schmitz created his version of a sweet stout, a personal favorite. Schmitz says "The GABF is one of the biggest national beer competitions in the United States. We obviously hoped to win for CocO again but it's very difficult to win twice in a row." Breweries from across the U.S. were on hand in Denver on Saturday, September 26, 2015 where it was announced that the West O entry had won in their category.

Schmitz continues, "It was obviously a team effort. Everyone contributed, especially the other West O brewers, Conor Fahy and Pat Kealher." Founder Matt Matthiesen, who attended this year's festival, adds "Our philosophy of 'Brew Better Beer' implies that we keep raising the bar, and we're honored to receive this recognition from the industry, from experts, and from our peers. It's a big win for Iowa craft beer as a whole." Two other Iowa breweries joined West O in the GABF winners' circle in

other categories – Lion Bridge Brewing of Cedar Rapids and Exile Brewing Company of Des Moines.

About West O Beer: Opened in May, 2013, West O Beer is a 6,000 square foot craft microbrewery located just south of West Okoboji Lake in the city of West Okoboji, Iowa in Dickinson County. Beer is available in pints and half-gallon growlers year-round in their 1,800 square foot tasting room, featuring bar, table, and sofa seating in a casual atmosphere. 100% of West O Beer is brewed on-site in their brewery, and kegs and bottles are available through numerous retail outlets in Iowa, Minnesota, and South Dakota. West O Beer underwent one major expansion in their first year of business, and continues to expand their territory and their roster of beer being produced.

About West O CocO™ Stout: Real cocoa nibs, bourbon vanilla beans, imported sugar, and caramel all combine for a complex, yet balanced milk stout. There is a mild chocolate flavor with hints of vanilla, oats, and subtle coffee. West O CocO™ Stout is available year-round on tap and in bottles.

LETTERS TO THE EDITOR

Dear Editor,
As we wrap up our 2015 season of events, the Ladies of the Lake Chapter of the Daughters of the American Revolution (DAR) thank The Lakes News Shopper for publishing the weekly articles about our meetings and activities. Your coverage has resulted in increased attendance and new members.
Although we do not meet during the winter months, our support of patriotic, educational, health and environmental projects continues.

For example, area residents can join us in sending cancelled postage stamps to the veterans rehabilitation project: Southern Arizona Health Care System, Veteran's National Stamp and Coin Club, Ste #135, 3601 South 6th Avenue, Tucson, AZ 85723.

We are grateful to be a DAR Chapter in such a caring community and to have such outstanding media support.

We wish you and your readers a warm, safe winter and beginning on May 10, 2016, look forward to sharing another rewarding season of DAR events.

Thanks To A Caring Community

"Thanks to a Caring Community" has been a mantra of the Ladies of the Lake Chapter of the Daughters of the American Revolution since the celebration of its 100th birthday in 2012.

The DAR chapter serves all of the northwest, and during 2015, the list of community leaders and organizations which have become involved has grown extensively. DAR members wish to thank the following "partners" publicly for their involvement and support.

The Chapter is grateful to those organizations which hosted their events, including the Abbie Gardner Cabin and Arnolds Park Recreation Department; the Dream Center, Spencer; the Senior Citizens Center, Spirit Lake; the Spencer Heritage Museum; the Higgins Money Museum; Keelson Harbour and the Landings Association, Spirit Lake.

The financial support of publications and projects given by the Farmers Savings Bank of Milford and Fostoria; Lakes Print, Printing Today, Tri-State Litho Printing and Walmart, all of Spirit Lake, is deeply appreciated. Also, thanks to State Representative John Willis for providing the Iowa Flag.

Organizations which have provided speakers or supported projects in various other ways include The Dickinson County Museum, Employment Connections, Spirit Lake; the Pearson Lakes Art Center, Highway 71; St. Alban's Episcopal Church and the United Methodist Church, both of Spirit Lake; the Estherville, Sheldon, Spirit Lake, Spencer and Lake Park Public Libraries; RSVP, the Veterans Clinic at the Mall, and the Veterans of Foreign Wars (VFW), all of Spirit Lake. The Parade Committees of Arnolds Park, Estherville, Lakes Park and Sheldon have made possible DAR participation.

Our newest partners are the Okoboji Queen Chapter of Questers, Spirit Lake, and the Prairie Arts Council, Sheldon. Both groups are helping make possible the restoration of the Baker Township one-room school house which has been moved to Heritage Park in Sheldon.

Although the DAR will not be meeting again locally until May 10, 2016, it will continue its Patriot Projects. Area residents are invited to donate cancelled postage stamps to the veterans rehabilitation project in Arizona and Christmas cards for hospitalized veterans. These may be sent to Vice Regent Ruth Ann Van Donstear, 1207 J Avenue, Milford, 51351, for distribution. In early December, help is requested for the decoration of the DAR Christmas Tree in the Spirit Lake Mall.

Under the leadership of Regent Colleen Lemkuil, Spirit Lake, (stancolleen37@gmail.com), the Ladies of the Lake again say "Thanks to a Caring Community" for a successful 2015 season. They look forward to working with these individuals and organizations in 2016 and to welcoming newcomers.

Bronze = \$500+
Silver = \$1,000+
Gold = \$5,000+

Youth in Philanthropy is an annual program for high school students that empowers them to make a lasting positive impact. Students receive community service hours as they learn about the work of the Okoboji Foundation and other area non-profits. They learn how to read and score grant requests and make YIP Grants selected by group consensus. The Okoboji Foundation grant application process is open to any nonprofit organization seeking funding for a vital capital project in the Lakes Community.

Summary of Success:

- YIP has raised \$120,000 since 2010 with Grant Awards to:

LRH Offers Free Guidance To Medicare Recipients

Help available by appointment

It can cost you money not to review your Medicare Part D drug coverage annually. In one hour a Senior Health Insurance Information Program (SHIIP) counselor can complete a review and let you know if you can save money and make sure you have access to the medications you need.

Lakes Regional Healthcare (LRH) is designated as a SHIIP sponsor site and SHIIP counselors Jim Hitchcock and Milo Kindwall are available to help anyone newly eligible for Medicare or already on Medicare:

- Check current Part D or Medicare Advantage plans to make sure medications are covered at the lowest cost and with the least amount of restrictions
- Review employer drug coverage and compare to other Medicare options
- Check eligibility for Part D Extra Help
- Understand options if currently not enrolled in a drug plan

This is a great opportunity for people on Medicare to review and choose what coverage they want for 2016. Every year Medicare Part D and Medicare Advantage plans can change their premiums, deductibles, co-payments, benefits, and the drugs they cover. To avoid costly surprises on January 1, a free, confidential counseling appointment with a SHIIP volunteer may be beneficial.

Each year SHIIP helps Iowans save millions of dollars by doing reviews and choosing coverage that meets their needs. Local SHIIP counselor Milo Kindwall has been providing the confidential service for years, and said people often save around \$300 to \$500 annually after meeting with him and understanding the coverage options better. He said, "It can be confusing to navigate the Medicare process, and we as SHIIP volunteers make sure people are enrolled in the best plan that meets their needs and reduces their healthcare costs."

Although counseling services are available year round, the open enrollment period for Part D drug coverage and Medicare Advantage plans runs from October 15 through December 7. Therefore, a Medicare Part D Enrollment Event is planned for October 19 and 20 at the SHIIP office at Lakes Regional Healthcare. Those interested in scheduling an appointment can call 712-336-1230 Monday through Friday from 8:00am until 4:30pm. Counseling sessions are available weekdays.

A Medicare Part D information form is an important document to complete before the appointment. Medicare Part D information forms can be found at LRH's Patient Registration desk. It is best to complete the form and return it to LRH's Patient Registration Desk a couple of days before the appointment. The form will remain confidential and will be given to the SHIIP counselor that will be at the appointment.

IGL's Children's Fall Festival

Mark your calendars for a SPOOK-tacular time for children ages 12 and below on Saturday, October 24, from 11:00am - 1:00pm. Sponsored by Arnolds Park and both The Iowa Great Lakes and Spirit Lake Chambers, this fun-filled event promises food, fun, activities and a costume contest sponsored by Oak Hill Marina at noon.

The first 1,200 kids ages 12 and under head home with an AIA Branding Strategies goodie bag filled with items generously donated by the Spirit Lake Noon Kiwanis, Mueske Electric and other Chamber members. Chamber members are hosting booths and fun-filled activities, so bring your cameras and capture these heart-warming moments.

Also be sure to dress your children in layers as we will open the lower amusement park if weather permits. How fun will it be to take a ride on the train and carousel at the end of October!

Iowa Great Lakes Rotary Seeking Applicants For Grant

Iowa Great Lakes Rotary is currently accepting applications for Rotary Global Grants Scholarships - a scholarship program under the Rotary International Global Grants program that funds graduate level coursework or research for one to four academic years. Applications are being accepted through October 15 for the 2016-17 academic year.

Through global grants, Rotary supports international graduate study for future leaders in fields related to the Rotary six areas of focus: Peace and conflict prevention/resolution, Disease prevention and treatment, Water and sanitation, Maternal and child health, Basic education and literacy, and Economic and community development. The scholarship is worth a minimum of \$30,000.

Interested candidates need to submit a completed online application to the District 5970 Rotary Scholarship Committee by October 15, 2015 to be considered for the 2016-17 academic year. The committee will then ask the applicant's local club (Iowa Great Lakes Rotary) to sponsor him/her. The online application can be found at: <http://district5970.org/SitePage/districtfoundation/globalscholarships>

Applicants and sponsoring clubs will be notified of interview decision and schedule by mid-November.

For more information, please visit district5970.org and select the scholarships tab, or contact Kathy Fahy with the Iowa Great Lakes Rotary Club at (605) 359-7177 or kfahy@mchsi.com. Kathy was a Global Grants Scholar (formerly known as Ambassadorial Scholars) to Australia in 1997.

Hope For Jen

A silent and live auction benefit for Jennifer (Hoyt) White will be held at the Dickinson County Expo Center on October 17, 2015, 4:00pm - 8:00pm. Grilling compliments of the Dickinson Co. Cattlemen.

The benefit is to raise awareness and funds for organ donation. Jen is on a waiting list for a kidney-pancreas transplant, and started dialysis in August. Jen continues to work as a nurse, through her illness, at Lakes Regional Healthcare in Same Day Surgery/ Post Anesthesia Care.

Donations can be sent to: Central Bank "Hope For Jen" (712-336-4100).

Annual Adopt A Family Program

Upper Des Moines Opportunity, Inc. (UDMO) is taking applications and donations for the annual Adopt A Family program in Dickinson County.

For this program to be successful, it needs the continued support of the community. Upper Des Moines would be most appreciative if you could fit Adopt A Family program into your holiday plans this season. They would encourage you to adopt a family, but if that is not practical for you, the program also accepts monetary donations of any amount that would be used to purchase gifts for those that do not get adopted.

UDMO recognizes that the economy is placing significant stress on many families, the elderly and the disabled, so they would like to be able to meet some of their needs through this program. They also realize that this is an uncertain economic time for those who give, and that makes them especially appreciative of the community's generous spirit.

If you are someone that may benefit from the Adopt A Family program, consider coming to the UDMO office at 1575 18th Street in Spirit Lake, to obtain an application.

Both those wishing to be adopted and those wishing to adopt a family or contribute a monetary donation, can receive further information by calling the UDMO office at 712-336-1112.

Tales Of Tails

The tale this week is of Flora, a senior citizen in the Humane Society Cattery. Flora came to the shelter in May of 2014 which means in "cat years" she's been in her cage for about 20 years.

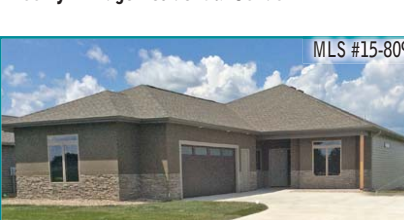

When Flora arrived, she was pregnant with other health complications. She eventually gave birth to five kittens but only two survived. Her kittens were adopted, but Flora remains at the shelter. Now she is a healthy adult cat with an unusual short hair coat - multi-colored, but not in patches or spots. It's more like a fine tweed of brown, orange, and tan.

Despite her restricted life Flora is always a happy cat, grateful for any attention she receives. She gets along well with other cats and thrives on human attention. She loves a "petting fix," and enjoys sitting by a window in one of the cattery's play rooms and looking outside at birds and the world she cannot explore. Flora would make a grateful and loyal companion in a forever home.

Remember: "In a perfect world every animal would have a home and every home would have a pet!"

Call the Northwest Humane Society at 721-338-2738 or come see the animals at 607 28th Street in Milford - open Thursday through Sunday noon to 6:00pm.

Let's Stand Together in the Fight Against Breast Cancer!

Medical experts agree that early detection is a woman's best defense in overcoming breast cancer. In fact, the National Breast Cancer Foundation reports that when breast cancer is detected in the early, localized stage, the five-year survival rate is 98 percent. The organization encourages every woman to develop an early detection plan consisting of breast selfexams, clinical breast exams and mammograms based on age and health history. To learn more, go to www.nationalbreastcancer.org or consult your healthcare professional.
