Current Team Members

Marisa Thornton
 Business Development

I started my journey with Exchange Media Group in December 2007. While some things have changed, our commitment to small businesses has never wavered. We take pride in the fact that we've helped so many over the years. Our market saturation, strong readership, great customer service and vision for the future are what sets us apart from the rest. While our print product is strong, we realize the need to have a presence online. It's exciting to tell people the new digital products and services we've added to accommodate our growing clientel.

I love my job and my customers!

Mary Ann Marsh
 Business Development

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."

Sandra Thomas
 Business Development

I can remember when Exchange made it's debut. It was just what the community needed - a place to bring buyers and sellers together; a place to showcase products and services; a place to inform, congratulate, or thank others. I know personally how well Exchange works because my family and I have used it for years. Therefore, it is an honor to recommend Exchange to my friends and customers

I love working with the people in the communities that make up Franklin County. From the Chamber staff and local community administrations, to the business owners and individual Exchange readers, I have met the nicest folks. They care about their neighbors and their community which makes my job meaningful.

Job Description

Business Development team members help local businesses connect their products and services with people in our community. You will be responsible for developing meaningful relationships with your customers. You will work with them to see if their needs align with our products. You will create your schedule to best serve your customer's needs. The majority of your time will be spent in the field working with businesses. We have sales training each week. Your compensation will be based on your sales and ad count. You will be in total control of your bonus which is based on your performance.

We are hiring for full time and part time roles.

Good Morning, Liz, Just wanted you to know we had a great response from last week's ad. A lady came tearing into the bookstore, EXCHANGE in hand, wanting to see the Marilyn Monroe books, and she bought all four! A photographer bought the two Ansel Adams books and was thrilled with them. That makes us happy when folks find what they want. The Book Shelf, Northgate Mall, Tullahoma.
