SCRMC volunteers receive awards

By Linda Cranford

Over 70 men and women in Laurel/Jones County volunteer in various capacities throughout South Central Regional Medical Center's facilities including ComfortCare Hospice, ComfortCare Nursing Center, Jones County Rest Home and the Medical Center. Tuesday, April 25, all 70 volunteers were honored with an award ceremony and appreciation reception at South Central Place.

Janet Staples, SCRMC vice president, welcomed everyone along with Bonnie Smith, SCRMC volunteers coordinator. Laurel High School JROTC Color Guard presented the flags and the Pledge of Allegiance was given. Elaine Hill, mortgage loan officer with First State Bank, with a voice like Kate Smith, sang "God Bless America."

Mayor Johnny Magee read a proclamation declaring May 23 through May 29 National Volunteer Appreciation Week in the Laurel/Jones County area. The mayor thanked the volunteers for their service and encouraged everyone to show appreciation for all "who freely give of their valuable time and resources." Governor Phil Bryant was unable to attend the ceremony; however he sent a video presentation thanking the volunteers for their service. The Keynote Speaker was State Senator Chris McDaniel, who brought his 5-year old son, Chamberlain, with him. "I brought my son Chamberlain with me today because he needs to see what volunteers look like, how they behave, and who they are," said McDaniel. "I see you all as role models, and I wanted to come say thank you."

McDaniel relayed a story about a time

when his father said something to him that has struck with him throughout the years. "He said, 'Son, always look for something steady, something sure.'" McDaniel said those words have become the core of his belief system and that volunteers are our country's "something steady, something sure." "Everything that makes this country great is just regular men and women willing to volunteer and take a chance," stated McDaniel. "I believe in you, because I believe in the capacity of our people to self-govern. America, right now, is struggling to find our way. This is the toughest part; we will not

turn things around via the Democrat or the Republican Party's way. It's bigger than parties, a single office, the White House, the Senate or Congress. The American people have to change their hearts. We have to turn things around from the bottom up. That's why volunteers are so important."

Following McDaniel's speech, all 70 volunteers were recognized. "When a volunteer achieves 100 hours of service, they receive their initial volunteer pin," said Bonnie Smith. "For each 100 additional cu-

mulative hours, they receive a bar which they attach to the initial pin." She said at 1,000 hours of service, a volunteer would receive another pin, a "1,000 Hour" pin, and for each additional 100 hours after that, a bar is attached to that pin. "This could go on and on," said Smith, "as long as you want to volunteer or as long as you are able to volunteer. Many of our volunteers look like they are in the (Military) service with all of their pins. They wear them proudly, and I'm very proud for them."

Smith announced that they applied for and completed the process to be approved as an official certified organization for the President of the United States Volunteer Service Awards."

There are three categories of awards depending on the number of hours served in one year, Bronze (100-249 hours), Silver (250-499), and Gold (500+), plus a Life Time Achievement Award. There were 21 individuals awarded the Bronze, 10 the Silver, and one, Douglas Walters, the Gold. Walters served 695.50 hours in 2016. The Lifetime Achievement Award is awarded to individuals with over 4,000 cumulative hours served. Those receiving this award were Lucille Davis with 4,989.75 hours, Charlene Todd with 8,508.25 hours, and Helen Garraway with 8,972.25 hours. Honorary Volunteers were Ophelia Ingram and Juanita Parker. THE HAMMERHEAD 500 BRICK STREET DERBY IS SPEEDING INTO BAY SPRINGS

The Bay Springs Chamber of Commerce is excited to announce that the Hammerhead 500 Brick Street Derby will be back in Bay Springs on Saturday, May 13 beginning at 10:00 A.M. The adult team derby (18 years and older) will be a popular event to kick off the day with the youth races to follow.

Competition will be at an all-time high with the introduction of new prizes. The adult team entries will be vying for prizes that include \$1,000, \$750 or \$500 in Hammerhead Dollars to be used toward the purchase of Hammerhead products. But, that's not all - Teams competing in the collegiate open class division could win \$300, \$200 or \$100 in prize money. Youth racers are split into two divisions: 12 years old and under and 13-17 years old. Youth may register in either the open class or kit car category. Winners of youth division races will be presented with personalized trophies and cash prizes. All race entries and derby events will be judged on speed, car appearance, team showmanship and creativity.

If you're not up for a ride down the brick street, we invite you to come on out and spend the day in downtown Bay Springs. Enjoy a live broadcast from B-95 and chow down on some of the best food around served up by Bay Springs Chamber of Commerce food vendors. Technological advances for Sylva-Bay WJHS HOBY recipient

Submitted

Technology continues to revolutionize every aspect of life, including education. Sylva-Bay Academy recently boosted its use of the latest “gee-whiz gadgetry” with the introduction of Apple iPads for the classroom. These state-of-the-art tablets house learning and education apps as well as provide access to websites for research. Students are able to quickly access more information and discover more effective paths for learning, with the simple swipe of a touch screen.

According to elementary teacher, Ms. Kari Bankston, “...my third and fourth grade students have used the iPads during math class.... We use the iPads to further their math skills through differentiated learning. Each child works at his or her own math level. Students choose from multiple applications and we focus on the skills we are learning for that week. Also,

students can use virtual manipulatives through gaming applications to improve their skills with fractions, number lines, addition, subtraction, divi-

sion, multiplication, etc. I am excited about the new iPads! As a teacher, it’s wonderful to watch your students learn and grow while having fun.”

Mike Sumlin, headmaster at Sylva-Bay added, “Our goal is to educate our students in the most effective manner possible. We believe tools such as this provide the greatest opportunity for achieving this.”

West Jones High School administration is pleased to announce Joshua Cooper as this year’s HOBY recipient. This prestigious award is given to a deserving sophomore. For over five decades, Hugh O’Brian Youth Leadership (HOBY) has inspired young people to make a difference and become catalysts for positive change in their home, school, workplace, and community. HOBY aims to inspire and develop our global community of youth & volunteers to a life dedicated to leadership, service, and innovation. The vision of HOBY is to motivate and empower individuals to make a positive difference within our global society, through understanding and action, based on effective and compassionate leadership. Joshua is the son of Scott and Heather Cooper of the Matthews Community.

Wildcat sophomores accept offer to play for MUW

By Stan Caldwell
PRCC SID

A trio of Pearl River Community College sophomore softball players have agreed to continue their careers at Mississippi University for Women.

Outfielder Kristen Martin and pitchers Madison Scoggin and Jackie Shows signed to attend MUW and play softball for the Owls in their inaugural season of intercollegiate athletics.

The NCAA Division III Membership Committee approved the W's application for exploratory membership, beginning a five-year process toward becoming a full NCAA Division III member. Division III schools do not award athletic scholarships. The school will become an official exploratory member of Division III on Sept. 1 and will begin interscholastic play with the men's soccer season.

MUW, located in Columbus, has hired Tatjana Matthews as head coach for its fledgling softball program. She was previously head coach at Columbia College in South Carolina.

Wildcats this season, with three doubles, two triples, a home run and 20 RBIs. As a freshman in 2016, she hit .333, with a team-high 13 doubles, three homers and 32 RBIs.

Scoggin, a left-hander from Stringer High School, is 1-0 this season, appearing exclusively in relief. She has pitched 24 innings with 16 strikeouts 11 walks and a 4.38 ERA. Last season, she was 1-0 with an ERA of 4.68.

Shows, a right-hander from West Harrison, is 8-8 for the season in 102 innings. She has struck out 74, walked 39 and has an ERA of 3.57. In 2016, she was 1-1 in 11 appearances with an ERA of 5.38.

A Shepherd's Heart – No other Name

Dr. Timothy L. Hubbard

"And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved." – Acts 4:12 (ESV)

Names are very important to us. We know individuals by the names that they are given. There are associations or relationships that can be made just by knowing one's name. For example, if your last name is Farmer, somewhere in your family history, you will find that your family was involved in farming. If your name is Shoemaker, your family probably made shoes somewhere in its past. You get the picture.

We also are able to trace our family trees by tracing our names throughout history. That of course can have good and bad results. For some of us, we may not want to find out that our great grandparents were known for being bank robbers or operating the biggest whisky still in the area. But names do help us trace

our lineage.

Names were also important to God. Throughout the Bible, we see that names are significant to God. They are so important that we even see examples of God changing individual's names to reflect the person that He was transforming them into. Men like Abram who became Abraham and Saul who became Paul, and women like Sari becoming Sarah are just a few examples. There is one name that has greatest significance to God and that is the name JESUS!

Peter and the Apostles boldly proclaimed this truth. In Acts 4:12 God's inspired Word states that there is salvation in no one else, only in the Name Jesus. The Apostle Paul later reminded us in the letter to the Philippians that at the Name of Jesus every knee would bow and every tongue confess that Jesus Christ is Lord to the glory of God the Father. Yes, names are important to God, especially the name that He gave to His only begotten Son. Have you experienced personally the power that is in the Name of Jesus? Are you living in the "Joy of the Lord" that comes from knowing Jesus?
