Pump House Dock

The Spirit Lake Protective Association wishes to notify the public that the Pump House Dock will not be installed for the fishing opener. The City of Spirit Lake is doing an upgrade to the pump house and the water intake system in part because of the threat of Zebra mussels. New intake pipes will be extended out approximately 1300 feet from the pump house and some of the concrete apron around the pump house will be removed. Because of the extent of the construction, the dock has been removed until the project is completed. It is estimated that it could be the end of June before that occurs. The dock will be installed as soon as possible, hopefully by the 4th of July.

35th Annual Walleye Weekend Approaching

You are less than a week away from the chance at winning \$35,000! The 35th Annual Walleye Weekend officially begins at 12:00am on Saturday, May 6. Anglers will have the following 36 hours to catch one of the 10 tagged walleye in the hopes of taking home that coveted grand prize.

As a reminder, we refrained from mailing entry forms to Spirit Lake, Arnolds Park, and Okoboji this year. We can make a positive impact on the environment all while giving you a chance to visit your favorite local bait shops to register.

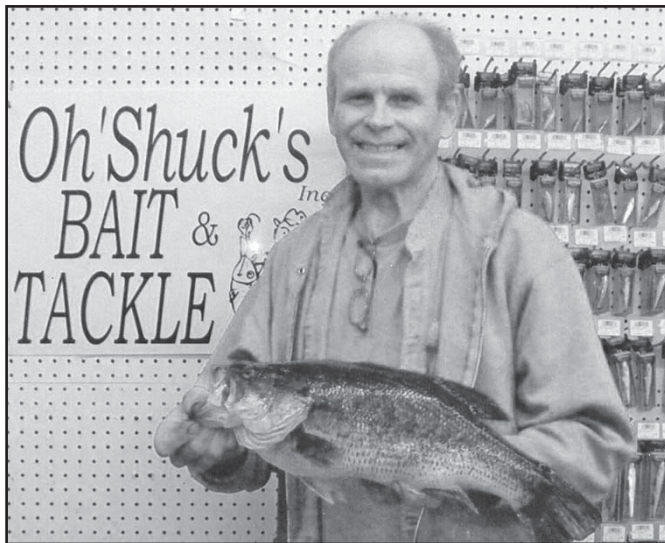

Entry forms are available at Fisherman's Factory Outlet, Kabele's Trading Post, Oh Shucks, Pioneer Beach, Stan's Bait & Tackle, and at the Iowa Great Lakes Area Chamber of Commerce office in Arnolds Park. Online registration is also available at www.okobojichamber.com.

The cost of the tournament is \$25 for entrants 16 and older, and \$15 for those aged 15 and younger. The Extended Contest is only an additional \$15 and allows you to continue to fish for one of the tagged walleye through September 1st. The first walleye caught during this portion of the contest heads home with 20% of the proceeds generated from the extended tournament, the second receives 15%, and the third receives 10%.

There will be over \$3,500 worth of fantastic prizes donated by Pure Fishing for the heaviest stringer of 3 walleye, heaviest northern pike, heaviest stringer of 5 panfish, and heaviest stringer of 10 bullhead as well. Prizes will be awarded at the Luncheon on Sunday, May 7. Join us at the Dickinson County Expo Building from 12:00-1:30pm for a delicious meal as well as the chance to win additional cash and merchandise prizes.

You can also get your Walleye Weekend shirt this week for only \$10 at Fisherman's Factory Outlet, Kabele's Trading Post, Stan's Bait & Tackle, and the Iowa Great Lakes Area Chamber. Give us a call at 712-332-2107 if you would like us to set one aside for you. Shirts will also be sold at the luncheon on Sunday.

For more information, contact Kara Matheson at 712-332-2107 or kara@okobojichamber.com.

Kristin (Hansen) Dennis Selected to Hall of Fame

One of Iowa's greatest prep girls track and field distance runners was recently inducted into the Sioux City Relays Hall of Fame.

Kristin Hansen won ten individual state titles during her prep career at Okoboji High School. She also won the 3,000 meters at the state meet all four years of high school and received three state titles in the 800 and 1,500 her sophomore through senior years.

Kristin was the 2002 Gatorade Female Track Athlete of the year and went on to be a seven-time All-Big 12 performer at the University of Missouri.

Now married to Jonathan Dennis, the couple recently moved from Denver, Colorado, back to Milford, along with Jonathan and her two daughters ages five and three. They are expecting another child in September. Kristin, Relays MVP in the prep girls division in both 2001 and 2002, now works as a private running coach with runners from the high school ranks through senior citizens.

"It is a true honor to be chosen for induction into the Hall of Fame," said Dennis.

First Full Moon Party - Wednesday, May 10th

Featuring:
Damon Dotson

OPEN FOR THE SEASON!
Friday, May 5th, 2017

Open Fri. at 3pm, Sat./Sun. at 11am
www.parksmarina.com

On stage

Mark and Rowaida Lair, will be performing Thursday night, from 6 - 8:00, on the stage in the barn at the Little Swan Lake Winery, just north of Superior.

The duo was heard last week as a part of the Northwest Iowa Jazz Band's concert in Estherville.

35th Concert set

Thursday's band and choral exchange concert that combines the efforts of the 6th grade students from the Okoboji and Spirit Lake school districts will mark the 35th year of the exchange that began in 1983. That's five years before the Milford and Arnolds Park schools were consolidated into the Okoboji district in 1988. This year's concert will be in the Okoboji Middle School gymnasium — the former Arnolds Park Junior - Senior High School, in Arnolds Park — starting at 9:30, this Thursday morning. And you are invited to attend.

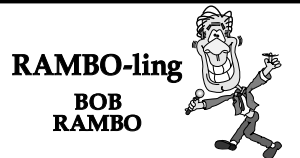

The Spirit Lake 6th grade band is directed by Rich Nicklay; and the 6th grade chorus by Lindsay Carlson. Okoboji's 6th grade band is directed by Jody Ingwersen; and the 6th grade chorus by Zane Knudtson.

The exchange concerts started as a means of promoting a positive relationship between the students, the communities, and the schools, in a non-competitive atmosphere. In addition to Nicklay, those instrumental in the original concept include then Spirit Lake elementary music teacher Deanna Kuiper, and then Okoboji 6th grade band and choral director Frances Rehborg.

BULLETIN: We learned only early Monday that *The Spirit of Harmony Chorus* earned the first place small chorus award, and third place overall, in regional competition over the weekend. The chorus' score improved, and was just 11 points from second place. The Affinity Quartet took third place, and earned Most Improved Quartet honors. Congratulations!

This week's big show, so to speak, will be the Okoboji High School Jazz Band's return to the Pearson Lakes Art Center, Saturday night at 7:00, to reprise its Iowa Jazz Championships set — *Blues for the Cap, Until We Meet Again, and Sabor de Cuba*, along with a selection of standards the band is known for. There will also be special refreshments available from the "Friends of the Band..."

Tonight will see the Iowa Lakes Community College annual Cinco de Mayo Coffeehouse in the Max Center in Estherville. As noted here last week, the fun begins at 5:30, with free tacos and an ice cream bar — in addition to some fun music from the students...

The actual May 5th date is Friday night, when *Galaxy* — the band that includes Donnie Fausch, Glenn Henriksen, Mark Kurseth, and Jerry Behnkendorf — will be playing and singing for listening and dancing at the Red Rock Center in Fairmont, starting at 7:00...

Terry Klein will be back at Table 316, in Arnolds Park, Wednesday night, from 7 - 9:00 — Note the time change. The *Itty Bitty Boji Band* will take that stage next week...

We can only hope that you weren't disappointed if you showed up at the Little Swan Lake Winery last Thursday or Sunday to see Adam Layman or *The Kris Karr Band*, to find that Charlie Leissler or Damon Dotson were there instead.

All we can tell you is that Professor A. Good Outlook wasn't sipping too much wine, but apparently could still not read the calendar.

If things go as planned this week, Mark and Rowaida Lair will be performing on the barn stage Thursday night, from 6 - 8:00, and Maury Muhm and company — *The South 71 Trio* — will be entertaining Sunday afternoon...

Thursday night will also see the final Thursday night show of the season at Boji Bay, with *The Velaires* onstage at 7:00. Boji Bay's summer concerts begin on June 9th, when *Bad Authority* will open on the open-air stage with a free concert...

Research director RD is all about alliterations this week, with notes on *Cartoons, The Can Can*, and *Christmas* — already in May.

Harry Lillis 'Bing' Crosby's May 3rd (1903-1977) birthday recalls a song from his 1954 album of hit songs that included *I Love Paris*. That's how RD came up with her connection to *The Can Can*, which opened for 892 Broadway performances on May 7, 1953. Other *Can Can* tunes included *I Am In Love*, performed by Ella Fitzgerald on her 1956 *Cole Porter Songbook* album, and about four years later by Peggy Lee...

We celebrate lyricist Betty Comden's centennial birthday Wednesday. Betty was born Basya Cohen, in Brooklyn, New York — Not Brooklyn, Iowa — on May 3, 1917, and later provided lyrics and screenplays for some of the most beloved and highly successful Hollywood musicals and Broadway shows of the mid 20th century. One song, *Be A Santa*, was written by Comden, along with partner Adolph Green, and composer Jule Styne, in 1961, and was part of the show *Subways Are For Sleeping*.

That's how RD gets from *Can Can* to *Christmas*, which from Comden's birthday is just 235 days away...

Then RD found that Tuba Day is May 5th, and explained, "It's never too early to plan for the area's two Tuba Christmas festivals. Estherville's festival will be Thursday, November 30th, and Spencer's on Monday, December 4th."

Thursday is *Bird Day*, established in 1894, in Oil City, Pennsylvania, by the superintendent of schools. The proper song, of course, is *Birdland*, a melody by Joe Zawinul with lyrics later added by Jon Hendricks. The jazz standard was made popular by many artists including the *Manhattan Transfer*, in its 1981 album *Extensions*, which won the Grammy Award for the best jazz fusion performance...

Friday brings the final C in the series, *Cartoonist's Day* — which RD is quite naturally celebrating with music — especially theme songs like those of *Mighty Mouse, Yogi Bear*, and *Woody Woodpecker*, with his happy rat-a-tat of "ha, ha, ha, HA!" You'll find those themes and just about any other you can recall on YouTube...

Our final note here is about one of the unsung heroes of the big band era, Lewis Burr 'Lew' Anderson was born on May 7, 1922, in Kirkman, Iowa. After his six-year stint as the last Clarabell on the *Howdy Doody* television program, Lew developed a super big band that played every week at many Big Apple venues over the decades. *Birdland* was probably the best-known.

If you look him up on the Internet you will probably be able to find Tony Bennett's beautiful water color caricature of Lew as Clarabell...

'Buffalo' Bob Smith recalled some years after the *Howdy Doody Show* was canceled in 1960 that several members of the cast and crew were fighting back tears when Lew, as Clarabell, also held back tears as he uttered the only words the clown ever spoke — and the final words ever heard on the show — "Goodbye, kids..."

All the news that fits we print.

Band & Chorus Celebrate 35 Years Of Exchange Concert Friendship

The Spirit Lake and Okoboji 6th Grade Band and Chorus will celebrate 35 years of performing their spring concert songs for each other on Thursday, May 4, 9:30am at the Okoboji Middle School gym. Public is welcome to attend. The Spirit Lake 6th grade band is directed by Rich Nicklay and the 6th grade music by Lindsay Carlson. The Okoboji 6th grade band is directed by Jody Ingwersen and the 6th grade music by Zane Knudtson.

The exchange concert started in 1983 as a means to promote positive relationships between students, communities, and schools. The 6th grade band & chorus from Milford Elementary School and Spirit Lake Elementary School participated in the first exchange concert. The directors were Frances Rehborg in Milford (band and chorus) and Spirit Lake band director was Rich Nicklay and chorus director was Deanna Kuiper. In 1987, the school districts of Milford & Arnolds Park started a sharing agreement, renamed Okoboji School District, with Grades 5-8 located at Arnolds Park. Music shared in this manner is in a non-competitive atmosphere. The exchange concert gives the groups one more opportunity to perform the music they so much enjoy and have prepared. Many of the students know each other from being involved with other lakes activities or church. They always look forward to this exchange concert. A great tradition of collaboration between our schools and communities.

Obituaries

Joshua Dylan Hinders was born July 20, 1969 in Sioux City, Iowa to Carole and Roger Hinders. His birth coincided exactly with man's first steps on the moon. He never missed that question on a test. Josh was a graduate of Milford High School, ILCC and the University of Iowa. He chose to work in the family business. Many who worked for him at Mrs. Lady's called him a friend as well as a boss. Although he struggled with primary progressive multiple sclerosis, he worked to the end when Mrs. Lady's closed in 2014. His disease worsened quickly. He battled hard, but some battles can't be won. Josh's passion was music. He loved to research and share music. His all-time favorite song was "Those Eyes, That Mouth" by the Cocteau Twins. My Bloody Valentine was his favorite group, but he liked all kinds of music. Being a list maker since childhood, he spent much time listening to and ranking music. When he was healthy, he loved to walk, jog, work out and play tennis. He missed walking the most. To him, El Fredo Pizza was the best, always with extra sauce. He will be deeply missed. Instead of a funeral, Josh wanted a gathering at his home on July 20, 2017 his 48th birthday. It will start at noon and end whenever, at 1001 Eloise Street in Okoboji. Any memorials will go to support the passage of a Right-to-Die law in Iowa. Turner Jenness Funeral Home is in charge of arrangements.

Walleye Weekend

While the weather didn't feel like spring this past weekend, it sounds like we've got a great weekend coming our way for the 35th Annual Walleye Weekend, which is held in the Iowa Great Lakes May 6-7. Even though it's still springtime, to me Walleye Weekend always starts our busy summer season in the Iowa Great Lakes area, with a large number of visitors coming to the area as well as local anglers all trying to catch the big one and win \$35,000 or one of the other great prize packages. You can enter online at www.okobojichamber.com or at one of the following locations: Kabele's Trading Post, Oh Shuck's Bait & Tackle, Pioneer Beach or Stan's Bait & Tackle. Be sure to check out all of the details and fantastic ads in this week's Lakes News Shopper!

Preschool Art Exhibit

As part of the month-long school art exhibit, Arts on Grand in Spencer is pleased to present the Preschool Exhibit. Students from First English preschool, YMCA preschool, Trinity preschool, Sacred Heart, and Johnson Elementary preschool have their work on display in the gallery until May 6th. Their work varies from examples based on the children's book "It Looked Like Spilt Milk" by Charles G. Shaw to recreations of Eric Enstrom's photo, "Grace". The main gallery is in full color with flowers, kites, hand prints, a letter quilt, eggs, elephants, rabbits, abstract designs and work based on famous artists like Modrian and Van Gogh. This exhibit is generously sponsored by the Farmers Bank. Arts on Grand is open Tuesday through Friday from 10:00am to 5:00 pm and on Saturdays from 10:00am to 3:00pm. Families, friends and the general public are cordially invited to view this inspiring show to see just how these great examples of creativity.

Ladies Of The Lake Begin Program Year

The Ladies of the Lake Chapter of the Daughters of the American Revolution will begin its program year with a meeting on Tuesday, May 9, at the Spirit Lake United Methodist Church. The history of the Spirit Lake church and its windows will be the program topic to be presented by the Honorary Regent Colleen Lemkuil.

At the meeting members will acknowledge the loss of three long active chapter Daughters Anita "Billy" Skewis Rosendahl, Arlene Grantz Reed, and Evelyn Knudson Schwenneker. These three ladies all passed away since the chapter's last meeting this past October. They will be formally honored at the June meeting.

During "Billy" Rosendahl's nearly 106 years, she belonged to DAR for 65 of those years serving as regent of the Ladies of the Lake Chapter when she was 93. "Billy's" patriot was Caleb Dexter of Vermont. At the time of her death she was believed to be the oldest living member of the entire DAR organization.

Arlene Reed was born in Jackson, MN but lived the majority of her life in Spirit Lake where she and her husband both worked for Berkley and Company. They even moved to Winnipeg, Canada for five years to help organize Berkley and Company, Canada LTD. In 1975 they returned to Spirit Lake where Arlene was active in many organizations including DAR which she joined in 2012, her patriot being David Russell of Massachusetts.

Evelyn Schwenneker was recognized by the Ladies of the Lake Chapter in 2016 for her forty years of membership and her 90th birthday. She taught for 23 years in Charles City before joining her husband Ron in his Spirit Lake business. Evelyn became a DAR member in 1976 on the record of her patriot Andrew Boynton of New York.

The Iowa Society of the Daughters of the American Revolution held its Annual Conference in Ames April 27 through April 30. Ladies of the Lake Regent Mary Thunhorst, Honorary Regent Colleen Lemkuil, and Historian Maryanna Hubbard attended this meeting at which the local chapter made its final report on the grant it received in 2016 for work on the Baker School renovation in Sheldon and received recognition for other chapter accomplishments during the 2016 program year.

A formal report on the state meeting will be made to the chapter in June.

IBBB Returns to Table 316

The Wednesday night dances at Table 316 in Arnolds Park are returning to their summer schedule with dancing from 7:00 to 9:00pm and the Itty Bitty Boji Band is returning for your dancing pleasure on Wednesday, May 10. The Itty Bittys are returning from a break where Bill spent the winter playing in Alabama, but they're back now and ready to rock the house again. They are looking forward to seeing all of their old friends again and making new ones. Table 316 features a buffet for your dining pleasure each Wednesday or you can order from the menu so come early, enjoy a great meal and then stay for a great evening of dancing and listening to the Itty Bitty Boji Band. And there's no cover charge for this fun evening at Table 316.

Heart to Heart With Heritage Landing Senior Living Apartments

April showers bring May flowers!

The other day I overheard a conversation between a clerk, a customer and the customer's child who must have been about

7 years old. It had been raining and the clerk was taking it in stride. Good naturedly he verbalized "You know what they say, April Showers, bring May flowers!" The child had a puzzled look on his face and the clerk asked the child "Have you ever heard that before?" To which the child responded "Nope."

April showers, bring May flowers was a popular and standard spring phrase when I was a child back in the mid '60s. I'd hear it in school, at home, out in the community. This led me to question how many other phrases that the baby boomers use, that have no meaning to our newer generations? Phrases like "Don't flip your gourd, Go with the flow, Lay it on me, Nitty Gritty, or Cat got your tongue?" I felt a little nostalgic, a bit sad and definitely like a dinosaur.

I suspect that this is a common feeling as we move from generation to generation. Life is continuously changing, whether it is phrases, fads or fashion. Something new or different is just around the corner. It's not always a bad thing, it's just different.

As we mature we experience the same thing. We may lose our spouse, our health may change, or we may move or retire. Our needs, wants, and values are likely very different today than what they were when we were younger.

It's time to embrace change and not feel defeated by it. It's never too late to adjust your lifestyle, make new friends, try new things, or to just enjoy life.

Heritage Landing Senior Living Apartments could be part of that change. Call us today at 712-338-2909 and we will be happy to show you how Heritage Landing can make change a whole lot easier and a lot more fun!

Sally's quip of the day: I decided to take a senior fitness class. I bent, twisted, gyrated, and jumped up and down, but by the time I got my leotard on the class was over!

Customer Service Training

The Iowa Great Lakes Area Chamber and Okoboji Tourism Committee know how essential quality customer service is in the area. One bad interaction could turn a customer away indefinitely. Superior service produces customers that not only return themselves but also pass along recommendations to others.

There is an opportunity to further improve these skills before the busy summer season hits. Iowa State University Extension and Outreach will provide you with targeted strategies that will teach you how to cater to the desires of the modern consumer. From front line employees to managers of retail shops, restaurants, attractions, hotels, gas stations, convenience stores, and more—this training is beneficial to all.

Get your staff signed up for only \$10, and meet at the Pearson Lakes Art Center on May 16, from 9:00-11:00am. If your business signs up 5 or more individuals, the price reduces to \$8 per person. Sign up online at www.okobojichamber.com. The deadline for registration is May 11. For more information or to register, contact Kara Matheson at 712-332-2107 or kara@okobojichamber.com.

Public Invited to Climate Advocacy Workshop

The public is invited to attend a climate advocacy training run by the non-partisan Citizens Climate Lobby on Sunday, May 7 at Mahan Hall at Iowa Lakeside Laboratory. Steve Shivers, co-founder of the Des Moines CCL Chapter will lead the group-start training for the newly forming Iowa Great Lakes chapter. "I attended Steve's workshop during CCL's Midwest regional CCL meeting last March," said Holly Mueller, Iowa CCL Coordinator. "I promise an inspiring afternoon. CCL is a grassroots organization that empowers citizens to break through the myth that we do not make a difference. It is also non-partisan and focuses on constructive dialogue between persons of all backgrounds." "Climate change is an issue that affects everything" added Jane Shuttleworth, co-chair for the newly forming local chapter. "It affects agriculture, public health and national security. The time is now to work together for a sustainable world."

The free workshop will be held from 1:00 to 5:00pm on Sunday, May 7, at Mahan Hall at Iowa Lakeside Laboratory, located at 1838 Highway 86. It will include group and paired discussions, learning to speak to issues, a practice meeting with a Member of Congress, and other skills. The workshop will also include a break, during which participants are invited to enjoy a nature walk on the Lakeside campus. Pre-registration is encouraged but not mandatory. To register or for more information, contact Holly Mueller or Jane Shuttleworth at iowagclcc@gmail.com. For more information about Citizen Climate Lobby, visit citizensclimatelobby.org.

The public is invited to meet and welcome Dr. Mary Skopec, recently hired Executive Director of Iowa Lakeside Laboratory Regent Resource Center. The reception will be held in the Andrea's Atrium in the Waitt Lab on Tuesday, May 9, from 3:00pm to 6:00pm. The reception is being hosted by the Friends of Lakeside Lab, Lakeside's non-profit community support organization. Lisa Roti, Friends Executive Director, explained that although Mary began her new position in December, many community members have not yet had the chance to meet her. "The arrival of spring is a great time to hold this reception, just before Lakeside's academic season begins."

Skopec comes to Lakeside from the Iowa Department of Natural Resources (DNR) where she has held several positions within the Watershed Monitoring and Assessment Section. She has also been an adjunct assistant professor at the University of Iowa since 2000.

In her role at Lakeside Laboratory, Skopec will provide strategic vision and oversight for the Board of Regents' biological field station. Founded in 1909, Lakeside Laboratory's mission includes academic course work, public outreach, and ongoing research, particularly in the area of water quality.

"Skopec's unique skillset and expertise make her an outstanding choice to lead Lakeside Laboratory at this critical juncture," notes Lon Moeller, associate provost for undergraduate education and dean of University College. "She understands the vital contribution biological field stations have to play in today's environmental landscape. We are pleased to welcome her to Lakeside Laboratory."

REAL ESTATE ROUNDUP

Presented by **RE/MAX Lakes Realty**

Welcome back folks. Walleye Weekend is upon us once again; signaling the fact that schools will be getting out soon, traffic will increase, and the weather will turn. It's sure to be a fun weekend of fishing, friends, and pancake feeds. If you are around this weekend, please give one of our agents a call to look at some homes. We are seeing more and more homes pop up on the market, and our agents at RE/MAX Lakes Realty will appreciate the opportunity to work with you and find you a new place! Download our awesome search app on google play or the AppStore or find us at www.sellboji.com.

I'd like to take this week to help answer a question that we as agents receive a lot. Because the lakes area continues to be a hotbed for real estate investors, these investors consistently inquire as to what the "rental regulations" are for a particular property. "Can we rent by the day? Can we rent by the week? Can we rent by the month? What are we allowed to do?" Well, the answer is not always easy, and I always encourage my buyers to discuss with the city, county or potential HOA (home owners' association) that the property may belong to. However, in general, this is how it works. First and foremost, you need to know how the property is zoned in the county or city. The zoning will tell you how rentals are regulated. Most of the time, if a property is zoned as residential, then the city or county will only allow you to rent by the month at a minimum, and this rule can vary. If zoned commercial, you might be able to rent by the day or the week. If there is special zoning, such as in Arnolds Park with "Cottage Residential", you can rent by the day or week. Now, once you determine with the city or county what they will allow, and if you are in an HOA, then you need to review the "covenants" or by-laws of the association. Many associations don't allow renting at all, whereas some will only allow monthly minimums. And some allow daily or weekly. So, in summary, you need to check with the city or county first and see what is legal. Then, if you are in an HOA, you need to determine what is allowed in your particular association. Oh, by the way, don't forget to inquire about paying your hotel/motel tax!

Lessons Of The Holocaust at Milford Memorial Library

Join Iowa Holocaust Council Member and educator Brad Wilkening as he talks about Lessons of the Holocaust at the Milford Memorial Library on Monday, May 8, from 6:30 p.m. to 8:00 p.m. Wilkening will address how people can apply lessons of the Holocaust in today's world where immoral acts are still happening. He started teaching in 1975 and has done extensive studies of the Holocaust since 2009.

Wilkening finds the need for Holocaust education and the lessons people can learn from it more relevant now than ever. Inhumanity occurs around the world almost daily and he wants to make a difference in the lives of as many people as he can reach. "After this event (Holocaust) we said 'NEVER AGAIN,' yet there are numerous places today where genocide is happening. We as individuals must do our part to help humanity survive the inhumanity that some have toward others," said Wilkening. His goal is to teach people that they need to create a safer more caring environment.
 Wilkening's presentation will include: 20 minutes of how he got involved in studying the Holocaust and the history; 20 minutes of stories from survivors; and a 20 minute video of Wilkening talking to a survivor. There will be time at the end of the program to ask questions and make comments.

Wilkening contacted Milford Memorial Library Director Beth Sorenson to see if he could do a presentation at the library and she was excited about the idea of having him come talk about the Holocaust. "It's a chance for people to remember what happened so it doesn't happen again. It has impacted a lot of people even though, for some of us younger people, it is a long time in the past," said Sorenson. The Milford Memorial Library has been telling patrons about the program and so many people have been interested and have their own stories to share.

Wilkening started teaching in 1975 and has taught at more than 5 schools in the area. He has studied the topic intensively and in 2011 he was one of 35 people selected for a class at Columbia University and again in 2017 he was one of only 35 people to go to a class in Newark sponsored by the Jewish Foundation for the Righteous. In addition to speaking at the Milford Memorial Library Wilkening will be speaking to students at Okoboji High School May 8 and 9.
 Everyone is invited to come to the Milford Memorial Library on Monday, May 8, at 6:30pm, to listen to Brad Wilkening's presentation "Lessons of the Holocaust." The Library is located at 1009 9th Street, Milford, Iowa 51351. For questions or more information contact the library at 712-338-4643 or info@milford.lib.ia.us.

Wings and Wetlands Weekend

Two male scarlet tanagers, ablaze in fiery red feathers, flitted about in front of a group of birders during a Warbler Walk for Wings & Wetlands Weekend.

"The gasps and oohs and aahs were just unbelievable," said Ed Thelen, who helps lead the Warbler Walk for Dickinson County Conservation each year. The little birds were so colorful, they almost looked out of place, like they should be in a tropical rainforest, not flying around northwest Iowa.

However, at this time of year, a variety of colorful birds are migrating through the region on the way from their tropical winter homes to their cooler summer homes. See them during this year's Warbler Walk 8:00am, Saturday, May 13, during Wings & Wetlands Weekend.

Meet Dickinson County Conservation environmental education coordinator Bryanna Kuhlman and Thelen at the Marble Lake boat ramp west of Big Spirit Lake for the leisurely walk to look for warblers and other migrating songbirds.

Thelen said groups have spotted up to 18 species of warblers and other colorful birds such as the scarlet tanagers and rose-breasted grosbeaks during this annual walk. He loves to see the blackburnian warbler and the more-common American redstart. "That one we're much more likely to see because some are known to nest in Iowa," Thelen said. "Most of the warblers are going north to nest in the deciduous forests of Canada."

During the Warbler Walk, birders will move slowly, watching for warblers feeding in the tops of trees and listening for their calls.

"Warblers often group together in little bunches; they call it a wave of warblers," Thelen said. "It's not unusual to see one, and then you stop and wait and a bunch of them will move through in a wave."

Although birders usually hope for a gorgeous day to head outside, a little darker weather often helps people spot these colorful little birds. Instead of feeding in the top of trees, light rain and clouds will push them down closer to eye level.

Thelen has helped lead the Warbler Walk for about 15 years, and he is always excited to get people of all ages out doing what he loves, birding. And this is a great time of year to try it.

"The whole migration thing is so unbelievable the way these same birds come back to the same area," he said.

After the Warbler Walk, a Wings & Wetlands Weekend program will be held at 3:00pm at the Dickinson County Nature Center in Okoboji.

Duane Jundt, a lecturer in history at Northwestern College in Orange City, will present "Birdwatcher-In-Chief: Theodore Roosevelt and America's Birds." Roosevelt's conservation ethics and hunting exploits are well known, but many people don't know that he was an avid birdwatcher and champion for America's threatened bird species and habitats. Jundt will discuss the role birds and birding played in the life of this American president.

In addition to Dickinson County, other northwest Iowa county conservation boards will also be having Wings & Wetlands Weekend activities May 13-14, so check out all the fun opportunities throughout the area.

For more information on Dickinson County Conservation's Wings & Wetlands Weekend events, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up on the latest happenings on Facebook, Instagram and Twitter.

Team WAVE Tree Sale

Mark your calendars. Team WAVE will again be sponsoring a tree sale for Arnolds Park residents. The tree sale will be held in the City Hall parking lot on Saturday, May 13, from 9:00am until noon. They will be selling four varieties of trees again this year including: Autumn Blaze Maple, Sunburst Honey Locust, Spring Snow Crab, and Black Hills Spruce. Fifty trees ranging in height from approximately 6 - 8 feet tall will be sold to Arnolds Park residents for \$25 each. There is a limit of two trees per family and all trees should be planted in Arnolds Park.

Arnolds Park has been recognized by the National Arbor Day Foundation as a "Tree City" for the past 18 years. Four standards need to be met in order for "Tree City USA" recognition. The standards include: A City must have a tree board or department that is responsible for the care of all trees on City- or Town-owned property, a Tree Care Ordinance, a Community Forestry Program, and an Arbor Day Observance or Proclamation. Mayor Husung signed the 2017 Arbor Day Proclamation on April 12.

Team WAVE is also responsible for the hanging flower baskets along Broadway Street in Arnolds Park. This year we are hoping to add an additional 10 hanging baskets, bringing the total to 40, on the light poles along the sidewalk and bike path from the Central Emporium to the Amusement Park. This project has been made possible due to many generous donations to Team WAVE and with help from Cottage Gardens and Clary Lake Services in Milford, the City of Arnolds Park, and the Arnolds Park Amusement Park.

Last fall, Team WAVE completed a landscaping project in front of the Central Emporium. A picnic table has been ordered to be placed in this location where residents and visitors can relax and enjoy what the area has to offer. They would like to thank Matt at Blue Water Prairie Landscape Design for the nice job on the landscaping.

Without your support, many of these projects would not be possible. If you would like to donate, whether financially or with your time and talents, please contact City Hall in Arnolds Park.

2017 NALC Food Drive

Saturday, May 13, marks the 25th anniversary of one of America's great days of giving --the National Association of Letter Carriers StampOut Hunger Food drive. Each year on the second Saturday in May, letter carriers across the country collect non-perishable food donations from our customers. These donations go directly to the local food pantries to provide food to people in Dickinson County that need our help.

Last year, they collected over 80 million pounds of food nationally, feeding an estimated 64 million people. Over the course of its 24 year history, the drive has collected 1.5 billion pounds of food, thanks to a postal service universal delivery network that spans the entire nation.

The need for donations is great. Currently 49 million Americans -- 1 in 6 -- are unsure where their next meal is coming from. 13 million are children who feel hunger's impact on their overall health and ability to perform in school.

The food drive's timing is crucial. Food banks often receive the majority of their donations during the Thanksgiving and Christmas holiday seasons. By springtime, many pantries are depleted, entering into the summer low on supplies at a time when many school breakfast and lunch programs are not available to children in need.

Participating in this year's food drive is simple. Just leave a non-perishable food donation in a bag by your mailbox on Saturday, May 13, (prior to your carrier arriving) and your carrier will do the rest. A designated hamper will also be available the week of the drive in the lobby of the Spirit Lake Post Office (located at 1513 Hill Avenue) for donations. Additionally, a hamper will be located on the back loading dock of the Post Office the day of the drive for your convenience also. A reminder postcard will be mailed reminding you of the date.

Please help in the fight to end hunger, as the National Association of Letter Carriers celebrate their 25th anniversary year in America's great day of giving.

THE LAKES AREA YOUTH TRAP CLUB competed in Rock Valley on Saturday, April 22. The Varsity Squad of Keegan Wagner, Brody Untiedt, Kolby Kendall, Jack Rasche and Austin Heuck brought home 2nd place with a score of 216/250. Individually Keegan Wagner brought home 1st place for Varsity with a score of 49/50. Pictured are Kolby, Brody and Jack, missing are Keegan and Austin.
