Physicians should use corticosteroids, nonsteroidal anti-inflammatory drugs (NSAID), or colchicine to treat patients with acute gout, the American College of Physicians (ACP) recommends in a new evidence-based clinical practice guideline for the management of gout published in Annals of Internal Medicine. ACP recommends that if colchicine is used, it should be at a low dose, as evidence suggests that lower doses of colchicine are as effective as higher doses but are associated with fewer gastrointestinal adverse effects.

Tamsulosin is normally used to treat an enlarged prostate, but recent research published in the Annals of Emergency Medicine found the medication could also assist the passage of large kidney stones. 1 in 11 people in the United States suffer from kidney stones, which range in size from a grain of sand to a pearl or even larger, and can be excruciating to pass through the urinary tract.

Treatment with the drug prazosin effectively reduces symptoms of posttraumatic stress disorder (PTSD) for many people, but about one third of patients don't respond to the treatment at all. Attempts to understand why people respond differently, based on symptom type or severity, have fallen short. A new study published in Biological Psychiatry reports that those with higher blood pressure before beginning prazosin treatment see better results from the medication.

The so called church Christians think they have the right to curse the Jews and others for not believing as they do that Christ is The Holy Son of Elohim, yet Christ went unto the Jews (Mt 15:24). Then their doctrines are man's changed times and laws and they do not live or worship by The Holy Father's Word (Jn 1:1-14, 5:14, 8:11, 14:24, Ps 119:89-96, Isa 40:8, 55:11, Mt 4:4, 5:17-19, 24:35, Lk 1:37, Heb 4:8, 13:8)! Which reveals they do not trust or love (Jn 14:15) Christ The Holy Truth (Jn 14:6). The Holy Bible and history reveals apostasy is within their church doctrines and they beguile with plain verses to change commanded verses (law) which is desecrating The Holy Bible. So Be It!
